A Risk Worth Taking-Heather Hildenbrand 2008-07-03 She’s not looking for Mr. Right. But damn if he doesn’t look like Mr. Right Now... Summer Stafford Finding the world’s hottest farmhand at my dinner table was unexpected, but it doesn’t change anything. I’ve come home to manage the family business, not to get involved with the help. Even if the sight of him in those faded denim jeans makes me want to jump his bones. Ford O’Neal Summer gets under my skin and makes me want to say things like “girlfriend” and “relationship.” But I’m determined not to let a farmer’s daughter ruin my plans. When the season ends, I’m gone. And I’ll be damned if I’m leaving my heart behind. When Summer and Ford finally give in to their attraction, how far will they let things go before fate has its way with one hot-as-sin farmhand and one stubborn city girl.

Eye of the Storm-Lynn Graeme 2013-12-17 In Bloodhaven, a city rife with tensions between humans and shifters, wolf-shifter Grayson Moran makes himself a target when he takes a public stance against extremist factions attempting to eradicate all human existence. When a human woman comes forward claiming to have made a disturbing discovery, his protective instincts surge to the forefront, even as he can’t deny she makes him burn with other feelings he’d long thought dormant and broken. Sara Coulson is no fool. Working alongside suspicious shifters in a world where the humans and shifters are only just barely managing to co-exist, she has reason to be wary. Still, her determination to keep her distance wavers in the face of this intriguing alpha male, even as she comes under attack by enemies determined to silence her for good. Together, Grayson and Sara must learn to trust as they battle . . . the eye of the storm.

Worth the Risk-K. Bromberg 2018-05-13 From New York Times bestselling author K. Bromberg comes a new, sexy standalone about taking chances and finding love when it’s least expected. Or wanted. This whole contest was supposed to be easy. I know, I know. Famous last words. It’s a long story, but I messed up at work. Big time. To earn back the trust of my boss, I promised to save one of our magazines. Yep. That Hot Dad contest you’ve seen advertised all over the place was my idea. And if I’m successful, if I’m able to increase our online readership, then I get a shot at my dream job. But the one thing I never expected to happen, happened: Contestant number ten, Grayson Malone. Hello, Mr. Difficult. And did I mention sexy as hell? Unfortunately he knows me. The old me, anyway. And while we might be older now, I remind him of before. Of the woman who broke his heart, who hardened him, and who left him alone to raise the cutest little boy I’ve ever seen. But I don’t want a relationship. And I definitely don’t fall for single dads with baggage. Even ones with chiseled abs and killer smiles. But he got to me. They got to me. He and his son and their messy, crazy life. But I got to him too. I see the stolen glances. I feel the walls he built start to crumble. I recognize that there’s an unexpected beauty to the chaos in his life. And now that the contest is about to end, we’re left to decide whether the last six months were just fun or if what we have is worth risking it all?

The Temptation of John Haynes-Shawn James 2020-06-09 The Devil doesn’t like John Haynes. To take his soul, Lucifer recruits E’steem a beautiful she-demon to seduce him. If she can persuade John to compromise his beliefs and values, he’ll allow her to join his Elect, a cadre of powerful demons in his inner circle. To balance the playing field in E’steem’s favor, Lucifer isolates John by having him fired from his job . Unemployed and emotionally vulnerable, John eagerly takes what he thinks is the job opportunity of a lifetime as CEO of Morris Phillips. Distracted by his new high-powered job and its many duties, he has no idea that Lucifer secretly controls the multinational corporation or that his live-in assistant is a she-demon placed there to corrupt him. However as E’steem becomes romantically involved with John, she’s torn between achieving her theocratic aspirations and saving the man she loves from eternal damnation.

Gracefully Grayson-Ami Polonsky 2014-11-04 "Tenderly and courageously told, Gracefully Grayson is a small miracle of a book. Its story is so compelling I found myself holding my breath as I read it and so intimate I felt as if what was happening to Grayson was happening to me. Thank you, Ami Polonsky, for creating this memorable character who will open hearts and minds and very possibly be the miracle that changes lives." ???James Howe, award-winning and best-selling author of The Misfits What if who you are on the outside doesn't match who you are on the inside? Grayson Sender has been holding onto a secret for what seems like forever: "he" is a girl on the inside, stuck in the wrong gender's body. The weight of this secret is crushing, but sharing it would mean facing ridicule, scorn, rejection, or worse. Despite the risks, Grayson's true self itches to break free. Will new strength from an unexpected friendship and a caring teacher's wisdom be enough to help Grayson step into the spotlight she was born to inhabit? Debut author Ami Polonsky's moving, beautifully-written novel about identity, self-esteem, and friendship shines with the strength of a young person's spirit and the enduring power of acceptance

Computing Risk for Oil Prospects: Principles and Programs-J.W. Harbaugh 1995-11-22 The petroleum industry is enduring difficult financial times because of the continuing depressed price of crude oil on the world market. This has caused major corporate restructuring and reductions in staff throughout the industry. Because oil exploration must now be done with fewer people under more difficult economic constraints, it is essential that the most effective and efficient procedures be used. Computing Risk for Oil Prospects describes how prospect risk assessment — predicting the distribution of financial gains or losses that may result from the drilling of an exploration well — can be done using objective procedures implemented on personal computers. The procedures include analyses of historical data, interpretation of geological and geophysical data, and financial calculations to yield a spectrum of the possible consequences of decisions. All aspects of petroleum risk assessment are covered, from evaluating regional resources, through delineating an individual prospect, to calculation of the financial consequences of alternative decisions and their possible results. The bottom lines are given both in terms of the probable volumes of oil that may be discovered and the expected monetary returns. Statistical procedures are linked with computer mapping and interpretation algorithms, which feed their results directly into routines for financial analysis. The programs in the included library of computer programs are tailored to fit seamlessly together, and are designed for ease and simplicity of operation. The two diskettes supplied are IBM compatible. Full information on loading is given in Appendix A - Software Installation. Risk I diskette contains data files and executables and Risk 2 diskette contains only executables. The authors contend that the explorationist who develops a prospect should be involved in every facet of its analysis, including risk and financial assessments. This book provides the tools necessary for these tasks.

Grayson-Lisa Eugene 2014-10-03 Adult contemporary romance. Intended for readers 18+ An insane love that will keep you from falling—or push you right off the edge. All she needed was a job... The last thing twenty-four year old grad student Angie Roberts needs is to worry about her new boss's father. After all, she's never even seen him. He remains sequestered upstairs in a house that looks like it should be the main feature in an episode of Hoarders. She had no idea the house was such a dump when she took the job. But she's concerned about the safety and health of the old man living under such horrid conditions. What she got was a mystery... Despite warnings not to venture upstairs, she wanders up to the second floor. What she sees is shocking. The man she finds is a gorgeous, sexy, middle-aged man-- and he's stepping out of the shower. But something is definitely not right. Why would this wealthy, handsome man live in a house in such disrepair while his nine-teen year old son resides in a lavish pent-house? Why does he hide away from society? Why does he come to her rescue and then run away? What she discovered was heartbreaking... Angie learns that forty-four year old Grayson Whitmore suffers from schiz-ophrenia. Paranoid, he retreats into his own world. What she ended up with was a treasure... Angie is determined to get through to Grayson. They form a friendship that blazes into an inconceivable love fired with raging passion. Angie must now come to Grayson's rescue because the wicked that has been perpetrated on him is unconscionable. First, though, she must gain the trust of a man whose mind does not allow for such a thing.

Dirty Blood-Heather Hildenbrand 2011-04-12 I killed a girl last night. I did it with my bare hands and an old piece of pipe I found lying next to the dumpster. But that's not the part that got me. The part that scared me, the part I can't seem to wrap my head around and still has me reeling, was that when she charged me, her body shifted - and then she was a wolf. All snapping teeth and extended claws. But by the time I stood over her lifeless body, she was a girl again. That's about the time I went into shock... And that was the moment he showed up.And even now there are two thoughts that are so clear, they feel branded into my mind: One, Werewolves do exist, and two, I was born to kill them.

The Descent of Man-Grayson Perry 2017-05-30 What does it mean to be male in the 21st Century? Award-winning artist Grayson Perry explores what masculinity is: from sex to power, from fashion to career prospects, and what it could become—with illustrations throughout. In this witty and necessary new book, artist Grayson Perry trains his keen eye on the world of men to ask, what sort of man would make the world a better place? What would happen if we rethought the macho, outdated version of manhood, and embraced a different ideal? In the current atmosphere of bullying, intolerance and misogyny, demonstrated in the recent Trump versus Clinton presidential campaign, The Descent of Man is a timely and essential addition to current conversations around gender. Apart from gaining vast new wardrobe options, the real benefit might be that a newly fitted masculinity will allow men to have better relationships—and that’s happiness, right? Grayson Perry admits he’s not immune from the stereotypes himself—yet his thoughts on everything from power to physical appearance, from emotions to a brand new Manifesto for Men, are shot through with honesty, tenderness, and the belief that, for everyone to benefit, updating masculinity has to be something men decide to do themselves. They have nothing to lose but their hang-ups.

Silver Shadows-Marianne Willman 1993-03 Born to a white woman and a Cheyenne warrior chief, Grayson Howard heeds an inner call and journeys west to the hills of California, where he falls for Cassandra, the daughter of an impoverished English earl. Original.

A Lover’s Lament-K. L. Grayson 2016-10-11 In a matter of seconds my entire world changed, and it was in that moment that I stopped living and simply began to exist.

In my grief, I sent a letter to the first boy I ever loved. I didnt expect him to write back. Sergeant Devin Ulysses Clay did what I couldnt: he put the shattered pieces of my heart back together. But now that Im whole, I have a decision to make. Do I return to my life as I knew it and the fiancé I left behind, or do I walk away from it all for the only man to everbreak my heart? \*\*\* A letter from Katie Devoraa letter that I almost didnt open.Her words put a fire back inside of me that I didnt know Id lost.

The Army saved me from a callous mother and a life on the wrong side of the tracks that was quickly spiraling out of control. So unlike most of the men in my platoon, going home wasnt something I longed for. I was content overseas, spending my days defending this country that gave me my life back. Fighting became my new normal until her.

A Bet Worth Making-Heather Hildenbrand 2016-05-26 He’s redneck hot. What’s a girl to do? Jordan DeWalter Great. My future as the premier architectural designer on the east coast depends on tracking down my estranged hick family. Unfortunately, it’s true that nothing moves quickly in the south. I never signed up for rooming

with a hot as sin man with perfect abs who likes to stroll around in a towel. All I want to do is collect my money and get the hell out of this Podunk town. Casey Luck I’m not even sure I know how to spell “serious,” and that’s exactly what walked through my door with Jordan. I’m good with fixing tractors and making people smile, but it’s going to take a whole lot more to charm Jordan. And that’s something I really want to do. I know she’s just here for the money, but my gut’s telling me to convince her there’s something worth a whole lot more than her inheritance if she stays. A Bet Worth Making is a standalone sweet and sexy romance part of the Grayson County duology. These stories feature shared characters but can be read in any order.

Cultural Politics of Targeted Killing-Kyle Grayson 2016-07-15 The deployment of remotely piloted air platforms (RPAs) - or drones - has become a defining feature of contemporary counter-insurgency operations. Scholarly analysis and public debate has primarily focused on two issues: the legality of targeted killing and whether the practice is effective at disrupting insurgency networks, and the intensive media and activist scrutiny of the policy processes through which targeted killing decisions have been made. While contributing to these ongoing discussions, this book aims to determine how targeted killing has become possible in contemporary counter-insurgency operations undertaken by liberal regimes. Each chapter is oriented around a problematisation that has shaped the cultural politics of the targeted killing assemblage. Grayson argues that in order to understand how specific forms of violence become prevalent, it is important to determine how problematisations that enable them are shaped by a politico-cultural system in which culture operates in conjunction with technological, economic, governmental, and geostrategic elements. The book also demonstrates that the actors involved - what they may be attempting to achieve through the deployment of this form of violence, how they attempt to achieve it, and where they attempt to achieve it - are also shaped by culture. The book demonstrates how the current social relations prevalent in liberal societies contain the potential for targeted killing as a normal rather than extraordinary practice. It will be of great use for academic specialists and graduate students in international studies, geography, sociology, cultural studies and legal studies.

Cruel Doubt-Joe McGinniss 2012-08-29 From the New York Times bestselling author of Fatal Vision comes a shocking true account of murder, family secrets, and final justice now available for the first time as an e-book... One hot summer night in 1988, Bonnie Von Stein's second husband was murdered in their bed, Bonnie herself stabbed, beaten, and left for dead beside him. It looked like a brutal but tragically typical case: Von Stein was newly wealthy, and Bonnie's troubled son Chris, seemed like the obvious suspect. But Chris turned out to have an air-tight alibi and new leads suggested the crime could be much more complex. The trail led to Chris's two strange new friends from college and a real-life enactment of a bizarre Dungeons and Dragons fantasy adventure, and it implicated Bonnie's teenage daughter as well. In Cruel Doubt, Joe McGinniss probes the dark heart of family life and small-town North Carolina society to uncover a fascinating and terrifying story that is at once a chilling murder mystery, a tense courtroom drama, and a heartbreaking account of a mother forced to doubt her own children.
