Quiet and Peaceable Life-John Ruth 1997-09-01 John L. Ruth, a Mennonite storyteller/historian, captures the spirit of Old Order Mennonite and Amish groups in his essays, along with photographs, poetry, and quotations. If the "plain people" of North America are to be understood in terms of their own concerns, we must consider sympathetically their own expressions and the biblical cadences they echo. Having maintained, with the tolerance of their society, a simple life as "the quiet in the land," these folk still prize such passé virtues as modesty, humility, and obedience to God's will, as interpreted by a disciplined community of faith. Their values, difficult to appreciate in a world bemused by progress, are seldom if ever articulated, except as curiosities, in our mass media. --John L. Ruth, in A Quiet and Peaceable Life.

Living as Salt and Light-Derek Prince 2013-08-14 Transform Lives and Change the Course of HistoryMany countries are facing possibly the greatest crises of their entire history. What a tragedy it would be if we Christians failed to make any positive effect on the needs of the nation in which we live! Yet victory is the destiny of God's people. Be part of His plan to transform your life, the lives of other people, and the very life of your country. Jesus Christ never encountered a situation in which He said, "I'm sorry. There is nothing to be done." Instead, He taught that believers are the salt of the earth and the light of the world. The world is in desperate need of change, and we are the people who must bring about that change. Best-selling author and Bible teacher Derek Prince outlines our strategic position as Christians in the world—including both our privileges and responsibilities to impact individual lives, communities, and entire nations. He provides timely teaching on how to... Take spiritual initiative in your area of influence Identify with God's purposes and extend His kingdom in the world Wage spiritual warfare and defeat the schemes of the devil Utilize the weapons of prayer, fasting, praise, and testimony Become a history changer for a better world We have the means to alter the course of events in our cities and nations according to God's will—transforming lives and changing the course of history.

This Is the Life!-Warren W. Wiersbe 2014-10-14 The Christian life should be one of pervading joy, persistent grace, and promises kept. God doesn't call us to a legalistic life of grimly getting by until we reach a heavenly reward. We receive part of our reward and inheritance in this life, on this earth. Yet we so often let the things of this life determine our outlook. The habits that bind us, the negative attitudes that control us, the people who bother us, the needs that depress us, and the challenges that frighten us--they can all be handled by God, says beloved author Warren W. Wiersbe, if we will let him have his way. In This Is the Life! the veteran pastor helps readers rediscover the kind of life God promised them. He shows clearly that the way to joy is through cultivating a close relationship with God and obedience to his Word, calling readers to enjoy all the blessings and privileges of a life of faith--right now.
