A Salute to Service-Michael J. Radford 2004 Concepts such as patriotism and family values have been mocked, struck down, and absolutely belittled in the past few years, according to this volume. The clear waters of right and wrong have been muddied until younger generations no longer seem to know right from wrong, but are mentally

trapped in a murky gray area of if it feels good do it. This book by Mike Radford celebrates America, its families, its veterans, and its Christian heritage. Stories of great Americans and reminders of what makes America great are included here, inspiring all of us to return to the things that make this the greatest nation on earth.

Michael Foot and the Labour Leadership-Andrew Scott Crines 2011-07-12 Michael Foot's political career can simplistically be characterised by cataclysmic failures within the period between 1979 and 1983, culminating in Labour's substantial electoral defeat. Developments within political discourse have since sought to perpetuate this characterisation by utilising the defeat as a justification for the subsequent modernisations. However, this analysis does not entirely appreciate the significance of Foot's leadership. This book argues that far from being a disaster, Foot's leadership in fact contributed to the survival of the Labour Party. Foot's political education, political evolution, and experiences between him joining the Party in 1935 and the end of his ministerial career in 1979 enabled him to

emerge as the unity candidate in opposition to the divisive potential of a Denis Healey or Tony Benn leadership. Foot's support base included moderate social democrats and moderate left-wing MP's as well as centrists who opposed radicals from both sides. This subverts the orthodox assumption of Foot's election being indicative of a sudden and simplistic left-wing domination after 1979. This book will be of particular interest to those seeking to develop their knowledge of Michael Foot, the Labour Party and their ideological diversity.

Works of Michael de Montaigne: Biography, by Boyle St. John. Diary, etc. [tr. by William Hazlitt] Letters [tr. by William Hazlitt] Appendix-Michel de Montaigne 1866 Vietnam Conscript-Merv J. Ryan 2014-02-26 A finely written account of Australian army life on active service and the devastating effect this war had on many who took part in it. The last section of the book, dealing with post-war rehabilitation, will have special meaning for the families of such men. The book was on the suggested

reading list at Canberra's Defence Force Academy and used by counselling professionals and popular with secondary students for national service (conscription) projects.

Robert W. Service-Robert W. Service 2012-04-28 The writing of Robert W. Service is mostly known through his poems and ballads.

Immortalized by his two iconic ballads, "The Cremation of Sam McGee" and "The Shooting of Dan McGrew," he has entered the world's imagination as the Bard of the Yukon. But Service was much more than a chronicler of the Great North. A traveller and adventurer who tried his hand at many occupations, Service left a fascinating set of impressions: the successful literary life in the course of which he produced everything from poems and ballads to fictional romance to thrillers and how to stave off the dreary process of aging.

Robert W. Service is a fresh selection of the most interesting and significant works of the author with a biographical introduction and a select bibliography of

additional readings.

If It Moves, Salute It!-Mike Perris 2011 If it moves, salute it

Cold Hearted-Naghilia Desravines 2014-09-01 At twenty-seven years of age, Cael Darcie — African American, beautiful, fashionable, honest, and ambitious — liked where she was in her life. She owned a beautiful little condo in Las Vegas, a gleaming new car, and had a great job and loving boyfriend. But everything changes when life takes an unexpected turn. Cael learns she is pregnant and she's deserted by her boyfriend when she refuses an abortion. She faces the question — What now? She chooses to live a brave life that honors what she believes in. This unfurls a series of events leading up to a horrible accident. Or, was it? Cael wakes up from coma to find that she has no memory of her life whatsoever or the events that led to her condition. Helped by her friends Amanda and Christopher, Cael slowly tries to get her groove back, but soon realizes that everything is not what it seemed. Her ex-boyfriend

Michael was dead, and there were pieces missing in the whole puzzle. Why had Michael been in Las Vegas? Was it really a random, freak accident? Who was lying? C ael strives to connect the dots in her fragmented memories, a quest that takes her from Vegas to Texas, to Florida, and then back to impending danger lurking around the corner. Fast paced and emotionally charged, Cold Hearted is a novel about love, hate, deceit, and the darkness of the fickle human mind.

The Day Michael Collins was Shot-Meda Ryan 1989 Collins was killed in an ambush in Cork in 1922. The manner of his death and the identity of his killer have been the source of intense speculation and controversy ever since. In this book, Ryan solves the mystery. Drawing on eyewitness testimonies, she painstakingly reconstructs, in minute-by-minute detail, the final four days of Collins' life and follows, mile by mile, his fatal journey through his home county of Cork.

History of Essex and Hudson Counties, New Jersey-William H. Shaw 1884

Dispatches-Michael Herr

2011-11-30 "The best book to have been written about the Vietnam War" (The New York Times Book Review); an instant classic straight from the front lines. From its terrifying opening pages to its final eloquent words, Dispatches makes us see, in unforgettable and unflinching detail, the chaos and fervor of the war and the surreal insanity of life in that singular combat zone. Michael Herr's unsparing, unorthodox retellings of the day-to-day events in Vietnam take on the

force of poetry, rendering clarity from one of the most incomprehensible and nightmarish events of our time. Dispatches is among the most blistering and compassionate accounts of war in our literature.

Young Offender-Michael
Maisey 2019-07-11

'Courageous and brutally honest' Ollie Ollerton 'A memoir to shine a light in the darkest of nights . . . a story of redemption' Tony Parsons
Michael Maisey was excited the day he was locked up in the notorious Feltham Young Offenders Institute. He was going to be a legend to all his mates. The sixteen year old was in for attempted murder. He was innocent of this particular crime but amongst the violent and dangerous young men on his wing he was about to learn exactly how far he'd go to survive. In Young Offender we see what turned a good kid into a wanted criminal. Abused by his uncle, bullied at school, at the age of twelve he found the safety he craved in the ranks of a local gang in West London. He graduated from shoplifting to armed robbery and for five years Michael was in and out of Feltham, on a downward spiral of crime and drug and alcohol addiction. At rock bottom, he began attending AA meetings. But the road to recovery would mean changing himself in the deepest possible ways. Could

Michael finally learn what it meant to be a good man? Honest and inspiring, this is a powerful story of redemption. Today Michael is a successful businessman and a loving father who spends time helping others find their way.

Unreconciled-W. Michael Gear 2020-05-12 The fourth book in the thrilling Donovan sci-fi series returns to a treacherous alien planet where corporate threats and dangerous creatures imperil the lives of the colonists.

Where does one put a messianic cult of practicing cannibals? That becomes the question when Ashanti appears in Donovan's skies. She was designed for no more than four years in space. It's taken ten. The crew has sealed the transportees onto a single deck--and over the years, the few survivors down there have become monsters. Led by the messiah, Batuhan, they call themselves the

Unreconciled. Supervisor Kalico Aguila settles them at remote Tyson Station. With the discovery of a wasting disease among the Unreconciled, it's up to Kalico, Dya Simonov, and Mark Talbot to try and deal with the epidemic. Only Batuhan has plans of his own--and Kalico and her people are to be the main course. Talina Perez has brokered an uneasy truce with the quetzal molecules that float in her blood. Now, she, young Kylee Simonov, a quetzal named Flute, and a clueless nobleman named Taglini rush to save Kalico's vanished party. But as always, Donovan is playing its own deadly game. Lurking in the forest outside Tyson Base is an old and previously unknown terror that even quetzals fear. And it has already begun to hunt.

Faith and Wrestling-Michael Fessler 2015-09-29 The Bible tells us that believers are transformed by the renewing of their minds. Another way of putting this is taking into captivity every thought to the obedience of Christ. This means learning how to think of all of life, including sport, from a biblical perspective. Michael Fesslers book is drenched in Christian worldview. Those who wrestle with its truths will be richer for it. I wish that I had been able to drink from its wisdom as a young man but am grateful to be able to do so as an old(er) one. Jack Spates, MDiv, Baptist Bible College & Seminary and former head wrestling coach at Oklahoma University My belief has always been that wrestling is a microcosm of life. Most of the things that we are going to experience in life are going to be experienced in a wrestling career. Michael does an excellent job in paralleling the relationship between faith and wrestling. His book expresses the importance of developing the total athlete spiritually, physically, emotionally, and

socially. I look forward to the day when people (including wrestlers) from every nation, tribe, people and language will gather to worship our God. (Revelation 7:9, 11). Gene Davis, director of wrestling at Athletes in Action and bronze medalist in the 1976 Olympic Games Michael Fessler concisely captures the heart of a Christian wrestler pursuing Gods glory. The book is captivating in combining biblical truths with real-life stories. You will be encouraged and inspired to think about the gospel as greater than athletic glory as Fessler explains the biblical basis for competing. Just as Fesslers approach to use wrestling as a tool for the gospel, we at Athletes in Action use the sport of wrestling to share the gospel around the world. I highly recommend this book to anyone who is passionate about their faith and the sport of wrestling. Rob Bronson, International Wrestling Team coordinator at Athletes in Action

The Silent Service in World War II-Edward Monroe-Jones 2012-12-07 From the naval battle of Guadalcanal to rescuing George Bush Sr. in the Pacific, here are the stories of US submariners in WWII. The Silent Service in World War II tells the story of America's intrepid submarine warriors in the words of the men who served and fought in the Pacific against Japan. When Pearl Harbor was attacked in 1941, the enemy had already deployed naval forces, but the United States was soon able to match them. By 1943, new Gato-class submarines were making a difference, carrying the war not just to the Japanese Imperial Navy, but to the vital

merchant fleet that transported essential resources to the island country. Starting with the American victory at Guadalcanal, US submarine forces began to constrict the Japanese sea lanes. Operating independently and in wolfpacks, they attacked convoys operating beyond the range of American airpower, making daring forays even into Japanese home waters. Taking on Japanese warships, as well as rescuing downed airmen—including the grateful first President Bush—US submarines made an enormous contribution to our war against Japan. Aside from enemy action, the sea itself could be an extremely hostile environment—as many of these stories attest. From early war patrols in obsolescent, unreliable S-boats to modern fleet submarines roving the Pacific, the forty-six stories in this anthology offer a full understanding of life as a US Navy submariner in combat.
