“[Rachel] Joyce’s beguiling debut is [a] modest-seeming story of ‘ordinary’ English lives that entralls and moves you as it unfolds.”—People (four stars) Meet Harold Fry, recently retired. He lives in a small English village with his wife, Maureen, who seems irritated by almost everything he does. Little differentiates one day from the next. Then one morning a letter arrives, addressed to Harold in a shaky scrawl, from a woman he hasn’t heard from in twenty years. Queenie Hennessy is in hospice and is writing to say goodbye. But before Harold mails off a quick reply, a chance encounter convinces him that he absolutely must deliver his message to Queenie in person. In his yachting shoes and light coat, Harold Fry embarks on an urgent quest. Determined to walk six hundred miles to the hospice, Harold believes that as long as he walks, Queenie will live. A novel of charm, humor, and profound insight into the thoughts and feelings we all bury deep within our hearts, The Unlikely Pilgrimage of Harold Fry introduces Rachel

The Magical Snow Garden-Tracey Corderoy 2015-09-10
War Gardens-Lalage Snow 2018-09-06 'A remarkable book . . . It's a powerful testament to the healing balm of gardening and the resilience of the human spirit in the direst of circumstances.' *Financial Times* 'Not a happy book and yet it's magically heartening. It makes a gardener question his or her values.' *The Times* 'This extraordinary book...warm and engaging...like a photograph magicked to life.' *Spectator* 'Snow has spent ten years as a photographer and filmmaker covering unrest . . .

Throughout that time she has sought comfort in green oases and come to understand "how vital gardens are 'against a horrid wilderness' of war". . . There can be few counter-narratives as enchanting and sad as those Snow recounts in *War Gardens*.' *Times Literary Supplement* 'For all these victims of war, their gardens

are places in which to breathe, providing moments of calm, hope and optimism in a fragile life of horror and uncertainty. For many, it helps them to grieve. Books seldom bring a lump to my throat, but this one did.' Spectator 'What makes War Gardens the most illuminating garden book to be published this year, is the realisation that people's gardens are the antidotes to the horrors of their surroundings.' Country Life A journey through the most unlikely of gardens: the oases of peace people create in the midst of war In this millennium, we have become war weary. From Afghanistan to Iraq, from Ukraine to South Sudan and Syria, from Kashmir to the West Bank, conflict is as contagious and poisonous as Japanese knotweed. Living through it are people just like us with ordinary jobs, ordinary pressures and ordinary lives. Against a new landscape of horror and violence it is up to them to maintain a modicum of normality and colour. For some, gardening is the way to achieve this. Working in the world's most dangerous war zones, freelance war

correspondent and photographer Lally Snow has often chanced across a very moving sight, a testimony to the triumph of the human spirit in adversity, a celebration of hope and beauty: a war garden. In Kabul, the royal gardens are tended by a centenarian gardener, though the king is long gone; in Camp Bastion, bored soldiers improvise tiny gardens to give themselves a moment's peace; on both sides of the dividing line in Jerusalem families tend groves of olives and raise beautiful plants from the unforgiving, disputed landscape; in Ukraine, families tend their gardens in the middle of a surreal, frozen war. War Gardens is a surprising, tragic and beautiful journey through the darkest places of the modern world, revealing the ways people make time and space for themselves and for nature even in the middle of destruction. Illustrated with Lally Snow's own award-winning photography, this is a book to treasure.

A runaway international bestseller, *The Unlikely Pilgrimage of Harold Fry* followed its unassuming hero on an incredible journey as he traveled the length of England on foot—a journey spurred by a simple letter from his old friend Queenie Hennessy, writing from a hospice to say goodbye. Harold believed that as long as he kept walking, Queenie would live. What he didn't know was that his decision to walk had caused her both alarm and fear. How could she wait? What would she say? Forced to confront the past, Queenie realizes she must write again. In this poignant parallel story to Harold's saga, acclaimed author Rachel Joyce brings Queenie Hennessy's voice into sharp focus. Setting pen to

paper, Queenie makes a journey of her own, a journey that is even bigger than Harold's; one word after another, she promises to confess long-buried truths—about her modest childhood, her studies at Oxford, the heartbreak that brought her to Kingsbridge and to loving Harold, her friendship with his son, the solace she has found in a garden by the sea. And, finally, the devastating secret she has kept from Harold for all these years. A wise, tender, layered novel that gathers tremendous emotional force, *The Love Song of Miss Queenie Hennessy* underscores the resilience of the human spirit, beautifully illuminating the small yet pivotal moments that can change a person's life. Praise for *The Love Song of Miss Queenie Hennessy* "In the end, this lovely book is full of joy. Much more than the story of a woman's enduring love for an ordinary, flawed man, it's an ode to messy, imperfect, glorious, unsung humanity. . . . [Queenie's] love song is for us. Thank you, Rachel Joyce."—The Washington Post "Destined to

change your world. One can't help but see life, and the end of it, differently after experiencing this novel. Full of wisdom and heart, it will overwhelm its readers with a deep sensitivity."—Bookreporter "[A] beguiling follow-up . . . In telling Queenie's side of the story, Joyce accomplishes the rare feat of endowing her continuing narrative with as much pathos and warmth, wisdom and poignancy as her debut. Harold was beloved by millions; Queenie will be, too."—Booklist (starred review) "Delightful and dark . . . But Joyce is so deft that when the book is over and you close the cover, the darkness fades. What sticks with you is the light of Queenie's unwavering love."—Minneapolis Star Tribune "[A] deeply affecting novel . . . Culminating in a shattering revelation, [Queenie's] tale is funny, sad, hopeful: She's bound for death, but full of life."—People "Joyce's writing at moments has a simplicity that sings. She captures hope best of all."—The Guardian "Joyce has a wonderfully evocative turn of phrase and

like her other books this is a delightful read. . . . Uplifting and moving.”—Daily Express
“Joyce nicely calls the book a companion rather than a sequel. But *The Love Song* is bolder than a retread of the same material from another angle. . . . After two such involving novels, readers are bound to wish for a third.”—The Telegraph
“[Joyce] manages to both add depth to an already strong work and build something new and beautiful upon it.”—The A.V. Club

Gold in the Snow- 2014-04-23
Who among us hasn't treasured memories of yesteryear told to us by our 'elders'? Aleta Miller has gathered vignettes and woven them into a tapestry of life in a Sierra Gold Rush mining town exotically named Port Wine (near Whiskey Diggins and Poker Flat). She has captured the essence of California's pioneer spirit, mining nuggets of real life stories that lay buried under yesteryear's journalism: Two story deep snowdrifts compete with a mountain visitor in a Locomobile. Civil

liceolefilandiere.it on

War politics blend in with birth pains of the new California statehood. Downhill ski races lift spirits of beleaguered residents of Port Wine and La Porte, also known as Rabbit Creek. Uncontrollable fires gut reconstructed towns with diabolical regularity. In addition, we meet colorful characters who have touched the hills including Black Bart, Dutch Kate, Bret Harte, the Blue Lake Monster and Sasquatch. There is something for everyone in this delightful read. Aleta Farren Miller, as a young girl, became enamored of California gold country history during occasional visits to the Davis Motor Mine. The mine tunneled into a mountainside within a mile of Port Wine, CA. It was operated by Aleta's cousins Fred and Durward Davis and produced a modest quantity of gold. Aleta was enchanted by the remoteness of the location as well as by the surroundings which have changed very little over the last 100 years. Passing encounters with "old timers" and whimsical poetry adorning grave sites in the Pioneer Cemetery stimulated

a growing interest. Many of her relatives and even a pet parrot are buried there. With the help of her mother, Rilla Farren Cross, other family members, the archives of Bancroft Library at U.C. Berkeley, and The Mountain Messenger Newspaper at Downieville, CA, the interest culminated in Aleta investing almost a decade undertaking this collection of what now may be classified as journalistic memorabilia. We are indebted to her instinctive ability to sort out and preserve this remarkable collection of memories. Her own background and personal experiences make her uniquely capable of understanding and synthesizing the insight that she gained from that time in California history. Snow Falling on Cedars-David Guterson 2009-08-17 He saw the soft cedars of San Pedro Island, its high, rolling hills, the low mist that lay in long streamers against its beaches, the whitecaps riffling its shoreline. The moon had risen already behind the island - a quarter moon, pale and indefinite, as ethereal and translucent as the wisps of cloud that travelled the skies. A fisherman is found dead in the net of his boat off the coast of a North American island. When a local Japanese-American man is charged with his murder, it becomes clear that what is at stake is more than one man's guilt. For on San Pedro, memories grow as thickly as cedar trees - memories of a charmed romance between a white boy and a Japanese girl. Above all, the island is haunted by what happened to its Japanese residents during the Second World War, when an entire community was sent into exile while its neighbours watched. Haroldsville-Jerry Young 2015-04-18 Jerry D Young was born at home, in Senath, Missouri July 3, 1953. At age 5 the family rented a small farm house on an active farm 40 miles southwest of St. Louis. While the family weren't farmers, they lived something of a homestead type life, raising a milk cow, sometimes two, and calves, a pig or two, chickens, and the occasional goat. Along with the stock, a large garden helped to feed Jerry's three brothers and two sisters for several years. Fishing and hunting contributed to the pantry, as did foraging the wild edibles on the property. At the age of 14, the family, minus a brother and two sisters that were now adults and on their own, moved back to Senath. Having been encouraged from an early age to read, Jerry was a regular

liceolefilandiere.it on

patron of the Senath Branch Library. A love of a good story was born within him, and shortly before graduating high school, for a lack of stories that he liked at the library, he began to write short vignettes, and started taking notes for stories that he wanted to tell. Well, a full life interceded, and the writing didn't resume for several years. But while working a job with a much free time, and the then newfangled home computer, Jerry began to write in earnest. With the occasional gap in the process, Jerry continued to research and write, never believing he could ever be published. But when he turned 50, he wanted a change in his life, left the job he was doing and began focusing on his writing. When he became ill, the writing stopped, but not the

inspiration. When he started writing again, in 2004, after getting the medical problems under control, he began to read some on-line stories dealing with emergency preparedness, one of his other loves. The die was cast. Now with over a hundred of the vignettes and short stories about how to survive disasters written, along with his other novels, Jerry decided to go for broke, adding one of his previous works every few days to his list of stories now available, Jerry continues to write, both the Prep/PAW stories, as well as action adventure with a little romance type stories that first got him started.
