Sudden Engagement-Julie Miller 2010-06-01 With blazing blue eyes and beckoning broad shoulders, Brett Taylor was irresistible to most women. But Detective Ginny Rafferty wasn't about to succumb to his potent charm. The lady cop had learned early about love and betrayal, and buried her feelings beneath her badge. So the last thing she wanted was to pose as the brawny neighborhood hero's adoring fiancée, especially since she went weak in the knees every time he came too close. However, they had each lost a loved one to the killer they hunted, and Ginny needed Brett's connections to catch the perpetrator. Except she knew better than anyone that this sudden engagement could endanger her heart--and her life. But some things were worth the risk.

Lost in Bliss-Lexi Blake 2018-09-25 Re-released in a second edition with new content. Laura Niles walked out the door and never looked back. As she left Washington, DC, her career was in ruins and her love life decimated. Her desperate flight eventually led her to Bliss, Colorado, where she managed to find a new home and a little peace. That will have to be enough because Laura cannot imagine finding happiness without the men she left behind. For five years, Rafe Kincaid and Cameron Briggs have searched for the only woman they ever loved. When she disappeared, everything became crystal clear. For one night, everything had been perfect and instead of embracing what they had found, they let it all slip away. They had let worries about their FBI careers and what others might think destroy the most precious gift they had ever been given. Now they have finally tracked her down, and they want answers. Laura is shocked when her former loves show up in her new home. When the full force of the FBI arrives with them, Laura knows that the quirky little town is in for a rough ride. The killer that ruined her life has been watching and waiting for the opportunity to strike again. For Rafe, Cam, and Laura it's time for second chances — to stop a monster, and to reclaim everything they lost.

The House of the Lost Court-Alice Muriel Williamson 1908 A wealthy American widow and her daughter, Dolores, come over to England for a lengthy stay, and, looking for a furnished house, rent the fine old Tudor mansion known as Queen's Quadrangles. There are certain conditions attached to the tenancy: they have to keep one or two of the ancient servitors, and the Lady Rosamund stipulates that they shall allow her to remain in residence, nominally as their housekeeper. Strange rumors reach them of a tragedy that overhangs the place; there is talk of it being haunted, and a persistent tale of the house having been built with three courts, though it now only possesses two. Dolores sees the ghost that haunts the grounds, and follows it into the missing third court, and a friendship springs up betwixt her and the young, sad-featured "ghost" that begins the unraveling of a mystery.

ENGAGEMENT IN PERIL-DARA ODOE SOK 2011-12-12 It's funny; it takes your death for people to realize what you were trying to tell them while you were still living!" Engagement in Peril is Dara Odoe Sok's third book in a series of three. This selection is his longest and most detailed published work. Here Sok features the life of his beloved Shin-Shin Igami and uncovers the many trials and tribulations that Igami had endured in the hands of betrayal, deceit and lies. This shocking and provocative piece takes readers to the sharp and double-edged sword that describes the ambivalence, the inconsistencies and ironies that was bequeathed into Sok's and Igami's lives. With blatant expressions, this brave and bold read holds nothing back. The author bluntly shares his experiences in the identical image that is reflected in his mind, void of any pretensions or sugar-coating. This book is for a mature set of readers who has the open-mind and wide understanding for radical beliefs, ideas and expressions.

Lost and Found-Charles W. McAdam 1999-12-01 Liz Culkin and Hugh Staynback experience love at first sight while students at Rutgers College in New Jersey, in 1948. Glorifying in their first experience in romantic love, they are convinced that no power on earth could ever come between them. Of course, they are mistaken, as Hugh's commitment to his invalid mother coupled with his other family members' refusal to commit themselves to such an intrusion into their lives, leads to a truly heartbreaking separation of the lovers. This tale traces their lives, alternately, over a span of twenty years during which time they experience the good and the bad, with the latter, especially in Liz's case, being the dominant condition. As a high school principal she becomes entangled with a succession of men of power who resent her success in a male-dominated society and her fierce determination to stand by her principles regardless of the cost to herself. While she is surviving these twenty years, she often longs for the love and devotion she thought she had found in Hugh, who also experiences many difficult years, especially when he is exposed to the ravages of war in Korea. It is during those most difficult years when he frequently immerses himself in his memories of Liz and of the ecstatic love they once shared. Then, one day in 1972 Hugh decides that he must find Liz, and he launches his search in a most unorthodox manner, by reserving a banquet room in a facility in Hackensack, N.J., where he fully intends to be a groom at a wedding reception in the near future.

The Lost Domain-Alain-Fournier 2013-10-10 The arrival of Augustin Meaulnes at a small provincial secondary school sets in train a series of events that will have a profound effect on his life, and that of his new friend François Seurel. It is Seurel who recalls the impact of le grand Meaulnes, disruptive and charismatic, on his schoolmates, and the encounter that is to haunt them both. Lost, and alone, Meaulnes stumbles upon an isolated house, mysterious revels, and a beautiful girl. When he returns to Seurel it is with the fixed determination to find the house again, and the girl with whom he has fallen in love. But the dreamlike days in the lost domain are evanescent, and Meaulnes is torn between his love and competing claims of loyalty and friendship. Alain-Fournier's lyrical novel captures the painful transition from adolescence to adulthood without sentimentality, and with heart-wrenching yearning. Romantic and fantastical, it is the story's ultimate truthfulness about human experience that has captivated readers for a hundred years. In her Introduction to this centenary edition, Hermione Lee considers the qualities that have established its reputation.
