Pax in Bello / Peace in War-Robert E Osborne 2016-07-21 25 years after my father passed away, I came across a draft of a book he started. My editing and publishing leaves much of the original text intact and only clarifies or adds informative detail where necessary. I was proud and honoured to take this up where my father left off. Many books have been written about the Canadian sailors who fought in World War II in ships and the airmen who flew against the enemy in the sky but there have not been many books written about the young Canadians who engaged the enemy in tanks. Apart from Regimental Histories, their brave story is rarely told This book is an attempt to remedy that by telling the experience of a young boy becoming a man as a Canadian Grenadier Guard, away from home in England. 4th Canadian Armoured Division, 22nd Canadian Armoured Regiment (22CAR)

The year he became friends with the devil. Sal seems to appear out of nowhere - a bruised and tattered thirteen-year-old boy claiming to be the devil himself answering an invitation. Fielding Bliss, the son of a local prosecutor, brings him home where he's welcomed into the Bliss family, assuming he's a runaway from a nearby farm town. When word spreads that the devil has come to Breathed, not everyone is happy to welcome this self-proclaimed fallen angel. Murmurs follow him and tensions rise, along with the temperatures as an unbearable heat wave rolls into town right along with him. As strange accidents start to occur, riled by the feverish heat, some in the town start to believe that Sal is exactly who he claims to be. While the Bliss family wrestles with their own personal demons, a fanatic drives the town to the brink of a catastrophe that will change this sleepy Ohio backwater forever.

Too Dear for My Possessing-Pamela Hansford Johnson 2012-02 Bruges, bedecked with stiff Madonnas . . . London, going wild in the Twenties . . . Paris, where white powdered faces gleam from cafe tables . . . Against these backdrops unfolds the life of Claud Pickering as he describes his boyhood, dominated by his step-mother Helena, and the complications and compromises, the yearnings and expectations of young adulthood. It is the story of his failed marriage, and it is the story of his passion for Cecil, a singer, who haunts Claud with all the elusiveness -- and the destructiveness -- of a dream. Too Dear For My Possessing is the first volume in the 'Helena' trilogy, in which Pamela Hansford Johnson demonstrates superbly her considerable powers as a novelist. The story continues in An Avenue of Stone and concludes in A Summer To Decide.
