Marque of Caine-Charles E. Gannon 2019-07-02
Book 5 in the critically acclaimed Caine Riordan science fiction series by three-time Nebula nominee Charles E. Gannon. Science fiction on a grand scale. Prequels Raising Caine, Trial by Fire and Fire with Fire were all Nebula Award finalists. Charles E. Gannon is also the winner of the Compton Crook Award and a Dragon Award nominee. It's been two years since Caine Riordan was relieved of his command for following both his orders and his conscience. Now he's finally received the message he's been waiting for: a summons to visit the ancient and enigmatic Dornaani. And this time, making direct contact is not just professional, but personal: the Dornaani still have his mortally-wounded love, Elena Corcoran, in their unthinkably advanced medical facilities. But instead of arranging a swift reunion, Riordan's new Dornaani hosts are not only disinterested in human affairs, but are in such social disarray that they have lost track of Elena's surgical cryocell. Riordan must blaze his own trail through dying and dangerous worlds to find the mother of his child, her fate as uncertain as the true agenda of the Dornaani leaders. However, as new clues and new threats push Caine's quest beyond the edge of known space, he discovers that the Dornaani empire is not merely decaying; there are subtle signs that its decline is being accelerated from without. Which means that rescuing Elena is just half the

mission: Riordan must report that the Dornaani collapse is not only being engineered, but that it is the prelude to a far more malign scheme: To clear a path for a foe bent on destroying Earth. At the publisher's request, this title is sold without DRM (Digital Rights Management). California. Supreme Court. Records and Briefs-California (State). Court of Appeal Case(s): D008443

Letters of marque-Rudyard Kipling 1924 Works: From sea to sea: letters of marque-Rudyard Kipling 1907 The Letter of Marque (Vol. Book 12) (Aubrey/Maturin Novels)-Patrick O'Brian 2011-12-05 "Fine stuff...[The Letter of Marque] leaves the devotee of naval fiction eager for sequels."—Jonathan Yardley, Washington Post Book World Captain Jack Aubrey, a brilliant and experienced officer, has been struck off the list of post-captains for a crime he did not commit. His old friend Stephen Maturin, usually cast as a ship's surgeon to mask his discreet activities on behalf of British Intelligence, has bought for Aubrey his former ship the Surprise to command as a privateer, more politely termed a letter of marque. Together they sail on a desperate mission against the French, which, if successful, may redeem Aubrey from the private hell of his disgrace. History of the Liverpool Privateers and Letters of

 Winds of Marque-Bennett R. Coles 2019-04-16
 "Bennett R. Coles ranks among my go-to list in SF. Entertaining and intelligent storytelling and terrific characters. In Winds of Marque, Coles may well have invented a whole new subgenre that has me scrambling for a description--Steam Space? Whatever you call it, a blast to read. Here's hoping that many more adventures are in the offing for Blackwood and company." —Steven Erikson, New York Times bestselling author
 The first novel in an exciting science fiction series—Master and Commander in space—a swashbuckling space adventure in which a crew of misfit individuals in the king's navy are sent to dismantle a dangerous ring of pirate raiders. In a dense star cluster, the solar winds blow fiercely. The star sailing ship HMSS Daring is running at full sheet with a letter of marque allowing them to capture enemy vessels involved in illegal trading. Sailing under a false flag to protect the ship and its mission, Daring's crew must gather intelligence that will lead them to the pirates' base. Posing as traders, Daring's dashing second-in-command Liam Blackwood and brilliant quartermaster Amelia Virtue infiltrate shady civilian merchant networks, believing one will lead them to their quarry. But their mission is threatened from within their own ranks when Daring's enigmatic captain makes a series of questionable choices, and rumblings of discontent start bubbling up from below decks, putting the crew on edge and destroying morale. On top of it all, Liam and Amelia must grapple with their growing feelings for each other. Facing danger from unexpected quarters that could steer the expedition off course, Blackwood and Virtue must identify the real enemy threat

and discover the truth about their commander—and their mission—before Daring falls prey to the very pirates she's meant to be tracking.
 The letter of marque and tales of the sea and land-Charles Rathbone Low 1873
 Marque And Reprisal-Elizabeth Moon 2005
 Cut off from home and all communications following the murders of members of her immediate family, ship captain Kylara Vatta races against time to find out who is behind these vicious attacks and who is determined to destroy her family and its wealth, in the sequel to Trading in Danger. Reprint.
 The Fellowship of the Ring-J. R. R. Tolkien 2012-03-01
 Sauron, the Dark Lord, has gathered to him all the Rings of Power - the means by which he intends to rule Middle-earth. All he lacks in his plans for dominion is the One Ring - the ring that rules them all - which has fallen into the hands of the hobbit, Bilbo Baggins. In a sleepy village in the Shire, young Frodo Baggins finds himself faced with an immense task, as his elderly cousin Bilbo entrusts the Ring to his care. Frodo must leave his home and make a perilous journey across Middle-earth to the Cracks of Doom, there to destroy the Ring and foil the Dark Lord in his evil purpose. To celebrate the release of the first of Peter Jackson's two-part film adaptation of The Hobbit, THE HOBBIT: AN UNEXPECTED JOURNEY, this first part of THE LORD OF THE RINGS is available for a limited time with an exclusive cover image from Peter Jackson's award-winning trilogy.

Ring of Seasons-Terry G. Lacy 1998 A remote island with a rich and ancient literature. A land of hot springs and volcanoes. A country with an extraordinary history, a challenging geography and a vibrant contemporary culture. A land of ice. In Ring of Seasons, Terry Lacy--an American who has lived in Iceland for twenty-four years--brings both the perspective of the outsider and the familiar eye of the long-term resident to this delightful exploration of all facets of Iceland, past and present. She conveys her story with a skillful interlacing of history, religion, politics, and culture to paint a vivid picture of the way Icelanders live today as members of a wealthy society still very dependent upon nature--from a reliance on her icy waters to support an international fishing industry to a watchful cohabitation with the volcanoes that both destroy villages and create new islands. This is a book for all who have been charmed by reading the Norse sagas, for all those intrigued by the country that can claim the oldest living democracy. It is an excellent introduction for anyone planning to visit Iceland and a delightful read for all those who do their exploration from the comfort of an armchair. Terry G. Lacy is an American currently residing in Reykjavik, Iceland. A remote island with a rich and ancient literature. A land of hot springs and volcanoes.
