A Sea Change-Veronica Henry 2013-02-01 At Everdene, setting for THE BEACH HUT, two people meet, both with secrets to hide . . . Written specially for the World Book Day Quick Reads promotion Jenna is known as The Ice Cream Girl. She doesn't mind the name one bit. After all, it's a happy name, and there are far worse jobs than selling ice creams on Everdene beach. Craig spends as much time as he can at the beach hut in Everdene he rents with a few of his mates. As a policeman, it is a restful change from his daily life, and he's surfing mad. One weekend he's down there on his own when he notices a girl on the beach. He's young, free and single and she catches his eye. But on this particular summer weekend, both Jenna and Craig's lives are about to change . . .

Sea Change-S. M. Wheeler 2013-06-18 The unhappy child of two powerful parents who despise each other, young Lilly turns to the ocean to find solace, which she finds in the form of the eloquent and intelligent sea monster Octavius, a kraken. In Octavius's many arms, Lilly learns of friendship, loyalty, and family. When Octavius, forbidden by Lilly to harm humans, is captured by seafaring traders and sold to a circus, Lilly becomes his only hope for salvation. Desperate to find him, she strikes a bargain with a witch that carries a shocking price. Her journey to win Octavius's freedom is difficult. The circus master wants a Coat of Illusions; the Coat tailor wants her undead husband back from a witch; the witch wants her skin back from two bandits; the bandits just want some company, but they might kill her first. Lilly's quest tests her resolve, tries her patience, and leaves her transformed in every way. A powerfully written debut from a young fantasy author, S.M. Wheeler's Sea Change is an exhilarating tale of adventure, resilience, and selflessness in the name of friendship. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Sea Change-Aimee Friedman 2009-11-01 Lifetime Original Movie! New York Times bestselling author Aimee Friedman is back, with her signature combination of warmth and humor. And with this book, she adds a touch of fantasy . . . Sixteen-year-old Miranda Merchant is great at science . . . and not so great with boys. After major drama with her boyfriend and (now ex) best friend, she's happy to spend the summer on small, mysterious Selkie Island, helping her mother sort out her late grandmother's estate. There, Miranda finds new friends and an island with a mysterious, mystical history, presenting her with facts her logical, scientific mind can't make sense of. She also meets Leo, who challenges everything she thought she knew about boys, friendship . . . and reality.

Sea Change-Robert B. Parker 2007 When the body of a divorced Florida heiress washes ashore in Massachusetts, police chief Jesse Stone learns of the woman's past appearances in an erotic video and finds it suspicious that the victim's family seems unaffected by her death.

Sea Change-Sylvia A. Earle 1996 Internationally known as the ambassador-at-large to the world's oceans, Sylvia Earle is the former chief scientist of the National Oceanic and Atmospheric Administration. Sea Change is at once the gripping adventure story of Earle's three decades of undersea exploration and an urgent plea for the preservation of the world's fragile and rapidly deteriorating ocean ecosystems.

Sea Change-Karen White 2012-06-05 When newlywed Ava Whalen follows her husband to his family home on St. Simons Island, she discovers a tangled web of dangerous secrets in this enthralling story from the New York Times bestselling author of the Tradd Street novels. For as long as she can remember, Ava Whalen has struggled with a sense of not belonging, and now, at thirty-four, she still feels stymied by her family. Then she meets child psychologist Matthew Frazier, and thinks her days of loneliness are behind her. After a whirlwind romance, they impulsively elope, and Ava moves to Matthew's ancestral home on St. Simons Island off the coast of Georgia. But after the initial excitement, Ava is surprised to discover that true happiness continues to elude her. There is much

she doesn't know about Matthew, including the mysterious circumstances surrounding his first wife's death. And her new home seems to hold as many mysteries and secrets as her new husband. Feeling adrift, Ava throws herself into uncovering Matthew's family history and that of the island, not realizing that she has a connection of her own to this place—or that her obsession with the past could very well destroy her future.

Sea Change-Nancy Kress 2020-04-24 New from the Nebula Award winning author of Beggars in Spain: A riveting climate-change technothriller of espionage, conspiracy, and stakes so high they could lead to the destruction of humanity itself. In this environmental page-turner, activist lawyer Renata Black--covert member of the Org--must go deep underground to unravel the truth behind the ecological disaster that has paralyzed the food industry and destroyed her family. "Sea Change is like liquid nitrogen ice cream--a chilling treat."--Greg Bear, author of Eon and Take Back the Sky Operative Renata Black has a serious problem--a self-driving house causing a traffic snarl. When Renata spots the Org's Tiffany Teal paint marking a windowsill, she discovers a dangerous mystery within the house itself. In 2022, GMOs were banned after a bio-pharmed drug caused the Catastrophe: worldwide economic collapse, agricultural standstill, and personal tragedy for a lawyer and her son. Ten years later, Renata, a.k.a. Caroline Denton, is a member of the Org, an underground group of scientists, functioning in splinter cells that are hunted by the feds. But the Org's illegal food-research might hold the key to rebuilding the worlds' food supply. Now there's a mole in the Org, and Black is the only one who can find out who it is. At risk: the possibility of a second, even more devastating climate collapse. For answers, Black will need to go all the way to her Quinault Nation legal clients, to reveal environmental dangers--and solutions--that the world has not been willing to face. Nancy Kress, one of our finest speculative writers, once again delivers a smart, mesmerizing, and surprisingly nuanced look at the ecological, technological, and political shifts we cannot afford to avoid.

Sea Change-Peter Nichols 2018-08-02 Sea Change is Peter Nichols' first book, a biographical account of his own dramatic adventure. When his marriage ended, Nichols had to sell the only thing he and his wife owned - their boat. With only his sextant, his instincts as a seasoned sailor and his memories of a floundering marriage, he sets out from England to sail to America to sell his beloved boat, Toad. Halfway across the Atlantic, Toad springs a leak. As the sea floods in faster, Nichols tries everything to stay afloat, desperately pumping the water out by hand. He loses the battle after three days and is forced to abandon Toad. This is more than a sea-tale. It is the painful story of his marriage, his boat and himself.

How to Change Your Life in 7 Steps-John Bird 2012-02-29 In this highly-accessible self-help book Big Issue founder John Bird explains his seven simple rules that could help you change your life. Whether you want to get a new job, quit smoking, stop drinking or go back to college, How to Change Your Life in 7 Steps explains how you can take what you've been given and turn it into something you'll be proud of, rather than spend your life wishing for everything you haven't got. For 99% of us life doesn't come knocking on the door; you have to go out and get it. But the trouble with aiming for the stars is that you're likely to end up in the gutter. John Bird has learnt through his work with the homeless that if you start by putting just 3% of your energy towards your final goal rather than a gutter-hitting 99% you will eventually make the changes you are looking for. John's six other rules are as straightforward as this first one, 'Start With 3%'. He writes with passion about the dangers of thinking like a victim and of not telling the truth; he shares with us the importance of thinking for yourself and never putting others down, and he encourages us not to define our successes by the failures of others and to recognise our own achievements. Written in his unique no-nonsense style this is a book about 'cutting through the bullshit and making the most of what you have.'

Sea Change-Robert Goddard 2016-03-08 An international thriller set in eighteenth-century Europe by the "master of the clever twist" and acclaimed author of the James Maxted series (The Sunday Telegraph). It's January 1721, and London is still reeling from the recession caused by the greatest financial scandal of the age: the collapse of the South Sea Bubble. William Spandrel, a penniless mapmaker, is offered a rare chance to clear his debts. But Sir Theodore Janssen, a director of the South Sea Company, has one condition: Spandrel must secretly convey an important package to Amsterdam. Shortly after delivering the parcel, its recipient is killed. Then, barely surviving an attempt on his own life, Spandrel discovers that he is the prime suspect in the murder—and a pawn in a dangerous game. With British government agents and other foes on his trail, Spandrel's only chance of survival is to recover the package and place its contents in the hands of the right person. But determining who that is will be a deadly challenge . . . "[A] picaresque tale of high adventure and low intrigue . . . The historical period is vividly conjured up and the narrative flows effortlessly . . . Engrossing storytelling of a very high order." —The Observer "Hugely enjoyable . . . Totally entertaining." —Time Out

Sea Change-Jorie Graham 2009-10-13 The New York Times has said that "Jorie Graham's poetry is among the most sensuously embodied and imaginative writing we have," and this new collection is a reminder of how startling, original, and deeply relevant her poetry is. In Sea Change, Graham brings us to the once-unimaginable threshold at which civilization as we know it becomes unsustainable. How might the human spirit persist, caught between its abiding love of beauty, its acknowledgment of continuing injury and damage done, and the realization that the existence of a "future" itself may no longer be assured? There is no better writer to confront such crucial matters than Jorie Graham. In addition to her recognized achievements as a poet of philosophical, aesthetic, and moral concerns, Graham has also been acknowledged as "our most formidable nature poet" (Publishers Weekly). As gorgeous and formally inventive as anything she has written, Sea Change is an essential work speaking out for our planet and the world we have known.

A Night on the Orient Express-Veronica Henry 2013-07-04 Get ready for the journey of a lifetime. The wonderful award-winning novel from the bestselling author of THE LONG WEEKEND. The Orient Express. Luxury. Mystery. Romance. For one group of passengers settling in to their seats and taking their first sips of champagne, the journey from London to Venice is more than the trip of a lifetime. A mysterious errand; a promise made to a dying friend; an unexpected proposal; a secret reaching back a lifetime...As the train sweeps on, revelations, confessions and assignments unfold against the most romantic and infamous setting in the world.

The Starless Sea-Erin Morgenstern 2019-11-05 From the New York Times bestselling author of The Night Circus, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and

Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

Single dad Sam is juggling his deli and two lively teenagers, so romance is the last thing on his mind. Then Cupid fires an unexpected arrow - but what will his children think? Nathan Fisher is happy with his lot, running picnic cruises up and down the river, but kissing the widow of the richest man in Pennfleet has disastrous consequences. Vanessa knows what she has done is unseemly for a widow, but it's the most fun she's had for years. Must she always be on her best behaviour? As autumn draws in and the nights grow longer, there are sure to be fireworks in this gloriously engaging novel from Veronica Henry, author of A Night on the Orient Express. The Long Weekend In a gorgeous quay-side hotel in Cornwall, the long weekend is just beginning . . . Claire Marlowe owns 'The Townhouse by the Sea' with Luca, the hotel's charismatic chef. She ensures everything runs smoothly - until an unexpected arrival checks in and turns her whole world upside down. And the rest of the guests arrive with their own baggage. There's a couple looking for distraction from a family tragedy; a man trying to make amends for an affair he bitterly regrets . . . and the young woman who thinks the Cornish village might hold the key to her past. Here are affairs of the heart, secrets, lies and scandal - all wrapped up in one long, hot weekend. Love on the Rocks When the rundown Rocks Hotel comes up for auction in Mariscombe, Lisa and her boyfriend George make a successful bid to escape and live the dream. But their dream quickly becomes a nightmare. Their arch-rival, Bruno Thorne, owner of the Mariscombe Hotel, seems intent on sabotage. Meanwhile, local chambermaid Molly is harbouring a secret that will blow the whole village apart. Then an unexpected visitor turns up on the doorstep. It seems everyone in Mariscombe is sailing a little too close to the rocks ...

Mediterranean Holiday-Kate Cann 2007-05-01 Hi Abby, Bet I'm the last person you expected to get a card from. The island is hot and beautiful and brilliant, but you were 80% right about Davinia. No—90% right. She's totally self-centered and she's trying to force me to date this creep! I'd sooner slit my wrists because I'm in love with someone else. He's gorgeous but he hates me. Aren't holidays supposed to be relaxing?! Abby, I wish we hadn't fallen out. Maybe see you when I get back? Lots of love (honest!), Chloe xxx

How Music Got Free-Stephen Witt 2015-06-16 Finalist for the 2016 Los Angeles Times Book Prize, the 2016 J. Anthony Lukas Book Prize, and the 2015 Financial Times and McKinsey Business Book of the Year One of Billboard's 100 Greatest Music Books of All Time A New York Times Editors' Choice ONE OF THE YEAR'S BEST BOOKS: The Washington Post • The Financial Times • Slate • The Atlantic • Time • Forbes "[How Music Got Free] has the clear writing and brisk reportorial acumen of a Michael Lewis book."—Dwight Garner, The New York Times What happens when an entire generation commits the same crime? How Music Got Free is a riveting story of obsession, music, crime, and money, featuring visionaries and criminals, moguls and tech-savvy teenagers. It's about the greatest pirate in history, the most powerful executive in the music business, a revolutionary invention and an illegal website four times the size of the iTunes Music Store. Journalist Stephen Witt traces the secret history of digital music piracy, from the German audio engineers who invented the mp3, to a North Carolina compact-disc manufacturing plant where factory worker Dell Glover leaked nearly two thousand albums over the course of a decade, to the high-rises of midtown Manhattan where music executive Doug Morris cornered the global market on rap, and, finally, into the darkest recesses of the Internet. Through these interwoven narratives, Witt has written a thrilling book that depicts the moment in history when ordinary life became forever entwined with the world online—when, suddenly, all the music ever recorded was available for free. In the page-turning tradition of writers like Michael Lewis and Lawrence Wright, Witt's deeply reported first book introduces the unforgettable characters—inventors, executives, factory workers, and smugglers—who revolutionized an entire artform, and reveals for the first time the secret underworld of media pirates that

transformed our digital lives. An irresistible never-before-told story of greed, cunning, genius, and deceit, *How Music Got Free* isn't just a story of the music industry—it's a must-read history of the Internet itself. From the Hardcover edition.

Asia's Cauldron-Robert D. Kaplan 2015 oEurope is a landscape; East Asia is a seascape.o Thus begins the first chapter of *Asia's Cauldron* and thus does renowned travel writer and foreign policy expert Robert D. Kaplan draw the line between European conflicts and the geopolitical struggles of the future. Kaplan explains Chinese dominance over the body of water that multiple countries claim and exposes the underreported military buildup in the region. As he describes the conflicting interests that are heating up in East Asia, Kaplan interprets America's interests and responsibilities to Asian allegiances in the context of a more dominant China. *Asia's Cauldron* is sure to become required reading for Asia watchers and general readers alike.

SUMMER'S CHILD-Diane Chamberlain 2012-08-15 Early on the morning of her eleventh birthday, on the beach beside her North Carolina home, Daria Cato receives an unbelievable gift from the sea—an abandoned newborn baby. When the infant's identity cannot be uncovered, she is adopted by Daria's loving family. But her silent secrets continue to haunt Daria. Now, twenty years later, Shelly has grown into an unusual, ethereal young woman whom Daria continues to protect. But when Rory Taylor, a friend from Daria's childhood and now a television producer, returns at Shelly's request to do a story about the circumstances surrounding her birth, something precarious shifts in the small town of Kill Devil Hills. The more questions Rory asks, the more unsettled the tiny community becomes, as closely guarded secrets and the sins of that long-ago summer begin to surface. Piece by piece, the mystery of summer's child is being exposed, a mystery that no one involved—not Shelly, Daria, not even Rory—is prepared to face.

Rising-Elizabeth Rush 2018-06-12 WINNER OF THE NATIONAL OUTDOOR BOOK AWARD A CHICAGO TRIBUNE TOP TEN BOOK OF 2018 A PUBLISHERS WEEKLY AND LIBRARY JOURNAL BEST BOOK OF 2018 Hailed as "deeply felt" (New York Times), "a revelation" (Pacific Standard), and "the book on climate change and sea levels that was missing" (Chicago Tribune), *Rising* is both a highly original work of lyric reportage and a haunting meditation on how to let go of the places we love. With every passing day, and every record-breaking hurricane, it grows clearer that climate change is neither imagined nor distant—and that rising seas are transforming the

coastline of the United States in irrevocable ways. In *Rising*, Elizabeth Rush guides readers through some of the places where this change has been most dramatic, from the Gulf Coast to Miami, and from New York City to the Bay Area. For many of the plants, animals, and humans in these places, the options are stark: retreat or perish in place. Weaving firsthand testimonials from those facing this choice—a Staten Islander who lost her father during Sandy, the remaining holdouts of a Native American community on a drowning Isle de Jean Charles, a neighborhood in Pensacola settled by escaped slaves hundreds of years ago—with profiles of wildlife biologists, activists, and other members of these vulnerable communities, *Rising* privileges the voices of those too often kept at the margins.

New Critical Approaches to the Short Stories of Ernest Hemingway-Jackson J. Benson 1990-12-28 DIVWith an Overview by Paul Smith and a Checklist to Hemingway Criticism, 1975-1990 *New Critical Approaches to the Short Stories of Ernest Hemingway* is an all-new sequel to Benson's highly acclaimed 1975 book, which provided the first comprehensive anthology of criticism of Ernest Hemingway's masterful short stories. Since that time the availability of Hemingway's papers, coupled with new critical and theoretical approaches, has enlivened and enlarged the field of American literary studies. This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection. The contributors interpret a variety of individual stories from a number of different critical points of view—from a Lacanian reading of Hemingway's "After the Storm" to a semiotic analysis of "A Very Short Story" to an historical-biographical analysis of "Old Man at the Bridge." In identifying the short story as one of Hemingway's principal thematic and technical tools, this volume reaffirms a focus on the short story as Hemingway's best work. An overview essay covers Hemingway criticism published since the last volume, and the bibliographical checklist to Hemingway short fiction criticism, which covers 1975 to mid-1989, has doubled in size. Contributors. Debra A. Modellmog, Ben Stotzfus, Robert Scholes, Hubert Zapf, Susan F. Beegel, Nina Baym, William Braasch Watson, Kenneth Lynn, Gerry Brenner, Steven K. Hoffman, E. R. Make Your Bed-William H. McRaven 2017-04-04 The inspiring #1 New York Times bestseller that "should be read by every leader in America." (Wall Street Journal) "Powerful." --USA Today "Full of captivating personal anecdotes from inside the national security vault." --Washington Post "Superb, smart, and succinct." --Forbes BASED ON THE INCREDIBLE GRADUATION SPEECH WITH OVER 14 MILLION VIEWS ON YOUTUBE If you want to change the world, start off by making your bed. On May 17, 2014, Admiral William H. McRaven addressed the graduating class of the University of Texas at Austin on their Commencement day. Taking inspiration from the university's slogan, "What starts here changes the world," he shared the ten principles he learned during Navy Seal training that helped him overcome challenges not only in his training and long Naval career, but also throughout his life; and he explained how anyone can use these basic lessons to change themselves-and the world-for the better.

Admiral McRaven's original speech went viral with over 10 million views. Building on the core tenets laid out in his speech, McRaven now recounts tales from his own life and from those of people he encountered during his military service who dealt with hardship and made tough decisions with determination, compassion, honor, and courage. Told with great humility and optimism, this timeless book provides simple wisdom, practical advice, and words of encouragement that will inspire readers to achieve more, even in life's darkest moments.

Good Omens-Neil Gaiman 2011-06-28 The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. "Good Omens . . . is something like what would have happened if Thomas Pynchon, Tom Robbins and Don DeLillo had collaborated. Lots of literary inventiveness in the plotting and chunks of very good writing and characterization. It's a wow. It would make one hell of a movie. Or a heavenly one. Take your pick."—Washington Post According to

The Nice and Accurate Prophecies of Agnes Nutter, Witch (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Atlantis is rising, frogs are falling, tempers are flaring. Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon—both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle—are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist . . .
