Spanish Colonial Women and the Law (English Edition)-Linda Tigges 2017-06-08 Women in early 18th century Spanish Colonial New Mexico had rights and privileges under Spanish law that were not enjoyed by other women in North America until the late 19th and early 20th century. Women were considered separate entities under the law and valuable members of Spanish society. As such, they could own property, inherit in their own name, and act as court witnesses. In particular they could make accusations and denunciations to the local alcalde mayor and governor, which they frequently did. The documents in this book show that Spanish Colonial women were aware of their rights and took advantage of them to assert themselves in the struggling communities of the New Mexican frontier. In the documents, the women are shown making complaints of theft, physical and verbal abuse by their husbands or other women, and of non-payment of dowries or other inheritance. Other documents are included showing men accusing women of misrepresenting property ownership and dowry payments and of adultery and slander. Spain was a legalistic society and both women and men used the courts to settle even minor matters. Because the court proceedings were written down by a scribe and stored in the archives, many documents still exist. From these, thirty-one have been selected allowing us to hear the words of some outspoken Spanish women and the sometimes angry men, speaking their minds in court about their spouses, lovers of their spouses, children, and relatives, as well as their land, livestock and expected inheritance. The documents translated into English in this book are a small number of the existing documents held in Santa Fe at the Spanish Archives of New Mexico, at the Bancroft Library at University of California, the Archivo General de la Nacion in Mexico City, and elsewhere. A synopsis, editor’s notes, maps, and biographical notes are provided. The material can be considered a companion, in part, to Ralph Emerson Twitchell’s 1914 two volumes, The Spanish Archives of New Mexico, available in new editions from Sunstone Press. Sunstone Press has also published a Spanish/English edition both in both hardcover and softcover.

A Soldier’s Promise-First Sgt. Daniel Hendrex 2006-07-01 After the overthrow of Saddam Hussein, First Sergeant Daniel Hendrex was dispatched along with his unit, Dragon Company, to Husaybah, a small town bordering Syria in the Sunni-dominated Al Anbar Province in Iraq. Their mission was to plug the bottleneck at the border checkpoint, where foreign fighters and weapons smugglers were filtering through daily to join the increasingly menacing insurgency growing rapidly in the region. It was at this checkpoint, amid relentless attacks, that Daniel and his men found the most effective ally of the war effort in the most unlikely of sources. In December 2003 a skinny Iraqi kid about fourteen years old approached one of the soldiers at the border and said simply, "Arrest me." Jamil, as he was called, claimed to have valuable information about the insurgency, but First Sergeant Hendrex was skeptical -- especially when the boy announced that the man he wanted to turn in was his own father. The story that unfolds is one of heartbreaking tragedy, remarkable courage, and unprecedented resiliency, as this child of the insurgency takes it upon himself to fight back with the help of the U.S. Army...and loses everything in the process -- his country, his home, and his family. But through the power of his own conviction and his finely honed survival skills, Jamil (who was quickly nicknamed Steve-O by the soldiers of Dragon Company) sought refuge with the U.S. military in exchange for information. He risked everything he knew for a chance at freedom -- a choice few men, let alone children, have to make in their lifetimes. And after Steve-O helped save countless lives, First Sergeant Hendrex made it his personal mission to repay his debt and get the boy to safety. A Soldier’s Promise is an incredible story of sacrifice and courage by an Iraqi boy and the U.S. soldiers who protected him from certain death by bringing him to the United States. It’s an astonishing tale of two countries and two very different kinds of people joining together against terror and tyranny, and of the young man who, against all odds, gave Dragon Company what they desperately needed -- hope.

Fairy Story / Сказки Мира (ENGLISH EDITION + RUSSIAN EDITION)-The Brothers Grimm 2016-01-18 We all know we believe or want to believe in fairy tales. We are all ready to answer Peter Pan’s monumental question whether we believe in fairy tales with a resounding “yes!” We all know that fairy tales are tied to real life experiences more than we pretend they aren’t. We ward off fairy tales and pretend that they are intended mainly for children because they tell more truth than we want to know, and we absorb fairy tales because they tell us more truth than we want to know. They are filled with desire and optimism. They drip with brutality, bluntness, violence, and perversity. They expose untruth, and the best are bare, brusque, and concise. They stamp our minds and perhaps our souls. They form another world, a counter world, in which social justice is more readily attained than in our actual world where hypocrisy, corruption, hyping, exploitation, and competition determine the outcome of social and political interactions and the quality of social relations. ____ RUSSIA: У старика была дочь-красавица, жил он с нею тихо и мирно, пока не женился на другой бабе, а та баба была злая ведьма... The Parliamentary Debates (Authorized Edition)-Great Britain. Parliament 1972

Four Soldiers-Hubert Mingarelli 2018-10-09 "Its simplicity lends it grandeur. One thinks of Maxim Gorky, or even the early sketches of Tolstoy." —The Wall Street Journal “A small miracle of a book, perfectly imagined and perfectly achieved.”

—Hilary Mantel, author of Booker Prize-winning novels Wolf Hall and Bring up the Bodies A novel of war, revolution, youth, and friendship by the “remarkable” (Ian McEwan) French author of A Meal in Winter Hubert Mingarelli’s simple, powerful, and moving stories of men in combat have established him as one of the most exciting new voices in international fiction. In Four Soldiers he tells the story of four young soldiers in 1919, members of the Red Army during the Russian civil war. It is set in the harsh dead of winter, just as the soldiers set up camp in a forest in Galicia near the Romanian front line. Due to a lull in fighting, their days are taken up with the mundane tasks of trying to scratch together what food and comforts they can find, all the time while talking, smoking, and waiting. Waiting specifically for spring to come. Waiting for their battalion to move on. Waiting for the inevitable resumption of violence. Recalling great works like Isaac Babel’s Red Cavalry, Ernest Hemingway’s A Farewell to Arms, and Stephen Crane’s The Red Badge of Courage, Four Soldiers is a timeless and tender story of young male friendships and the small, idyllic moments of happiness that can illuminate the darkness of war.
