John Francis Davis 1902

Drawing Your Own Path-John F. Simon, Jr.
2016-11-01 "Drawing Your Own Path is a smart,
subtle, sophisticated, compassionate, radically
eye-opening and mind-altering guide to creative
and artistic liberation. Thank you, John
Simon!"—Ruth Ozeki, A Tale for the Time Being
"John F. Simon, Jr., widely recognized as an early
pioneer in the use of computer-generated
imagery in contemporary art, has turned his
attention to the act mark-making as a doorway
into self-awareness and the essential touchstone
of visual creativity. He leads us through a
sequence of meditative drawing exercises, and
shares insightful, touching anecdotes of his many
years of experience as a practicing artist."—Peter
Halley, Artist "The mysteries of the mind and
universe are coupled with a very practical guide
to drawing. It is an unlikely but wonderfully
fruitful combination, a step-by-step approach to
awareness and art."—Lawrence Rinder, Director,
UC Berkeley Art Museum & Pacific Film Archive
"John's marvelous artwork emerges from a

deeply inspired and intuitive unfolding. His gift
of finding one's own creative process is
beautifully transmitted in this delightful
guide."—Jon Bernie, Ordinary Freedom "Drawing
Your Own Path is an invitation to those who have
never drawn before and a warm, informative,
intelligent and lovely book to read. It offers
refreshing, new ways to look at and experience
the steps to make drawings today."—Sharon
Louden, Artist, Editor of Living and Sustaining a
Creative Life Drawing Your Own Path is an
account of how multi-media artist John Simon's
daily drawing discipline became a meditation
practice, and how that meditation illuminated his
creative source. A practical guidebook full of
Simon's own art, Drawing Your Own Path offers
meditators an alternative path to 'just sitting'
and offers artists a way to mindfully examine and
deepen the source of their creative ideas.
Readers are guided through thirty-three
meditation and drawing exercises, exploring
concentrated looking, mindful sketching, and
improvisational awareness, all designed to help
practitioners discover the vast creativity within
themselves and in their daily lives. From the
Trade Paperback edition.

Uchimura Kanzō-Jean Hooper 1953
Reclaiming History: The Assassination of
President John F. Kennedy-Vincent Bugliosi 2007
An all-encompassing analysis of the assassination
of JFK and its surrounding conspiracy theories
draws on forensic evidence, key witness
testimonies, and other sources to explain what
really happened and why conspiracy theories
have become so popularized.

 The Story of the Files-Ella Sterling Mighels 1893
 Keynote: Aware that this "Story of the Files" of Californian magazines and journals, is, like all things human, far from being perfect, the author has only to say that it has been prepared mainly for the purpose of preserving the names, pictures and histories of the writers of long ago, those who are now dead and forgotten. The record of the writers of today may be added to and bettered by him who comes after. In these words of one of the brightest of the old-time journalists is to be found the pervading spirit of the "Story of the Files:" "No matter where uttered, a great thought never dies. It does not perish amid the snows of mountains, or the floods of rivers, or in the depths of valleys. For a time it may seemingly be forgotten, but it is somewhere embalmed in memory, and after awhile reappears on the horizon like a long-gone star returning on its unchanging orbit, and on its way around the endless circle of eternity."--October 1892, San Francisco, California.
