Sunset Song-Lewis Grassic Gibbon 2007-08-30  
WITH AN INTRODUCTION BY ALI SMITH Young  
Chris Guthrie lives a brutal life in the harsh  
landscape of northern Scotland, torn between  
her passion for the land, duty to her family and  
her love of books. When her mother, broken by  
repeated childbirths, takes her own life and  
poisons her two youngest children, Chris is left

with her father to run the farm on her own. Soon  
she is alone, and for the first time can choose  
how to spend her life. But as the First World War  
begins, everything changes, and the young men  
leave Scotland for battle. The first in Gibbon's  
classic trilogy A Scot's Quair, Sunset Song is  
infused with local vernacular, and innovatively  
blends Scots and English in an intense  
description of Scottish life in the early twentieth

century.

A Twentieth-century Literature Reader-Suman  
Gupta 2005 This critical Reader is the essential  
companion to any course in twentieth-century  
literature. Drawing upon the work of a wide  
range of key writers and critics, the selected  
extracts provide: a literary-historical overview of  
the twentieth century insight into theoretical  
discussions around the purpose, value and form  
of literature which dominated the century closer  
examination of representative texts from the  
period, around which key critical issues might be  
debated. Clearly conveying the excitement  
generated by twentieth-century literary texts and  
by the provocative critical ideas and arguments  
that surrounded them, this reader can be used  
alongside the two volumes of Debating  
Twentieth-Century Literature or as a core text  
for any module on the literature of the last  
century. Texts examined in detail include:  
Chekhov's The Cherry Orchard, Mansfield's

The Lord's Song in a Strange Land-Jeffrey A. Summit 2003-03-27 Across the United States, Jews come together every week to sing and pray in a wide variety of worship communities. Through this music, made by and for ordinary folk, these worshippers define and re-define their relationship to the continuity of Jewish tradition

and the realities of American life. Combining oral history with an analysis of recordings, The Lord's Song in a Strange Land examines this tradition in contemporary Jewish worship and explores the diverse links between the music and both spiritual and cultural identities. Alive with detail, the book focuses on metropolitan Boston and covers the full range of Jewish communities there, from Hasidim to Jewish college students in a transdenominational setting. It documents a remarkably fluid musical tradition, where melodies are often shared, where sources can be as diverse as Sufi chant, Christmas carols, rock and roll, and Israeli popular music, and where the meaning of a song can change from one block to the next.

The New Cambridge Bibliography of English Literature-George Watson 1972 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation and coordination that it has

been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957, to add materials of the following decade, to correct and refine the bibliographical details already available, and to re-shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.

Scottish Literature in English and Scots-Douglas Gifford 2002 This substantial new volume is a stimulating yet in-depth introduction to Scottish literature in English and Scots. From medieval to modern, the entire range of literature is introduced, examined and explored. Aimed primarily at those with an interest in Scottish literature, this guide also responds to the need

for students and teachers to have detailed discussions of individual authors and texts. The volume looks at Scottish literature in six period sections: Early Scottish Literature, Eighteenth-Century, The Age of Scott, Victorian and Edwardian, The Twentieth-Century Scottish Literary Renaissance, and Scottish Literature since 1945. Each section begins with an overview of the period, followed by several chapters examining exemplary authors and texts. Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing. Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors. Opening up neglected areas of study as well as responding to the burgeoning interest in novelists, modern poets and dramatists, this book serves as an invaluable guide to Scottish Literature.

The New Encyclopedia of Southern Culture-M.  
Thomas Inge 2014-02-01 Offering a  
comprehensive view of the South's literary

landscape, past and present, this volume of The New Encyclopedia of Southern Culture celebrates the region's ever-flourishing literary culture and recognizes the ongoing evolution of the southern literary canon. As new writers draw upon and reshape previous traditions, southern literature has broadened and deepened its connections not just to the American literary mainstream but also to world literatures--a development thoughtfully explored in the essays here. Greatly expanding the content of the literature section in the original Encyclopedia, this volume includes 31 thematic essays addressing major genres of literature; theoretical categories, such as regionalism, the southern gothic, and agrarianism; and themes in southern writing, such as food, religion, and sexuality. Most striking is the fivefold increase in the number of biographical entries, which introduce southern novelists, playwrights, poets, and critics. Special attention is given to contemporary writers and other individuals who have not been widely covered in previous scholarship.
