Sociopath-Lime Craven 2015-04-21 Reach for the scars... Remember me? Aeron Lore: happy and humble. A people person. All around nice guy. Even I can't say that with a straight face. But seriously, things are going great. Leo's behaving herself; I'm enjoying making sure she behaves. We're a great team. SilentWitn3ss, our live-streaming news project, has launched to my favorite things ever: controversy and profit. So when the FBI comes to me and wants to use SilentWitn3ss footage to trace a serial killer named Blood Honey, I'm only too happy to be superior-I mean, to help. And if Leo thinks the brutal Blood Honey and I have a few things in common, I guess that's to be expected, given my rather unique preferences in the bedroom. My...condition. But I'm not like him. I can't stand that she would even think it. If his actions threaten my relationship with Leo, I'll hunt that fucker down myself. If he gets too close for comfort, I will make him bleed-and trust me, he's closer than I ever anticipated. There's a food chain, grasshoppers. The buck doesn't stop with him. It stops with me. Blood Honey is a nasty son of a bitch, but I can be a lot worse. Question is...do I want to be?

Mushroom Town-Oliver Onions 2015-10-27 On a Friday afternoon in the June of the year 1880, a roomy old shandrydan, midway between a trap and a wagonette, moved slowly along the Porth Neigr and Llanyglo road. It had been built as a pair-horse vehicle for Squire Wynne, of Plas Neigr, but the door at the back of it now bore the words, "Royal Hotel, Porth Neigr," and its present or some intermediate owner had converted it to the use of a single horse. The shaky-kneed old brown animal at present between the shafts might have had a spirit-level inside him, so unerringly did he become aware when the road departed by as much as a fraction from the true horizontal. Taking the good with the bad, he was doing a fair five miles an hour. At each of its revolutions the off hind-wheel gave a dry squeak like a pair of boots that has not been paid for. The day was warm, and hay was cutting. Combings of hay striped the hedges where the carts had passed, and as the Royal Hotel conveyance was so wide that it had to draw in in order to allow anything else to pass it, wisps had lodged also in the cords of the great pile of boxes and brown tin trunks that occupied the forward part of it. Honeysuckle tangled the hedge-tops; the wild roses were out below; and in the ditches the paler scabious was of the colour of the sky, the deeper that of the mountains towards which the old horse lazily clop-clopped....

The Perfect Submissive-Kay Jaybee 2012-06 Hidden behind the Fables Hotel's respectable facade, five specially adapted rooms wait; ready to cater for the kinky requirements of its guests. When Mrs Peters, the mistress of the hotel's exclusive entertainment facility, meets the new booking clerk, Jess Sanders, she instantly recognises the young woman's potential as a deliciously meek addition to her specialist staff. All it will take is a little education. Under the tutelage of the dominatrix, Miss Sarah, Jess learns to cope with her unexpected training schedule, the increasingly erotic chill she experiences each time she survives a new level of correction, and a truly sexy exercise routine. Temporarily distracted from her intimidating rule over Fable's top floor by an enigmatic artist, Mrs Peters begins to plan how she can secure his obedient assistance, in grooming Jess into the perfect submissive... The Best of Kay Jaybee-Kay Jaybee 2013-08 Fourteen of the very best erotic tales of dominance, submission, bondage, and romantic lust, are delivered with lashings of kink from the pen of Kay Jaybee. From the sexual adventures recalled by a woman as she stares at her favourite shirt, to a deliciously dirty orgy on a bed of cardboard boxes, the after-hours education of a rookie soldier, and the bizarre obsession of an Egyptologist, each story shows why Kay Jaybee has been hailed as 'a master of the craft of erotica' (Oysters and Chocolate). As a girl writes messages of lust on the body of her best friend's lover, and a mistress's employment of ropes and chains on her slave co-insides with the application of emulsion, we discover just how Kay has earned her reputation for producing 'super-heated kinky stories,' (Kd Grace), which are 'a sublime pleasure to read' (Violet Blue).
