The Life of a Simple Man-Emile Guillaumin 1983
A classic in France, this moving first-person story can be read as a fictional account, as well as the best kind of material for historians of 19th-century French peasant life.

A Simple Man-Bobby Hall 2017-06-19 Justin Hayes is richly blessed. He grew up the son of a preacher and a school teacher, and like most boys in the rural South, he grew up hunting and fishing. He earned his money in the tobacco and hay fields surrounding his home, and joined his senior class in the jungles of Vietnam. After returning home he married his high school sweetheart and raised a fine son. But being blessed doesn't mean that life is easy. He worked as a lineman for the power company and was always available to help his neighbors on their farms. His wife suddenly left him for a rich man when his son was ten years old, so he was left with a son to raise by himself. But now that was all behind him. Having inherited forty-three acres of land in the beautiful Appalachian Mountains, Justin retired and moved to his new property looking forward to spending his remaining years enjoying God's creation and relaxing in his new home. Unbeknownst to Justin, he had just moved into the center of a hornet's nest--a nest filled with lies and corruption, an evil neighbor, and a crooked sheriff. A nest that was under surveillance and monitored twenty-four hours a day. A nest that has ties to terrorism and organized crime with the most wretched and evil people who have ever walked the earth. Not being someone to back down from a fight, Justin digs his heels in for the fight of his life, but he is

not alone. Before this fight is over, the SBI, FBI, Homeland Security, CIA, and even the Pentagon line up behind him to defeat this monster. He will need all the skills he acquired in Vietnam, plus help and guidance from the Almighty to defeat this enemy.

A Single Man-Christopher Isherwood 2013-11-19 Welcome to sunny suburban 1960s Southern California. George is a gay middle-aged English professor, adjusting to solitude after the tragic death of his young partner. He is determined to persist in the routines of his former life. A Single Man follows him over the course of an ordinary twenty-four hours. Behind his British reserve, tides of grief, rage, and loneliness surge—but what is revealed is a man who loves being alive despite all the everyday injustices. A Man Called Ove-Fredrik Backman 2015-05-05

Read the New York Times bestseller that has taken the world by storm In this "charming debut" (People) from one of Sweden's most successful authors, a grumpy yet loveable man finds his solitary world turned on its head when a boisterous young family moves in next door. Meet Ove. He's a curmudgeon--the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom window. He has staunch principles, strict routines, and a short fuse. People call him "the bitter neighbor from hell." But must Ove be bitter just because he doesn't walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next door and accidentally flatten Ove's mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents' association to their very foundations. A feel-good story in the spirit of The Unlikely Pilgrimage of Harold Fry and Major Pettigrew's Last Stand, Fredrik Backman's novel about the angry old man next door is a thoughtful exploration of the profound impact one life has on countless others. "If there was an award for 'Most Charming Book of the Year,' this first novel by a Swedish blogger-turned-overnight-sensation would win hands down" (Booklist, starred review).

Siddhartha-Herman Hesse 2015-10-06

Siddhartha is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, siddha (achieved) + artha (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was

Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama".

Risen by Perseverance, Or, Lives of Self-made Men- 1886

Kinda Don't Care-Lani Lynn Vale 2018-03-23

She's in a white dress that dances around her ankles, and her hair tumbles in a long sheet of curls down her back. A veil covers her beautiful eyes, and she smiles directly at him. Janie is everything Rafe's ever imagined she would be on her wedding day. Breathtaking. Gorgeous. Perfect. The moment he sees her walking down the aisle towards him, he knows that she's the one. Then she passes him, making her way to the man she's to marry. A man that wasn't him. A man that he knows with one hundred percent certainty isn't good enough for her. It seems that her father isn't the only one who's having a hard time giving her away. Rafe only wishes he knew why. Everything about Janie sparks protective

instincts he doesn't feel for anyone, not even his own fiancé. What he feels for the bride, however, isn't merely a simple attraction. He knows that something is there just beneath the surface...if only he could reach it. It has to be something huge, too, otherwise he wouldn't be drinking whiskey straight from the flask in a church pew and wondering how many years he would do in prison if he shot the groom in front of about a hundred witnesses—half of those being cops. He was good...but not that good. A near-death experience cost Rafe almost six months of his memory, but right now he can't help but feel like a huge mistake is being made on both of their parts. One that's going to cost him everything. Then she says I do. Author note: I, Lani Lynn Vale, solemnly swear that there is NO CHEATING in this book...but looks are deceiving. So hang with me.

Quran: A Simple English Translation (Goodword ! Koran)-Maulana Wahiduddin Khan (Translator) 2013-12-19 The Quran, a book which brings glad tidings to mankind along with divine admonition, stresses the importance of man's discovery of truth on both spiritual and intellectual planes. Every book has its objective and the objective of the Quran is to make man aware of the Creation plan of God. That is, to tell man why God created this world; what the purpose is of settling man on earth; what is required from man in his pre-death life span, and what he is going to confront after death. The purpose of the Quran is to make man aware of this reality, thus serving to guide man on his entire journey through life into the after-

life. The main themes of the Quran are enlightenment, closeness to God, peace and spirituality. The Quran uses several terms, tawassum, tadabbur, and tafakkur, which indicate the learning of lessons through reflection, thinking and contemplation on the signs of God scattered across the world. The present translation of the Quran and its explanatory notes are written keeping in mind these very themes. A Simple Man-Ronnie Kasrils 2017 Ronnie Kasrils's insights into Jacob Zuma, both shocking and revelatory, are vividly illuminated through this story--from their shared history in the underground to Kasrils's time as minister of intelligence and his views on South Africa now. This fast-paced, thriller-style memoir outlines the

tumultuous years that saw Mbeki's overthrow and replacement by Zuma, Nkandlagate, the growing militarization of the police and the Marikana Massacre, the outrageous appointment of flunkies to high office, the "state capture" report and his relationship with the Guptas. We relive the Schabir Shaik corruption trial, Kasrils's relationship with Fezeka Kuzwayo (Khwezi), Zuma's rape trial accuser, the email and spy tapes saga, conspiracy, and betrayal. While Kasrils explains the enigmatic contradictions of Jacob Zuma, he also explains that corruption and the abuse of power did not begin with him. His story points to the compromised negotiations of the 1990s, which he refers to as a "Faustian Pact." This is a story told from the inside, exploring the many machinations of power and how one man's struggle for the truth can have such an impact on the political outcomes of a nation.

Charles Bovary, Country Doctor-Jean Améry 2018-09-04 Fans of Flaubert's Madame Bovary will want to read this reimagination of one of literature's most famous failures, Charles Bovary. Part fiction, part philosophy, Charles Bovary, Country Doctor is also a book about love. Charles Bovary, Country Doctor is one of the most unusual projects in twentieth-century literature: a novel-essay devoted to salvaging poor bungler Charles Bovary, the pathetic, laughable, cuckolded husband of Madame Bovary and the heartless creation of Gustave Flaubert. As a once-promising novelist who was tortured by the Nazis and survived a year in Auschwitz, author Jean Améry had a particular sympathy for the lived experience of vulnerability, affliction, and suffering, and in this book—available in English for the first time—he asserts the moral claims of Dr. Bovary. What results is a moving paean to the humanity of Charles Bovary and to the supreme

value of love.

The Broadview Anthology of Expository Prose: Second Edition-Tammy Roberts 2011-05-25 A substantial selection of classic essays allows readers to trace the history of the essay from Swift to Woolf and Orwell and beyond. A selection of the finest of contemporary essays—from Witold Rybcynski to David Sedaris and Elizabeth Kolbert—provides a broad sample of the genre in the late twentieth and early twenty-first centuries. Emphasized as well are academic papers or essays that have been especially influential or controversial, from Luis and Walter Alvarez's suggestion that an asteroid caused the extinction of the dinosaurs to Judith Rich Harris's argument that the influence of peers may be at least as influential in the formation of personality as that of parents. Works of different lengths, levels of difficulty and subject matter are all represented, as are narrative, descriptive and persuasive essays. Also included in the text is a range of questions and suggestions for discussion. The text selections are numbered by paragraph for ready reference. Added to the second edition are new selections by Malcolm Gladwell, Doris Lessing, Eric Schlosser, Binyavanga Wainaina, and over twenty others. This new edition also provides pairings of informal and academic articles that address the same topic, allowing readers to consider contrasting approaches.
