Phi Moo: The Full Herd-Lyka Bloom 2019-07-28

The first cycle of the Phi Moo series is assembled here together! Phi Moo: Smithville University is a typically small college in Middle America. When a new student transfers in, strange things start happening to the sisters of the Phi Mu sorority, changes that make them more buxom, docile creatures. The mysterious Maureen appears to be at the center of it all, and sorority sister Kaley sets out to find out what makes her sisters act so strangely before the same fate can befall her! Phi Moo, Too: Hitomi is a shy loner at Elliston University. But when Kaley arrives on campus, Hitomi finds herself drawn to the voluptuous girl,

despite the changes she sees in the sorority house Kaley has claimed as her own. Soon, she will battle for her very being as Kaley's seductive influence begins altering the sisters of the sorority... and threatens to claim Hitomi, too! Phi Moo 3: Ron and Stephanie are the perfect couple. High school sweethearts gone to college, their whole lives before them. When Stephanie returns from a visit to the Phi Mu sorority a little more excited than usual, who's to complain? Only this change in Stephanie isn't just tonight.

Something is happening at the Phi Mu sorority and Ron is determined to get to the bottom of it. What he doesn't know is every herd needs its bull and Kaley has her sights set on him.

Wilde at Heart-Tonya Burrows 2015-09-07 Reece Wilde put everything in his life on the backburner to protect his brothers and their struggling company, Wilde Security. With a major contract on the line, Reece can't afford any mistakes...like getting caught in a red-hot, X-rated moment with wild child Shelby Bremer, who's more trouble than he can handle. Now he's being blackmailed. Shelby's mile-long impulsive

streak gets her in more trouble than she'd like to admit. Between her sister's wedding, her coffee shop set on fire, and getting down and dirty with the groom's brother, things are definitely coming off the rails. With both their careers and their safety on the line, Reece is determined to keep them both safe...even if it means a Vegas-style shotgun wedding. But gambling on a wild card-and a wild soul-is risky...and sometimes, it can get a guy killed. Each book in the Wilde Security series is a standalone story that can be enjoyed out of order. How to Drink Like a Billionaire-Mark Oldman 2016-10-11 Want to know the mysteries of how the 1% drink? Mark Oldman, one of America's most popular wine experts, demystifies the secrets of the wine world, so you can drink, enjoy, and savor wine better—and cheaper. Mark Oldman distills his vast knowledge of wines into this easy-to-read, humorous guide, complete with in-depth how-tos on everything from tasting, swirling, and buying wine the same way billionaires do—without the price tag. With his characteristic wit and charm, Oldman spills on how to imbibe like an insider while cutting through the pretension and geekiness that still surrounds wine. From detailing little-known ways to hone in on the best value bottles to the secret maneuvers you can do to master wine in restaurants, shops, and at home, How to Drink Like a Billionaire will have you approaching wine with the shrewdness, style, and unapologetic joy of the 1 percent.

The Loves of Lord Roxboro-Walter Bone
2019-06-16 When lovely young orphans Caroline and Freda arrive to the mansion belonging to their new ward, the wonderfully depraved Lord Roxboro, they don't know what to expect. They

enter a world of orgiastic pleasures, where the maids and stablemen join the sexual activities. Before internet porn, before porn videos, before porn movies, people lusting for raunchy, X-rated entertainment read pornographic books and magazines. Victorian and Edwardian England had its own adult entertainment industry - countless erotic novels were put out by shady publishers, some books were printed by the authors themselves, and most of the writers were anonymous. Many of these 19th century books are surprisingly kinky, and some of them may be quite offensive to modern day readers - in more ways than one. Sir Walter Bone is a pseudonym, the author of this massive epos, first published in 1898, is unknown. This tome contains all six volumes of "The Loves of Lord Roxboro." This is raunchy, decadent Victorian erotica at its best.

The Dress Lodger-Sheri Holman 2010-04-09 A New York Times Notable Book from the author of *A Stolen Tongue: A tale of crime and survival in nineteenth-century England* “as unsettling as it is brilliant” (The Washington Post Book World). In Sunderland, England, a city quarantined by the cholera epidemic of 1831, a defiant, fifteen-year-old beauty in an elegant blue dress sells her body to feed her only love: a fragile baby boy. When the surgeon Henry Chiver offers Gustine a different kind of work, she hopes to finally change her terrible circumstances. But Chiver

was recently implicated in the famous case of Burke and Hare, who murdered beggars and sold their corpses for medical research. And soon, Gustine’s own efforts to secure cadavers for Chiver’s anatomy school will threaten the very things she’s working so hard to protect . . .

“Reminiscent of *Wuthering Heights* . . . or the novels of Dickens . . . An even better book than Holman’s first, with prose that’s more limber and vivid—and with, appropriately, even more heart.”

—The New York Times Book Review “As unsettling as it is brilliant. Holman attempts Herculean feats of plot and character, and the resulting novel is seamlessly crafted.” —The Washington Post Book World “Holman seduces you. Her prose, tart, racy and somber, will sing in your soul a long while.” —Frank McCourt, author of *Angela’s Ashes* “Holman’s style is risky and direct . . . with unflinching emotional precision.

This dazzlingly researched epic is an uncommon read.” —Publisher Weekly, starred review

The Witch and the Dragon-Levana Hyll
2013-02-01 Zachariel Wilder is adored by some as a rockstar, abhorred by others as one of the original seven Alpha Angels, and feared by more as a demonic fallen angel. He prides himself on control-over his emotions, over his body, and over his beastly side. But mostly, over those that take the chance to play by the golden weredragon's rules, where he is Lord and Master. So you can imagine his surprise when he finds his jaded heart ensnared by the spell of a

little Arborian witch. Alluna is sweet, innocent, untouched, and Zak can't get her out of his mind. It's driving him insane. Alluna needs punishment for daring to enslave his heart. Now, if he can only convince himself he really wants to break the spell...especially when loving her feels sooo right.

Silas, the Bookstore Cat-Karen Trella Mather
1993-01-01 There are all sorts of cats just as there are all sorts of people. There are finicky cats that turn their heads away from anyone or anything that does not suit them. There are alley cats that only like other cats. But there are also cats that love to be around people and care for them. Silas was just such a cat. He loved the people who came into his bookstore.

Jungle Captive-Powerone
2013-07-01 The jungles of the Amazon become savage for one woman scientist, when the search for discoveries of unknown plants to cure the sick clash with traditions of an indigenous people who jealously guard their land from intruders. When the male-dominated tribe traps Lana as warning to the others, she is inculcated in the role of women in

a culture where they are expected to be submissive and taught to serve men in any manner they desire. Bound and used for the men's pleasure, Lana is always looking for a way to escape. Two of the other scientists, Michael and Peter, each a mix of Louis Pasteur and Indiana Jones, will not be scared off or leave one of their own behind. It is a battle of wills, not muscles, with the freedom of one woman hanging in the balance. Outnumbered, but using their wits, Michael and Peter try to turn the tables on Lana's captors, employing the laws of the tribe's male-dominated culture to secure her release. Will Lana free herself or be freed by Michael and Peter or is she to be forever swallowed up as a jungle captive?

Housing and Domestic Abuse-Yoric Irving-Clarke 2020-11-06 Housing and Domestic Abuse provides an analysis of how housing policy has been historically utilised in responding to domestic abuse. The authors trace the history of policy from the feminist roots of the refuge movement, to the use of 'anti-social behaviour' legislation to address abuse, and the current

proposals being considered. The UK government and devolved governments in Scotland and Wales are currently making significant changes to the ways they address domestic abuse, including involving housing policy in their responses. This book provide details of the differential approaches of the Scottish and Welsh governments and proposes a 'whole housing approach' to addressing abuse. Readers will gain a detailed knowledge of historic, and current policy and practice in this area. They will also benefit from insights from two of the leading scholars in their respective fields of housing and domestic abuse policy and practice. This book will be of interest to academics, policy makers and practitioners across the fields of housing and domestic abuse policy and practice, as well as students studying social policy more broadly. Being a Man For Himself-Grillytilly 2017-02-24 At his mother's funeral Henry realizes he's not happy with his life. He about his job where no one appreciates what he does. He's not happy with his wife who ignores him and his needs. He's not happy and he wants to do something

A Million Little Bricks-Sarah Herman 2012-11-13 Toy of the Year, Toy of the Century, Greatest Toy of All Time . . . there aren't many titles that haven't been bestowed on LEGO toys, and it's not hard to see why. From its inception in the early 1930s right up until today, the LEGO Group's history is as colorful as the toys it makes. Few other playthings share the LEGO brand's creative spirit, educative benefits, resilience, quality, and universal appeal. The LEGO name is now synonymous with playtime, but it wasn't always so. This history charts the birth of the LEGO Group in the workshop of a Danish carpenter and its steady growth as a small, family-run toy manufacturer to its current position as a market-leading, award-winning brand. The company's ever-increasing catalog of products—including the earliest wooden toys, plastic bricks, play themes, and other building systems such as DUPLO, Technic, and

MINDSTORMS—are chronicled in detail, alongside the manufacturing process, LEGOLAND parks, licensed toys, and computer games. Learn all about how LEGO pulled itself out of an economic crisis and embraced technology to make building blocks relevant to twenty-first-century children and discover the vibrant fan community of kids and adults whose conventions, websites, and artwork keep the LEGO spirit alive. As nostalgic as it is contemporary, A Million Little Bricks will have you reminiscing about old Classic Space sets, rummaging through the attic for forgotten Minifigure friends, and playing with whatever LEGO bricks you can get your hands on (even if it means sharing with your kids). The Fall of Tartarus-Eric Brown 2005 In myth Tartarus was the lowest region of hell. So low, it was said, that an anvil dropped from heaven having taken nine days and nights to reach earth would take a further nine days and nights to reach Tartarus. In reality ... technological backwaters five hundred years behind the times; how the Church governed half the planet with a

fist of iron, and yet how, across scattered islands and sequestered lands, a thousand bizarre and heretic cults prospered too. prey to wild animals and cut-throats. Most of all I'd heard that, in two hundred years, Tartarus would be annihilated when its sun exploded in the magnificent stellar suicide of a supernova.' decided to stay and those who are arriving on the planet for the apocalypse.
