Rare Breed-Sunny Bonnell 2019-09-03 An unconventional business book for the rebels and misfits—the Rare Breeds—who don’t fit the traditional mold, offering an approach that’s anything but business as usual. “Brazen rant!” -- Seth Godin, New York Times bestselling author of This is Marketing and What to Do When It’s Your Turn In every job you’ve ever had, you’ve been judged, labeled, and made to feel like an outsider. Defiant. Dangerous. Different. A real pain-in-the-ass.The message? To be successful, you’ve got to fundamentally change. But what if -- instead of conforming -- you learned how to punch society’s codes in the nose, run like a hooligan through the corridors of entrenched power, and succeed -- not by grinding down your prickly parts, but by going all-in on who you really are? “A guide for strategic rebellion.” -- Mark Levy, founder of Levy Innovation and creator of Your Big Sexy Idea® Meet Sunny Bonnell and Ashleigh Hansberger, award-winning global brand consultants, founders of Motto, and authors of Rare Breed: A Guide to Success for the Defiant, Dangerous, and Different. In this book, you’ll come face-to-face with seven controversial virtues that are typically seen as ladder-burning, career-ending personality traits that - convention says -- keep mavericks, oddballs, and visionaries like you from getting along, getting buy-in, and getting ahead. “A beautiful reminder that you are not alone.” -- Charlamagne Tha God, New York Times bestselling author of Black Privilege Sunny and Ashleigh provide singular insight into how you can flip the script and turn your so-called “vices” into your virtues, transforming your most “undesirable” flaws into the high-octane fuel of your success. In a world that wants to own you, you’ll finally learn how to own yourself, through embracing all your parts - not just the pretty ones. College dropouts and social misfits Sunny and Ashleigh provide front-row seats to their own counterintuitive rise from broke-ass outsiders to brand consultants for iconic brands. Success, they show you, is no longer the sole purview of the Harvard MBA graduate. Your ticket to ride resides within the side of you that’s disorderly, independent, and rogue. Deep down, you’ve always been the kid to point out when the emperor has no clothes. Yet, time and time again you’ve been faced with the consequences of deviating from social expectations. This is a new conversation for a new era. What would happen if, starting today, you walked away from the sheeple? What could you build?

Rare Breed-Joyce, Janet 1984

A Rare Breed of Love-Jana Kohl 2008 Shares the story of a three-legged poodle whose rescue from a puppy mill sparked the author's cross-country rallies to raise awareness and call for reforms to animal protection laws, in a volume complemented by photos of celebrities and their animal companions.

Perro De Presa Canario-Manuel Curto Gracia 2012-11-20 Introducing the Perro de Presa Canario, the mighty fighting dog of the Canary Islands, off the coast of Spain. This Special Rare-Breed Edition is the first and only book written in English on this exciting breed of dog, written by the world's most famous Presa breeder and expert, Manuel Curtó Gracia from Tenerife. This informative, factual volume details the true history of the Presa Canario, as never before documented, told through first-hand accounts by old-time Presa dogmen from the islands. Additionally, the book discusses the breed characteristics, the official standard of the Spanish breed club, selecting a puppy, housebreaking and obedience training and health care.

A Rare Breed-Foluşo Longe 1981

Practical Rare Breeds-Valerie Porter 1987

Intricacies Of Manhood-Todd K. Allen 2010-08-19 My ultimate goal when creating “Intricacies of Manhood”, was to try and help preserve the family structure, by offering some insight on some of the most important variables necessary to maintain relationships. There are so many single parent families nowadays that it is almost frightening. The family structure has diminished to a dream, in comparison to what was once an entity. Many single mothers are doing a good job raising children, but they can only offer certain elements of the family structure. It is priceless for a child to be able to witness the interaction between his mother and father around the house daily, the way a man respects his woman, and vise versa. Additionally, even when respect isn't present in the household, it can be used as a guide to what is necessary to show respect. Many single mothers today are raising their young boys graciously and sternly, showing all that is needed to make it in society, but they're forced to learn about being a man using bits and pieces of the men that come in and out of their lives, from experiences in their lives, or from mentors whom they see on a regular basis. The trouble with that is young boys spend most of their time at home with their mom. Now, it's great to want to be like your mom, because she is hard-working, respectable, and strong, but it's a whole other thing to want to be your mom! I wanted to ponder with the idea that some of these elements could be the cause of our huge percentage of divorce in our society today, and I wanted to point out some of these variables so that my readers can grasp a better understanding of some of the points made in “Intricacies of Manhood”.

Last of the Breed (Louis L'Amour's Lost Treasures)-Louis L'Amour 2019-07-30 “For sheer adventure L’Amour is in top form.”—Kirkus Reviews Here is the kind of authentically detailed epic novel that has become Louis L’Amour’s hallmark. It is the compelling story of U.S. Air Force Major Joe Mack, a man born out of time. When his experimental aircraft is forced down in Russia and he escapes a Soviet prison camp, he must call upon the ancient skills of his Indian forebears to survive the vast Siberian wilderness. Only one route lies open to Mack: the path of his ancestors, overland to the Bering Strait and across the sea to America. But in pursuit is a legendary tracker, the Yakut native Alekhin, who knows every square foot of the icy frontier—and who knows that to trap his quarry he must think like a Sioux. Louis L’Amour’s Lost Treasures is a project created to release some of the author’s more unconventional manuscripts from the family archives. In Louis L’Amour’s Lost Treasures: Volumes 1, Beau L’Amour takes the reader on a guided tour through many of the finished and unfinished short stories, novels, and treatments that his father was never able to publish during his lifetime. L’Amour’s never-before-seen first novel, No Traveller Returns, faithfully completed for this program, is a voyage into danger and violence on the high seas. These exciting publications will be followed by Louis L’Amour’s Lost Treasures: Volume 2. Additionally, many beloved classics will be rereleased with an exclusive Lost Treasures postscript featuring previously unpublished material, including outlines, plot notes, and alternate drafts. These postscripts tell the story behind the stories that millions of readers have come to know and cherish.

William Pitt Ballinger-John Moretta 2000

Southwestern Saga-Sara Orwig 2015-01-04 In these three novels of westward expansion, the sun beats down on the plains during the days, but it’s passion that keeps the nights warm. The west heats up in Sara Orwig’s epic romances, showcasing three breathtaking stories of a lawless land and untamable hearts. In Denver, a man flees west to escape his past, only to lose his heart to a woman with the power to destroy him, or give him his one shot at redemption. Albuquerque brings together a pious woman and a shattered man who only have their passion in common. And in San Antonio, a man’s quest for revenge will take him into the home of his most hated enemy, and into the heart of that enemy’s beautiful daughter.

The Odd Man Karakozov-Claudia Verhoeven 2011-08-15 On April 4, 1866, just as Alexander II stepped out of Saint Petersburg’s Summer Garden and onto the boulevard, a young man named Dmitry Karakozov pulled out a pistol and shot at the tsar. He missed, but his “unheard-of act” changed the course of Russian history and gave birth to the revolutionary political violence known as terrorism. Based on clues pulled out of the pockets of Karakozov’s peasant disguise, investigators concluded that there had been a conspiracy so extensive as to have sprawled across the entirety of the Russian empire and the European continent. Karakozov was said to have been a member of “The Organization,” a socialist network at the center of which sat a secret cell of suicide-assassins: “Hell.” It is still unclear how much of this “conspiracy” theory was actually true, but of the thirty-six defendants who stood accused during what was Russia’s first modern political trial, all but a few were exiled to Siberia, and Karakozov himself was publicly hanged on September 3, 1866. Because Karakozov was decidedly strange, sick, and suicidal, his failed act of political violence has long been relegated to a footnote of Russian history. In The Odd Man Karakozov, however, Claudia Verhoeven argues that it is precisely this neglected, exceptional case that sheds a new light on the origins of terrorism. The book not only demonstrates how the idea of terrorism first emerged from the reception of Karakozov’s attack, but also, importantly, what was really at stake in this novel form of political violence, namely, the birth of a new, modern political subject. Along the way, in characterizing Karakozov’s as an essentially modernist crime, Verhoeven traces how his act profoundly impacted Russian culture, including such touchstones as Repin’s art and Dostoevsky’s literature. By looking at the history that produced Karakozov and, in turn, the history that Karakozov produced, Verhoeven shows terrorism as a phenomenon inextricably linked to the foundations of the modern world: capitalism, enlightened law and scientific reason, ideology, technology, new media, and above all, people’s participation in politics and in the making of history.

Exploring Colossians & Philemon-John Phillips 2002 "John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation." --Moody Magazine A Rare Breed-Mary Tate Engles 1992-11 When her great-grandmother's book about life in the Old West is optioned for a film, Brit Bailey takes the money and heads for Hollywood, but a malfunctioning chartered helicopter could postpone a life of glamour and bring her love. Original.

World Folklore for Storytellers: Tales of Wonder, Wisdom, Fools, and Heroes-Howard J Sherman 2014-12-18 Here is a treasury of favorite and little known tales from Africa, Asia, Europe, the Americas, Australia, and Oceania, gracefully retold and accompanied by fascinating, detailed information of their historic and cultural backgrounds.

The introduction provides an informative overview of folklore, its purpose in world cultures and in contemporary society and popular culture. Following this, the main sections of the book are arranged by tale type, covering wonder tales, hero tales, tales of kindness repaid and hope and redemption, and finally tales of fools and wise people. Each section begins by comparing the tales cross-culturally, explaining similarities and differences in the folkloric narratives. Tales from diverse cultures are then presented, introduced, and retold in a highly readable fashion.

Quad City Mallards-Craig Cooper 2001-10-01

The Emperor's Archives-M.L. Crabb 2016-10-09 There's a leak in the emperor's palace! An anonymous employee released the emperor's archives to the public. The Berlin Disclosure - RIA Agent John Smith tracks down a group of insurgents in Berlin and is forced to question his orders. Masquerade - Hillary Anderson is one of millions who suffer under the empire's iron grip on the masses. To get back, she steals secrets, but her luck is running out. Her number has been selected for the draft. Find me, Follow me - One week after the world changing events of The Year is Now, Lieutenant Kate Adams finds herself in an empire that has changed forever. To top it off, she is stalked by a dangerous captain who will stop at nothing to make her his bride. Beneath the Red Lamp - Six months later, Elly Reynolds is Secretary of Telepathic Affairs. She must unite the twelps and reintegrate them into a society that is rapidly falling into chaos. Her solution is simple, but will she go through with something as dark as thought police?

The Berlin Disclosure-M.L. Crabb 2016-07-12 He is hailed for his fierce loyalty, but it comes at a price. Special Agent John Smith is thrown into a mission that forces him to question his very own existence. The emperor's secretive Lafayette Guard entrusts him with the impossible. When things are not what they seem, John must decide between following orders and doing the unthinkable. The empire that rules Y.E. 419 had managed to unify humanity. Few know the truth of its violent beginnings. It was forged in a different 1945, in an alternate reality where the allies were not the heroes we celebrate today. There is one rule in John's line of work: follow orders or throw your life away.

Rare Breeds-Ralph Whitlock 1980

Historical Plays-Tom Taylor 1877

Birds in Their Relations to Man-Clarence Moores Weed 1903

Providence of Mercy-J. Butler Cox 2012-01-15 Jeremiah Townsend didn't ask for the gift of healing. When he's called upon to save a dying criminal, the life he knows is forever wrenched from him and his choices are called into question by a world that seeks to exploit his talents. As his own life collapses into chaos, a new threat emerges in the form of a doomsday cult with a frighteningly lethal weapon. Trying to come to grips with his own mistakes and betrayals, Jeremiah struggles to save his wife and unborn child. Can he heal the emptiness in his own soul in time to save a world which feeds off his pain? Will he finally be able to choose who must live and who, in the end...must die?

Tarnished Men-Hagler 2012-09-29 EVERYONE NEEDS A HERO In the heart of the Cape flats, gangsters and drug dealers hold communities hostage. The average Cape Malay is not the go meekly into the darkness sort of person. They have a history of hardship, brutality and a stubborn determination not be subjugated. So it should come as no surprise that the anti-drug committees in various suburbs on the Cape Flats are developing a stronger more violent rhetoric. And when they are hijacked by a radical religious sect, lit fuses becomes more than just a clich. Linda Chambers has a nine year old daughter -Lisa who is being stalked by a dangerous predator and the police refuse to help. In desperation she turns to her brother, he is street smart and he knows people. Or rather he knows Iron. As Iron delves deeper he finds things are not what they seem is it ever? The predator stalking Lisa is not acting alone; he is connected and protected, pitting Iron against a criminal organisation that will stop at nothing to carve out a niche in the Cape Flats underworld. And whats the connection between religious fanatics who want to recruit Iron and an Imam with ties to the underworld? Set in Cape Town, Tarnished Men is a non-stop ride through a post-apartheid South Africa, still brimming with hate and resentment. What they said about Reaching Discontent by Hagler: Reaching Discontent is a powerful new novel from a man who understands a world most of us will never experience. You get a very engaging story and the characters are not one dimensional - each of them have their own demons and the actions they take have consequences, sometimes dire, to those they love - eBook of the Month Club. Recommended reading! Benjamin Jones Author of the Humanities Ultimate Battle Series a rip-roaring, blood-soaked adventure storyReaching Discontent is much more than its street fighting. Its a well-crafted, lavishly descriptive novel -Shafiq Morton Surfing Behind the Wall blog spot.

Old and Rare Breeds of Poultry-John Butler 1990

The Ruby Ring-Diane Haeger 2005-04-05 From critically acclaimed historical novelist Diane Haeger comes The Ruby Ring, an unforgettable story of love, loss, and immortal genius. . . Rome, 1520. The Eternal City is in mourning. Raphael Sanzio, beloved painter and national hero, has died suddenly at the height of his fame. His body lies in state at the splendid marble Pantheon. At the nearby convent of Sant’Apollonia, a young woman comes to the Mother Superior, seeking refuge. She is Margherita Luti, a baker’s daughter from a humble neighborhood on the Tiber, now an outcast from Roman society, persecuted by powerful enemies within the Vatican. Margherita was Raphael’s beloved and appeared as the Madonna in many of his paintings. Theirs was a love for the ages. But now that Raphael is gone, the convent is her only hope of finding an honest and peaceful life. The Mother Superior agrees to admit Margherita to their order. But first, she must give up the ruby ring she wears on her left hand, the ring she had worn in Raphael’s scandalous nude “engagement portrait.” The ring has a storied past, and it must be returned to the Church or Margherita will be cast out into the streets. Behind the quiet walls of the convent, Margherita makes her decision. . . and remembers her life with Raphael—and the love and torment—embodied in that one precious jewel. In The Ruby Ring, Diane Haeger brings to life a love affair so passionate that it remains undimmed by time. Set in the sumptuous world of the Italian Renaissance, it’s the story of the clergymen, artists, rakes, and noblemen who made Raphael and Margherita’s world the most dynamic and decadent era in European history.

Off-Road Giants! (volume 3)-Any Westlake 2014-12-12 This book includes some of the greats of the scrambling world - Dave Bickers, John Banks, Rob Taylor - and others not, perhaps, quite so well known. From the hard-riding Devon farmer John Trible, Gloucester ace Tommy Barker, and Six Days trials star Eric Chilton, to the last ever interview with Olga Kevelos, a true star.

The Wrong Man-Delaney Diamond 2013-11-22 They have nothing in common. So why can’t they stay away from each other? Construction foreman Tomas Molina has no desire to settle down. He enjoys the single life too much, with all the choices of women available to him. But when ad executive Talia Jackson becomes single again, they start an affair that has him questioning his beliefs about relationships. And the next thing he knows, he’s the one demanding exclusivity. Talia Jackson has always done what’s right. Gone to the right schools, worn the right clothes, and married the right man. Seeking a boost when her marriage ends in divorce, she finds comfort in the arms of Tomas Molina, a man who makes her feel alive in a way she never has before. Then an unexpected result of their affair forces her to make a tough decision—stay in the world she’s known all her life, or make a future with the man she’s grown to love.

Blue Warrior-Mike Maden 2014-10-16 Mike Maden exploded onto the military action scene with his blistering Drone. Now he returns with another electrifying novel featuring hero Troy Pearce. Rare earth minerals have been found in the remote Saharan desert—and a rush of powerful nations converge to mine them. But the territory belongs to the Tuaregs—fierce warriors who are battling the Malian government for their independence. With a vested interest in the rare elements, the Chinese offer to help the Malian government fight the rebels. Brilliant as the plan is in concept, the execution backfires and the fighting renews in intensity as Al Qaeda joins the fray. In the dead center of the chaos are Troy Pearce's closest friend and a mysterious woman from his past. Deploying his team and the newest drones to rescue his friends and save the rebellion, Troy discovers that he may need more than technology to survive the battle and root out the real puppet masters behind the Tuareg genocide....

Arthur Kennedy, Man of Characters-Meredith C. Macksoud 2002-11-25 "Basically, all parts are character parts. The problem of the actor is to protect the differences in a character: to identify that the character being portrayed has his own personality traits. He has to find things within himself to establish these differences. I'm best when I portray not good guys, or bad guys, but human guys. These are the people I understand." Arthur Kennedy's words speak volumes about the kind of actor he was, one sought by both Hollywood and Broadway to be in dramas involving real people struggling with real problems. His many talents were recognized with several Academy Award nominations and the winning of a Golden Globe and a Tony award. This work covers Kennedy's film and stage career, film-by-film and play-by-play, and provides pictures, synopses, and commentary for each one. Acting

anecdotes from Kennedy himself or from his peers in film and on stage, such as Errol Flynn, Elia Kazan, James Cagney, Ida Lupino, Humphrey Bogart, and many others, bedizen the commentary. Among the films and plays included are Joy in the Morning, Henry IV Part I, Strange Alibi, High Sierra, Bad Men, Desperate Journey, Cheyenne, The Window and Champion.

Antipodes-M. P. Rogers 2012-04-26 The Selene I has left orbit, and Lifespanners inherit a paradise world after 400 years of domed existence on the toxic planet. But Lifespanners are not Immortals. They are a brilliant and passionate people who respond to the planets nature like trees in the wind. So ensues a story of endurance, the human spirit against sinister and powerful odds the few to which so much is owed in the challenges of a new genesis. Much depends upon the advancement of robots that prove themselves friends of an undesigned high order.

The Mission, The Men, and Me-Pete Blaber 2010-09-07 "A book about the complexities of combat that's just as applicable for dealing with the complexities of business and our personal lives."—Kevin Sharer, chairman and CEO, Amgen As a commander of Delta Force—the most elite counter—terrorist organization in the world—Pete Blaber took part in some of the most dangerous, controversial, and significant military and political events of our time. Now he takes his intimate knowledge of warfare—and the heart, mind, and spirit it takes to win—and moves his focus from the combat zone to civilian life. In this book, you will learn the same lessons he learned, while experiencing what the life of a Delta Force Operator is like—from the extreme physical and psychological training to the darkest of shadow ops all around the world. From each mission, Pete Blaber has taken a life lesson back with him. You will learn these enlightening lessons as you gain insights into never-before-revealed missions executed around the globe. And when the smoke clears, you will emerge wiser, more capable, and better prepared to succeed in life than you ever thought possible.

Eminent Persians-Abbas Milani 2008-12-19 As the 25th anniversary of the Islamic Revolution approached, Abbas

Milani realized that very little, if any, attention had been given to the entire prerevolutionary generation. Political upheavals and a tradition of neglecting the history of past regimes have resulted in a cultural memory loss, erasing the contributions of a generation of individuals. Eminent Persians seeks to rectify that loss. Milani's groundbreaking portrait of modern Iran reveals the country's rich history through the lives of the men and women who forged it. Consisting of 150 profiles of the most important innovators in Iran between World War II and the Islamic Revolution, the book includes politicians, entrepreneurs, poets, artists, and thinkers who brought Iran into the modern era with brilliant success and sometimes terrible consequences. The biographies and essays weave a richly textured tapestry of lives, ideas, and events that reveals the true story of these decades in the life of a nation. The two volumes are divided into sections on politics, economics, and culture, each accompanied by an introductory essay that places the individual stories in their broader historical context. Drawn from interviews, extensive archival material, and private correspondence, Eminent Persians is a treasure trove of original documents, many appearing in print for the first time. Detailed sketches of personalities and personal foibles offer a compelling and highly readable account of this remarkable period of history on a human scale.

Rare Breed-William A. MacPhee 1987

A Rare Breeds Album of American Livestock-Carolyn Christman 1997

Daddy Smarts-Bradley G. Richardson 2004 Charts the whole course, from the treacherous negotiations about whether to have kids and the ardent attempts at conception to planning for the event, navigating the hospital experience, and bringing your baby home.
