Mr. Gatling's Terrible Marvel-Julia Keller 2008-05-29 A provocative look at the life and times of the man who created the original weapon of mass destruction Drawing on her investigative and literary talents, Julia Keller offers a riveting account of the invention of the world's first working machine gun. Through her portrait of its misunderstood creator, Richard Jordan Gatling-who naively hoped that the overwhelming effectiveness of a multiple-firing weapon would save lives by decreasing the size of armies and reducing the number of soldiers needed to fight-Keller draws profound parallels to the scientists who would unleash America's atomic arsenal half a century later. The Gatling gun, in its combination of ingenuity, idealism, and destructive power, perfectly exemplifies the paradox of America's rise in the nineteenth century to a world superpower.

The Meaning of Marriage-Timothy Keller 2011-11-01 “Incredibly rich with wisdom and insight that will leave the reader, whether single or married, feeling uplifted.” —The Washington Times Based on the acclaimed sermon series by New York Times bestselling author Timothy Keller, this book shows everyone—Christians, skeptics, singles, longtime married couples, and those about to be engaged—the vision of what marriage should be according to the Bible. Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that your spouse is there to help you realize your potential; that marriage does not mean forever, but merely for now; and that starting over after a divorce is the best solution to seemingly intractable marriage issues. But these modern-day assumptions are wrong. Timothy Keller, with insights from Kathy, his wife of thirty-seven years, shows marriage to be a glorious relationship that is also misunderstood and mysterious. The Meaning of Marriage offers instruction on how to have a successful marriage, and is essential reading for anyone who wants to know God and love more deeply in this life. Look out for Timothy Keller's latest book, The Songs of Jesus. From the Trade Paperback edition.
