Game Changer-Sylvie Stewart 2019-07-18 There are three things I know about New York so far: everybody is late for something, nobody has a freakin' clue what sweet tea is, and King Kong himself is still alive and well and has taken the form of a growly blacksmith named Mac. This is no shifter story and I'm not his prey, although I wouldn't say no if he asked for a little taste. I've been saddled with interviewing the beast to secure my new dream job in publishing, but his intense stares and monosyllabic responses are making my job impossible. I just need to get this over with and move on to navigating my new life and career. I've got this, right? But my professional and personal challenges are proving bigger than I realized, and Mac might be the only one who truly understands this game. He'll be my biggest ally if I let him—and the way he keeps saying my name makes me really want to let him. The thing is, this city is known for breaking hearts, and it doesn't care if you're the new girl in town or the beast who calls it home. Game Changer is a slow-burn standalone romantic comedy with an emotional punch. Grab your copy and spend the night with Poppy and Mac!
