Faith and Freedom-Teresa Forcades 2016-11-28 Teresa Forcades, Spanish Benedictine nun, theologian, physician and political activist, is one of Europe's leading radical thinkers. Marrying her Catholic faith with a passion for social justice, she came to prominence for her eloquent condemnation of the abuses of some of the world's biggest pharmaceutical companies. She has gone on to found a leading Catalan anti-capitalist independence movement and is one of the leading voices in the world today against the injustices of capitalism and the patriarchy of modern society and of her own church. In Faith and Freedom, her first book written in English, she skilfully weaves together her personal experiences with a reflection on morality, religion and politics to give a trenchant account of how the Christian faith can be a dynamic force for radical change. Placing herself in a powerful tradition of Catholic social doctrine and Liberation Theology, she applies her perspective to the issues most precious to her: freedom and love, social justice and political engagement, public health, feminism, faith and forgiveness. Structured around the five canonical hours that give its peculiar rhythm to the monastic day, this book is a thoughtful and bold polemic against the exploitation and injustice of the status quo. Its call for liberty, love and justice will resonate with anyone disaffected with a savage and destructive political and economic system that marginalises and murders the poor and undermines the very fabric of social life.

Infectious Diseases of Mauritius-Gideon Informatics, Inc. 2019-01-24 Infectious Diseases of Mauritius is one in a series of GIDEON ebooks which explore all individual infectious diseases, drugs, vaccines, outbreaks, surveys and pathogens in every country of the world. Data are based on the GIDEON web application ([www.gideononline.com](http://www.gideononline.com)) which relies on standard text books, peer-review journals, Health Ministry reports and ProMED, supplemented by an ongoing search of the medical literature. Chapters are arranged alphabetically, by disease name. Each chapter is divided into three sections: 1. Descriptive epidemiology 2. Status of the disease in Mauritius 3. References A chapter outlining the routine vaccination schedule of Mauritius follows the diseases chapters. There are 358 generic infectious diseases in the world today. 197 of these are endemic, or potentially endemic, to Mauritius. A number of other diseases are not relevant to Mauritius and have not been included in this book. In addition to endemic diseases, all published data regarding imported diseases and infection among expatriates from Mauritius are included.

Bunk-Kevin Young 2017-11-14 Longlisted for the National Book Award for Nonfiction "There Kevin Young goes again, giving us books we greatly need, cleverly disguised as books we merely want. Unexpectedly essential."—Marlon James Award-winning poet and critic Kevin Young tours us through a rogue's gallery of hoaxers, plagiarists, forgers, and fakers—from the humbug of P. T. Barnum and Edgar Allan Poe to the unrepentant bunk of JT LeRoy and Donald J. Trump. Bunk traces the history of the hoax as a peculiarly American

phenomenon, examining what motivates hucksters and makes the rest of us so gullible. Disturbingly, Young finds that fakery is woven from stereotype and suspicion, race being the most insidious American hoax of all. He chronicles how Barnum came to fame by displaying figures like Joice Heth, a black woman whom he pretended was the 161-year-old nursemaid to George Washington, and What Is It?, an African American man Barnum professed was a newly discovered missing link in evolution. Bunk then turns to the hoaxing of history and the ways that forgers, plagiarists, and journalistic fakers invent backstories and falsehoods to sell us lies about themselves and about the world in our own time, from pretend Native Americans Grey Owl and Nasdijj to the deadly imposture of Clark Rockefeller, from the made-up memoirs of James Frey to the identity theft of Rachel Dolezal. In this brilliant and timely work, Young asks what it means to live in a post-factual world of "truthiness" where everything is up for interpretation and everyone is subject to a pervasive cynicism that damages our ideas of reality, fact, and art.

Faustus-David Mamet 2009-09-09 Having put his personal stamp on the contemporary theater, David Mamet now performs the supremely audacious feat of reinventing the theater of the past. He does so by telling his own ingenious and eerily moving version of the tragedy of Dr. Faustus. Mamet's Faustus—like Marlowe's and Goethe's before him—is a philosopher whose life's work has been the pursuit of "the secret engine of the world." He is also the distracted father of a small, adoring son. Out of the clash between love and intellect and the fatal operation of Faustus' pride, Mamet fashions a work that is at once caustic and heart-wrenching and whose resplendent language marries metaphysics to conman's patter. A meditation on reason and folly, fathers and sons, and a breathtaking display of magic both literal and theatrical, Faustus is a triumph.

The Fraud-Barbara Ewing 2010-01-06 1765. Filippo di Vecellio of Florence, portrait painter, is the toast of London: rich, successful, and married to Angelica, known as the most beautiful woman in the city. Their Pall Mall home is the hub of the art world; their impressive social gatherings run so smoothly by Filippo's silent sister, Francesca. But beneath the surface, the house conceals a swarm of dangerous secrets. Where does Francesca di Vecellio go as the sun sets over Covent Garden? And why are there always candles lit in her attic, while no candles burn for her brother's exquisite wife? Within the bustling artistic lives of the di Vecellios hides corruption and lies; love and tragedy. And wild ambition unbalances the capital's art world as, finally, a wonderful portrait battles for the right to paint the truth . . .

Wellsprings-Anthony De Mello 2013-07-24 One of the most important inspirational writers of our time, and an internationally acclaimed spiritual guide, Anthony de Mello here presents a way toward peace of mind, inner power, and joy through simple spiritual exercises that blend the ancient traditions of the East with the psychological and philosophical perspectives of the West. Wellsprings is intended to guide us to a deeper appreciation of the physical and mystical realms within us. In these pages, numerous aspects of self-awareness are explored that for many people are often left uncultivated in the rapid pace of modern life. In the tradition of the great spiritual leaders of the past, de Mello directs the whole person toward a state of harmony and grace -- in heart and mind, body and soul. This book's great insights into our universal spiritual yearnings have had tremendous resonance the world over, and its simple lessons of the spirit have touched the lives of millions. Wellsprings is indeed a book for everyone who thirsts for inner growth -- regardless of age, religion, or cultural background. If read carefully, its exercises will lead from mind to body, from thought to fantasy and feeling. It is then that we are both freed and empowered, awakened to reality and our real selves. For, as the teacher explains, "in solitude your self is given back to you."

Jesus-Carlo Maria Martini 2019-02-22 Why did Jesus speak in parables? This is the question that brings together the reflections in this volume, a collection of meditations preached by Cardinal Martini at a spiritual retreat. With profound wisdom, Martini reflects on the many gospel parables - parables about the seed, judgement, call, the lost and found. He highlights and identifies first of all how Jesus has the need to communicate the mystery of the Father very much at heart. But the mystery of the God is so far beyond any notion of ours that it is precisely for this reason it can be expressed in so many ways. Hence, to reveal the confounding love of the Father, Jesus chooses to speak in parables, in this way respecting our freedom and also being attentive to our fragility. Jesus' parables also force the listener to take a stance regarding his message and person. It is a book that introduces us to a wise reading of the Gospel and to hearing the questions hidden within the Scriptures, as well as tasting God's presence.

One Minute Nonsense-Anthony De Mello 2003-05

The Blanket Man Visits New York-Christopher Rendine 2008-09 During a brutally cold winter period, a mysterious individual sporadically distributes blankets to the homeless without being identified or his motive established.

Three such recipients, Walter, Fred, and Agnes, not only acquire these heart-warming gifts, but also receive visions of foreboding and hope through dreams. Spanning a period from one Christmas season to the next, Walter, Fred, and Agnes experience a rise from rags to mediocrity based solely on a series of events placing them in the right place at the right time. Their adventure begins in a frantically paced section of New York City and culminates in a small, quiet town in Maine. Throughout the journey, they are forever cognizant of the gifts from the anonymous blanket man. Eventually acquiring the means to do so, their retribution takes the form of assisting others along the way towards fulfilling their own destiny.
