Siam Rendezvous-William J. Aronson 2017-03-09 From his less than auspicious New York City formative years, William Francis Flower thoughts have been obsessed with cravings for financial success. By and large a timid, yet strong-willed, ambitious pragmatist; he could not settle for anything less than all he deserved. A point in time converge with circumstances dictate his future journey. His amazing expedition is highlighted by acquiring a good deal of money and finding true love in the strangest of places. His spectacular life's journey carries this young man from his meek beginnings in an insignificant New York City walk-up apartment to the unfettered carnival of greed and ambition, Wall Street. From these captivating caverns to the unforgiving jungles of the Kingdom of Thailand; this is the account of his episodic passage from the impoverished years of his early life to the independence wealth has provided; from frenzy to serenity and nigh on back again. Joseph Stefano, a highly successful Manhattan restaurateur, entrepreneur and philanthropist discovered illuminating information while incarcerated in a minimum security prison, these facts proved to be 'revealing' at the very least. Dr. Barton Barrick, computer software engineer extraordinaire, life has been plagued by unintentional and unprovoked disappointments. His frustrating career turns as he finds true love where he least expects it. It appears his success cards have finally turned. Archibald Crawford is a world renowned insurance ransom investigator. Plainly depleted of spirit, he seeks to alter the path of his presently dismal existence. Ever dream of having enough money to last a lifetime? Fantasies become realities for these characters? You'll turn the pages quickly as you learn how the lives of these bold men twist and turn. Read on as they tumble and stumble upon exhilarating escapades beyond their wildest imaginations.

Keeping a Rendezvous-John Berger 2011-07-13 When he stands before Giorgione's La Tempesta, Booker Prize-winning author John Berger sees not only the painting but our whole notion of time, sweeping us away from a lost Eden. A photograph of a gravely joyful crowd gathered on a Prague street in November 1989 provokes reflection on the meaning of democracy and the reunion of a people with long-banished hopes and dreams. With the luminous essays in Keeping a Rendezvous, we are given to see the world as Berger sees it -- to explore themes suggested by the work of Jackson Pollock or J. M. W. Turner, to contemplate the wonder of Paris. Rendezvous are manifold: between critic and art, artist and subject, subject and the unknown. But most significant are the rendezvous between author and reader, as we discover our perceptions informed by Berger's eloquence and courageous moral imagination.

Rendezvous With Destiny: A History Of The 101st Airborne Division-Leonard Rapport 2015-11-06 Includes over 100 maps and dozens of illustrations New York Times review: "For sheer adventure few writers of fiction surpass this real-life, name-and-date story of men bound together in a combat outfit." "The 101st Airborne Division, which was activated on August 16, 1942, at Camp Claiborne, Louisiana, has no history, but it has a rendezvous with destiny..." Maj.-Gen. William Lee commanding officer 1942. Rendezvous with Destiny: A History of the 101st Airborne Division, is unique among military histories. Never before has such a detailed study been made of the organization, training and operations of a single division of the United States Army. Each action in which the Division took part has been minutely studied and checked against available operations reports and the memories of the men who were there. From the beaches of Normandy to Hitler's Berchtesgaden hideaway the 101st Airborne fought their way across Nazi-Occupied Europe to Victory.

The Life of Nelson - Vol. II [Illustrated Edition]-Admiral Alfred Thayer Mahan 2011-02-20 When Admiral Mahan, passed away in 1914, his ideas and thoughts lived on in his writings, which spanned the naval strategy of his own times and the lessons learnt from history. They are still read at the modern naval academies and the ideas permeate the teachings at Annapolis. A flag officer in the U.S. Navy who fought during the American civil war for the Union forces, his works have gained a fame that makes him the foremost of the naval historians of the late 1800's. Of enduring interest is his two volume history of Horatio Nelson, the hero of the Royal Navy and the battle of Trafalgar. An epic and tragic figure in age that abounds with

them, the victor of Trafalgar who never lived past that day to see his fame endure is a favourite for biographies, however few are as balanced and detailed as Mahan's. The second volume of the biography focuses on the years 1800 to 1805, which were an exceptionally trying and busy time for all Royal Navy officers, but also pivotal to Nelson's development and led to his masterful action at Trafalgar. Nelson's role in the pre-emptive strike at the Danish fleet at Copenhagen, and his anger nearly boils over with superiors who he considers not forward-thinking or aggressive enough in what was a conservative arm of the forces. Nelson's life at home is not ignored or passed over and his life with Lady Hamilton and their daughter Horatia are covered although in less details than modern biographies. Finally the epic, tragic and brilliant battle of Trafalgar which ended the French hopes of global dominance by sea but also Nelson's life. Illustrations - Vice Admiral Nelson, Vice Admiral Nelson, Vice Admiral Hyde-Parker, H.M ships Agamemnon, Captain, Vanguard, Elephant and Victory, Admiral Collingwood, Meeting of Nelson and Wellington, Vice Admiral Lord Nelson, Captain Thomas Masterman Hardy, Horatia (22 year old). Maps - Baltic and approaches, Battle of Copenhagen (2 maps), English channel and North Sea, Sardinia, North Atlantic, Plans of attack of the French and Spanish fleets (2 plans), Plan for the battle of Trafalgar (2 plans), The attack of Trafalgar. Sicily - Salerno - Anzio, January 1943-June 1944-Samuel Eliot Morison 2001 Volume 9 of Morison's comprehensive history covers the period of the opening of the second front in the Mediterranean, focusing on three major amphibious operations: the march from North Africa to Sicily (Operation Husky), the campaigns at Salerno and Naples (Operation Avalanche), and the action at Anzio (Operation Shingle). These complicated campaigns were charged with controversy stemming from an almost complete cleavage of opinion at the highest level of strategic decision. While the British wanted to step up operations in the Mediterranean, the Americans favored a frontal attack on the German armies. Morison brilliantly unravels the strategic thinking on all sides as well as the dramatic events as they actually occurred, culminating in the Allies' triumphal entry into Rome on June 5, 1944. Combining atmospheric accounts of beach landings and explosive naval skirmishes, deft sketches of leaders and their men, and sophisticated summaries of the various perspectives that converged into strategy, Morison brings the Italian campaigns vividly to life. Distinguished by his hallmark blend of the tactical and human components of war, Morison's history provides an immensely satisfying account of these great campaigns. The Peace of Nicias and the Sicilian Expedition-Donald Kagan 2013-01-16

Why did the Peace of Nicias fail to reconcile Athens and Sparta? Donald Kagan examines the years between the signing of the peace treaty and the destruction of the Athenian expedition to Sicily in 413 B.C. The principal figure in the narrative is the Athenian politician and general Nicias, whose policies shaped the treaty and whose military strategies played a major role in the attack against Sicily.
