Featuring a fresh layout, revised maps, and more detail than ever before, the eagerly anticipated seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike the ultimate resource to the world's best wines. In every way, this edition bears out Parker's stated goal: "To make you a more formidable, more confident wine buyer by providing you with sufficient insider's information to permit the wisest possible choice when you make a wine-buying decision." Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued, with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented, inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina, and Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential, and practical overviews of

regions and grapes. Altogether, an indispensable resource from the man the Los Angeles Times calls "the most powerful critic of any kind."

A Vintage from Atlantis-Clark Ashton Smith 2011-06-23
The object had the form of a great jar, with a tapering neck and a deep, round, abdomens body. It was wholly encrusted with shells and corals that had gathered upon it as if through many ages in the ocean deeps, and was festooned with weeds and sea-flowers such as we had never before beheld; so that we could not determine the substance of which it was made. Excerpt I thank you, friend, but I am no drinker of wine, not even if it be the rarest Canary or the oldest Amontillado. Wine is a mocker, strong drink is raging . . . and more than others, I have reason to know the truth that was writ by Solomon the Jewish king. Give ear, if ye will, and I shall tell you a story such as would halt the half-drained cup on the lips of the hardiest bibber. We were seven-and-thirty buccaneers, who raked the Spanish Main under Barnaby Dwale, he that was called Red Barnaby for the spilling of blood that attended him everywhere. Our ship, the Black Falcon, could outfly and outstrike all other craft that flew the Jolly Roger. Full often, Captain Dwale was wont to seek a remote

isle on the eastward verge of the West Indies, and lighten the vessel of its weight of ingots and doubloons. The isle was far from the common course of maritime traffic, and was not known to maps or other mariners; so it suited our purpose well. It was a place of palms and sand and cuffs, with a small harbor sheltered by the curving outstretched arms of rugged reefs, on which the dark ocean climbed and gnashed its fangs of white foam without troubling the tranquil waters beyond. I know not how many times we had visited the isle; but the soil beneath many a coco tree was heavy with our hidden trove. There we had stored the loot of bullion-laden ships, the massy plate and jewels of cathedral towns. Even as to all mortal things, an ending came at last to our visits. We had gathered a goodly cargo, but might have stayed longer on the open main where the Spaniards passed, if a tempest had not impended. We were near the secret isle, as it chanced, when the skies began to blacken; and wallowing heavily in the rising seas we fled to our placid harbor, reaching it by night-fall. Before dawn the hurricane had blown by; and the sun came up in cloudless amber and blue. We proceeded with the landing and burying of our chests of coin and gems and ingots, which was a task of some length; and afterward we refilled our water-casks at a cool sweet spring that ran from beneath the palmy hill not far inland.

My Name is Ken-Ken Untener 2015-03-02 "My name is Ken and I will be your waiter for a long, long time . . ." That's how Ken Untener introduced himself to the more than 6,000 people who attended his ordination as bishop of the Catholic Diocese of Saginaw, Michigan, on November 24, 1980. The purpose of this book is to let Ken Untener tell the story of his vocation, priesthood, and ministry in his own words. And (ever the teacher), he often used stories of his life as a way to deliver a message from the Scripture and the strength of his faith. This book is not a memoir. Ken did a lot of preaching and rarely used a prepared text, but often recorded his homilies and talks on a microcassette recorder tucked in his pocket. He

spoke from his heart and he used examples from everyday life, sometimes even using an incident that had just happened to him that day.

Seasons of a Finger Lakes Winery-John C. Hartsock 2011-04-15 "June is a time when the vineyardist thins and trains shoots, which seem to grow inches a day. During thinning and training one learns intimately about the personality of the grapevine. It is a strange creature, and one can see why in ancient Greece and Rome it represented the cycles of life. The bark on the main trunk tends to be cracked and crumpled, hanging in threads in some places, and reminiscent of a withered old man. It's not pretty to look at. But the vine comes to life in the smooth brown canes that were young growth the year before, and then in the tender, rubbery green shoots of the current season." In 1998, Gary and Rosemary Barletta purchased seven acres of land on the eastern shore of Cayuga Lake. Descending to the west from the state route that runs along on the ridge overlooking the lake, the land was fertile, rich with shalestone and limestone bedrock, and exposed to moderating air currents from the lake. It was the perfect place to establish a vineyard, and the Barlettas immediately began to plant their vines and build the winery about which they had dreamed for years. The Barlettas' story, as John C. Hartsock tells it, is a window onto the world of contemporary craft winemaking, from the harsh realities of business plans, vineyard pests, and brutal weather to the excitement of producing the first vintage, greeting

enthusiastic visitors on a vineyard tour, and winning a gold medal from the American Wine Society for a Cabernet Franc. Above all, Seasons of a Finger Lakes Winery describes the connection forged among the vintner, the vine, and terroir. This ancient bond, when tended across the cycle of seasons, results in excellent wines and the satisfaction, on the part of the winemaker and the wine enthusiast, of tasting a perfect harvest in a single glass. Today, Long Point Winery sits on seventy-two acres (eight of which are under cultivation with vinifera grapes) and produces sixteen varieties of wine, a number of which are estate wines made from grapes grown on their property. With interest in winemaking continuing to grow, the Barlettas' experience of making award-winning wines offers both practical advice for anyone running (or thinking of running) their own winery, whether in the Finger Lakes or elsewhere, as well as insights into the challenges and joys of pursuing a dream.

The pieces in this collection range from Poetrysonnets and haiku, free verse, meter and rhyme; to fiction both fanciful and serious; and nostalgia for the past and visions of the future. Come along on adventures in a swampy town in the American South in the 1930s, an apartment building in the squalid northwest Portland of the 1970s, and the lair of a drug lord in the Caribbean of the 1980s. Exploring all manner of topics, from the natural world to the lives of houses to human life and aging, this collection presents

a wide range of unique views and perspectives on life with something for everyone. Looking for Love The little green lizard struts across the woman's porch railing with a proprietary air, then suddenly stops and flicks down a flap of vermilion colored skin from his throat and freezes in place. He bobs his head up and down several times before moving on. Wordless but with such eloquence of expression does he signal his desire for a mate that, without conscious intent, the woman touches fingers to her throat, then catches herself and with a rueful smile, nods back. The Great Vintage Wine Book-John Michael Broadbent 1980 "It is the first book to deal with wine not just geographically but in the context of time; and it is the first book to examine the two uncontrollable variables - the weather which creates the character of the vintage and the wine, and the passage of time, which shapes its development".--BOOKJACKET.

Burgundy-Robert M. Parker 2010-03-02 Burgundy is a fitting monument to the region that is capable of producing, in Parker's words, "the world's most majestic, glorious, and hedonistic red and white wine." With the publication of his classic volumes, *Bordeaux* and *The Wines of the Rhône Valley and Provence*, together with the several editions of his *Wine Buyer's Guide*, Robert M. Parker, Jr., has emerged as America's most influential and articulate authority on wine. Whether he writes of the fabled French châteaux or of lesser-known growers and producers from around the world, his books have proved invaluable reading for connoisseurs and neophytes alike, for they contain not only hard-headed, frank analysis but an undisguised and positively contagious enthusiasm for his subject. In this book, his most ambitious and comprehensive to date, Parker offers an extraordinary guide to the growers, appellations, and wines of Burgundy, the viticultural region in eastern France that produces the most exotic, sought-after, expensive, and frequently least understood wines in the world. Like its predecessors, *Bordeaux* and *The Wines of the RhOne Valley* and

Provence, Parker's Burgundy has all the makings of a classic. It is a beautifully produced book, and it boasts more than thirty specially made color maps, with those depicting the individual appellations drawn in such exquisite detail that each and every vineyard is visible. Burgundy is a fitting monument to the region that is capable of producing, in Parker's words, "the world's most majestic, glorious, and hedonistic red and white wine." The Wine Spectator- 1995

Vintage-David Baker 2015-09-22 A "spellbinding debut" and "a feast for all readers" (Library Journal, starred review) about a food journalist's desperate attempt to save his career—and possibly, his marriage—through an epic quest that leads him from Burgundy through Russia, tracking an infamous bottle of wine. Ex-food journalist and nearly destitute wine connoisseur Bruno Tannenbaum has hit rock bottom. So when he stumbles on a clue hinting at a lost wine vintage, the 1943 Trevallier—stolen from France during WWII and now worth a fortune—Bruno is convinced that finding this wine could be the key to restoring his journalism career, and perhaps even his failing marriage. But as word spreads about his search for the Trevallier, Bruno finds himself in a desperate treasure hunt, racing from lush Burgundy vineyards through German inns and a Russian prison in this "positively delightful" (The Seattle Times) culinary expedition about second chances and "the power of food and wine to heal" (BookPage). Barolo and Barbaresco-Kerin O Keefe 2014-10-17 Following on the success of her books on Brunello di Montalcino, renowned author and wine critic Kerin O'Keefe takes readers on a historic and in-depth journey to discover Barolo and Barbaresco, two of Italy's most fascinating and storied wines. In this groundbreaking new book, O'Keefe gives a comprehensive overview of the stunning side-by-side growing areas of these two world-class wines that

are separated only by the city of Alba and profiles a number of the fiercely individualistic winemakers who create structured yet elegant and complex wines of remarkable depth from Italy's most noble grape, Nebbiolo. A masterful narrator of the aristocratic origins of winemaking in this region, O'Keefe gives readers a clear picture of why Barolo is called both the King of Wines and the Wine of Kings. Profiles of key Barolo and Barbaresco villages include fascinating stories of the families, wine producers, and idiosyncratic personalities that have shaped the area and its wines and helped ignite the Quality Wine Revolution that eventually swept through all of Italy. The book also considers practical factors impacting winemaking in this region, including climate change, destructive use of harsh chemicals in the vineyards versus the gentler treatments used for centuries, the various schools of thought regarding vinification and aging, and expansion and zoning of vineyard areas. Readers will also appreciate a helpful vintage guide to Barolo and Barbaresco and a glossary of useful Italian wine terms. The Cape of Good Cooks-Sally Simson 2004 Sally Simson has been active in the Cape winelands for many years as a journalist and has come to know well the vineyards and the wine cellars, and the people who live and work here. It is around the table that wine, food and friendship have forged unforgettable bonds. This is a cookery book with a difference: Sally Simson deals as much with the wine farms, their histories and homesteads, as with the food and wine that were part and parcel of the good times and lovely places that she recalls. The Cape of Good Cooks invites other wine and food lovers to share in some very individual recipes and the special ambience of the Cape winelands.

Quills and Other Plays-Doug Wright 2005-11-29 Selected early works from the Pulitzer Prize-winning playwright. Throughout his work, Doug Wright has often combined the personal, the social, and the political, in the process unearthing fundamental truths about life and art while casting an unblinking eye on the dark--and darkly funny--side of human nature. Gathered here are three of Wright's early plays, including Interrogating the Nude, a tongue-in-cheek reimagining of the uproar surrounding the debut of Marcel Duchamp's work in America; Watbanaland, a satiric dissection of yuppie desire and a haunting look at family and faith; and the Obie Award-winning Quills, which explores the boundaries of artistic expression and the dangers of censorship as they played out in the Marquis de Sade's final days at Charenton Asylum.

Widdershins-Charles de Lint 2007-06-12 Jilly Coppercorn and Geordie

Riddell. Since they were introduced in the first Newford story, "Timeskip," back in 1989, their friends and readers alike have been waiting for them to realize what everybody else already knows: that they belong together. But they've been more clueless about how they feel for each other than the characters in *When Harry Met Sally*. Now in *Widdershins*, a stand-alone novel of fairy courts set in shopping malls and the Bohemian street scene of Newford's Crowsea area, Jilly and Geordie's story is finally being told. Before it's over, we'll find ourselves plunged into the rancorous and sometimes violent conflict between the magical North American "animal people" and the more newly-arrived fairy folk. We'll watch as Jilly is held captive in a sinister world based on her own worst memories—and Geordie, attempting to help, is sent someplace even worse. And we'll be captivated by the power of love and determination to redeem ancient hatreds and heal old magics gone sour. To walk "widdershins" is to walk counterclockwise or backwards around something. It's a classic pathway into the fairy realm. It's also the way people often back slowly into the relationships that matter, the real ones that make for a life. In *Widdershins* Charles de Lint has delivered one of his most accessible and moving works of his career. At the
