Both her daughters lead busy, fulfilling lives, whilst Rhoda feels her days are filled with dull routine. Alec is a happy man, content with his family life and successful business. As far as he is concerned, his wife's place is in the home. Rhoda is at least able to find some solace in her new and unlikely friendship with young Jenny Matherson. Jenny has few friends, but when tragedy strikes the Mathersons, Rhoda finds she is not Jenny's only ally. Charming newcomer, the enigmatic Silas, is also on

hand to offer support to both women. Encouraged by Silas, Rhoda jumps at the chance to take employment in the nearby village of Oakleigh. Another Spring, Darkness-
Anuradha Mahapatra 1996
"It's a rare pleasure to read translations of poems that convey them as poetry. These versions from the Bengali . . . evoke that thrill of recognition: that across culture and language we are encountering a great world poet. [Her] vision is simultaneously poetic and political, local and horizonless, moved by love and utterly unsentimental."

Adrienne Rich "You cannot read these poems without being transformed by the hot breath of the gods, the eternal sweetness of flowers, and the soul of this powerful poet as she mesmerizes you. . . . This is one of the finest collections of poetry I have come across

in recent years. You need this book."

Joy Harjo "These are excellent translations of an unusual poetry, harsh and ambiguous and beautiful."

Chitra Banerjee Divakaruni "The real India of Mahapatra's Another Spring, Darkness is truly human, emotionally moving, and rendered in a poetry as graceful as it is gritty."

Joseph Bruchac This is the first English translation of poetry by a working-class woman from West Bengal. Her poetic world is isolated, vast, impoverished a full of disturbing visions and surrealistic juxtapositions at the edge of myth.

Children of the Second
Spring-John Furnival 2005
"Father Nugent founded many Institutions for the poor and needy in his native town of Liverpool and was instrumental in the scheme to take orphaned children to the New World to find a new home. He spearheaded the campaign to 'Save the Child' from the temptations and dangers of the streets, and he provided shelter to the marginalized and despised.

He worked ecumenically with his colleagues from other churches in a town that was largely Protestant, and made education and the reform of the young his special concern for over fifty years. Much of what he pioneered still bears fruit today, and his work and name are perpetuated by the Nugent Care Society he founded in 1881 - originally the Liverpool Catholic Children's Protection Society." "This book is a timely reminder of Father James Nugent's work and his significance for us today, both for the Church and for society as a whole, setting his life in the context of his era which contained the seeds of so much that has borne fruit in our time. It is an encouragement to priests, and potential priests, in the mission of the Church today." -BOOK JACKET.

Edward Elgar and His World-Byron Adams 2011-11-14

Edward Elgar (1857-1934) is undoubtedly one of the most fascinating, important, and

influential figures in the history of British music. He rose from humble beginnings and achieved fame with music that to this day is beloved by audiences in England, and his work has secured an enduring legacy worldwide. Leading scholars examine the composer's life in *Edward Elgar and His World*, presenting a comprehensive portrait of both the man and the age in which he lived. Elgar's achievement is remarkably varied and wide-ranging, from immensely popular works like the famous *Pomp and Circumstance March no. 1*--a standard feature of American graduations--to sweeping masterpieces like his great oratorio *The Dream of Gerontius*. The contributors explore Elgar's Catholicism, which put him at odds with the prejudices of Protestant Britain; his glorification of British colonialism; his populist tendencies; his inner life as an inspired autodidact; the aristocratic London drawing rooms where his reputation was made; the class prejudice with which he contended throughout his career; and his anguished

reaction to World War I. Published in conjunction with the 2007 Bard Music Festival and the 150th anniversary of Elgar's birth, this elegant and thought-provoking volume illuminates the greatness of this accomplished English composer and brings vividly to life the rich panorama of Victorian and Edwardian Britain. The contributors are Byron Adams, Leon Botstein, Rachel Cowgill, Sophie Fuller, Daniel M. Grimley, Nalini Ghuman Gwynne, Deborah Heckert, Charles Edward McGuire, Matthew Riley, Alison I. Shiel, and Aidan J. Thomson. Some images inside the book are unavailable due to digital copyright restrictions.

and life... As a smart, successful, thirty-eight-year-old, single mother Avantika seemingly has it all: a great career as a seasoned banking professional, respect and admiration from her peers as an able leader, fulfillment as a mother, and so many other things besides. What is it then that drives her towards Rohan, a man six years her junior? He's a man who ideally would not occupy much room in Avantika's otherwise sorted mind space. She has told herself she has no time for love. Then, why does she make the choices she makes? Is it the sameness and banality of everyday existence? Is it the emotional vacuum? A need to relive life? A feeling that life as she is truly lived and felt is passing her by? However, as she struggles with her feelings, Avantika and Rohan part ways... only to meet again. To what end? Why does Rohan want her back... and why now? So many questions! Very few answers! Avantika's journey is as spiritual as it is emotional. Can love give second chances? Join Avantika in the twists and turns of her story, through her ponderings

The Second Spring of the Church in America-George Anthony Kelly 2001

Monsignor George Kelly, one of the great churchmen of our time, turns a keen but loving eye on the contemporary Church in this magnificent new book. On several notable occasions in the past, Monsignor Kelly has set before his readers the status quo of Roman Catholicism in the United States. But in this new book, he combines as never before an unclouded vision of unfortunate aspects of the contemporary Church with a robust optimism concerning what lies ahead. He rivals John Paul II in his uncanny ability to go to the

heart of the matter and put his finger on where things have gone wrong and are still going wrong. In Second Spring of the Church in America, his negative diagnosis and positive prognosis center on the role of the bishops. Readers will find here surprising revelations of just how bad it is in many areas of Catholicism in this country. But Kelly is not interested in amassing a catalog of errors for its own sake. His kindly pastoral eye is ever on the ready for a remedy. The still-imperfect renewal called for by Vatican II is a task for all, but in a special way the bishops must step forward, individually and collectively, to acknowledge what has gone wrong and to lead the Church into the third millennium. Perhaps no other living Catholic could have written this magnificent book, combining cold critique with warm-hearted confidence in what lies ahead for the Church in America.
