<div><div><div><div><div><div></div><div>A Short Life of Napoleon Bonaparte-Ida Minerva Tarbell 1895</div></div></div></div><div>The Story-life of Napoleon-Wayne Whipple 1914</div><div>Napoleon-Steven Englund 2010-05-11 This sophisticated and masterful biography, written by a respected French history scholar who has taught courses on Napoleon at the University of Paris, brings new and remarkable analysis to the study of modern history's most famous general and statesman. Since boyhood, Steven Englund has been fascinated by the unique force, personality, and political significance of Napoleon Bonaparte, who, in only a decade and a half, changed the face of Europe forever. In Napoleon: A Political Life, Englund harnesses his early passion and intellectual expertise to create a rich and full interpretation of a brilliant but flawed leader. Napoleon believed that war was a means to an end, not the end itself. With this in mind, Steven Englund focuses on the political, rather than the military or personal, aspects of Napoleon's notorious and celebrated life. Doing so permits him to arrive at some original conclusions. For example, where most biographers see this subject as a Corsican patriot who at first detested France, Englund sees a young officer deeply committed to a political event, idea, and opportunity (the French Revolution) -- not to any specific nationality. Indeed, Englund dissects carefully the political use Napoleon made, both as First Consul and as Emperor of the French, of patriotism, or "nation-talk." As Englund charts Napoleon's dramatic rise and fall -- from his Corsican boyhood, his French education, his astonishing military victories and no less astonishing acts of reform as First Consul (1799-1804) to his controversial record as Emperor and, finally, to his exile and death -- he is at particular pains to explore the unprecedented power Napoleon maintained over the popular imagination. Alone among recent biographers, Englund includes a chapter that analyzes the Napoleonic legend over the course of the past two centuries, down to the present-day French Republic, which has its own profound ambivalences toward this man whom it is afraid to recognize yet cannot avoid. Napoleon: A Political Life presents new consideration of Napoleon's adolescent and adult writings, as well as a convincing argument against the recent theory that the Emperor was poisoned at St. Helena. The book also offers an explanation of Napoleon's role as father of the "modern" in politics. What finally emerges from these pages is a vivid and sympathetic portrait that combines youthful enthusiasm and mature scholarly reflection. The result is already regarded by experts as the Napoleonic bicentennial's first major interpretation of this perennial subject.</div><div>Napoleon-Andrew Roberts 2014-11-04 Draws on the recent publication of Napoleon's thousands of letters to share new insights into his character, motivations, and relationships.</div><div>Napoleon, a Short Biography-Robert Matteson Johnston 1904</div><div>Napoleon-Adam Zamoycki 2018-10-16 The definitive biography of Napoleon, revealing the true man behind the legend "What a novel my life has been!" Napoleon once said of himself. Born into a poor family, the callow young man was, by twenty-six, an army general. Seduced by an older woman, his marriage transformed him into a galvanizing military commander. The Pope crowned him as Emperor of the French when he was only thirty-five. Within a few years, he became the effective master of Europe, his power unparalleled in modern history. His downfall was no less dramatic. The story of Napoleon has been written many times. In some versions, he is a military genius, in others a war-obsessed tyrant. Here, historian Adam Zamoycki cuts through the mythology and explains Napoleon against the background of the European Enlightenment, and what he was himself seeking to achieve. This most famous of men is also the most hidden of men, and Zamoycki dives deeper than any previous biographer to find him. Beautifully written, Napoleon brilliantly sets the man in his European context.</div><div>Life of Napoleon Bonaparte-William Milligan Sloane 1897</div><div>A Brief Memoir of the Life, Reign, and Policy of Napoleon III., Emperor of the French-Henry Christmas 1855</div><div>Napoleon-Henry Freeman 2016-04-04 Napoleon This book is for anyone that enjoys crucial turning points in history. Napoleon was an unremarkable man who managed to change the entire landscape of the world 200 years ago. He has been hailed as a military genius and his victories are still studied by international armed forces to this day. Inside you will read about... - The Little Corporal - Napoleon Takes Charge - The Napoleonic Code - On the Road to Empire - A Continent Under Siege - Backroom Deals and the Division of Empire - Exile and the Napoleonic Last Stand - Everyone Wants to Rule the World Through military exploit and the Napoleonic code, he was a man who came out of nowhere and changed the world. This book describes not only how he did it, but why he did it; delve into the psychology of one of the most heroic despots ever known - Napoleon Bonaparte!</div><div>A Short History of Napoleon the First-Sir John Robert Seeley 1890</div><div>A Short History of Napoleon the First-Sir John Robert Seeley 2018-04-03 There have been many biographies of the Emperor Napoleon over the years and in many languages, however most tend to be either overly laudatory, mostly those written in French, or caustically negative, mostly those written in English. Thankfully this work suffers neither polarity of opinion, sticking to historical fact, rigorous analysis and an even handed portrayal of the subject, without any undue distortion from the realities of the era. Professor Seeley's biography grew, as he says himself in his preface, out of an impossible task to provide a shortened biographical sketch of the Encyclopaedia Britannica. Unsatisfied that so great a subject could be adequately be dealt with in such a format, he penned his excellent short work on Napoleon. Free from vitriol the book sets a standard that few modern works can be said to have achieved.</div><div>Bulletin of the Virginia State Library-Virginia State Library 1908</div><div>The Life of Napoleon Bonaparte-John Stevens Cabot Abbott 1859</div><div>General Catalogue of the Books Except Fiction, French, and German, in the Public Library of Detroit, Mich-Detroit Public Library 1899</div><div>General Catalogue of the Public Library of Detroit, Mich. First-third Supplement. 1889-1903: 1894-1898-Detroit Public Library 1899</div><div>Leadership in War-Andrew Roberts 2019-10-29 A comparison of nine leaders who led their nations through the greatest wars the world has ever seen and whose unique strengths—and weaknesses—shaped the course of human history, from the bestselling, award-winning author of Churchill and Napoleon "Has the enjoyable feel of a lively dinner table conversation with an opinionated guest." —The New York Times Book Review Taking us from the French Revolution to the Cold War, Andrew Roberts presents a bracingly honest and deeply insightful look at nine major figures in modern history: Napoleon Bonaparte, Horatio Nelson, Winston Churchill, Adolf Hitler, Joseph Stalin, George C. Marshall, Charles de Gaulle, Dwight</div></div></div>
