2015-09-25 Johann's super-sized rabbits are his pride and joy. Much to his surprise, the Supreme Leader of the Democratic People's Republic of Korea has taken a special interest, and will stop at nothing to get his hands on them. When a bungled undercover rescue mission transports Johann to North Korea, he finds himself, and the

bunnies he betrayed, in a bit of a stew. Preposterously based on a true story, this is a cunning comic thriller spanning two continents. Crammed with secret-agents, espionage, double-crossings and a giant rabbit named Felix, the play is also a pointed parable about betrayal and forgiveness, greed and regret. 3 male, 2 female. Avoiding the Apocalypse: The Future of the Two

Koreas [ISBN not on www]-Noland, Marcus 2000 North Korea through the Looking Glass-Kongdan Oh 2004-05-13 Fifty-five years after its founding at the dawn of the cold war, North Korea remains a land of illusions. Isolated and anachronistic, the country and its culture seem to be dominated exclusively by the official ideology of Juche, which emphasizes national self-reliance, independence, and worship of the supreme leader, General Kim Jong Il. Yet this socialist utopian ideal is pursued with the calculations of international power politics. Kim has transformed North Korea into a militarized state, whose nuclear weapons, ballistic missiles, and continued threat to South Korea have raised alarm worldwide. This paradoxical combination of cultural isolation and military-first policy has left the North Korean people woefully deprived of the opportunity to advance socially and politically. The socialist economy, guided by political principles and bereft of international support, has collapsed. Thousands, perhaps millions, have died of starvation. Foreign trade has declined and the country's gross domestic

product has recorded negative growth every year for a decade. Yet rather than initiate the sort of market reforms that were implemented by other communist governments, North Korean leaders have reverted to the economic policies of the 1950s: mass mobilization, concentration on heavy industry, and increased ideological indoctrination. Although members of the political elite in Pyongyang are acutely aware of their nation's domestic and foreign problems, they are plagued by fear and policy paralysis. North Korea Through the Looking Glass sheds new light on this remote and peculiar country. Drawing on more than ten years of research—including interviews with two dozen North Koreans who made the painful decision to defect from their homeland—Kongdan Oh and Ralph C. Hassig explore what the leadership and the masses believe about their current predicament. Through dual themes of persistence and illusion, they explore North Korea's stubborn adherence to policies that have failed to serve the welfare of the people and, consequently, threaten the future of the regime. Featuring twenty-nine rare and

candid photos taken from within the closely guarded country, North Korea Through the Looking Glass illuminates the human society of a country too often mischaracterized for its drab uniformity—not a "state," but a community of twenty million individuals who have, through no fault of their own, fallen on exceedingly hard times.

Kim Jong Il- 2001

Songs for "Great Leader"-Keith Howard
2020-01-24 Famously reclusive and secretive, North Korea can be seen as a theatre that projects itself through music and performance. The first book-length account of North Korean music and dance in any language other than Korean, Songs for "Great Leaders" pulls back the curtain on this theatre for the first time. Renowned ethnomusicologist Keith Howard moves from the first songs written in the northern part of the divided Korean peninsula in 1946 to the performances in February 2018 by a North Korean troupe visiting South Korea for the Pyeongchang Winter Olympic Games. Through an exceptionally wide range of sources and a

perspective of deep cultural competence, Howard explores old revolutionary songs and new pop songs, developments of Korean instruments, the creation of revolutionary operas, and mass spectacles, as well as dance and dance notation, and composers and compositions. The result is a nuanced and detailed account of how song, together with other music and dance production, forms the soundtrack to the theater of daily life, embedding messages that tell the official history, the exploits of leaders, and the socialist utopia yet-to-come. Based on fieldwork, interviews, and resources in private and public archives and libraries in North Korea, South Korea, China, North America and Europe, Songs for "Great Leaders" opens up the North Korean regime in a way never before attempted or possible.

North Korea-Robert Willoughby 2014-07-22 A fascinating land on the edge of the world, despite recent tensions North Korea is a country more accessible than commonly believed. Bradt's North Korea guide is still the market leader after over a decade. Whole new parts of the country

have opened up, including the cities of Pyongyang and Hoeryong, and the gorgeously scenic landscape around Haeju, while specialist trips on offer now range from cycling, skiing and architectural tours to travelling right across the land by train. Thoroughly updated throughout with updated and completely new maps, an additional eight pages of photographs, and 100s of links to agencies and organisations that analyse or work with the country, the Bradt Guide to North Korea is the most detailed and comprehensive guide available.

The Bomb-Fred Kaplan 2020-01-28 From the author the classic The Wizards of Armageddon and Pulitzer Prize finalist comes the definitive history of American policy on nuclear war—and Presidents' actions in nuclear crises—from Truman to Trump. Fred Kaplan, hailed by The New York Times as “a rare combination of defense intellectual and pugnacious reporter,” takes us into the White House Situation Room, the Joint Chiefs of Staff’s “Tank” in the Pentagon,

and the vast chambers of Strategic Command to bring us the untold stories—based on exclusive interviews and previously classified documents—of how America’s presidents and generals have thought about, threatened, broached, and just barely avoided nuclear war from the dawn of the atomic age until today. Kaplan’s historical research and deep reporting will stand as the permanent record of politics. Discussing theories that have dominated nightmare scenarios from Hiroshima and Nagasaki, Kaplan presents the unthinkable in terms of mass destruction and demonstrates how the nuclear war reality will not go away, regardless of the dire consequences. Wicked Sisters-Alma De Groen 2003 A humorous and acutely observed story of the friendship between four middle-aged women, refracted through their relationship to the late husband (Alec - a renowned intellectual and scientific genius) of one of them, Meridee. The once-university pals meet in the Blue Mountains at the house of Meridee after Alec's death. As the evening progresses, long buried secrets surface and events take a somewhat wicked turn. A blackly comic play that deals with issues related to women, careers, ageing, grief and relationships. (2 Acts, 4 female).

The Orphan Master's Son-Adam Johnson

2012-01-10 WINNER OF THE PULITZER PRIZE FOR FICTION An epic novel and a thrilling literary discovery, *The Orphan Master's Son* follows a young man's journey through the icy waters, dark tunnels, and eerie spy chambers of the world's most mysterious dictatorship, North Korea. NATIONAL BOOK CRITICS CIRCLE

AWARD FINALIST • DAYTON LITERARY PEACE PRIZE WINNER • LONGLISTED FOR THE AMERICAN LIBRARY ASSOCIATION'S ANDREW CARNEGIE MEDAL • WINNER OF THE CALIFORNIA BOOK AWARD FOR FICTION • NEW YORK TIMES BESTSELLER NAMED ONE OF THE BEST BOOKS OF THE YEAR BY *The New Yorker* • *The Washington Post* • Stephen King, *Entertainment Weekly* • *The Wall Street Journal* • *Los Angeles Times* • *San Francisco Chronicle* • *Financial Times* • *Newsweek/The Daily Beast* • *The Plain Dealer* • *St. Louis Post-Dispatch* • *Milwaukee Journal Sentinel* • Scott Turow, *The Millions* • *Slate* • *Salon* • *BookPage* • *Shelf Awareness* "The single best work of fiction published [this year] . . . The book's cunning, flair and pathos are testaments to the still-formidable power of the written word."—*The Wall Street Journal* Pak Jun Do is the haunted son of a lost mother—a singer "stolen" to Pyongyang—and an influential father who runs Long Tomorrows, a work camp for orphans. There the boy is given his first taste of power, picking which orphans eat first and which will be lent out for manual

labor. Recognized for his loyalty and keen instincts, Jun Do comes to the attention of superiors in the state, rises in the ranks, and starts on a road from which there will be no return. Considering himself “a humble citizen of the greatest nation in the world,” Jun Do becomes a professional kidnapper who must navigate the shifting rules, arbitrary violence, and baffling demands of his Korean overlords in order to stay alive. Driven to the absolute limit of what any human being could endure, he boldly takes on the treacherous role of rival to Kim Jong Il in an attempt to save the woman he loves, Sun Moon, a legendary actress “so pure, she didn’t know what starving people looked like.” Part breathless thriller, part story of innocence lost, part story of romantic love, *The Orphan Master’s Son* is also a riveting portrait of a world heretofore hidden from view: a North Korea rife with hunger, corruption, and casual cruelty but also camaraderie, stolen moments of beauty, and love. A towering literary achievement, *The Orphan Master’s Son* ushers Adam Johnson into the small group of today’s greatest writers.

Praise for *The Orphan Master’s Son* “An exquisitely crafted novel that carries the reader on an adventuresome journey into the depths of totalitarian North Korea and into the most intimate spaces of the human heart.”—Pulitzer Prize citation “Mr. Johnson has written a daring and remarkable novel, a novel that not only opens a frightening window on the mysterious kingdom of North Korea, but one that also excavates the very meaning of love and sacrifice.”—Michiko Kakutani, *The New York Times* “Rich with a sense of discovery . . . *The Orphan Master’s Son* has an early lead on novel of [the year].”—*The Daily Beast* “This is a novel worth getting excited about.”—*The Washington Post* “[A] ripping piece of fiction that is also an astute commentary on the nature of freedom, sacrifice, and glory.”—*Elle* From the Hardcover edition.

Without You, There is No Us-Suki Kim 2015 The award-winning author of *The Interpreter* traces her experiences as an English teacher to the sons of North Korea's elite during the last six months of Kim Jong Il's reign, an effort complicated by

oppressive regime enforcers, propaganda and evangelical missionaries. 40,000 first printing. Quarterly Economic Review of China, North Korea- 1984

Becoming Kim Jong Un-Jung H. Pak 2020-04-28 A groundbreaking account of the rise of North Korea's dictator Kim Jong Un—from his nuclear ambitions to his summits with President Donald J. Trump—by a former CIA analyst considered one of the leading American experts on the North Korean ruler inside and outside the U.S. government “An important book.”—James Clapper, former Director of National Intelligence
When Kim Jong Un became the leader of North Korea following his father's death in 2011, predictions about his imminent fall were rife. North Korea was isolated, poor, unable to feed its people, and clinging to its nuclear program for legitimacy. Surely this twentysomething with a bizarre haircut and no leadership experience

would soon be usurped by his elders. Instead, the opposite happened. Now in his midthirties, Kim Jong Un has solidified his grip on his country and brought the United States and the region to the brink of war. Still, we know so little about him—or how he rules. Enter former CIA analyst Jung Pak, whose brilliant Brookings Institution essay “The Education of Kim Jong Un” cemented her status as the go-to authority on the calculating young leader. From the beginning of Kim's reign, Pak has been at the forefront of shaping U.S. policy on North Korea and providing strategic assessments for leadership at the highest levels in the government. Now, in this masterly book, she traces and explains Kim's ascent on the world stage, from his brutal power-consolidating purges to his abrupt pivot toward diplomatic engagement that led to his historic—and still poorly understood—summits with President Trump. She also sheds light on how a top intelligence analyst assesses thorny national security problems: avoiding biases, questioning assumptions, and identifying risks as well as opportunities. In piecing together Kim's

wholly unique life, Pak argues that his personality, perceptions, and preferences are underestimated by Washington policy wonks, who assume he sees the world as they do. As the North Korean nuclear threat grows, *Becoming Kim Jong Un* gives readers the first authoritative, behind-the-scenes look at Kim's character and motivations, creating an insightful biography of the enigmatic man who will likely rule the hermit kingdom for decades—and has already left an indelible imprint on world history.

Business Asia- 1999 Weekly report to managers of Asia/Pacific operations.

God, Guns, Grits, and Gravy-Mike Huckabee
2015-01-20 The New York Times, USA Today, Wall Street Journal, and Publishers Weekly bestseller from a presidential candidate for the 2016 election! In *God, Guns, Grits and Gravy*, Mike Huckabee asks, "Have I been taken to a different planet than the one on which I grew up?" The New York Times bestselling author explores today's fractious American culture, where divisions of class, race, politics, religion, gender, age, and other fault lines make polite

conversation dicey, if not downright dangerous. As Huckabee notes, the differences of opinion between the "Bubble-illes" of the big power centers and the "Bubba-illes" where most people live are profound, provocative, and sometimes pretty funny. Where else but in Washington, D.C. could two presidential golf outings cost the American taxpayers \$2.9 million in travel expenses? Government bailouts, politician pig-outs, and popular culture provocations from Jay-Z and Beyoncé to Honey Boo-Boo to the Duck Dynasty's Robertson family. Gun rights, gay marriage, the decline of patriotism, and the mainstream media's contempt for those who cherish a faith-based life. The trouble with Democrats, the even bigger trouble with Republicans, our national security complex, and how our Constitution is eroding under our noses. Reflections on our way of life as it once was, as it is, and as it might become...these subjects and many more are covered with Mike Huckabee's signature wit, insight, and honesty.

Marlon Bundo's Day in the Life of the Vice
President-Charlotte Pence 2018-03-19
NATIONAL BESTSELLER "Mike Pence's pet
rabbit is the best thing about Washington." —The
Week "Marlon is ridiculously cute and appears to
be fully aware of that fact." —The Washington
Post Marlon Bundo is "an objectively good name
for a bunny." —John Oliver, HBO's Last Week
Tonight "The Vice President and his wife could
kiss their audience's attention goodbye once
Marlon Bundo was introduced!" — CNN,
covering Marlon Bundo's appearance at a White
House military appreciation event From the
moment he hopped into the home of America's
"Second Family," black-and-white bunny rabbit
Marlon Bundo captured the hearts of Vice
President Mike Pence, his wife Karen, and his
children Michael, Charlotte, and Audrey. But
little Marlon Bundo isn't just a family pet: like
Peter Rabbit and Bugs Bunny before him,
Marlon—or BOTUS (Bunny of the United
States)—is a national celebrity! With his
appearances at official White House events, his

rides on Air Force 2, and his popular Instagram
account, Marlon Bundo has become a beloved
member of the Trump-Pence administration. So
how does a bunny experience a day in the life of
the Vice President? Now young readers can
follow Marlon Bundo along as he hops after
"Grampa" (Vice President Mike Pence) in this
delightful story penned by Charlotte Pence and
illustrated faithfully with watercolors from the
"Second Lady" herself, Karen Pence.

The New Yorker- 2003

The Great Successor-Anna Fifield 2019-06-11

The behind-the-scenes story of the rise and reign
of the world's strangest and most elusive tyrant,
Kim Jong Un, by the journalist with the best
connections and insights into the bizarrely
dangerous world of North Korea. Since his birth
in 1984, Kim Jong Un has been swaddled in myth
and propaganda, from the plainly silly--he could
supposedly drive a car at the age of three--to the
grimly bloody stories of family members who
perished at his command. Anna Fifield
reconstructs Kim's past and present with
exclusive access to sources near him and brings

her unique understanding to explain the dynastic mission of the Kim family in North Korea. The archaic notion of despotic family rule matches the almost medieval hardship the country has suffered under the Kims. Few people thought that a young, untested, unhealthy, Swiss-educated basketball fanatic could hold together a country that should have fallen apart years ago. But Kim Jong Un has not just survived, he has thrived, abetted by the approval of Donald Trump and diplomacy's weirdest bromance. Skeptical yet insightful, Fifield creates a captivating portrait of the oddest and most secretive political

regime in the world--one that is isolated yet internationally relevant, bankrupt yet in possession of nuclear weapons--and its ruler, the self-proclaimed Beloved and Respected Leader, Kim Jong Un.
