What inspires me to write? Imagine sitting in a quiet secluded place, where it’s only you and your pen. Now your pen becomes the most powerful tool in the world because now you get to set the stage, and tell the world your deepest and personal stories. Some may cry, some may laugh, but the image what you created will forever be in their thoughts. I get inspired by hearing testimonies from people who have either shared a similar tragedy, or have read something I wrote. This is what makes me different from all the other poets, writers, and storytellers. Deep down inside, this is why I feel I’m one of the best in the world. No matter what happens, God will always be my inspiration to make a difference in someone life. - Daniel L.
