The Shadow King: A Novel-Maaza Mengiste 2019-09-24 A gripping novel set during Mussolini's 1935 invasion of Ethiopia, The Shadow King takes us back to the first real conflict of World War II, casting light on the women soldiers who were left out of the historical record. With the threat of Mussolini's army looming, recently orphaned Hirut struggles to adapt to her new life as a maid in Kidane and his wife Aster's household. Kidane, an officer in Emperor Haile Selassie's army, rushes to mobilize his strongest men before the Italians invade. His initial kindness to Hirut shifts into a flinty cruelty when she resists his advances, and Hirut finds herself tumbling into a new world of thefts and violations, of betrayals and overwhelming rage. Meanwhile, Mussolini's technologically advanced army prepares for an easy victory. Hundreds of thousands of Italians—Jewish photographer Ettore among them—march on Ethiopia seeking adventure. As the war begins in earnest, Hirut, Aster, and the other women long to do more than care for the wounded and bury the dead. When Emperor Haile Selassie goes into exile and Ethiopia quickly loses hope, it is Hirut who offers a plan to maintain morale. She helps disguise a gentle peasant as the emperor and soon becomes his guard, inspiring other women to take up arms against the Italians. But how could she have predicted her own personal war as a prisoner of one of Italy's most vicious officers, who will force her to pose before Ettore's camera? What follows is a gorgeously crafted and unputdownable exploration of female power, with Hirut as the fierce, original, and brilliant voice at its heart. In incandescent, lyrical prose, Maaza Mengiste breathes life into complicated characters on both sides of the battle line, shaping a heartrending, indelible exploration of what it means to be a woman at war.

The Painted Shadows-Eva Poole 2017-05-26 Elias Raven's poetry has been gaining critical acclaim since he came onto the poetry scene a few years ago. His book "The Painted Shadows" has been recognized by many as a work that is both refreshing and challenging at the same time. His poetry is familiar, yet the style is fully his own. The authors meditations on love & loss, life & death, religion & spirituality, his own personal identity, humanity, history & sexuality all form a compelling narrative for the reader as he pushes the absolute limits of his creativity. This poet delves deeply into his past and present taking us all on a very real and personal journey of the spirit as he seeks to articulate his visions with the rest of us. "The poetry of his writing embodies a range of feelings and images that are always unpredictable, yet beautiful and haunting at the same time...His words resonate with the reader and open doorways to the limitless possibilities [whether he] is proposing his own re-interpretation or vision to historical images and text. His words are painful to read at times, the images that come forth bleed from his heart echoing in the interior of his soul, screaming his pain... Still other passages are deeply erotic and mesmerizing, leaving the reader to wonder how much is from this poets own personal reality. He can look into the night and transcend meaning, his words leave an indelible impression, causing the reader to dive back in again and again looking for hidden meanings and gems among the passages...Elias truly gives space to poetic meaning and initiates further dialogue leaving the reader wanting more and more." KB The assembled guest poets that are in the back of this book of poetry both old and new form a wonderful compliment to this gifted writers verse. Familiar names from the indie writing community like Ethan Radcliff, Alan Walker & Alexandria Sure along with a slew of new and upcoming poets all form a wonderful framework and introduction to this writers poetic vision.
