A Shadow on the Ground-Rebecca Lee Smith 2013-11-29 Morgan Maguire is afraid to believe in second chances. The family orchard is failing, her twin brother is being framed for murder, and the sharks are circling. The tough exterior she's spent years hiding behind is beginning to crumble, just as the man who shattered her heart is back in her life. Gage Kirkland is as compelling and magnetic as ever, and he's offering the kind of help she may not be able to refuse. But can she trust him? To finance his troubled son's therapy, Gage, a former investigator, takes one last job--recovering a stolen Civil War artifact. Unfortunately, it's in the possession of the woman he left behind, the woman who's haunted his dreams ever since. The electricity between them still crackles, but unless he helps exonerate her brother and finds a way to confess his true reason for returning, how will he ever recover Morgan's heart?

A Shadow On Fallen Blossoms: The 36 and 48 Traditional Verses of Baguazhang Epub Edition-Andrea Falk 2017-06-14 This book presents the tradition of baguazhang as it is encapsulated in the thirty-six verses and the forty-eight methods verses, which were written to preserve the oral teachings of baguazhang’s originator, Dong Haichuan. The verses contain advice on the body structure and connections, power, methods, and tactics of baguazhang - invaluable for practitioners of all lineages.

This is the first time that the verses are presented in a stand along book with an in-depth discussion, with historical and social background, and including versions from different lineage sources. Andrea Falk, the translator and author, brings to the book forty-five years study and experience in the Chinese martial arts as well as Chinese history, language, linguistics, literature, philosophy, religion, and sociology. She lived for years in China for her training, and continues to visit often. The Epub edition does not have the Chinese characters or Pinyin with tones.

A Shadow on the Lens-Sam Hurcom 2019-09-05 The stifling, atmospheric, gothic crime novel with a unique protagonist and killer twist, perfect for fans of The Woman in Black, The Silent Companions, and Little Strangers \*\*\*\*\* 1904. Thomas Bexley, one of the first forensic photographers, is called to the sleepy Welsh village of Dinas Powys. A young girl named Betsan Tilny has been found murdered in the woodland. One night, he develops the crime scene photographs in the cellar of his lodgings. There, he finds a face dimly visible in the photographs - the shadowed spectre of Betsan Tilny. In the days that follow, Thomas senses a growing presence watching him as he tries to uncover what the villagers of Dinas Powys are so intent on keeping secret... \*\*\*\*\* 'Gothic, claustrophobic and wonderfully dark' -

A Shadow on the Wall-Jonathan Aycliffe 2015-02-10 Some things are best left undisturbed . . . In the countryside of Victorian England, Edward Atherton, rector of Thornham St. Stephen, has taken on the arduous task of restoring the ancient church. But he should never have meddled with the tomb that lay beneath the church’s crumbling walls. The moment the workman raised the tomb lid, an unspeakable horror escaped. At a loss to explain the unsettling noises and frightening visions that begin to plague the church, Atherton calls upon fellow antiquarian and Cambridge professor Richard Asquith to help investigate the strange events that began in the wake of the tomb’s disturbance. The two discover tantalizing hints of whom and what may have been laid to rest in the tomb, but the unforeseen circumstances force Asquith to give up his inquiries and leave the small village of Thornham behind. Asquith tries to put the frightening experiences behind him and focus on his new wife and family. But death and disappearances abound, and Asquith soon has no choice but to confront the darkness that has followed him from that ancient church into his own home. English novelist Jonathan Aycliffe has mastered the classic English ghost story, and A Shadow on the Wall, nominated in 2000 for the International Horror Guild Award, is sure to both mesmerize and haunt you. Skyhorse Publishing, under our Night Shade and Talos imprints, is proud to publish a broad range of titles for readers interested in science fiction (space opera, time travel, hard SF, alien invasion, near-future dystopia), fantasy (grimdark, sword and sorcery, contemporary urban fantasy, steampunk, alternative history), and horror (zombies, vampires, and the occult and supernatural), and much more. While not every title we publish becomes a New York Times bestseller, a national bestseller, or a Hugo or Nebula award-winner, we are committed to publishing quality books from a diverse group of authors.

Shadow on the Mountain-Shaker Jeffrey 2020-02-18 A powerful and inspiring memoir of a young Yazidi who served as a U.S. combat interpreter but was later forced to flee into the mountains of Iraq to avoid the ISIS slaughter of his people Shaker Jeffrey's life has been an odyssey of courage, cunning, and desperation. His journey began as a fatherless Iraqi farm boy. As a child he hung out with American troops and practiced his English. Soon he was helping gather information about terrorists, becoming one of the youngest combat interpreters to work for the United States government, even attracting the notice of General Petraeus. When he was barely sixteen, ISIS overran his Yazidi community and slaughtered most of its people. He narrowly escaped to the mountains with the remnants of his community. But with incredible daring, he became a valuable go-between, informing the U.S. military of the plight of the trapped Yazidis. Time and again he risked his life, going into enemy territory disguised as an ISIS fighter to mount daring rescue operations. Shaker saved over 1,000 civilians from ISIS, including hundreds of girls forced into sex slavery, although he was unable to save his own fiancée from a terrible fate. Shaker's powerful and inspiring narrative offers a human face to the people and places caught in the crosshairs of a borderless conflict that has come to define our age.

The Shadow of Ararat-Thomas Harlan 2007-04-01 In what would be A.D. 600 in our history, the Empire still stands, supported by the Legions and Thaumaturges of Rome. Now the Emperor of the West, the Augustus Galen Atreus, will come to the aid of the Emperor of the East, the Augustus Heraclius, to lift the siege of

Constantinople and carry a great war to the very doorstep of the Shahanshah of Persia. It is a war that will be fought with armies both conventional and magical, with bright swords and the darkest necromancy. Against this richly detailed canvas of alternate history and military strategy, Thomas Harlan sets the intricate and moving stories of four people. Dwyrin MacDonald is a Hibernian student at a school for sorcerers in Upper Egypt, until he runs afoul of powerful political interests and is sent off half-trained to the Legions. His teacher, Ahmet,undertakes to follow Dwyrin and aid him, but Ahmet is drawn into service with the queen of Palmeyra. Thyatis is a young female warrior, extensively trained by her patron in the arts of covert warfare. And Maxian Atreus is Galens youngest brother, a physician and sorcerer. He has discovered that an enemy of Rome has placed a dreadful curse on the City, which must be broken before Rome can triumph. Woven with rich detail youd expect from a first-rate historical novel, while through it runs yarns of magic and shimmering glammers that carry you deeply into your most fantastic dreams At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Obscured by the Shadows-Damian Tyler 2003 Addison lives a lonely secluded life on his father Manuel's plantation. Life is simple until he wakes up with Yvonne standing next to him. When she prepares a meal from Manuel's favorite fruit, everything changes and they venture out on their own to find independence. After leaving the plantation, they cross a time line only to find themselves trapped in the modern world, unable to return. Yvonne determines that it is in their best interest to return to their camp just over the mountain, but Addison is content in his new environment. Once Yvonne leaves, Addison follows from a distance, but when they meet up on the other side of the peak they realize that the meadow no longer exists. They return to the small urban town of Evansville and begin their endless search to return where Addison falls into a deep depression. James Saint Michael, a local minister, takes interest in Addison and Yvonne, but Addison rejects his help when he feels that James is insensitive. Addison spots a motorcycle in the field across from their cottage. They head out on a mind-boggling journey that sends them running for their lives, only to find that Yvonne is dreaming. However, shortly after Yvonne wakes up, Addison spots the motorcycle in the field but it is in severe need of repair. Addison takes the bike to Sam's Bike Shop and has it repaired. They spark out on a quest to find their way home to the plantation only to find every journey leads to a dead end. Yvonne decides that the answer lies over the mountain east of town, the same place they came from. They cross the peak and set up camp, but during the night Addison has an encounter with a shadowy figure in the dark. Once they return, George Hoosier knocks at the door and reveals to them that he crossed the mountain and couldn't return. Jacob Andrews stops by and confesses that he faces the same dilemma. James compares their experiences with events in the Bible. George and Addison make the determination to return only to find opposition from Yvonne. Yvonne changes her mind and decides to go with them, but when morning arrives, George is gone. The two decide to do it on their own, but on their way out ot town, Sam stops and informs them that Jacob died during the night. They decide to delay the trip until after the funeral. On the way home from Sam's Bike Shop Addison and Yvonne get into a heated argument when she reveals that she is four months pregnant. Addison tears out on the motorcycle and broadsides James' pickup truck. He lies in a coma for four months and finds his way back to the plantation through death. Yvonne goes into premature labor and dies in childbirth. Addison greets and leads her to Manuel's mansion where they watch the life of their son Claude at the gate of paradise.

Shadow on the Mountain-Margi Preus 2012-10-01 Shadow on the Mountain recounts the adventures of a 14-year-old Norwegian boy named Espen during World War II. After Nazi Germany invades and occupies Norway, Espen and his friends are swept up in the Norwegian resistance movement. Espen gets his start by delivering illegal newspapers, then graduates to the role of courier and finally becomes a spy, dodging the Gestapo along the way. During five years under the Nazi regime, he gains—and loses—friends, falls in love, and makes one small mistake that threatens to catch up with him as he sets out to escape on skis over the mountains to Sweden. Preus incorporates archival photographs, maps, and other images to tell this story based on the real-life adventures of Norwegian Erling Storrusten, whom Preus interviewed in Norway. Praise for Shadow on the Mountain STARRED REVIEWS "Newbery Honor winner Preus infuses the story with the good-natured humor of a largely unified, peace-loving people trying to keep their sanity in a world gone awry. Based on a true story, the narrative is woven with lively enough daily historical detail to inspire older middle-grade readers to want to learn more about the Resistance movement and imitate Espen’s adventures." —Kirkus Reviews, starred review "This engrossing offering sheds light on the Norwegians’ courage during World War II. Preus masterfully weds a story of friendship with the complications faced by 14-year-old Espen and his friends as Nazi restrictions and atrocities become part of their everyday lives..This is at once a spy thriller, a coming-of-age story, and a chronicle of escalating bravery. Multidimensional characters fill this gripping tale that keeps readers riveted to the end." —School Library Journal, starred review "A closely researched historical novel... relates this wartime tale with intelligence and humor...Ms. Preus deftly uses together historical fact (Espen is based on a real-life spy) and elements of Norwegian culture to conjure a time and place not so terribly long ago." —The Wall Street Journal "Margi Preus, who won a Newbery honor for Heart of a Samurai, returns with another riveting work of historical fiction... This fine novel, which includes an author’s note, a timeline, a bibliography and even a recipe for invisible ink, is based on extensive research... The result is an authentic coming-of-age story, perfect for readers fascinated by the diary of Anne Frank or Lois Lowry’s classic, Number the Stars." —BookPage "The final chapters, which chronicle Espen’s dramatic escape to Sweden—days and nights of mountain skiing, Nazis in hot pursuit—take the book into adventure-thriller territory without losing the humanity that characterizes Preus’s account." —The Horn Book Magazine "Preus makes crystal clear the life imperiling risks that Espen undertakes and the danger to his family." —The Bulletin of the Center for Children's Books "As readers understand the risks that Espen took, they will want to learn more about this period. That Espen escaped to Sweden by traveling at night on skis with five different guides should intrigue them." —Library Media Connection Awards VOYA Top Shelf for Middle School Readers 2012 list 2013 Notable Books for a Global Society Dorothy Canfield Fisher Book Award Making Predictions–Shadow Sketches Science Center-Lisa B.
