Murder Unpunished-Thornton W. Price 2005 In November of 1977, Terry Lee Farmer, a white inmate at Arizona State Prison in Florence, walked up to black prisoner Waymond Small in front of sixty witnesses and stabbed him in the heart with a shank. Small had agreed to testify before the state legislature about gang violence inside Arizona State Prison and was murdered the day before his scheduled appearance. This murder proved the catalyst for an all-out war between the State of Arizona and the Aryan Brotherhood. Through five trials, Farmer claimed self-defense and the jurors acquitted all ten of his co-conspirators. Thornton Price, one of the defense attorneys, now tells how Farmer and Small became cannon fodder in this war to reclaim Arizona's prisons from rival gangs. These gangs—the Aryan Brotherhood, the Mau Maus, and the Mexican Mafia—were suspected of committing more than a dozen murders over the previous two years, motivating politicians to crack down after the violence could no longer be ignored or contained. To reconstruct the case, Price reviewed 16,000 pages of court records and conducted interviews with key participants to piece together an insider's account of the crime and the politics behind its investigation. Prison murders should be easy to solve, but investigators quickly learned that the convicts' code of silence makes these cases often impossible to win in court. Price focuses on the special problems posed by prison crime by getting inside the skins of men like murderer Terry "Crazy" Farmer and William "Red Dog" Howard, one of the Florence Eleven and a founder of the Aryan Brotherhood. He also presents the perspectives of state investigators and reveals how they calculated to pit black witnesses against white killers until one black would break the code of silence and provoke feuding within the Brotherhood. Murder Unpunished tells how society's most outrageous criminals ran the prison through gang violence as outside the walls Arizona struggled to outgrow its Wild West past. Like few other books, it reveals how prisons incubate predatory criminals and gangs, and it exposes the unique difficulties of prosecuting prison crimes. It is a gripping account that cuts to the heart of our penal system and a cautionary tale for citizens who prefer to keep prisons out of sight, out of mind.

Detective Comics (1937-) #427-Frank Robbins 2019-02-14 ÒA SMALL CASE OF MURDER!Ó Batman investigates the case of a toy manufacturer murdered by a gun-wielding toy doll.

Cold Case Murder-Shirlee McCoy 2009-03-01 Her hometown of Loomis, Louisiana, holds no charm for Jodie Gilmore. Why be reminded of her mother's abandonment? Then the novice FBI agent is assigned to a missing person's case, and refusal isn't an option. Her coworkers are counting on her. Surely the tight-lipped locals will talk to one of their own. Or will they? A decades-old double homicide is discovered, and Harrison Cahill, the handsome forensic anthropologist on the case, thinks Jodie knows more than she's saying. But speaking freely can be deadly in Loomis....

Digest of Indian Law Cases-Joseph Vere Woodman 1888

Report of the Case of Geo. C. Hersey, Indicted for the Murder of Betsy Frances Tirrell, Before the Supreme Judicial Court of Massachusetts-George Canning Hersey 1862

Anatomy of a French Murder Case-Bron McKillop 1997 The book provides a first hand account of the processing of a murder case through the French criminal justice system from the initial police investigation through to the compilation of the dossier, the hearing and the appeal, and the press coverage of the case. The study provides an effective comparison between 'adversarial' and 'inquisitorial' processes and will be valuable for anyone with an

interest in comparative law, criminal process and legal systems.

The Sandyford Murder Case. Trial of Mrs. M'Lachlan for Murder [of Jessie MacPherson], Etc-Jessie Maclachlan 1862

The Tattoo Murder Case-Akimitsu Takagi 2003-07-01 One of Japan's most popular mystery writers delivers "scenes of fastidiously executed decadence" in a "tale of sexual obsession" (The New York Times Book Review).

Kinue Nomura survived World War II only to be murdered in Tokyo, her severed limbs discovered in a room locked from the inside. Gone is the part of her that bore one of the most beautiful full-body tattoos ever rendered.

Kenzo Matsushita, a young doctor who was first to discover the crime scene, feels compelled to assist his detective brother, who is in charge of the case. But Kenzo has a secret: he was Kinue's lover, and soon his involvement in the investigation becomes as twisted and complex as the writhing snakes that once adorned Kinue's torso. The Tattoo Murder Case was originally published in 1948; this is the first English translation.

"Clever, kinky, highly entertaining." —The Washington Post Book World "A delightful, different book, not only because of its unusual setting and premise, but because Takagi is a powerful plotter and constructor of fascinating, complex characters." —The A.V. Club "Has all the mind-boggling braininess and dazzling artifice of mystery's Golden Age, spiced with voyeuristic close-ups of a dying art in which postwar Japan remains supreme: full-body tattoos . . . Intricate, fantastic, and utterly absorbing. More, please." —Kirkus Reviews

The Asteroid Murder Case-Arthur Jean Cox 2019-03-26 The murder of UN observer Carl Neal on a lonely outpost of the Asteroid Belt would seem to be only a small human tragedy, and yet it opens up vistas both of millennia of time and of unimaginable distances. Inspector Tom Dooley, Chief of Security of the American Sector of the Belt, together with his faithful "Watson," Ralph Phelps, must sift through the many clues to unravel the mystery of Neal's death—and then keep the aliens from interfering. A first-rate science fiction adventure combined with a classic mystery!

The Omelet Murder Case-Tim Kelly 1984 Imagine what would happen if the tragedy of Hamlet were played like a story in a trashy, pulp fiction magazine. The bard would never be the same. Shy on poetry but loaded with poetic license, The omelet murder case introduces Chicago's number one private investigator and hack writer, "Shake" Speare, who is noted for his juicy yarns. All the familiar characters are present (more or less) but the twists and turns of plot are not quite what the immortal bard had in mind.

The Soapy Murder Case-Tim Kelly 2011-03 Tim Kelly A Who Dunit Soap Opera Farce Characters: 5 male, 5 female. Interior Set Life in a soap opera meets life in a New York City penthouse with hysterical results! Old Horatio Tucker, sponsor of television's most popular daytime soap, "The Best Tears of Our Lives," has received an anonymous note telling him that the clue to his killer can be found in the next day's episode. Things become woefully muddled when a nasty network executive, Ivy Medea Robespierre, is done

Cold Case: Murder of Bill Comeans-Pamela Lillian Valemont

The Brooklyn Heights Murder Case-Nick Adams 2009-01-12 Because his dog, Lady, has been shot to death, Dr. Luke Riley sinks into depression. He wonders who could have had such a terrible grudge against him and visits his ex-wife, Nora, and his ex-girl friend Julie to confront them. Anyone could have hired a hopped-up punk to do the job. Three days later, Helen, his estranged wife, (They live together but lead separate live) is shot to death in their Brooklyn Heights townhouse. At this point Inspector Harry Franks becomes involved the case. And Luke, who found her body, is the prime suspect. A few weeks later Luke's ex-girlfriend, Julie, is wounded as she returns home late at night from her bartending job. Luke, who has just spoken to her at the bar, is again the prime suspect. Harry Franks thinks Riley has all the motives in the world. Will Luke be arrested? Witness the fine work of the police and Riley, himself, to clear his name in this riveting thriller, what was the real motive? Will the Brooklyn Heights Murder Case be solved?

Images of a Murder: A Cold Case Murder Mystery Based on a True Story-John W. Hanson 2009-06-01 The year is 1955, and the small peaceful coastal community of Carmel-by-the-Sea would be shocked by the vicious murder and mutilation of one of its citizens, former silent screen actress Carla Miles. Local law enforcement would work vigorously to solve the crime that had all the indications the killer was a psychopathic sexual sadist. During the investigation, several good suspects were questioned but the police could never link them to the crime. The case would eventually die as a famous unsolved murder. Thirty-five years would pass before an eyewitness to the murder would come forward to contact Detective Colt Hannon. This would start a cold case murder investigation that would impact the detective's career for the rest of his life. The Carla Miles murder case is based on a true homicide investigation that took over thirty-five years before its final conclusion.

Flash -- Hold for Murder!-Paul Whelton 2009-01-31 The embarrassingly dead body of a local gangster, a respected millionaire being bled by blackmailers, and an elusive dancer of parts named Renee and only a few of the dangers for an ace reporter!

A Delicate Case of Murder-Sinclair Gluck 1937

Love Triangle = Murder-Charles Neuf

The Kennel Murder Case-S.S. Van Dine 2013-10-08 When Archer Coe, a collector of Chinese ceramics, is found dead in his bedroom with the door bolted on the inside, everybody from the district attorney to the medical examiner regards it as suicide. But detective Philo Vance suspects a sinister and carefully crafted murder. Although the circumstances surrounding the death of Archer Coe are so mysterious and contradictory that for a time no solution seems possible, the brilliant Philo Vance brings the case to an unexpected but satisfying conclusion in the end. The Kennel Murder Case, first published in 1933, moves swiftly with one mystery following another until the clever resolution. It is considered one of the best of Philo Vance novels in the series for its interesting characterization and gripping action and suspense.

Exploring the Mandatory Life Sentence for Murder-Barry Mitchell 2012-10-19 Murder is often regarded as both the 'ultimate' and a unique crime, and whereas courts are normally given discretion in sentencing offenders, for murder the sentence is mandatory - indeterminate imprisonment. Since the crime and the punishment come as a 'package deal' this book looks at both the legal nature of the offence and at the current operation of the mandatory life sentence. Not only does the book adopt a critical approach, by assessing the strengths and weaknesses of the status quo, it also draws upon comparative material from both common and civil law jurisdictions in an attempt to provide a comprehensive exploration of these issues. The need for public confidence in the criminal justice system is particularly acute in the way it deals with the most serious homicides. In this book the authors report findings from the first systematic exploration of public attitudes to sentencing murder in this or any other common law jurisdiction. The picture of public opinion emerging from this recent large-scale nationwide qualitative and quantitative survey, funded by the Nuffield Foundation, is likely to surprise many, and will be of interest to all jurisdictions where the mandatory life sentence for murder has been questioned.

Murder was the Case-Susan Neely 2013-12-05 Whitney Kingston's life changes when she and her family move to Lexington Falls, a suburb that is nothing short of being a utopia. Whitney learns that things aren't always what they seem when someone she loves turns up dead...murdered. Whitney enlists the help of Britney Beaumont, the most popular girl in school, to find the killer. Whitney and Britney soon realize that solving a murder mystery is

harder than they anticipated when they encounter lack of suspects and more questions unanswered. When the girls discover something unimaginable, will they have the courage to step up and close the case?

The High Beams Murder Case-Anthony Wolff 2014-02-24 A woman borrows her housekeeper's car and drives off a cliff. She had claimed that her daughter had just called, saying that she was injured at the base of the cliff and needed help. But the daughter insisted she knew nothing of such a call.. How could a mother have failed to recognize her own child's voice? What made her lose control of the car? And why did the daughter hire the detectives to prove that the accident was actually murder?

Death/Innocence-Peter Meyer 1986-07

Hansard's Parliamentary Debates-Great Britain. Parliament 1882

1981: 365 Days Of True Crime, Cold Cases, Murder & Serial Killers-Ben Oakley 2020-12-20 This is your true crime almanac for the year 1981! True Crime 365 is a series of books that include at least one true crime related incident for every single day of the year! Including sports, films, music, books, video games and bonus facts! Each entry and record has been fact-checked and cross-referenced to ensure you have the best book possible in your hands. Ready to dive into a year of extraordinary true crime?

Maggots, Murder, and Men-Zakaria Erzinçlioglu 2013-08-27 The science of forensic entomology-the application of insect biology to the investigation of crime-is extremely specialized, combining as it does an expert knowledge of entomology with keen powers of observation and deduction. Dr. Erzinçlioglu has been a practitioner for over twenty-five years and has been involved in a great number of investigations, including some recent high-profile cases, where his evidence has been critical to the outcome. A great admirer of Sherlock Holmes, Dr. Erzinçlioglu compares his own techniques with those of his fictional hero, and takes the reader behind the often gruesome but deeply fascinating scenes of a murder investigation. This absorbing book ranges over cases from history, prehistory and mythology to the present day and is as gripping and readable as a good thriller.

The Corporal Works of Murder-Sister Carol Anne O'Marie 2003-06-16 Poor Inspector Gallagher -- his premonition was right. Sister Mary Helen is once more in the middle of a homicide case. Not that she wants to be. No one would envy the poor nun, who finds herself holding a dying young woman -- shot to death in the street almost directly outside the Refuge for homeless women where Mary Helen volunteers. And even while she grieves over the loss of life, Mary Helen spots something odd about the victim. Although she is wearing near-rags, her skin is unblemished and healthy-looking. Her perfect teeth are white and unstained. She doesn't look like a woman whose life has been spent in poverty, in the streets. Mary Helen's feeling is borne out when she discovers that the dead woman was a Vice Department officer trying to find the people responsible for a neighborhood prostitute ring. And in spite of her own conscience warning her, the old nun feels that since the murder happened in front of HER refuge, it is her duty to find the officer's killer. She justifies this by telling herself that her connections with the women who use the Refuge put her in a unique position to get some inside information about what is going on in their neighborhood. After all, isn't one of the Refuge's very own women, Geraldine, the aunt of Junior Johnson? And isn't Junior just about the most powerful and knowledgeable man in the 'hood? So Sister Mary Helen plunges in, determined to find Sarah Spencer's killer. Her "invasion" of the case enrages Inspector Gallagher, but if she is to succeed, his further fury will be well worth Mary Helen's triumph. The police officers assigned to the crimes that turn out to be "hers" might make a case that someone Mary Helen's age is running a serious risk when she deals with criminals and their world. But the delightful old nun has the weapons of her logical mind, and her determination. And just maybe Someone whom she serves is rooting for her. In any case, she is able to work out of perilous situations, come up with commonsense answers, and gather a huge circle of loving fans as she meddles in murder.

Murder in a Small Village-Daniel L. Scott 2013-08-09 Special thanks to my wife. Without her help, this could not have been written.

Big Trouble-J. Anthony Lukas 2012-07-17 Hailed as "toweringly important" (Baltimore Sun), "a work of scrupulous and significant reportage" (E. L. Doctorow), and "an unforgettable historical drama" (Chicago Sun-Times), Big Trouble brings to life the astonishing case that ultimately engaged President Theodore Roosevelt, Supreme Court justice Oliver Wendell Holmes, and the politics and passions of an entire nation at century's turn. After Idaho's former governor is blown up by a bomb at his garden gate at Christmastime 1905, America's most celebrated detective, Pinkerton James McParland, takes over the investigation. His daringly executed plan to kidnap the radical union leader "Big Bill" Haywood from Colorado to stand trial in Idaho sets the stage for a memorable courtroom confrontation between the flamboyant prosecutor, progressive senator William Borah, and the young defender of the dispossessed, Clarence Darrow. Big Trouble captures the tumultuous first decade of the twentieth

century, when capital and labor, particularly in the raw, acquisitive West, were pitted against each other in something close to class war. Lukas paints a vivid portrait of a time and place in which actress Ethel Barrymore, baseball phenom Walter Johnson, and editor William Allen White jostled with railroad magnate E. H. Harriman, socialist Eugene V. Debs, gunslinger Charlie Siringo, and Operative 21, the intrepid Pinkerton agent who infiltrated Darrow's defense team. This is a grand narrative of the United States as it charged, full of hope and trepidation, into the twentieth century.

Murder in Montbleu-Nancy Famolari 2010-09-04 When her husband, Peter's, car roars down his mistress' driveway narrowly missing her, Sara has had enough. Determined to face her rival, she enters the house only to find the woman sprawled on the floor in a pool of blood. Suddenly, she's the primary suspect, but what if Peter committed the murder? Chess Devon, Deputy Police Chief, thinks Sara's innocent, but Chess has romantic problems of her own. The man she dumped in San Francisco is now Chief of Detectives in Scranton, and he wants her help. More than murder is going on in Montbleu and he's committed to finding out what it is.

The Journal [afterw.] The Madras journal of literature and science, ed. by J.C. Morris-Madras literary society 1836  
Monkey See, Monkey Murder-Jack Bates 2011-12-03 Hack Ward thought he had found a niche market for his skills as a private investigator when Hollywood came to Detroit. When washed up director Will Peyton gets pegged to direct a low-brow family comedy starring a chimp and a perpetual bad-girl pop star, Hack gets brought in by Peyton to keep an eye on starlet Haley Goslin. It's not because Peyton is concerned about her image; it's because Peyton is in love with the younger woman and doesn't want her fooling around on him. It isn't long, however, before events on the set start turning sinister. Hack is on hand the day the chimp has a psychotic episode and attacks Haley. Saving her life sets off a chain of events that bring Hack and Haley closer together and puts them in more and more danger. On the morning she gets called into the set to shoot some additional footage, they have no idea they are getting called into a trap. When it comes to murder, which is the more dangerous animal? Chimp ... or man?

Report of the Commissioners Appointed to Inquire Into the Courts of Law in Scotland-Great Britain. Law Courts Commission 1869

Report on the state of police in the Lower Provinces [afterw.] Report on police (administration).-Bengal 1878  
The Murder of Vincent Van Gogh-Ka Shott 2008-12 The Murder of Vietnamescent van Gogh There is one incontrovertible fact, Vietnamescent van Gogh (the famous and infamous 19th century painter) was shot and died. Was Vietnamescent van Gogh murdered? That question can only be answered with logical supposition: when it is impossible to prove the truth or untruth of a thing then truth matters little. Therefore, what is known as the truth could be a lie and, contrary-wise, what is believed a lie may prove Truth. Let us begin this tale where all good murders begin: a body. Not Vietnamescent van Gogh's, but a woman's. The Year: 1879. The place: Le Chat Noir...

Anatomy of Injustice-Raymond Bonner 2013 From Pulitzer Prize winner Raymond Bonner, the gripping story of a grievously mishandled murder case that put a twenty-three-year-old man on death row. In January 1982, an elderly white widow was found brutally murdered in the small town of Greenwood, South Carolina. Police immediately arrested Edward Lee Elmore, a semiliterate, mentally retarded black man with no previous felony record. His only connection to the victim was having cleaned her gutters and windows, but barely ninety days after the victim's body was found, he was tried, convicted, and sentenced to death. Elmore had been on death row for eleven years when a young attorney named Diana Holt first learned of his case. With the exemplary moral commitment and tenacious investigation that have distinguished his reporting career, Bonner follows Holt's battle to save Elmore's life and shows us how his case is a textbook example of what can go wrong in the American justice system. Moving, enraging, suspenseful, and enlightening, Anatomy of Injustice is a vital contribution to our nation's ongoing, increasingly important debate about inequality and the death penalty.

The Trial of ... J. W. W., Indicted for the Murder of ... G. Parkman ... Reported for the Boston Journal-John White WEBSTER 1850

The Trial of Prof. John W. Webster, Indicted for the Murder of Dr. George Parkman, at the Medical College (North Grove Street) on the 23d of November, 1849-John White Webster 1850
