A Safe Surrender-Alannah Carbonneau 2015-06-08 "Sometimes all it takes is love...to heal the scars on the soul." Kamilla's life has been filled with pain, heartache, and loneliness for as long as she can remember. After losing her mother to a cruel twist of fate, she was placed into the cold clutches of the foster system only to be saved by a whole new kind of nightmare. Ever since she was fifteen, Kamilla had known only Rhett. She knew his quirks, his anger, his impatience, and even the agony of his quick fist. There was no anguish the world had neglected to lay upon her innocent soul - no pain she wasn't strong enough to shoulder, until Rhett crossed a line that cannot be uncrossed. Desperate to find peace, safety, and security, Kami runs away. Driving deep into the Alberta Rocky Mountains, she finds sanctuary in not only the Donnelley Ranch...but in Kyle Donnelley. As a beautiful friendship blooms between Kami and Kyle, Kami finds herself surrendering to all that he is. The strength in his kindness heals her. The truth in his declaration gives her something pure to believe in. The patience he employs proves to her she can trust in goodness once again. As Kyle teaches Kami every day that the world holds not only shadows and pain, but light and caresses, she finds herself surrendering her heart to him in a surrender the like she's never before known. A safe surrender.

Freedom and Fulfillment-Joel Feinberg 2020-09-01 Dealing with a diverse set of problems in practical and theoretical ethics, these fourteen essays, three of them previously unpublished, reconfirm Joel Feinberg's leading position in the field of legal philosophy. With a clarity and humor that will be familiar to readers of his other works, Feinberg writes on topics including "wrongful life" suits in the law of torts, or whether there is any sense in the remark that a person is so badly off that he would be better off not existing at all; the morality of abortion; educational options; free expression; civil disobedience; and the duty of easy rescue in criminal law. He continues with a three-part defense of moral rights in the abstract, a discussion of voluntary euthanasia, and an inquiry into arguments of various kinds for not granting legal rights in enforcement of a person's acknowledged moral rights. This collection concludes with two essays dealing with concepts used in appraising the whole of a person's life: absurdity and self-fulfillment, and their interplay.

The Chicken Runs at Midnight-Tom Friend 2018-10-02 Rich Donnelly was a minor league catcher who never quite got the chance to play in the big leagues. So he became obsessed with reaching the Major Leagues as a coach. While climbing the ladder to his dream job as third base coach for the Pittsburgh Pirates, he became mostly an absentee father who was eventually divorced by his wife. Worse yet, he had a falling out with his only daughter, Amy, who was unafraid to tell her father where he fell short and how he could improve. Then it happened. In March of 1992, seventeen-year-old Amy called her dad to tell him she was going to have brain surgery. A tumor had been found. In October, Rich invited her to Game Five of the 1992 NLCS between the Pirates and the Atlanta Braves. That's when an unlikely cheer was born. From the stands, Amy observed her dad yelling instructions to the runners on second base and jokingly asked him afterwards if he was telling them,

"The chicken runs at midnight." The saying stuck. In late January of 1993, Amy died, but not before her dad and her three brothers had let the battle cry be etched into their lives. It stood for never giving in. It stood for challenging your obstacles. It stood for Amy. Rich renewed his life of faith, speaking out for God and what he could do in a person's life if the person paid attention. Four years later, in 1997, after Coach Donnelly had become third base coach for the Florida Marlins, he and his sons brought the battle cry of the chicken with them. That year, the Marlins reached the World Series against Cleveland, a classic that culminated with a seventh game that went extra innings. And the Marlins won that final game when a player nicknamed "Chicken" crossed home plate at exactly twelve midnight. The chicken had run at midnight. The Chicken Runs at Midnight will make you thrill to victory, believe in hope, stand up to cheer for what is good in peoples' lives, and conclude that God can work in the life of any person, even through his mistakes, even when he's not paying attention, even when he thinks it's too late to turn around.
