Because Their Hearts Were Pure (Or the Secret of the Mine)-Cary Morland 1952-10 THE STORY: The plot concerns two worthy widows whose livelihood depends on a coal mine that has been left to them. The lovely daughter of one widow is engaged to the son of the other, and when it develops that the villainous banker who holds a mort

Original Rockers-Richard King 2015-03-31 Richard King's account of the several years he spent working in a Bristol independent record shop in the early 90s is destined to become a classic of music writing. We live in an age when the most beautiful of recording formats, vinyl, is back in vogue and thriving. In the early 90s, with the march of the cd and record company disinterest oin the format, vinyl was looking like an anachronism. And with its demise came the gradual erosion of a once beautiful and unique landscape known as the independent record shop. Richard King, author of How Soon is Now, blends memoir and elegiac music writing on the likes of Captain Beefheart, CAN and Julian Cope, to create a book that recalls the debauched glory days of the independent record shop. Chaotic, amateurish and extravagantly dysfunctional, this is a book full of rare personalities and rum stories. It is a book about landscape, place and the personal; the first piece of writing to treat the environment of the record shop as a natural resource with its own peculiar rhythms and anecdotal histories.

Roots, Radicals and Rockers-Billy Bragg 2017-05-30 SHORTLISTED FOR THE PENDERYN MUSIC BOOK PRIZE Roots, Radicals & Rockers: How Skiffle Changed the World is the first book to explore this phenomenon in depth - a meticulously researched and joyous account that explains how

skiffle sparked a revolution that shaped pop music as we have come to know it. It's a story of jazz pilgrims and blues blowers, Teddy Boys and beatnik girls, coffee-bar bohemians and refugees from the McCarthyite witch-hunts. Billy traces how the guitar came to the forefront of music in the UK and led directly to the British Invasion of the US charts in the 1960s. Emerging from the trad-jazz clubs of the early '50s, skiffle was adopted by kids who growing up during the dreary, post-war rationing years. These were Britain's first teenagers, looking for a music of their own in a pop culture dominated by crooners and mediated by a stuffy BBC. Lonnie Donegan hit the charts in 1956 with a version of 'Rock Island Line' and soon sales of guitars rocketed from 5,000 to 250,000 a year. Like punk rock that would flourish two decades later, skiffle was a do-it-yourself music. All you needed were three guitar chords and you could form a group, with mates playing tea-chest bass and washboard as a rhythm section.

Broken Melody-Ronald de Levington Kirkbride 1942

Nuts and Buried-Elizabeth Lee 2015 When her friend is found dead at a party to introduce his new wife Jeannie to town society, with Jeannie and her kin named as prime suspects, Lindy and Miss Amelia aren't convinced and step in to help Jeannie and unmask the killer party crasher.

She Can Really Lay It Down-Rachel Frankel 2019-09-03 The artists in this book defied genre and social convention to shape the music industry as we know it. But many of these incredible musicians have been overlooked or cast in supporting roles in their own stories simply because they are women. Until now. Author and illustrator Rachel Frankel shines a spotlight on 50 groundbreaking musicians through vivid portraits and heartfelt

biographies that bring each icon to life on the page. This book pays homage to the rock goddesses who shredded, sang, and stormed the stage with ferocity and passion, inspiring a whole new generation of fearless, talented performers.

The New Shorter Oxford English Dictionary on Historical Principles-Lesley Brown 1993 The New Shorter Oxford English Dictionary is the most significant dictionary of the decade. Freshly abridged from the acclaimed Second Edition of the Oxford English Dictionary, it represents the ultimate authority on contemporary and historical English, next to the OED itself. Incorporating a wealth of newly researched material, it includes all the key features of the OED in just two volumes, making it the top-of-the-range Oxford dictionary for everyday use. Both current and historical English are covered in its 220,000 entries, including such neologisms as dweeb, sellathon, masculist, and winterim. Its 500,000 definitions are illustrated with 87,000 quotations from 10,000 authors, each showing precisely how a word has been used over the centuries. New 'contributors' range from Stephen King to Keri Hulme, Doris Lessing to Seamus

Heaney. Each entry provides a wealth of information, including history and meaning, pronunciation, etymology, definitions, variant spellings, irregular inflections, quotations, idiomatic phrases and combinations, and a precise record of a word's use. No other general dictionary can provide access to such a comprehensive account of the English language.* All the key features of the OED in just two volumes* Covers English from 1700 to today* 220,000 entries and over 500,000 definitions* 87,000 illustrative quotations from 10,000 authors* Four million words of text* Thousands of rare words, as well as the very latest vocabulary* Up-to-date pronunciation systems* Generous coverage of English around the world

Stereo Review- 1995

The Literary Digest- 1906

National Magazine- 1910

Melody-V.C. Andrews 2011-02-08 Melody Logan knew her beautiful mother, Haille, was unhappy in their hardscrabble mining town.... But with her wonderful father's unwavering love, Melody always felt safe -- until a dreadful mine accident ripped her from her family's moorings. She was still devastated by her father's death when she left West Virginia with Haille to follow her mother's dream of becoming a model or actress. But first they stopped in Cape Cod to visit her father's family at last. Melody knew only that her grandparents had disowned their son when he married Haille -- just because she was an orphan, her mother said. Yet moments after Melody first laid eyes on dour, Bible-spouting Uncle Jacob, nervous Aunt Sara, and her cousins -- handsome Cary, whose twin, Laura, had been killed recently in a sailing accident, and sweet, deaf little May -- Haille announced that Melody was to live with them. Sleeping in Laura's old room, Melody was awash in a sea of grief and confusion, with only her beloved fiddle to comfort her. Then Cary revealed the truth he'd gleaned about her parents -- a sad shocking story that only puzzled her more. Melody knew nothing of the dark deceptions that would soon surface...the devastating betrayals she would face before she glimpsed the faint, beckoning lights of a safe harbor....

Happy Days- 1916

Dust & Grooves-Eilon Paz 2015-09-15 A photographic look into the world of vinyl record collectors—including Questlove—in the most intimate of

environments—their record rooms. Compelling photographic essays from photographer Eilon Paz are paired with in-depth and insightful interviews to illustrate what motivates these collectors to keep digging for more records. The reader gets an up close and personal look at a variety of well-known vinyl champions, including Gilles Peterson and King Britt, as well as a glimpse into the collections of known and unknown DJs, producers, record dealers, and everyday enthusiasts. Driven by his love for vinyl records, Paz takes us on a five-year journey unearthing the very soul of the vinyl community.

Rancho Santa Margarita Remembered-Jerome O'Neill Baumgartner 1996 One weekend in 1974, Jerome Baumgartner sat with his father and listened to stories of his childhood on the Santa Margarita Ranch. Jerome had heard these stories many times before, but this time was different: this time there was a tape recorder going. That weekend was the first session of what was to become a remarkable oral history of one of the biggest and most important ranchos in California history, a quarter-million acre ranch with tens of thousands of cattle and hundreds of horses, not to mention vaqueros, Chinese cooks, and a vast extended family of remarkable people. But Rancho Margarita Remembered is not just a history of a Southern California cattle ranch. More important, it is the recorded memory of a child's view of a unique period of history of rural America - the first twenty years of the twentieth century - and what it was like to grow up in those times.
