How Sassy Changed My Life-Kara Jesella 2007-04-17 For a generation of teenage girls, Sassy magazine was nothing short of revolutionary—so much so that its audience, which stretched from tweens to twentysomething women, remains obsessed with it to this day and back issues are sold for hefty sums on the Internet. For its brief but brilliant run from 1988 to 1994, Sassy was the arbiter of all that was hip and cool, inspiring a dogged devotion from its readers while almost single-handedly bringing the idea of girl culture to the mainstream. In the process, Sassy changed the face of teen magazines in the United States, paved the way for the unedited voice of blogs, and influenced the current crop of smart women's zines, such as Bust and Bitch, that currently hold sway. How Sassy Changed My Life will present for the first time the inside story of the magazine's rise and fall while celebrating its unique vision and lasting impact. Through interviews with the staff, columnists, and favorite personalities we are brought behind the scenes from its launch to its final issue and witness its unique fusion of feminism and femininity, its frank commentary on taboo topics like teen sex and suicide, its battles with advertisers and the religious right, and the ascension of its writers from anonymous staffers to celebrities in their own right.

Aunty Acid Have Yourself a Sassy Little Christmas-Ged Backland 2014-07-17 Aunty Acid is the sassy senior created to give “the crazy old lady in all of us” a voice that can be heard from ten blocks away. With her long-suffering husband, Walt, Aunty Acid tells it like it is and has her own unique opinions on everything. Her fan base is growing by more than 1,000 a day as word on her wit and sassy sayings spreads across the internet where she reaches more than 3 million people each week. Aunty Acid is created by Ged Backland and is brought to life by the team at the Backland Studio in Bradford, West Yorkshire, in Northern England. Their other properties include the widely successful Scarlett & Crimson series. Wickedly witty and wonderfully wise!

Little Miss Sassy Pants-Allison Gaglio 2019-01-14 It's Saturday and five-year-old Sassy visits her grammy. This beautiful day, grammy has a special surprise. She gives her granddaughter a big box. Inside, there's a pair of work gloves, an apron, a bucket, a pair of work shoes, and a visor. They're all pink with flowers, and they have Sassy's name on them. She is so excited, she doesn't know what to do first. Sassy thinks hard and makes a plan. But first, it's time for lunch and then rest. When grammy insists on some quiet time, Sassy throws a temper tantrum. Her grandmother reminds her that her body needs a break. This picture book for children shares Sassy's story and how she learns a lesson when she gets too big for her pants.

O's Little Guide to Finding Your True Purpose-O, The Oprah Magazine 2015-10-27 A rousing mix of prescriptive advice and personal stories of self-discovery, O's Little Guide to Finding Your True Purpose will inspire readers to identify and pursue their true calling. From the beginning, O, The Oprah Magazine has been a catalyst for women hoping to discover who they're meant to be. O's Little Guide to Finding Your True Purpose continues this tradition by combining actionable advice and relatable true-life accounts of trial, error, and triumph. Each entry in this engaging and thoughtful volume guides readers in their quest to come into their own. Contributors include: Marianne Williamson, on growing wise while staying rooted in love; Martha Beck, on how to live your breakthroughs; Patti Smith, on how she found her calling; Elizabeth Gilbert, on the enlightening aspects of failure; Michael Cunningham, on the revelations to be found in small moments; and many more. Each month, O, The Oprah Magazine helps readers live their best lives, serving up information and inspiration on everything from lasting love to luscious food. With a signature blend of candor and humor, fresh advice and timeless wisdom, the magazine offers people the tools they need to, as Oprah Winfrey says, "become more of who they are"-to love themselves more deeply, to look hopefully toward the future, and to leap wholeheartedly into the adventure of being alive.

Princess Bitch-Nicci Leigh 2012-04 So, what IS a "Princess Bitch" anyway? "A Princess Bitch is a woman who is happy, successful, strong, and satisfied. She easily receives what she seeks in life. She has an abundance of passion, and is a Princess in her own right, with the capacity to do anything she likes. She does not have pain,

hurt, or drama in her life. She knows what she wants, and how to get it. She learns from her mistakes, and lives without fear—from her heart, loving herself and the world she has created." You don't have to be a princess or bitchy to read this book. I wanted to write a book about a serious topic in a sassy way, and developed the Princess Bitch concept after more than a decade spent working with thousands of women; as an educator, business owner, and expert in the beauty and wellness industries. I repeatedly saw patterns emerge in women who were underestimating their own power and potential. I believe too many women do not see their own beauty, and are giving their power away or simply aren't "using it." "Princess Bitch" is the process to reclaim your feminine power and learn to use it in ways you never thought possible. It will change the way you look at your relationships, your career, it will connect you to your feminine power and change your life. "Princess Bitch" is a fun, easy-to-read, easy-to-use guide for all women. The world NEEDS powerful women now, more than ever. When you complete all 13 Princess Bitch Golden Rules you will be UNSTOPPABLE!

The Two Week Wait Challenge-Lindsay Fischer 2016-07-22 Trying to conceive is an exciting (read: excruciating) time in women's lives, but there is no more daunting a task during her cycle than the two week wait. It's a time when wanna-be mommas can find themselves anxious and emotionally wrecked. Enter The Two Week Wait Challenge: a handy guide to navigating the time between potential conception and the day you're able to test for pregnancy. Chock-full for easy, inexpensive self-care practices and positive affirmations, the challenge encourages women to take time for themselves (while simultaneously speeding up the 14 days) and allows their partners to be a part of the process in a loving, supportive way. Add a dash of sass and humor to help you survive and you've got a recipe for a successful (less painful) two week wait.

Cold Sassy Tree-Olive Ann Burns 2007 Young Will Tweedy becomes chaperon, conspirator, and confidant to his renegade grandpa, E. Rucker Blakeslee, and the old man's young new wife, Miss Love Simpson, in a new edition of the classic novel set against the backdrop of Cold Sassy, Georgia, at the beginning of the twentieth century. Reprint.

The Grrl Genius Guide to Sex (with Other People)-Cathryn Michon 2005-02-01 Who better to advise you on sex and relationships than a woman who has consistently failed at both? In this laugh out loud funny "self-help novel", self proclaimed genius and author Cathryn Michon provides a how not to guide for anyone tackling the daunting task of finding romance in today's world (or at the local fire station.) Chock full of instructive relationship tips-such as the Pros and "Cons" of dating a man in prison-The Grrl Genius Guide to Sex (With Other People) is hilarious and right on the money both as an instructional guide and an endearingly romantic story about a woman and her four best friends who form The Grrl Genius Club. Armed with the information from Cathryn's Wild Sexual Animal Kingdom research and her "Love is Important but Chocolate is Essential" Chocolate Fun Facts, her posse of Grrl Geniuses struggle with singlehood, married life, sexual preferences, widowhood, and friendship. Cathryn's journey veers from a "nails-on-chalkboard-scratchingly-awful" divorce and the botched kidnapping of her own dog, to pretending to be a lesbian, seeing her old lingerie sold on her old front lawn by her ex-husband's girlfriend, losing her job, and a tragic industrial accident-level bikini wax. And through everything, Cathryn searches for the answer to the most important relationship question of all: why are all the best men gay? If you've ever been tempted to have sex with another person, this is an essential read. If you've ever felt inadequate to a task or a failure at love or in any way anything less than a genius and you've sunk so low that even a new pair of cute shoes won't help, Cathryn Michon can show you the way to relationship happiness-all you have to do is learn from her very funny mistakes. However badly you think you've done anything, Cathryn has done it even worse, and reveals lessons learned in the wryly witty and devastatingly honest style that has made her the favorite of aspiring geniuses everywhere!

Snappy Sassy Salty-Judith Briles 2013-11-19 Authoring and Writing Can Be a Lonely Number. Could you use a pick-me-up? A bit of inspiration or silliness? How about something to chew on or get you unstuck? In this book you will find all that and more. Judith Brile's favourite advice over the years to her many author clients is included... think and write snappy, sassy and salty and surround yourself with cheerleaders for your vision, not distractors. Now you get some of her sage words and yes, they are "Snappy, Sassy and Salty". Author and Writer Juice: A Daily Glass is All You Need. Perfection is usually the enemy of the author. Finish it. Publish it. Revised and second editions are always possible. Inspiration ... Joy ... and Your Muse: Morning and Afternoon Delight ... Stuck? Need a wacky idea to get the creative juices going? Read the tabloid headlines ... weird things seed great ideas. Writing Savvy ... the New, New Mantra. The author's and writer's creed: Butt in the chair. Get to work. Discipline. Failure IS Not an Obstacle: It is Your Stepping Stone... Do not fear the critic who attacks you ... fear the fakes who surround you. Success is a 7-Letter Word: It s Elusive, Seductive and Exciting Know who you are as an author. Your dog's admiration is secondary. Marketing Moxie: The Difference between Success and Failure The Internet for the author is the town square for book marketing today. As authors, we are vulnerable. Very vulnerable. Our words and thoughts reveal our personal truths; our off-the-wall fantasies and imaginations expose things that many never fathom we think about; our humour and self-revelations may shock or delight; and our solutions and information we provide can soothe or create chaos. No wonder authors want to just write; to be left alone. Too many become recluses and retreat to their self-imposed silos. Don't. Yes, authoring and writing can be a lonely experience. It does not have to be ... As authors, we are vulnerable. Very vulnerable. Our words and thoughts reveal our personal truths; our off-the-wall fantasies and imaginations expose things that many never fathom we think about; our humour and self-revelations may shock or delight; and our solutions and information we provide can soothe or create chaos. Judith Briles has created a variety of quotes that she has personally used to keep herself and her Book Shepherd clients on track for years. Divvying them up into six key areas, you will be amused, surprised, thoughtful and motivated.

Mojo-Tim Tharp 2013-04-09 All Dylan wants is mojo. What is mojo? It's power. The ability to command respect. It's everything Dylan doesn't have. He gets no respect at school, and when he finds the dead body of a classmate, even the police push him around. All the thanks he gets for trying to help the investigation with his crime drama skills is a new nickname at school: Body Bag. So when Dylan hears about a missing rich girl from the other side of town, he jumps at the chance to dive into this mystery. Surely if he cracks a case involving a girl this beautiful and this rich, he'll get not only a hefty cash reward, but the mojo he's looking for. His investigation takes him into the world of an elite private high school and an underground club called Gangland. As Dylan—along with his loyal friends Audrey and Randy—falls down the rabbit hole, lured by the power of privilege, he begins to lose himself. And the stakes of the game keep getting higher.

Ivy and Bean One Big Happy Family-Annie Barrows 2018-08-28 Annie Barrows' bestselling chapter book series, Ivy & Bean, is a classroom favorite and has been keeping kids laughing—and reading—for more than a decade! With more than 5 million copies in print, Ivy & Bean return with a brand-new book for a new generation! Ivy & Bean are back . . . and they are funnier than ever! Ivy's worried. She's read a lot of books about only children, so she knows that they are sometimes spoiled rotten. They don't share their toys. They never do any work. They scream and cry when they don't get their way. Spoiler alert! Ivy doesn't have any brothers or sisters. That's why she's worried. How can she keep from getting spoiled? She could give away all her clothes, but she'd probably get in trouble. She could give away all her toys, but she likes her toys. There's really only one solution: she needs a baby sister, on the double! Luckily, Ivy and Bean know just where to get one.

In Praise of Difficult Women-Karen Karbo 2018-02-27 From Frida Kahlo and Elizabeth Taylor to Nora Ephron, Carrie Fisher, and Lena Dunham, this witty narrative explores what we can learn from the imperfect and extraordinary legacies of 29 iconic women who forged their own unique paths in the world. Smart, sassy, and unapologetically feminine, this elegantly illustrated book is an ode to the bold and charismatic women of modern history. Best-selling author Karen Karbo (The Gospel According to Coco Chanel) spotlights the spirited rule breakers who charted their way with little regard for expectations: Amelia Earhart, Helen Gurley Brown, Edie Sedgwick, Hillary Clinton, Amy Poehler, and Shonda Rhimes, among others. Their lives—imperfect, elegant, messy, glorious—provide inspiration and instruction for the new age of feminism we have entered. Karbo distills these lessons with wit and humor, examining the universal themes that connect us to each of these mesmerizing personalities today: success and style, love and authenticity, daring and courage. Being "difficult," Karbo reveals, might not make life easier. But it can make it more fulfilling--whatever that means for you. In the Reader's Guide included in the back of the book, Karbo asks thought-provoking questions about how we relate to each woman that will make for fascinating book club conversation.

The Feminist's Guide to Raising a Little Princess-Devorah Blachor 2017 "Devorah Blachor, an ardent feminist, never expected to be the parent of a little girl who was

totally obsessed with the color pink, princesses, and all things girly. She wasn't sure how to reconcile the difference between her parental expectations and the reality of her Disney-worshipping three-year-old daughter. Offering insight, advice, and plenty of humor and personal anecdotes, this mother shares her story of how she surrendered control and opened up—to her Princess Toddler, to pink, and to life. She addresses important issues such as how to raise a daughter in a society that pressures girls and women to conform to an unrealistic beauty ideal, and how to let her daughter feel free to be her authentic self"--

She Comes First - Reclaim Your Power! - a Guide for Sassy Women Who Want to Get Back in Control of Their Life-Brian Nox 2017-11-04 An empowering book about standing your ground while dating, in marriage, in your career, and anywhere else. As an author and a coach who has been helping women for more than a decade, I noticed some women were in trouble. Not just in their relationships, some had unfulfilling jobs, didn't get paid what they were worth, had always dreamt of starting their own business but never did, felt lonely even though they had a husband and kids... the list goes on and on. So many women try to be the perfect girlfriends, wives, mothers, friends, sisters, colleagues, business owners, bosses, and more. They love to serve and want to succeed in the many roles they have to play. They are compliant, even to the people who don't really deserve that kind of treatment. They give it all they have, every single day. Regardless of their tremendous efforts, some women get little in return. They feel used. They get men that keep flaking out, careers that don't feel meaningful, and possibly a body that starts to feel and look more and more tired. Did you ever notice that burnout tends to afflict women much more often than men? There's a reason for that, as you'll learn. This should stop. Some women seem to have found a loophole, a backdoor in the current system. There are women out there who have designed the life they live. I call these women the high-value women. This value has nothing to do with money. It turns out the high-value woman follows a set of strategies and principles. I'll share them with you throughout this book. You might have seen and met her. She's the woman who is self-employed, doing the thing she loves, and making a living off of it. She's the woman who might have decided to have a normal career, with a twist. It's the type of career she enjoys and she is actually appreciated for the hard work and hours she puts into it. When she speaks, others listen, even the men in her office with over-inflated egos. Her job almost never feels like work and is deeply fulfilling. It doesn't cost her energy; she gets energy from it. When she wakes up, she can't wait to get started with her day. She is the woman who has found and created herself a loving relationship with a man she loves. She is also the woman who is happily single, the woman who doesn't need a man to be happy. She has a supportive circle of great friends, and she has the time to hang out with them, even when she has kids. She knows how to set the world to her hand, so it seems, and some women wonder how she does it. That's what this book is about, I'll uncover her strategies. I've been studying and interviewing her for so long now that I can't wait to share everything with you. We'll dive in what to do in your romantic relationships, in your career, in your personal life, and most importantly, in your own mind. I'm sure you already are a high-value woman in many ways. Some parts of the book will reaffirm that you're on the right track; others will provide a new way of thinking to take you to the next level. Are you curious to find out how the high-value woman does it all? Then hit the buy button at the top of this page and start your high value woman journey right away!

Emergency Contact-Mary H. K. Choi 2019-04-09 "Smart and funny, with characters so real and vulnerable, you want to send them care packages. I loved this book."

—Rainbow Rowell From debut author Mary H.K. Choi comes a compulsively readable novel that shows young love in all its awkward glory—perfect for fans of Eleanor & Park and To All the Boys I've Loved Before. For Penny Lee, high school was a total nonevent. Her friends were okay, her grades were fine, and while she'd somehow landed a boyfriend, they never managed to know much about each other. Now Penny is heading to college in Austin, Texas, to learn how to become a writer. It's seventy-nine miles and a zillion light years away from everything she can't wait to leave behind. Sam's stuck. Literally, figuratively, emotionally, financially. He works at a café and sleeps there too, on a mattress on the floor of an empty storage room upstairs. He knows that this is the god-awful chapter of his life that will serve as inspiration for when he's a famous movie director but right this second the seventeen bucks in his checking account and his dying laptop are really testing him. When Sam and Penny cross paths it's less meet-cute and more a collision of unbearable awkwardness. Still, they swap numbers and stay in touch—via text—and soon become digitally inseparable, sharing their deepest anxieties and secret dreams without the humiliating weirdness of having to, you know, see each other.

Frankly in Love-David Yoon 2020-09 "High school senior Frank Li takes a risk to go after a girl his parents would never approve of, but his plans will leave him wondering if he ever really understood love--or himself--at all"--

The Little Book of Heartbreak-Meghan Laslocky 2012-12-31 The perfect anti-valentine: a whirlwind tour through love's most crushing moments What's the best way to mend a broken heart? Forget ice cream, wine, and sappy movies. Journalist Meghan Laslocky advises: Read through the pain. From forbidden love in 12th century Paris to the art of crafting the perfect "I'm over you" mix CD, The Little Book of Heartbreak is a quirky exploration of all things lovelorn, including:

- How serial cheater Ernest Hemingway stole his wife's job just as their marriage was collapsing
- Kinky spells cast by lovesick men in ancient Greece
- Painter Oscar Kokoschka's attempt to get over an ex by creating (and having liaisons with!) her life-size replica
- Brooding crooner Morrissey's personal creed about how romantic love is useless
- The surprising science behind heartbreak and love addiction
- The connection between World War II and what you talk about with your therapist
- Insights into the tricky chemistry of monogamy and infidelity, courtesy of tiny rodents
- And other lessons learned from ill-fated romances, lovers' quarrels, and hell-hath-no-fury spats throughout the ages

Featuring anecdotes from history, literature, culture, art and music, The Little Book of Heartbreak shares the entertaining, empowering and occasionally absurd things that happen when love is on its last legs.
