A Sweet Montana Christmas-Roxanne Snopek 2014-11-21 Melinda Sweet loved her husband before she learned of his wealth and she loves him still, despite the fact that it's gone. Unfortunately, while she knows the collapse of his Chicago financial services business had nothing to do with him, he believes otherwise. His upbeat adjustment to their new – and temporary – life on his grandfather's rundown honey farm is a foil to cover the burden of failure. She wasn't expecting to throw – in five weeks – the traditional Sweet Christmas Open House, but it's a good earning opportunity and how hard could it be? Austin Sweet is determined to make his wife proud of him again. But he also wants to erase the sting of shame he feels from his parents, to whom he owes a debt of gratitude for arranging for this caretaking job. Getting paid to fix up this disaster is better than living in their basement, sure. But what does he know about bees? Or fixing broken plumbing? Or cleaning a chimney? But when Austin's grandfather gives him the farm as a Christmas gift, there's only one response. Accepting the gift will secure a future that will make his wife even more unhappy than he already is. Refusing the gift will finalize the rift between him and his family, but he'd rather lose them than Melinda. Then he discovers she's spared him the choice. Austin's not-so-Sweet side rears up as he determines that he's done trying to make everyone happy. He'll get his wife back, no matter what. And they'll decide their future together.

Sweet Montana Christmas-Casey Dawes 2015-12-14 Leaving behind her stifling Texas roots, Sue Anne Devereaux plans to open a chocolate shop in her new hometown of Missoula, Montana. She's busy as a bee, joining the women's business league and drumming up new customers. But there's one big distraction: Zach Crippen-the kind of good-looking devil who makes her question if chocolate alone can give her life the sweetness it needs. Security guard Zach can't wait to finish his penance at Missoula's tiny airport, where he was banished after he made a mistake at a larger airport. He'll do anything it takes to get back his reputation and move on to a metropolitan assignment. A casual fling--no strings attached--would be fine with him, but the quirky woman who makes the best chocolate he's ever tasted deserves more than he can give her. Will their dreams cost them a chance at the future, or can they find a way to have their chocolate and eat it, too? Sensuality Level: Behind Closed Doors

The new job means longer hours and more stress when what she really craves is a break. The smart thing to do would be accept the promotion, buckle down, and keep on working. But for the first time in her life, she goes with impulsive and books a flight to Montana to inspect the bookstore, and hopefully have her first white Christmas ever. Texan lawyer and entrepreneur, Atticus Bowen, has found the perfect location for his next restaurant—the two-story, turn-of-the-century brick building on Marietta's Main Street. All he has to do is convince the new owner to sell Paradise Books to him. After all, used bookstores aren't practical or viable businesses, and he's making Rachel Mills a very generous offer. But instead of jumping on his offer, Rachel decides she's going to open the bookstore doors for December and 'explore her options'. The last thing Rachel expected was to fall in love with the old bookstore, or charming Marietta, Montana. She never expected sparks to fly with handsome, arrogant Atticus Bowen, either. Smart, practical Rachel realizes she just might be falling in love with the sexy, opinionated Texan lawyer -- something that could prove to be neither smart, nor practical....or the best decision of her life.
