A Suitable Boy-Vikram Seth 1994

A Suitable Boy-Vikram Seth 2005-10-04 Vikram Seth's novel is, at its core, a love story: Lata and her mother, Mrs. Rupa Mehra, are both trying to find -- through love or through exacting maternal appraisal -- a suitable boy for Lata to marry. Set in the early 1950s, in an India newly independent and struggling through a time of crisis, A Suitable Boy takes us into the richly imagined world of four large extended families and spins a compulsively readable tale of their lives and loves. A sweeping panoramic portrait of a complex, multiethnic society in flux, A Suitable Boy remains the story of ordinary people caught up in a web of love and ambition, humor and sadness, prejudice and reconciliation, the most delicate social etiquette and the most appalling violence.

All You who Sleep Tonight-Vikram Seth 1990

Two Lives-Vikram Seth 2006 TWO LIVES tells the remarkable story of Seth's great uncle and aunt. His great uncle Shanti left India for medical school in Berlin in the 1930s and lodged with a German Jewish family. In the household was a daughter, Henny, who urged her mother 'not to take the blackie'. But a friendship developed and each managed to leave Germany and found their way to Britain as the Nazis rose to power. Shanti joined the army and lost his right arm at the battle of Monte Cassino, while Henny (whose family were to die in the camps) made a life for herself in her adopted country. After the war they married and lived the emigre life in north London where Shanti, despite the loss of his arm, became a much-loved dentist. During his own adolescence in England, Vikram Seth lived with Shanti and Henny and came to know and love them deeply. His is the third life in this story of TWO LIVES. This is also a book about history, encompassing as it does many of the most significant themes and events in the 20th century, whose currents are reflected in the lives of Shanti, Henny and their family: from the Raj and the Indian freedom movement to the Third Reich, the Holocaust and British postwar society.

More Than This-Patrick Ness 2013-09-10 From two-time Carnegie Medal winner Patrick Ness comes an enthralling and provocative new novel chronicling the life — or perhaps afterlife — of a teen trapped in a crumbling, abandoned world. A boy named Seth drowns, desperate and alone in his final moments, losing his life as the pounding sea claims him. But then he wakes. He is naked, thirsty, starving. But alive. How is that possible? He remembers dying, his bones breaking, his skull dashed upon the rocks. So how is he here? And where is this place? It looks like the

suburban English town where he lived as a child, before an unthinkable tragedy happened and his family moved to America. But the neighborhood around his old house is overgrown, covered in dust, and completely abandoned. What's going on? And why is it that whenever he closes his eyes, he falls prey to vivid, agonizing memories that seem more real than the world around him? Seth begins a search for answers, hoping that he might not be alone, that this might not be the hell he fears it to be, that there might be more than just this. . . .

About a Boy-Nick Hornby 2005-05-05 THE MILLION COPY NO. 1 BESTSELLER 'A very entertaining and endearing read' The Times

'How cool was Will Freeman?' Too cool! At thirty-six, he's as hip as a teenager. He's single, child-free, goes to the right clubs and knows which trainers to wear. He's also found a great way to score with women: attend single parents' groups full of available (and grateful) mothers, all hoping to meet a Nice Guy. Which is how Will meets Marcus, the oldest twelve-year-old on the planet. Marcus is a bit strange: he listens to Joni Mitchell and Mozart, looks after his mum and has never owned a pair of trainers. But Marcus latches on to Will - and won't let go. Can Will teach Marcus how to grow up cool? And can Marcus help Will just to grow up? This astonishing novel, now a modern classic, was adapted for the acclaimed film *About A Boy*, starring Hugh Grant and Nicholas Hoult. 'A stunner of a novel. Utterly read-in-one-day, forget-where-you-are-on-the-tube-gripping' Marie Claire 'About the awful, hilarious, embarrassing places where children and adults meet, and Hornby has captured it with delightful precision' Irish Times 'It takes a writer with real talent to make this work, and Hornby has it - in buckets' Literary Review

and offers for the first time a rigorous attempt to hold together the stimulating impulses of postcolonial theory, subaltern studies and the boom of Indian fiction in English. In opposition to the entrenched narrative of modernity as a single, universally valid formation originating in the West, the theoretical and literary texts under discussion engage in a shared project of refiguring the present as a site of heterogeneous genres of modernity. The book traces these figurative efforts with particular attention to the treatment of two privileged metonymies of modernity: the issues of time and home in Indian fiction. Combining close readings of literary texts from Salman Rushdie to Kiran Nagarkar with a wide range of philosophical, sociological and historiographic reflections, *Genres of Modernity* is of interest not only for students of postcolonial literatures but for academics in the fields of Cultural Studies at large.

Siddhartha-Hermann Hesse 2015-10-06 *Siddhartha* is a 1922 novel by Hermann Hesse that deals with the spiritual journey of self-discovery of a man named Siddhartha during the time of the Gautama Buddha. The book, Hesse's ninth novel, was written in German, in a simple, lyrical style. It was published in the U.S. in 1951 and became influential during the 1960s. Hesse dedicated the first part of it to Romain Rolland and the second to Wilhelm Gundert, his cousin. The word Siddhartha is made up of two words in the Sanskrit language, *siddha* (achieved) + *artha* (what was searched for), which together means "he who has found meaning (of existence)" or "he who has attained his goals". In fact, the Buddha's own name, before his renunciation, was Siddhartha Gautama, Prince of Kapilvastu. In this book, the Buddha is referred to as "Gotama".

The Order of Things-Michel Foucault 2005-08-18 When one defines "order" as a sorting of priorities, it becomes beautifully clear as to what Foucault is doing here. With virtuoso showmanship, he weaves an intensely complex history of thought. He dips into literature, art, economics and even biology in *The Order of Things*, possibly one of the most significant, yet most overlooked, works of the twentieth century. Eclipsed by his later work on power and discourse, nonetheless it was *The Order of Things* that established Foucault's reputation as an intellectual giant. Pirouetting around the outer edge of language, Foucault unsettles the surface of literary writing. In describing the limitations of our usual taxonomies, he opens the door onto a whole new system of thought, one ripe with what he calls "exotic charm". Intellectual pyrotechnics from the master of critical thinking, this book is crucial reading for those who wish to gain insight into that odd beast called Postmodernism, and a must for any fan of Foucault. *Charlie and the Great Glass Elevator*-Roald Dahl 2007-08-16 From the bestselling author of *Charlie and the Chocolate Factory* and *The BFG!* Last seen flying through the sky in a giant elevator in *Charlie and the Chocolate Factory*, Charlie Bucket's back for another adventure. When the giant elevator picks up speed, Charlie, Willy Wonka, and the gang are sent hurtling through space and time. Visiting the world's first space hotel, battling the dreaded Vermicious Knids, and saving the world are only a few stops along this remarkable, intergalactic joyride.

A Room Called Earth-Madeleine Ryan 2020-08-18 The debut novel from an

autistic writer, an extraordinary story of a fiercely original young woman whose radical self-acceptance illuminates a new way of being in the world, and opens up a whole new realm of understanding and connection As a full moon rises over Melbourne, Australia, a young autistic woman gets ready for a party. What appears to be the start of an ordinary night out, though, is, through the prism of her mind, extraordinary. As the events of the night unfold, she moves from person to person, weaving a web around the magical, the mundane, and the tragic. She's charming and witty, with a touch of irreverence; people can't help but find her magnetic. However, each encounter she has, whether with her ex-boyfriend or a woman who wants to compliment her outfit, reveals the vast discrepancies between what she is thinking, and feeling, and what she is able to say. And there's so much she'd like to say. When she meets a man in line for the bathroom, and the possibility of intimacy and genuine connection occurs, it's nothing short of a miracle. It isn't until she invites him home, though, and into her remarkable world that we come to appreciate the humanity beneath the labels we cling to, to grasp, through her singular perspective, the visceral joy of what it means to be alive. From the inimitable mind of Madeleine Ryan, an outspoken advocate for neurodiversity, *A Room Called Earth* is a magical and miraculous adventure inside the mind of an autistic woman. Humorous and heartwarming, and brimming with joy, this hyper-saturated celebration of acceptance is a testament to moving through life without fear, and to opening ourselves up to a new way of relating to one another. *English Heart*, Hindi Heartland-Rashmi Sadana 2012-02-02 *English Heart*, Hindi Heartland examines Delhi's postcolonial literary world—its institutions, prizes, publishers, writers, and translators, and the cultural geographies of key neighborhoods—in light of colonial histories and the globalization of English. Rashmi Sadana places internationally recognized authors such as Salman Rushdie, Anita Desai, Vikram Seth, and Aravind Adiga in the context of debates within India about the politics of language and alongside other writers, including K. Satchidanandan, Shashi Deshpande, and Geetanjali Shree. Sadana undertakes an ethnographic study of literary culture that probes the connections between place, language, and text in order to show what language comes to stand for in people's lives. In so doing, she unmasks a social discourse rife with questions of authenticity and cultural politics of inclusion and exclusion. *English Heart*, Hindi Heartland illustrates how the notion of what is considered to be culturally and linguistically authentic not only obscures

larger questions relating to caste, religious, and gender identities, but that the authenticity discourse itself is continually in flux. In order to mediate and extract cultural capital from India's complex linguistic hierarchies, literary practitioners strategically deploy a fluid set of cultural and political distinctions that Sadana calls "literary nationality." Sadana argues that English, and the way it is positioned among the other Indian languages, does not represent a fixed pole, but rather serves to change political and literary alliances among classes and castes, often in surprising ways. *Infinite Jest*-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, *Infinite Jest* bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. *The BFG (Colour Edition)*-Roald Dahl 2016-09-13 'Human beans is not really believing in giants, is they? Human beans is not thinking we exist.' On a dark, silvery moonlit night, Sophie is snatched from her bed by a giant. Luckily it is the Big Friendly Giant, the BFG, who only eats snozzcumpers and glugs frobscottle. But there are other giants in Giant Country. Fifty foot brutes who gallop far and wide every night to find human beans to eat. Can Sophie and her friend the BFG stop them? *A Civil Contract*-Georgette Heyer 2011-11-01 "A five-star job of sheerly delightful romance writing."- Chicago Sunday Tribune Can the wrong bride become the perfect wife? Adam Deveril, the new Viscount Lynton, is madly in love with the beautiful Julia Oversley. But he has returned from the Peninsular War to find his family on the brink of ruin and his ancestral home mortgaged to the hilt. He has little choice when he is introduced to Mr. Jonathan Chawleigh, a City man of apparently unlimited wealth and no social ambitions for himself-but with his eyes firmly fixed on a suitable match for his only daughter, the quiet and decidedly plain Jenny Chawleigh.
