Manhood Restored-Eric Mason 2013 New church voice Eric Mason addresses the cultural and spiritual crises within manhood head-on, presenting a gospel-centered vision that points men back to God's original intent for their lives.
A Restored Man-Jaime Reese 2015-02-15 Cole Renzo thinks his greatest challenge is to behave for the remainder of his term at Halfway House. Until he meets his new boss, Ty Calloway, a man who ticks off every box on Cole's list of interests. A sought-after restorer and customizer of exotic and collectible cars, Ty had enough confidence to command what he wanted in life, until one fateful night changed everything. Almost two years later, he's slowly rebuilding his life with great control. He's defied the odds and works tirelessly to be the man he once was-but he still feels broken. Cole's candor and unfiltered personality awaken Ty's barely-remembered desire to greet each new day with a smile, while Ty's unwavering acceptance of Cole's quirks and brash humor makes Cole feel as if he fits in for the first time in far too long. When a nemesis threatens Ty's personal restoration and the things he holds dear, Cole is determined to protect their relationship, even if that means sacrificing everything he's worked so hard to achieve. But Ty will have to let his guard down, surrender control, and admit he needs Cole first, even if that puts himself at risk of breaking beyond repair.
A Better Man-Jaime Reese 2014-01-16 Matthew Doner is starting over. After a five-year prison term that alters every aspect of his life, he receives a bequest from his aunt with the stipulation that he use the money to make things right. Breaking free of the long-standing role he's played and inspired by the few who support him, he decides to create a safe place where people like him can find purpose and start a new life. Julian Capeletti likes challenges. He is confident, brash, stubborn, and just what Matt needs. Desperate for work after a downturn of luck, he accepts the job to renovate Matt's crumbling building. Over the course of a year, romance simmers between them as they restore the house. But there's a bigger renovation that must take place in their hearts. To become better men, they need to learn to trust each other even with secrets and painful memories they fear may rip them apart.
Man's Ruin and Recovery, Or, Paradise Lost and Restored-John Eyre 1844
All the King's Men-Robert Penn Warren 1977 Willie Stark, a well-intentioned idealistic back-country lawyer is unable to resist greed, power, and lust for politics during his rise and fall as an American demagogue.
The Making of a Man-Tim Brown 2014-05-13 What exactly is manhood? How do guys get there? Tim Brown won the Heisman Trophy at Notre Dame and starred in the NFL for seventeen seasons. He left the game as a Los Angeles and Oakland Raiders legend and one of the most respected men in sports. Now “Mr. Raider” shares his amazing journey—the triumphs, the heartbreaks, the struggles with women, Al Davis, and God—as well as the principles and priorities that made him the man he is today. Much more than a sports memoir, The Making of a Man reveals how faith, family, honor, and integrity have everything to do with true manhood and a life well-lived. Whether you are a rabid fan or have little interest in football, a young boy or already facing the fourth quarter of your life, these pages will both challenge and inspire you to become the man you’ve always known you could be. Back Cover: When a man comes into your life and shows you something about yourself that you didn’t know was in you, it’s remarkable. The Apostle Paul did that for Timothy, encouraging him to preach and teach and reminding him, “Do not neglect your gift” (1 Tim. 4:14). Paul was a mentor to Timothy, ready to point out the gifts of his protégé and willing to help develop those gifts and pass on his knowledge. Lou Holtz did the same for me, as well as for a whole lot of other guys. That’s what a mentor does. I’ll always be grateful that he inspired me to believe in myself. —Tim Brown Former Heisman Trophy Winner and NFL All-Pro “I’ve had the privilege of knowing Tim for over thirty years now. I’ve seen him beat the odds in many different areas of life, especially as a father and a mentor. I believe this book will help bring out your true greatness as you read stories about Tim’s successes and struggles, and as you’re inspired by his commitment to integrity as well as the life principles and the faith that have carried him through.” —Carey Casey, CEO, National Center for Fathering / fathers.com “Over the years, I’ve respected Tim Brown as an NFL opponent, a teammate, and a friend. In The Making of a Man, you will read what has made Tim the man he is today and learn vital lessons on what being a man is all about. Whether young or old, every guy should read this book.” —Jerry Rice, NFL Hall of Fame Wide Receiver Three-Time Super Bowl Champion

Every Man's Battle-Stephen Arterburn 2004-01-20 the challenge every man faces...the fight every man can win From the television to the Internet, print media to videos, men are constantly faced with the assault of sensual images. It is impossible to avoid such temptations...but, thankfully, not impossible to rise above them. Shattering the perception that men are unable to control their thought lives and roving eyes, Every Man's Battle shares the stories of dozens who have escaped the trap of sexual immorality and presents a practical, detailed plan for any man who desires sexual purity-perfect for men who have fallen in the past, those who want to remain strong today, and all who want to overcome temptation in the future. Includes a special section for women, designed to help them understand and support the men they love.
A Sweet Man-Jaime Reese 2020-06-14 Gabriel "Bull" del Toro loves his fast-paced globe-trotting job, but aches for an honest relationship and the trust that comes with it. After a few too many heartbreaks, he's nearly given up hope of finding that special someone.Until Ben.Born deaf, Ben is used to working twice as hard for what he wants, but risking a newfound friendship on an impossible dream is scary. After all, there's one lesson he's learned: everything is temporary-freedom, friends, even family.Neither man expects the undeniable spark between them or for every moment together to fuel that connection. For the first time, a happily ever after is within reach, but they must trust that the dream of acceptance, family, and a place to call home is more than a sweet fantasy.It can be forever.
Wild at Heart-John Eldredge 2011-04-17 John Eldredge revises and updates his best-selling, renowned Christian classic. God designed men to be dangerous, says John Eldredge. Simply look at the dreams and desires written in the heart of every boy: To be a hero, to be a warrior, to live a life of adventure and risk. Sadly, most men abandon those dreams and desires-aided by a Christianity that feels like nothing more than pressure to be a "nice guy." It is no wonder that many men avoid church, and those who go are often passive and bored to death. In this provocative book, Eldredge gives women a look inside the true heart of a man and gives men permission to be what God designed them to be-dangerous, passionate, alive, and free.
Man's Restored Image-Gloria Minatti 2004-04-27 This book is unique because it depicts mankind in all its attributes, spiritually, mentally and physically. There has never been a book of its kind that covers all the areas that pertain to mankind's well-being. Announces our beginning, and heralds our end. Leads humanity on a path never before trod because of fear of the unknown. Brings out the true authentic potential within every man and woman. Its conception was inspired greatly by the Author's personal and spiritual encounter with basketball legend Michael Jordan. His strength, vitality and focus are major themes in the book. In 1998, God revealed through the Author his destiny, and from that unfrogettable meeting this book was conceived. It provides a map of the journey of life incorporating meditation and proper breathing as guides. Coming full circle, it depicts man's beginning, and exemplifies his gestation of life. Leading men and women into a maze of information and knowledge that catapults one into an entirely new dimension of living. Man's Restored Image portrays the power of God to take that which is foolish in the eyes of men, and transform it into His image and His likeness. Taking on the form of man that He may restore man. On the sixth day God created out of a thought, and then on the seventh day He rested from all His labors, but on the eighth day, the day of New beginnings, He made Michael Jordan.
All the King's Men-Robert Penn Warren 2006 Louisiana governor Willie Stark's obsession with political power leads to the ultimate corruption of his gubernatorial administration, in the story of the rise and fall of a Southern politician and demagogue in the 1930s. (A Columbia Pictures film, written & directed by Steven Zaillian, releasing Fall 2006, starring Sean Penn, Jude Law, Kate Winslet, James Gandolfini, Mark Ruffalo, Patricia Clarkson, & Anthony Hopkins) (Historical Fiction)
A Man & His Car-Matt Hranek 2020-10-13 Man-about-town and NYC men’s style fixture Matt Hranek is back with his second book, A Man & His Car. Here is a beautiful homage to an object of men’s obsession, told in firsthand and original interviews. Jay Leno, a major car collector and the host of Jay Leno’s Garage, shares the story of his oldest car, a 1955 Buick Roadmaster that he bought for $350, which he literally slept in before getting his break in L.A. Kevin Costner reveals that he got so attached to the iconic Shelby Mustang he drove in the movie Bull Durham, he bought it for his own personal collection. Franz von Holzhausen, chief designer at Tesla, who worked hand in hand with Elon Musk to design the Tesla Model S prototype, says that his love of cars started when he was two (as evidenced by a picture of him sitting in a high chair drawing a car). And as for Snoop Dogg and his 1965 Cadillac “Snoop DeVille” convertible—do we even need to explain? A Man & His Car includes visits to some of the most exclusive collections in the world—from that of the Petersen Automotive Museum to those of car manufacturers from Fiat to Ford—giving us access to Steve McQueen’s favorite car, a 1956 Jaguar XKSS; the 1971 DeTomaso Pantera that Elvis purchased for his then-girlfriend Linda Thompson (and which has two bullet holes in the steering wheel and one in the driver’s-side floorpan from when, after an altercation with Thompson, Presley fired three rounds into the interior when the car wouldn’t start); and a super-rare, 24-karat-gold-plated 1980 DeLorean DMC-12, a model that was sold exclusively to American Express Gold Card members through the 1980 American Express catalog, for an astronomical $85,000 (equivalent to more than $250,000 today). Exquisite photos of each car accompany each story, and since cars naturally hold more detail than watches, there will be more photos in this book—of the cars head-on, of their hood ornaments and wheels, and of course full-body shots. With Hranek’s storytelling, the cars become more than just vehicles for transportation and status symbols; they represent pop-culture moments, pioneering achievements, heirlooms, friendships, and more.
One Man's America-George Will 2008-06-03 In his provocative and compelling new book, America’s most widely read and most influential commentator casts his gimlet eye on our singular nation. Moving far beyond the strict confines of politics, George F. Will offers a fascinating look at the people, stories, and events–often unheralded–that make the American drama so endlessly entertaining and instructive. With Will’s signature erudition and wry wit always on display, One Man’s America chronicles a spectacular, eclectic procession of figures who have shaped our cultural landscape–from Playboy founder Hugh Hefner to National Review founder William F. Buckley Jr., from Victorian poet Henry Wadsworth Longfellow to Beat poet Lawrence Ferlinghetti, from cotton picker— turned—country singer Buck Owens to actor-turned-president Ronald Reagan. Will crisscrosses the country to illuminate what it is that makes America distinctive. He visits the USS Arizona memorial in Pearl Harbor and ponders its enduring links to the present. He travels to Milwaukee to celebrate the hundredth anniversary of an iconic brand, Harley-Davidson. In Los Angeles he finds the inspiring future of education, while in New York he confronts the dispiriting didacticism of the avant-garde. He ventures to the Civil War battlefields of Virginia to explore what we risk when we efface our own history. And on the outskirts of Chicago he investigates one of the darkest chapters in American history, only to discover a shining example of resilience and grace–the best the country has to offer. Will’s wide lens takes in much more as well–everything from the “most emblematic novel of the 1930s” (and no, it is not about the Joads) to the cult of ESPN to Brooks Brothers and Ben & Jerry’s. And of course, One Man’s America would not be complete without the author’s insights on the national pastime, baseball–the icons and the cheats, the hapless and the greats. Finally, in a personal and reflective turn, Will writes movingly of his thirty-five-year-old son Jon, born with Down syndrome, and pays loving and poignant tribute to his mother, who died at the age of ninety-eight after a long struggle with dementia. The essays in One Man’s America, even when critiquing American culture, reflect Will’s deep affection and regard for our nation. After all, he notes, when America falls short, it does so only as compared to “the uniquely high standards it has set for itself.” In the end, this brilliantly informative and entertaining book reminds us of the enduring value of “the simple virtues and decencies that can make communities flourish and that have made America great and exemplary.” From the Hardcover edition.
Terror by Night-Terry Caffey 2011-10-12 At 3:00 a.m. on March 1, 2008, Terry Caffey awoke to find his daughter’s boyfriend standing in his bedroom with a gun. An instant later the teen opened fire, killing Terry’s wife, his two sons, and wounding him 12 times, before setting the house ablaze. Terry fell into deep depression and planned to kill himself, but God intervened. Upon visiting his burned-out property, Terry noticed a scorched scrap of paper from one of his wife’s books leaning against a tree trunk. The page read: “[God,] I couldn’t understand why You would take my family and leave me behind to struggle along without them. And I guess I still don’t totally understand that part of it. But I do believe that You’re sovereign; You’re in control.” That page was like a direct message from God, and it turned Terry’s life around. Now, one year later, Terry is remarried, the adoptive father of two young sons, and working to rebuild his relationship with his 17-year-old daughter, who is currently serving two life sentences in a Texas state penitentiary for her involvement in the crimes. Terror by Night tells the compelling story of how Terry Caffey found peace after his wife and sons were brutally murdered and his teenage daughter implicated in the crime. Sharing never-before-told details about the night of the crime and subsequent murder trial, it explains how Terry was able to forgive the men who murdered his family, and how he even interceded with the prosecutors on their behalf. A powerful example of how the power of forgiveness can bring healing after tragedy and great loss, it shows how God can bring good out of even the darkest tragedies.
Healing the Masculine Soul-Gordon Dalbey 2003-09-09 In his groundbreaking book fifteen years ago, Gordon Dalbey identified the fact that men's souls have been torn between strength and sensitivity. Today, the situation is even worse. The politically correct crowd cries out for men to be more sensitive, to tame their masculine nature. On the opposing side, the media bombards men with "macho" images of violence and lust. Is it any wonder men are left bewildered about who they should be? In this newly revised and updated edition of Healing the Masculine Soul, Dalbey claims that there's hope for restoration, hope for healing-because Christ has come to heal us. God is calling men out to a relationship with Himself and calling them out to authentic manhood. "Our task is not to curse our manhood, but to redeem it," he writes. Gordon Dalbey's refreshing, comprehensive picture of God's design for the masculine soul dares men to be as God created them to be-not as society demands. Dalbey tackles the tough issues, including work, sexuality, marriage, and fatherhood. Book includes Study Guide.

Men, Women and the Mystery of Love-Edward Sri 2014-07-02 Love and Responsibility brilliantly sheds light on the mysterious dynamics between men and women and challenges us to live those dynamics better.—From the Introduction The essential background to the Theology of the Body! Father Karol Wojtyla (Pope John Paul II) published Love and Responsibility in 1960, the fruit of his pastoral work, particularly among young people. His analysis of the true meaning of human love is life-transforming and practical, shedding light on real issues between men and women. Edward Sri unpacks the contents of this great work, making it accessible to every reader. The author emphasizes the down-to-earth nature of Love and Responsibility, helping readers appropriate practical information on such topics as: how to determine if a relationship is one of authentic love or is doomed to failure the problem of pornography the meaning of friendship how to achieve greater intimacy in marriage and much more. Study questions with each chapter make this a valuable resource not only for individual personal reading but also for small group study.
Brenton's Septuagint, Restored Names Version, Volume 1-Clinton R Smith 2016-01-27 The Septuagint is the only extant Greek translation from a Hebrew MSS that is currently lost to us. The Greek Septuagint and its Autograph, were extensively used before the Christian era as has been testified to by historians and many similarities manifest in the Dead Sea Scrolls. During the age of the Messiah and the Apostles it appears they exclusively used either the Greek Septuagint or its Autograph as is demonstrated by the parallels found in their quotes from the Hebrew Scriptures O.T]. The Septuagint persevered into the age of the early Church Fathers where after it inexplicably fell into disuse. This is a fresh approach to Sir Brenton's translation, in that this it restores the original Hebrew Names as found in the Masoretic d104. While this approach may seem like a glaring paradox it may however be reasoned that a more satisfying though not perfect modern English translation has subsequently evolved.

Men to Boys-Gary Cross 2008-09-23 Adam Sandler movies, HBO's Entourage, and such magazines as Maxim and FHM all trade in and appeal to one character the modern boy-man. Addicted to video games, comic books, extreme sports, and dressing down, the boy-man would rather devote an afternoon to Grand Theft Auto than plan his next career move. He would rather prolong the hedonistic pleasures of youth than embrace the self-sacrificing demands of adulthood. When did maturity become the ultimate taboo? Men have gone from idolizing Cary Grant to aping Hugh Grant, shunning marriage and responsibility well into their twenties and thirties. Gary Cross, renowned cultural historian, identifies the boy-man and his habits, examining the attitudes and practices of three generations to make sense of this gradual but profound shift in American masculinity. Cross matches the rise of the American boy-man to trends in twentieth-century advertising, popular culture, and consumerism, and he locates the roots of our present crisis in the vague call for a new model of leadership that, ultimately, failed to offer a better concept of maturity. Cross does not blame the young or glorify the past. He finds that men of the "Greatest Generation" might have embraced their role as providers but were confused by the contradictions and expectations of modern fatherhood. Their uncertainty gave birth to the Beats and men who indulged in childhood hobbies and boyish sports. Rather than fashion a new manhood, baby-boomers held onto their youth and, when that was gone, embraced Viagra. Without mature role models to emulate or rebel against, Generation X turned to cynicism and sensual intensity, and the media fed on this longing, transforming a life stage into a highly desirable lifestyle. Arguing that contemporary American culture undermines both conservative ideals of male maturity and the liberal values of community and responsibility, Cross concludes with a proposal for a modern marriage of personal desire and ethical adulthood.
Neither Male Nor Female Workbook-Betty Miller 2004-10-23 This workbook is part of the "Overcoming Life Series" and is the study guide for the book, "Neither Male Nor Female" by the same author. It answers questions as to what is the woman's role in the church and home, who is the woman's spiritual head and covering, and does God call women to the five-fold ministry? It also deals with divorce, celibacy and choosing a marriage partner and other woman related topics according to scripture.
The Descent of Man-Grayson Perry 2017-05-30 What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, The Descent of Man is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that’s happiness, right? Grayson Perry admits he’s not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

Man Alive (Enhanced Edition)-Patrick Morley 2012-01-17 ENHANCED EDITION: Includes 8 short video teachings with author, Patrick Morley You Don’t Have to Settle Over the last four decades, I’ve met one-on-one with thousands of men. Most of them know that Jesus promised “a rich and satisfying life” (John 10:10), but too many are confused about what that looks like. In fact, I’d estimate that 90 percent of Christian men lead lukewarm, stagnant, defeated lives—and they hate it. When men try to put into words what’s holding them back, they invariably describe one or more of these seven symptoms: • “I just feel like I’m in this thing alone.” • “I don’t feel like God cares about me personally—not really.” • “I don’t feel like my life has a purpose. In fact, it seems random.” • “I have destructive behaviors that keep dragging me down.” • “My soul feels dry.” • “My most important relationships are not working.” • “I don’t feel like I’m doing anything that will make a lasting difference.” Do you see yourself in these statements? In my experience, these inner aches and pains correspond to seven primal God-given needs that all men feel deeply. And in Man Alive, I’ll show you something surprising—God’s plan to harness that raw, restless energy you feel, pull you out of mediocrity, and propel you toward the life you were meant to live. I promise you…there is a way. No man should have to settle for half alive. You can become the man God created you to be. You can experience a powerful life transformed by Christ. In the book, I’ll show you how. Patrick Morley, PhD.
Getting Life-Michael Morton 2014-07-08 “A devastating and infuriating book, more astonishing than any legal thriller by John Grisham” (The New York Times) about a young father who spent twenty-five years in prison for a crime he did not commit…and his eventual exoneration and return to life as a free man. On August 13, 1986, just one day after his thirty-second birthday, Michael Morton went to work at his usual time. By the end of the day, his wife Christine had been savagely bludgeoned to death in the couple’s bed—and the Williamson County Sherriff’s office in Texas wasted no time in pinning her murder on Michael, despite an absolute lack of physical evidence. Michael was swiftly sentenced to life in prison for a crime he had not committed. He mourned his wife from a prison cell. He lost all contact with their son. Life, as he knew it, was over. Drawing on his recollections, court transcripts, and more than 1,000 pages of personal journals he wrote in prison, Michael recounts the hidden police reports about an unidentified van parked near his house that were never pursued; the bandana with the killer’s DNA on it, that was never introduced in court; the call from a neighboring county reporting the attempted use of his wife’s credit card, which was never followed up on; and ultimately, how he battled his way through the darkness to become a free man once again. “Even for readers who may feel practically jaded about stories of injustice in Texas—even those who followed this case closely in the press—could do themselves a favor by picking up Michael Morton’s new memoir…It is extremely well-written [and] insightful” (The Austin Chronicle). Getting Life is an extraordinary story of unfathomable tragedy, grave injustice, and the strength and courage it takes to find forgiveness.

Power Failure in the Church and Restoration-Ernest L. Sanders 2011-12-13 This is a book that explores some of the reasons for the failure of so many ministries in the country today. When we look at the world and problems of our world it would seem to many that the church is a failure or has lost it’s power. The source of church power is a relationship with God. God is able to restore the Ministry and those that have chosen to give their lives to mankind for the preservation of good morals and values. The church is the answer to all the ills of the world today. More emphasis’s should be placed on the local church. It is here in the local church that all ministries and ministers received their initial power.
A Hunted Man-Jaime Reese 2014-04-27 After surviving ten years in prison, Cameron Pierce is attempting to put the past behind him. He tries to adjust to his newfound freedom with a place at the halfway house and a job. But one lesson he learned in prison keeps him guarded: hope is a dangerous thing. Hunter Donovan, Assistant State Attorney, is a man of justice who loves a challenge. After a lifetime of putting his career first, a milestone brings him to a harsh realization-he's lonely. Hunter's world changes when he meets Cam. The wary young man intrigues him and awakens a desire unlike anything he's ever experienced. When Cam's past resurfaces and threatens to rip them apart, their budding relationship is challenged and Cam’s hope for a future begins to dim. These outside forces hunting Cam will stop at nothing to send him back to prison. But they'll have to get past Hunter first.

Summa Theologica Part II ("Secunda Secundae") (Annotated Edition)-St. Thomas Aquinas 2012 This is the extended and annotated edition including * an extensive biographical annotation about the author and his life The Summa Theologiæ (Latin: Compendium of Theology or Theological Compendium; also subsequently called the Summa Theologica or simply the Summa, written 1265–1274) is the best-known work of Thomas Aquinas (c.1225–1274), and although unfinished, "one of the classics of the history of philosophy and one of the most influential works of Western literature." It is intended as a manual for beginners in theology and a compendium of all of the main theological teachings of the Church. It presents the reasoning for almost all points of Christian theology in the West. The Summa's topics follow a cycle: the existence of God; Creation, Man; Man's purpose; Christ; the Sacraments; and back to God. (courtesy of wikipedia.com). This is part 2-2, 'Secunda Secundae'. In a chain of acts of will, man strives for the highest end. They are free acts, insofar as man has in himself the knowledge of their end (and therein the principle of action). In that the will wills the end, it wills also the appropriate means, chooses freely and completes the consensus. Whether the act be good or evil depends on the end. The "human reason" pronounces judgment concerning the character of the end; it is, therefore, the law for action. Human acts, however, are meritorious insofar as they promote the purpose of God and his honor. By repeating a good action, man acquires a moral habit or a quality which enables him to do the good gladly and easily. This is true, however, only of the intellectual and moral virtues (which Aquinas treats after the manner of Aristotle); the theological virtues are imparted by God to man as a "disposition", from which the acts here proceed; while they strengthen, they do not form it. The "disposition" of evil is the opposite alternative. An act becomes evil through deviation from the reason, and from divine moral law. Therefore, sin involves two factors: its substance (or matter) is lust; in form, however, it is deviation from the divine law. Contents: • Treatise on the theological virtues (qq. 1 to 46) • Treatise on the cardinal virtues (qq. 47 to 170) • Treatise on prudence (qq. 47 to 56) • Treatise on justice (qq. 57 to 122) • Treatise on fortitude and temperance (qq. 123 to 170) • Treatise on gratuitous graces (qq. 171 to 182) • Treatise on the states of life (qq. 183 to 189)
