The Shepherd's Song-Betsy Duffey 2014-03-11 Follow the incredible journey of one piece of paper—a copy of Psalm 23—as it travels around the world, linking lives and hearts with its simple but beautiful message. The Lord is my shepherd; I shall not want. He makes me lie down in green pastures... Shortly before a tragic car accident, Kate McConnell wrote down the powerful words of Psalm 23 on a piece of paper for her wayward son. Just before she loses consciousness, Kate wonders if she's done enough with her life and prays, "Please, let my life count." Unbeknownst to Kate, her handwritten copy of Psalm 23 soon begins a remarkable journey around the world. From a lonely dry cleaning employee to a soldier wounded in Iraq, to a young Kurdish girl fleeing her country, to a Kenyan runner in the Rome Invitational Marathon, this humble message forever changes the lives of twelve very different people. Eventually, Kate's paper makes it back to its starting place, and she discovers the unexpected ways that God changes lives, even through the smallest gestures. With beautiful prose evocative of master storyteller Andy Andrews's *The Butterfly Effect*, this "intriguing...[and] inspiring read" (RT Book Reviews) will touch your heart and remind you of the ways God works through us to reach beyond what we can imagine. Shepherd's Song-Bettilu Davies 2015-07-22 Cautious and conservative piano teacher Gail Winslow reads murder mysteries to liven up her life. When her hero, concert pianist Brad Shepherd, shows up on her doorstep, she is still under the influence of her latest midnight reading and thinks he is a stalker. She not only breaks his arm but—after much apology—enters into the musical adventure of a lifetime, helping him construct a series he has long dreamed of presenting on television. Meanwhile, Brad struggles to defeat the nagging reminders of childhood taunts here in his hometown, as well as to quell the impossible idea of making Gail a part of his life permanently. She's a quiet homebody; how can he thrust her into the glamorous but demanding life he lives? Not until they are both forced to put their lives on the line to find a lost child does a solution present itself. David-Royden Lepp 2010-10 From the accounts of the second book of Samuel, DAVID begins the retelling of the most powerful General of Israel, anointed as a young boy, mocked by his brothers, and hunted down by the the King himself. While hiding in a cave in the wilderness, David looks back on the fateful day he was anointed by a prophet, realizing that he'd been fighting a war, even from his youth in his father's sheepfold. This book begins the story that will lead to one of the world's greatest battles between a young boy and a giant.

The Concert Song Companion-Charles Osborne 2012-12-06 W H A T I H A V E attempted in this book is a survey of song; the kind of song which one finds variously described as 'concert', 'art', or sometimes even 'classical song'. 'Concert song' seems the most useful, certainly the least inexact or misleading, of some descriptions, especially since 'art song' sounds primly off putting, and 'classical song' really ought to be used only to refer to songs written during the classical period, i. e. the 18th century. Concert song clearly means the kind of songs one hears sung at concerts or recitals. Addressing myself to the general music-lover who, though he possesses no special knowledge of the song literature, is never theless interested enough in songs and their singers to attend recitals of Lieder or of songs in various languages, I have naturally confined myself to that period of time in which the vast majority of these songs was composed, though not necessarily only to those composers whose songs have survived to be remembered in recital programmes today. I suppose this to be roughly the three centuries covered by the years 1650-1950, though most of the songs we, as audiences, know and love were composed in the middle of this period, in other words in the 19th century.

A Handbook of Poetics, for Students of English Verse-Francis Barton Gummere 1885

Notes and Queries- 1911

Romanticism and the Rise of English-Andrew Elfenbein 2008-10-30 Named a CHOICE Outstanding Academic Title for 2009 Romanticism and the Rise of English addresses a peculiar development in contemporary literary criticism: the disappearance of the history of the English language as a relevant topic. Elfenbein argues for a return not to older modes of criticism, but to questions about the relation between literature and language that have vanished from contemporary investigation. His book is an example of a kind of work that has often been called for but rarely realized—a social philology that takes seriously the formal and institutional forces shaping the production of English. This results not only in a history of English, but also in a recovery of major events shaping English studies as a coherent discipline. This book points to new directions in literary criticism by arguing for the need to reconceptualize authorial agency in light of a broadened understanding of linguistic history.
