A Sorceress of His Own-Dianne Duvall 2015-05-31 From the New York Times bestselling author of the acclaimed Immortal Guardians series comes an enchanting new series full of romance, danger, and loyalty: The Gifted Ones Since the day Lord Dillon earned his spurs, rumors of his savagery on the battlefield have preceded him into every room, stilling tongues and sparking fear. Weary of battle, he wishes only to find a woman he can wed who will approach him not with fear, but with the tenderness that has been absent from his life for so long. Yet only the wisewoman seems invariably at ease in his presence. Perhaps because she garners the same fear in others that he does himself. For seven years, Alyssa has been by Lord Dillon's side, counseling him from the shadows, healing him with her hands, and staving off the worst of his loneliness while his fearsome reputation keeps others at bay. Blessed-or cursed-with gifts that label her a sorceress, she is forced to conceal her youth and the love she harbors for him beneath umbral robes that lead Dillon and his people to believe she is the same aged wisewoman who served his father. All is revealed, however, and passions flare when an enemy threatens Dillon's life and Alyssa sacrifices everything to save him. When Dillon discovers that the wisewoman is far from elderly, he is instantly entranced. And, as he and Alyssa work together to defeat an enemy bent on destroying them both, Dillon will risk anything—even the wrath of his king-to be with her. The Fifth Sorceress-Robert Newcomb 2002-07-30 In The Fifth Sorceress, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. In its wake, those who masterminded the bloodshed—a quartet of powerful, conquest-hungry Sorceresses—were sentenced to exile, with return all but impossible and death all but inevitable. Now a land of peace and plenty, protected and guided by a council of immortal wizards, Eutracia is about to crown a new king. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own mysterious magic—it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods, ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. No Apparent Distress: A Doctor's Coming of Age on the Front Lines of American Medicine-Rachel Pearson 2017-05-09 A brutally frank memoir about doctors and patients in a health care system that puts the poor at risk. No Apparent Distress begins with a mistake made by a white medical student that may have hastened the death of a working-class black man who sought care in a student-run clinic. Haunted by this error, the author—herself from a working-class background—dives into the stories and politics of a medical training system in which students learn on the bodies of the poor. Part confession, part family history, No Apparent Distress is at once an indictment of American health care and a deeply moving tale of one doctor's coming-of-age.
