A Scandalous Arrangement-Ashe Barker 2016-07-21 After a foolish wager costs her brother ownership of the weaving mill in Yorkshire which provides

her income, Victoria Wynne is left with no choice but to confront the man who took the bet and seek to dissuade him from claiming his prize. Unfortunately for her, that man turns out to be Adam Luke, an experienced, ambitious entrepreneur who is intent on keeping what he won. Upon meeting her, Adam is enchanted by Victoria's beauty and charm as well as her nerve and self-reliance. Adam is a man of singular tastes, and when Victoria asks to manage the mill in return for a share of the profits, he offers her a bold proposal of his own. She will continue to run the mill as she has for years, but in return for a substantially larger portion of the profits she will also serve at his beck and call behind closed doors, submitting to him in any way he desires. Wanting to earn enough money to buy back the mill as quickly as possible-and with some part of her shamefully aroused by the thought of kneeling naked at Adam's feet-Victoria accepts his terms. But submission initially proves difficult for a woman used to running her own affairs, and soon enough she finds herself bare-bottomed over his knee for a firm lesson in obedience. Adam's plans for Victoria run much deeper than just an occasional spanking. She will be stripped naked, bound, and teased until she is aching for release, and then at last he will take her long and hard. As Adam continues to train her, teaching her to yield to his mastery while bringing her more pleasure than she ever thought possible, Victoria cannot help falling for him. But can a lifelong bond truly emerge from such a scandalous arrangement? Publisher's Note: A Scandalous Arrangement is an erotic romance novel that includes spankings, sexual scenes, anal play, elements of BDSM, and more. If such material offends you, please don't buy

The Arrangement-Sarah Dunn 2017-03-21 National Bestseller: A hilarious and emotionally charged novel about a couple who embark on an open marriage-what could possibly go wrong? Lucy and Owen, ambitious, thoroughly-therapized New Yorkers, have taken the plunge, trading in their crazy life in a cramped apartment for Beekman, a bucolic Hudson Valley exurb. They've got a two hundred year-old house, an autistic son obsessed with the Titanic, and 17 chickens, at last count. It's the kind of paradise where stay-at-home moms team up to cook the school's "hot lunch," dads grill grass-fed burgers, and, as Lucy observes, "chopping kale has become a certain kind of American housewife's version of chopping wood." When friends at a wine-soaked dinner party reveal they've made their marriage open, sensible Lucy balks. There's a part of her, though-the part that worries she's become too comfortable being invisible -- that's intrigued. Why not try a short marital experiment? Six months, clear ground rules, zero questions asked. When an affair with a man in the city begins to seem more enticing than the happily-ever-after she's known for the past nine years, Lucy must decide what truly makes her happy: "real life," or the "experiment?"

An Introduction to the New Testament, Second Edition-Charles B. Puskas 2011-06-16 Studying the New Testament requires a determination to encounter this collection of writings on its own terms. This classic introduction by Charles B. Puskas, revised with C. Michael Robbins, provides helpful guidance. Since the publication of the first edition, which was in print for twenty years, a host of new and diverse cultural, historical, social-scientific, socio-rhetorical, narrative, textual, and contextual studies has been examined. Attentive also to the positive reviews of the first edition, the authors retain the original tripartite arrangement on 1) the world of the New Testament, 2) interpreting the New Testament, and 3) Jesus and early Christianity. This volume supplies readers with pertinent primary and secondary material. The new edition carries on a genuine effort to be nonsectarian, and although it is more of a critical introduction than a general survey, it is recommended to midlevel college and seminary students and to anyone who wants to be better informed about the New Testament.
