But the relationship ended and she found herself consumed by a rapidly approaching deadline: age thirty-five, the time at which most pregnancies are deemed "high risk." Lehmann-Haupt traveled around the world and into the heart of America to explore the latest fertility choices available - as well as grapple with her own ambitions, anxieties, and personal values. A witty, poignant, and profoundly honest account of one woman's efforts to reconcile modern love with modern life, In Her Own Sweet Time resonates with a generation that wants it all - career, family, the perfect partner - but one that hasn't yet figured out how to fit it all together.

Felony Melanie in Pageant Pandemonium-Kris Bock 2020-04-30 Big City, Big Glamour, Big TroubleCheck out the new young adult romantic comedy series featuring "Felony Melanie" seven years before the events of the movie Sweet Home Alabama. Before Melanie Smooter became hot fashion designer Melanie Carmichael, she was known as Felony Melanie, the teenage troublemaker of Pigeon Creek, Alabama. Aching to escape the boredom of small-town life, she gets into many reckless adventures. Her boyfriend, Jake, is always by her side - and the local sheriff is usually close behind. When Melanie qualifies for the Miss Alabama Princess Pageant Southern Regional in the big city of Mobile, the first prize scholarship could be her ticket out of Pigeon Creek. But can her homemade dresses compete against the expensive gowns, and can a "trailer trash" girl survive when a haughty debutante will do anything to destroy the competition. Meanwhile, Jake thinks beauty pageants are silly, but he'll be there to support Melanie - as long as he can avoid getting kicked out by hotel security. Then Jake and his friends start to suspect someone is sabotaging the whole pageant. They try to follow the clues, but it isn't easy when everyone dismisses you as redneck kids. Melanie needs to prove herself on stage. Jake and the gang need to make sure she gets the chance. Can they show they're more than what people see on the surface? Douglas J. My Early Travels and Adventures in America and Asia-Henry Morton Stanley 2011-09-22 Sir Henry Morton Stanley (1841-1904) was a journalist and explorer renowned for his adventures in Africa. After emigrating to America in 1859, Stanley worked as a journalist for the New York Herald. In 1869 he was instructed to undertake an expedition to find the missionary David Livingstone, and the success of this mission brought him public recognition and financial success. Published in 1895, these two volumes contain Stanley's early journalistic writing as special correspondent for the Herald and the Missouri Democrat. Volume 2 begins in 1869, when Stanley was sent to report on the inauguration of the Suez Canal, to write a guide to the Nile and to give an account of Sir Charles Warren's explorations underneath Jerusalem, before proceeding through Persia to India. Displaying his characteristic energy, versatility and direct writing style throughout, Stanley portrays, in the words of his publisher, 'life-like pictures of times gone by'.

Sweet Reunion-Melanie Shawn 2017-08-15 For Amanda Jacobs, dealing with the pain of losing her beloved Dad is the toughest thing she's ever gone through, and it comes with a lot of complications, as well - like taking over the family business, Mountain Ridge Outdoor Adventures. It makes her miss

the simplicity of being a teenager, when she was surrounded by her amazing friends, The Fabulous Four, and she was madly in love with her Dad's right hand man, Justin Barnes. His sexy smiles and deep brown eyes had made her heart race in a way she's never felt before or since. When the Fabulous Four unexpectedly show up on her doorstep to support her through this complicated time, things seem to be looking up for Amanda. But that's not the only surprise visit in store for her... Justin Barnes left Hope Falls ten years ago, in the dead of night, and didn't think he'd ever set foot there again. That was just fine with him, except for one little complication: Amanda Jacobs. He had fallen in love with her unruly blonde curls and sparkling sapphire eyes, but she had been a teenager then, five years younger than he - too young for him to act on his attraction. Still, he'd missed her every single day of those ten years. When Justin receives a phone call that his former mentor has passed away, he knows he has to return to Hope Falls. Justin just has one question - will the girl that once adored him have grown into a woman that can't stand him? Or will she still be the only thing in the world that feels like home? **\*\*Author's Note: Each Hope Falls full-length novel can be read as a stand-alone\*\***

**The Fragrance of Sweet-Grass-Elizabeth Rollins Epperly 2014-05-01** When it originally appeared, Elizabeth Rollins Epperly's *The Fragrance of Sweet-Grass* was one of the first challenges to the idea that L.M. Montgomery's books were unworthy of serious study. Examining all of Montgomery's fiction, Epperly argues that Montgomery was much more than a master of the romance genre and that, through her use of literary allusions, repetitions, irony, and comic inversions, she deftly manipulated the normal conventions of romance novels. Focusing on Montgomery's memorable

heroines, from Anne Shirley to Emily Byrd Starr, Valancy Stirling, and Pat Gardiner, Epperly demonstrates that Montgomery deserves a place in the literary canon not just as the creator of *Anne of Green Gables* but as an artist in her chosen profession. Since its publication more than twenty years ago, *The Fragrance of Sweet-Grass* has become a favourite of scholars, writers, and Montgomery fans. This new edition adds a preface in which Epperly discusses the book's contribution to the ongoing research on the life and writing of L.M. Montgomery, reflects on how Montgomery studies have flourished over the past two decades, and suggests new ways to approach and explore the Canadian writer's work.

**Unleashed: A BBW Sweet Romance-Sierra Rose 2020-02-18** Paralegal Rebecca Halsey is determined to make a life for herself in the busy Chicago suburb, away from her fat-shaming family back in California. On her quest to get healthier, she takes a walk past a yard with a precious chained-up dog, and her heart instantly goes out to him. As she goes to implore the owner to treat the sweet pup better, she runs into Logan Caloway—a man who's been faithfully visiting the dog, aptly named Charlie, for months, begging for his release from his chain-link fenced prison. Sparks fly between Logan and Rebecca as they work together to try to get Charlie unleashed from his conditions, despite the dog's stubborn owner and his obstinate resolve to keep the dog for himself for sentimental reasons. Not giving up, Logan, a physical therapist, and animal rescuer, and Navy vet, continues to visit Charlie daily, in hopes he'll run into Rebecca again. Once Charlie is freed, Logan finds Rebecca again, and she suggests they give Charlie a bunch of "firsts"... first beach run, first time sleeping indoors, first dog park visit. But when Charlie receives a diagnosis nobody is expecting, both Rebecca and Logan are crushed, but undeterred from giving Charlie all the love he needs and deserves. The question is, though, when the sparks fly and love begins to blossom between the two humans, will they act on it, or put it aside for the love and care of the dog whom they've both grown irrevocably in love with? Each BBW romance in the series is a standalone love story with an HEA, and can be read in any order. Each book has its own flame rating, depending on the level of heat you'd like. The Literary Digest-Edward Jewitt Wheeler 1911

Romantic Writings-Stephen Bygrave 1996 Romantic Writings is an ideal introduction to the cultural phenomenon of Romanticism - one of the most important European literary movements and the cradle of 'Modern' culture. Here you will find an accessible introduction to the well-known male Romantic writers - Blake, Wordsworth, Coleridge, Byron, Shelley and Keats. Alongside are chapters dealing with poems by Charlotte Smith, Mary Robinson, Ann Barbauld, Elizabeth Barrett Browning which challenge the idea that these men are the only Romantic writers. As a further counterpoint the book also includes discussion of two German Romantic short stories by Kleist and Hoffman. Throughout, close-reading of texts is matched by an insistence on reading them in their historical context. Romantic Writings offers invaluable discussions of issues such as the notion of the Romantic artist; colonialism and the exotic; and the particular situation of women writers and readers.
