You! A Christian Girl's Guide to Growing Up-Nancy N. Rue 2016-05-10 Knowledge is power, girlfriend. One day you were an easy-going kid, and the next—wham! You're an emotional roller-coaster. Hair is growing in all-new places, and your best friend whispers the word "bra" in gym class. Now that you're not a little girl anymore, you have lots of questions about growing up, your changing body, and your desires to move beyond kiddie lip gloss. In this book you'll discover all the really weird body stuff you're going through is actually part of God's plan for the beautiful, confident, grown-up you! In addition to health and beauty tips, you'll find answers to some awkward, changing-body questions, ways to create a unique style all your own, and most importantly, you'll discover the true beauty that is revealed as you grow closer to God in this fun, inspirational and interactive book by best-selling author Nancy Rue.

When God Was A Woman-Merlin Stone 2012-05-09 Here, archaeologically documented,is the story of the religion of the Goddess. Under her, women's roles were far more prominent than in patriarchal Judeo-Christian cultures. Stone describes this ancient system and, with its disintegration, the decline in women's status.

When a Woman Becomes a Religious Dynasty-Hildegard Diemberger 2014-03-04 In the fifteenth century, the princess Chokyi Dronma was told by the leading spiritual masters of her time that she was the embodiment of the ancient Indian tantric deity Vajravarahi, known in Tibetan as Dorje Phagmo, the Thunderbolt Female Pig. After suffering a great personal tragedy, Chokyi Dronma renounced her royal status to become a nun, and, in turn, the tantric consort of three outstanding religious masters of her era. After her death, Chokyi Dronma's masters and disciples recognized a young girl as her reincarnation, the first in a long, powerful, and influential female lineage. Today, the twelfth Samding Dorje Phagmo leads the Samding monastery and is a high government cadre in the Tibet Autonomous Region. Hildegard Diemberger builds her book around the translation of the first biography of Chokyi Dronma recorded by her disciples in the wake of her death. The account reveals an extraordinary phenomenon: although it had been believed that women in Tibet were not allowed to obtain full ordination equivalent to monks, Chokyi Dronma not only persuaded one of the highest spiritual teachers of her era to give her full ordination but also established orders for other women practitioners and became so revered that she was officially recognized as one of two principal spiritual heirs to her main master. Diemberger offers a number of theoretical arguments about the importance of reincarnation in Tibetan society and religion, the role of biographies in establishing a lineage, the necessity for religious teachers to navigate complex networks of political and financial patronage, the cultural and social innovation linked to the revival of ancient Buddhist civilizations, and the role of women in Buddhism. Four introductory, stage-setting chapters precede the biography, and four concluding chapters discuss the establishment of the reincarnation lineage and the role of the current incarnation under the peculiarly contradictory communist system.

Daughter of Gloriavale-Lilia Tarawa 2017-08-23 In this personal account, Lilia Tarawa exposes the shocking secrets of the cult, with its rigid rules and oppressive control of women. She describes her fear when her family questioned Gloriavale's beliefs and practices. When her parents fled with their children, Lilia was forced to make a desperate choice: to stay or to leave. No matter what she chose, she would lose people she loved. In the outside world, Lilia struggled. Would she be damned to hell for leaving? How would she learn to navigate this strange place called 'the world'? And would she ever find out the truth about the criminal convictions against her grandfather? 'A powerful and revealing book...' Kirsty Wynn, *New Zealand Herald* 'An affecting parable and testament, in the most commendably secular senses.' David Hill, *New Zealand Listener*

Girl at the End of the World-Elizabeth Esther 2014-03-18 I was raised in a hometown, fundamentalist Christian group—which is just a shorthand way of saying I'm classically trained in apocalyptic stockpiling, street preaching, and the King James Version of the Bible. I know hundreds of obscure nineteenth-century hymns by heart and have such razor sharp "modesty vision" that I can spot a miniskirt a mile away. Verily, verily I say unto thee, none of these highly specialized skills ever got me a job, but at least I'm all set for the end of the world. Selah. A story of mind control, the Apocalypse, and modest attire. Elizabeth Esther grew up in love with Jesus but in fear of daily spankings (to "break her will"). Trained in her family-run church to confess sins real and imagined, she knew her parents loved her and God probably hated her. Not until she was grown and married did she find the courage to attempt the unthinkable. To leave. In her memoir, readers will recognize questions every believer faces: When is spiritual zeal a gift, and when is it a trap? What happens when a pastor holds unchecked sway over his followers? And how can we leave behind the harm inflicted in the name of God without losing God in the process? By turns hilarious and heartbreaking, *Girl at the End of the World* is a story of the lingering effects of spiritual abuse and the growing hope that God can still be good when His people fail. Includes reading group discussion guide and interview with the author

Encountering Religious Pluralism in School and Society-Thorsten Knauth

Joan of Arc: The Girl Who Fought For France-Jeanie Meekins Joan of Arc was a young farm girl who claimed to have heard the voices of saints. She led an army in many battles to drive the English out of France and put the rightful King on the throne. After she was captured, the King and the armies did nothing to help her. She was sold to the English and put on trial for crimes against the Church. Joan was convicted and burned at the stake. She was nineteen years old when she died. Find out about the life of this girl who fought for France against the English, and was burned at the stake for wearing men's pants! Ages 8 and up. The Educational Version has activities that meet Common Core Curriculum Standards. LearningIsland.com believes in the value of children practicing reading for 15 minutes every day. Skills in Religious Studies-S. C. Mercier 1998 Dealing with rites of passage, this is one of three books which constitute an RE course for lower-secondary pupils. This revised edition matches the Locally Agreed Syllabuses and SCAA Models, and is designed to introduce the nature of religious belief and to encourage a greater knowledge and understanding of the six major religions. The three books are organized by religion, and non-specialist teachers are helped by the combination of detailed coverage and self-contained spreads.

From Jesus to Christ-Paula Fredriksen 2008-10-01 "Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

Fathers in Victorian Fiction-Natalie McKnight 2011-08-08 This book examines the changing roles of fathers in the nineteenth century as seen in the lives and fiction of Victorian authors. Fatherhood underwent unprecedented change during this period. The Industrial Revolution moved work out of the home for many men, diminishing contact between fathers and their children. Yet fatherhood continued to be seen as the ultimate expression of masculinity, and being involved with the lives of one's children was essential to being a good father. Conflicting and frustrating expectations of fathers and the growing disillusionment with other paternal authorities such as church and state yielded memorable portrayals of fathers from the best novelists of the age. The essays in this volume explore how Victorian authors (the Brontës, Dickens, Gaskell, Trollope, Eliot, Hardy, and Elizabeth Sewall and Mary Augusta Ward) responded to these tensions in their lives and in their fiction. The stern Victorian father cliché persisted, but it was countered by imaginative, involved, albeit faulty fathers and surrogate fathers. This volume poses fathering questions that are still relevant today: What does it mean to be a good father? And, with distrust in patriarchal authorities continuing to increase, are there any sources of authority left that one can trust?

Glory Girl-Jess Connolly 2021-01-26 God has a purpose for you. But maybe what you're meant to be is still a mystery. So where do you start? Jess Connolly will help you get answers to this question and more, no matter where you are in your journey. Glory Girl will jumpstart your search for purpose. In each meaningful chapter (plus room for reflective journaling), Jess's wise words will help you: discover the things you are really passionate about, understand your strengths and weaknesses, face your fears, catch the vision, make a plan, and find the confidence you need to make your move—all in the bold belief that God has called you to every step of the journey. Glory Girl helps girls ages 8-12: Recognize their unique, God-given gifts. Fight their fears with faith and truth. Deal with distractions that throw them off course from God's plan for them. Stop trying to be "the best" at everything and trust that God has a plan for them. Stop comparing themselves to others. A Life in Each Decade of the 20Th Century-Joan Theleman Sisson 2008-04-26 As the 20th century approached the 1990s, Dad mentioned that if he could live that long he would have lived in each decade of the century. He often commented on the vast changes hed seen as they developed. He marveled at the first cars he saw about 1913. He experienced the progress of plowing, from hand saws to chain saws, electric drills and such. He watched the advancement of airplanes, and witnessed the beginning of the space age and computers. This is his story, recorded on audio tapes as family history. It is told in his sometimes-blunt language (R-rated), including difficulties, mistakes, joys and accomplishments.

The Religious Sense-Luigi Giussani 1997 The Religious Sense, the fruit of many years of dialogue with students, is an exploration of the search for meaning in life. Luigi Giussani shows that the nature of reason expresses itself in the ultimate need for truth, goodness, and beauty. These needs constitute the fabric of the religious sense, which is evident in every human being everywhere and in all times. So strong is this sense that it leads one to desire that the answer to life's mystery might reveal itself in some way.

Sex, Marriage, and Family in World Religions-Don S. Browning 2006-02-01 Spanning thousands of years, this new collection brings together writings and teachings about sex, marriage, and family from the Jewish, Christian, Islamic, Hindu, Buddhist, and Confucian traditions. The volume includes traditional texts as well as contemporary materials showing how the religions have responded to the changing conditions and mores of modern life. It reveals the similarities and differences among the various religions and the development of ideas and teachings within each tradition. Selections shed light on each religion's views on a range of subjects, including sexuality and sexual pleasure, the meaning and purpose of marriage, the role of betrothal, the status of women, the place of romance, grounds for divorce, celibacy, and sexual deviance. Separate chapters devoted to each religion include introductions by leading scholars that contextualize the readings. The selections are drawn from a variety of genres including ritual, legal, theological, poetic, and mythic texts. The volume contains such diverse examples as the Zohar on conjugal manners, a contemporary Episcopalian liturgy for same-sex unions, Qur'anic passages on the equality of the sexes, the Ka-masu-tra on husbands, wives, and lovers, Buddhist writings on celibacy, and Confucian teachings on filial piety. Contributors include: Michael S. Berger, Emory University; Azizah Y. al-Hibri, Richmond School of Law; Alan Cole, Lewis and Clark College; Paul B. Courtright, Emory University; Patricia Buckley Ebrey, University of Washington; Raja M. El-Habti, Muslim Women Lawyers for Human Rights; Luke Timothy Johnson, Emory University; Mark D. Jordan, Emory University

Keeping Faith-Jodi Picoult The novel "Keeping Faith by Jodi Picoult" is an enjoyable story that moves along at a good pace. It is not too quickly, but at a pace that keeps the reader engaged waiting to discover the outcome. It has a satisfactory ending which is a little predictable but ties up all the loose ends. Some of the male characters are a little too good to be true but that doesn't spoil any part of the story. The author switches between the two time periods effortlessly and easily which doesn't always happen in these kinds of books. Each storyline had a richness that was only strengthened by the comparison and contrast to the other.

Mission Life; Or Home and Foreign Church Work- 1872

Revise for Religious Studies GCSE for AQA Specification A-Gordon Geddes 2003 This guide was written by senior examiners in Religious Studies and includes some practical advice to help students understand what they need to prepare. Educating Israel-Y. Shalom 2006-07-24 This is a comparative ethnography of five Israeli schools that use state-of-the-art educational approaches to help change Israel's conflicted society. It gives an important glimpse of individuals and institutions that bravely operate as social and educational entrepreneurs, striving to change Israeli society.

The Christian Advocate- 1911

A Decent Girl Always Goes to Mass on Sunday-Rocco Fumento 2002-10-07

Religious songs and other items-Vance Randolph 1980 Originally published in 1949, this comprehensive gathering of folksongs is being reissued after many years out of print. The renewed interest in folklore among the general public as well as the scholarly community has prompted this publication. The collection comprises four volumes including more than eight hundred songs, indexed by title, by first line, and by contributor and town. Each song is thoroughly annotated. In addition to lyrics, the compiler furnished scores and variant lyrics and titles for each song and listed similarities to other songs along with whatever historical information was available to him. The songs are presented in four volumes. The fourth volume is an assortment of religious songs, hymns, and revival tunes along with sentimental ballads and journalistic pieces. Characteristic of the compiler's careful work is the painstaking accuracy with which dialect peculiarities are preserved. Randolph scrupulously avoided correcting pronunciation or adding missing words or forgotten lines. Because, as he explains in his introduction, many of the people who sang for him were reluctant to have their voices recorded, his texts represent the best possible reproduction of this priceless American folk art. A new introduction by W. K. McNeil, folklorist for the Ozark Folklore Center and book review editor for the *Journal of American Folklore*, comments on Randolph's importance to the field of American folklore and the significance of this work in particular.

Christian Advocate- 1911

The Dublin University Magazine- 1833

The Family Way-Rhys Bowen 2013-03-05 From the author of *In Farleigh Field...* Molly Murphy—now Molly Sullivan—is a year into her marriage, expecting her first child, and confined to the life of a housewife. She's restless and irritable in the enforced idleness of pregnancy and the heat of a New York summer in 1905. So when a trip to the post office brings a letter addressed to her old detective agency asking her to locate a missing Irish serving maid, Molly figures it couldn't hurt to at least ask around, despite her promise to Daniel to give up her old career as a detective. On the same day, Molly learns that five babies have been kidnapped in the past month. Refusing to let Molly help with the kidnapping investigation, Daniel sends her away to spend the summer with his mother. But even in the quiet, leafy suburbs, Molly's own pending motherhood makes her unable to ignore these missing children. What she uncovers will lead her on a terrifying journey through all levels of society, putting her life—and that of her baby—in danger. The *Family Way*, the latest entry in Rhys Bowen's bestselling Molly Murphy series, will delight fans and win over newcomers with its elegantly plotted mystery, atmospheric historical detail, and vivid characters.

Church work-Guild of st. Alban 1872

Three Plays with Happy Endings-St. John Hankin 1907

Marian Apparitions, the Bible, and the Modern World-Donal Anthony Foley 2002 This groundbreaking book looks at the major approved Marian apparitions of the last five centuries and relates them to important historical moments: the Reformation, the French and Russian Revolutions, the rise of Nazism. These Marian apparitions, and particularly Fatima, are not historically unimportant events; but rather follow a preordained plan: they have a crucial role in helping us to see how the modern world, with all its problems, has developed. Donal Foley makes clear the fascinating and intriguing connections between Marian apparitions and the Scriptural types of Mary found in the Bible, a crucial element in the theology and exegesis of the early Church Fathers. By understanding these biblical types and their symbolism we see that each of the apparitions has a much greater significance for both the Church and the modern world than has generally been recognised. Here is a convincing demonstration that the future of the Church, and the papacy, is intimately bound up with a proper understanding of the role of Mary: there will only be true peace in the world when her message is accepted and lived. If you thought you really understood how the modern world developed, and the role and meaning of Marian apparitions, then this book will make you think again. 'Donal Foley has written a book with an extraordinary message.' Aidan Nichols, O.P.

Edith Stein Essays on Woman-Edith Stein 2012-10-30 To help celebrate the fourth centenary of the birth of St. John of the Cross in 1542, Edith Stein received the task of preparing a study of his writings. She uses her skill as a philosopher to enter into an illuminating reflection on the difference between the two symbols of cross and night. Pointing out how entering the night is synonymous with carrying the cross, she provides a condensed presentation of John's thought on the active and passive nights, as discussed in *The Ascent of Mount Carmel* and *The Dark Night*. All of this leads Edith to speak of the glory of resurrection that the soul shares, through a unitive contemplation described chiefly in *The Living Flame of Love*. In the summer of 1942, the Nazis without warrant took Edith away. The nuns found the manuscript of this profound study lying open in her room. Because of the Nazis' merciless persecution of Jews in Germany, Edith Stein traveled discreetly across the border into Holland to find safe harbor in the Carmel of Echt. But the Nazi invasion of Holland in 1940 again put Edith in danger. The cross weighed down heavily as those of Jewish birth were harassed. Sr. Teresa Benedicta of the Cross's superiors then assigned her a task they thought would take her mind off the threatening situation. The fourth centenary of the birth, of St. John of the Cross (1542) was approaching, and Edith could surely contribute a valuable study for the celebration. It is no surprise that in view of her circumstances she discovered in the subject of the cross a central viewpoint for her study. A subject like this enabled her to grasp John's unity of being as expressed in his life and works. Using her training in phenomenology, she helps the reader apprehend the difference in the symbolic character of cross and night and why the night-symbol prevails in John. She clarifies that detachment is designated by him as a night through which the soul must pass to reach union with God and points out how entering the night is equivalent to carrying the cross. Finally, in a fascinating way Edith speaks of how the heart or fountainhead of personal life, an inner region, is present in both God and the soul and that in the spiritual marriage this innermost region is surrendered by each to the other. She observes that in the soul seized by God in contemplation all that is mortal is consumed in the fire of eternal love. The spirit as spirit is destined for immortal being, to move through fire along a path from the cross of Christ to the glory of his resurrection. Book includes two photos and fully linked index.

The Pedagogical Seminary- 1898 Vols. 5-15 include "Bibliography of child study," by Louis N. Wilson.

Courting Ruth & The Agent's Secret Past-Emma Miller 2016-09-12 Amish men and women seeking their happily-ever-after Courting Ruth by Emma Miller Ruth Yoder believes it's God's will that she remain single and help care for her younger sisters. But when a handsome young man comes to Kent County, Ruth starts to rethink her future. Eli Lapp is not yet part of the church, but Ruth's gentle ways make him yearn to settle down. Can Eli convince Ruth that their lives should be entwined? The Agent's Secret Past by Debby Giusti Eight years ago, a drifter destroyed Becca Miller's ties to her Amish community—and murdered her family. Now she's convinced that the killer is after her. Special Agent Colby Voss agrees to help her investigate. Yet the closer they get to the truth, the closer the killer gets to silencing her permanently.

The Collected Works of George Moore: Esther Waters-George Moore 1922

From Kristallnacht to Israel-Karl Rothstein 2009 In the 1930s, as evil begins to envelope Europe, Karl Rothstein is born in Austria. As his life unfolds, he watches as Hitler's armies visit his kindergarten, order his family from their home, and arrest his father. During Kristallnacht - the night of broken glass - Karl witnesses events that will later be considered by historians to be a dress rehearsal for the Holocaust. Before World War II is over, Karl will lose his brother and grandparents, and spend years in hiding. This is the true story of one man's pilgrimage to freedom - a journey that began on the day he reported with his family to the train station, where they were to board the train to a concentration camp. Under the watchful eye of a guardian angel, Karl eventually made his way to Israel and the U.S. where he was, at last, free to live his life openly as a Jew.

Religions of the United States in Practice-Colleen McDannell 2001-11-18 A two-part anthology of documents and essays examines a wide range of religious behavior in Americaû from praying, singing, and teaching to dreams and fictional writingsûsetting each within its historical context and covering in the second volume the twentieth century. Reprint.
