Leave It All (Saint Lakes #1)-April Kelley 2019-11-02 Lucas wanted to be a normal human being, but normal is highly over-rated.Lucas Speck had been a guy who worked at an office supply store and house-sat for his snowbird parents. He was nobody special. Or that's what he thought until the headaches and other weird things begin to happen. When people start chasing him his whole life gets turned upside down.Bennett Somerset is a dragon shifter who likes his quiet life in his quiet town. He isn't looking for complications. He already has a family that defines the words weird and crazy to perfection. Good thing they live in a small town where nothing ever happens. That is until he smells the most delicious thing in the world and realizes it's his mate. His little witch of a mate complicates things in ways no one is prepared for, least of all Bennett.

Right Side Up (Saint Lakes #3)-April Kelley 2019-11-02 Is going from vampires who want to drain him of his blood to a wolf shifter for a fated mate honestly an improvement? Because it doesn't feel like one to Shawn.Shawn Bell's motto has always been he'll do anything at least twice, including sell his blood to vampires. When the same vampires try to kidnap his best friend but end up imprisoning him instead, he knows it's time to rethink things. Getting rescued by a wolf shifter named Gabriel Somerset, who claims they're fated mate, should be a good thing, but Gabe turns out to be argumentative, rude, and irritable. Shawn can't wait to get away from him. The problem is he can't exactly leave. Putting himself in the middle of a war between vampires and shifters limits his options. And then there's the fact that he can't seem to shake the attraction for his stubborn, sexy wolf mate. So yeah, stuck. The Journey of Jimini Renn-April Kelley 2016-04-07 In a world without surface water, Jimini Renn wants nothing more than to live inside the protective walls of Adam City for the rest of his life, but his little brother has other ideas. As far as Jimini is concerned, Adam City has everything he needs. It has a well that provides much-needed water, food, and safety from the dangers of the outside world. When his bookworm of a brother leaves to chase waterfalls, Jimini must follow even though he knows it will probably mean his death. His chances of survival are grim when the first person he meets on the outside pulls a gun on him. No one who calls himself a slaver and has a gun has Jimini's safety in mind, even if he is sexy. The journey Jimini expects isn't the one he gets.

Heuer Lost and Found-A. B. Funkhauser 2015-04-23 Unrepentant cooze hound lawyer Jurgen Heuer dies suddenly and unexpectedly in his litter-strewn home. Undiscovered, he rages against God, Nazis, deep fryers, and analogous women who disappoint him. At last found, he is delivered to Weibigand Brothers Funeral Home, a ramshackle establishment peopled with above average eccentrics, including boozy Enid, a former girlfriend with serious denial issues. With her help and the help of a wise cracking spirit guide, Heuer will try to move on to the next plane. But before he can do this, he must endure an inept embalming, feral whispers, and Enid's flawed recollections of their murky past. Is it really worth it?

The Geek and His Artist-Hope Ryan 2016-07-25 Simon Williams spends his lunch periods drawing his geek and trying not to think about the terrors waiting for him at home. He needs to get away from his abusive father before he suffers the same grisly fate as his mother. Because he's learned the hard way running away doesn't work, he's counting the days until his eighteenth birthday. Jimmy Bennet should be spending his lunch studying so his senior GPA is good enough to get him into college, but he can't seem to focus thanks to his distracting artist. When he's given the opportunity to tutor Simon in Trig and discovers Simon's home-life nightmare, he wants nothing more than to get Simon out of danger. This need becomes more urgent when Simon comes to school the Monday after their first date with bruises, but it takes a broken leg before Jimmy can convince his boyfriend the Bennets really want him. But the danger Simon thought was past shows up at the most unexpected time, and he must stand up to the fears he's held so long to protect not only himself, but the man he wants to spend his life with.

Scooter Nation-A B Funkhauser 2019-05-27 Aging managing director Charlie Forsythe begins his work day with a phone call to Jocasta Binns, the unacknowledged illegitimate daughter of Weibigand Brothers Funeral Home founder Karl-Heinz Sr. Alma Wurtz, a scooter-bound sextenarian, community activist, and neighborhood pain in the ass is emptying her urine into the flower beds, killing the petunias. Jocasta shuts him down. A staff meeting has been called and things are about to change. The second novel in the UNAPOLOGETIC LIVES series, SCOOTER NATION takes place two years after HEUER LOST AND FOUND. This time, funeral directors Scooter Creighton and Carla Moretto Salinger Blue take center stage as they battle conflicting values, draconian city-by-laws, a mendacious neighborhood gang, and a self-absorbed fitness guru whose presence shines an unwanted light on their quiet Toronto neighborhood.Winner of numerous indie and digital book awards, A. B. Funkhauser's work has been described by American Funeral Director Magazine as "take-no-prisoners."

Bearly Midnight-Kelcy 2017-08-23 Colm McCreary has left his home in Bear Mountain and come to the shining paranormal city of Midnight, Mississippi. Bound in magic, only paranormal beings can see the portals that bring them inside the boundaries. Humans see nothing but a vast field and wood. First on his agenda is a new job. With the help of fellow transplant, Eilam, Colm seeks a job on the King's Guard. While in an audience with the king, he comes face to face with one member of his triad—a shifter named Theis. Theis isn't prepared to accept that he has a mate. He's worked too long and hard to rise to the ranks that he has to let something as stupid as lust get in the way. But he can't resist the ache his fated partner causes in him. He hopes one heated night of passion will make the desire fade. When it doesn't, he only pushes Colm away. Not long after, Colm meets the last member of their triad—a human. Refusing to let the human go, he illegally smuggles the man into the city. Little gets past the Midnight Security Team, and they quickly come face to face with a king's guardsman tracking him down. Theis is faced with another mate when he didn't want the first. Will he choose Midnight over his mates?

Sinfully Spellbound-Cassandra Lawson 2016-01-09 While most mothers are worried about their adult children getting enough to eat, Allie's succubus mom is worried about her having enough sex-and even Allie has to admit that six months without a man is too long. When she meets Dylan, a warlock with a history of avoiding commitment, he is a temptation she can't resist. While Allie doesn't trust warlocks, she knows this is one night only-no attachments and no emotions. Unfortunately, Dylan doesn't agree with her plan to walk away, and Allie's not sure how long she can resist the sexy warlock who could easily break her heart. Determined to avoid his mother's attempts to get him to settle down with a nice witch, Dylan has kept his romantic involvements limited to casual affairs with humans. That is until a crazy bet leads to a night of unforgettable sex with a succubus, and Dylan knows one night isn't enough. There is just one problem with his plan to pursue Allie-she doesn't trust warlocks. With a killer targeting the local succubus community, Dylan has his hands full trying to keep Allie safe and convince her she can trust him with her heart. While this book is part of a series, it can be read as a standalone novel.

Newton's Laws of Attraction- 2013 Rory was Ben's oldest and best friend until senior year of high school, when they confessed they'd harbored feelings for each other all along. They enjoyed only a few months of happiness until Ben chose closeted popularity over true love... and he's regretted it ever since. Eight years later, Ben is out and proud and teaching art at the same high school he graduated from. When he learns the chemistry teacher is retiring, he's excited to meet her replacement until he finds out the brand new teacher is none other than Rory Newton—the first love he's never quite gotten over. Despite a painfully awkward start, it doesn't take Ben long to realize he'll do whatever it takes to win Rory back. But it's starting to look like even his best might not be enough.

Lessons for Sleeping Dogs-Charlie Cochrane 2015-10-12 Cambridge, 1921 When amateur sleuth Jonty Stewart comes home with a new case to investigate, his partner Orlando Coppersmith always feels his day has been made. Although, can there be anything to solve in the apparent mercy killing of a disabled man by a doctor who then kills himself, especially when everything takes place in a locked room? But things are never straightforward where the Cambridge fellows are concerned, so when they discover that more than one person has a motive to kill the dead men-motives linked to another double death-their wits get stretched to the breaking point. And when the case disinters long buried memories for Jonty, memories about a promise he made and hasn't kept, their emotions get pulled apart as well. This time, Jonty and Orlando will have to separate fact from fiction-and truth from emotion-to get to the bottom of things.

Embrace the Heat-Cassandra Lawson 2014-11-02 On her seventh birthday Layla's mother mysteriously disappeared. Raised by a wood nymph in one of the few remaining human settlements, Layla learned to fight from an early age. She also learned to distrust the vampires who rule most of the land. When a vampire saves her life, Layla finds herself more than a little drawn to him, even knowing he could never give his heart to a human. The trauma of his childhood left Simon weary and distrustful of all humans, until the day he saved Layla's life. After seeing the spirited human fighting like a seasoned warrior, Simon can't help but respect and admire her. He soon learns that Layla is much more than he ever imagined, and he finds it hard to stay away from her. Despite the depths of his feelings, Simon knows there can be no future for them. Both of their worlds are turned upside down as Layla nears her twenty-seventh birthday. Suddenly the male vampires are inexplicably drawn to her, and Simon is no exception. As they unravel the mystery of Layla's heritage, an enemy from their past resurfaces and threatens to destroy Simon and all that he cares for. No cliffhangers. Sunshine is Overrated-Bailey Bradford 2015-10-20 Life with vamps is never easy. Abernathy Meyers is already mated to a vamp, Zebulon. It's just too bad that Zebulon doesn't give a darn about him. Abbie's stuck with the man for eternity—or until they die. Some days, Abbie thinks that can't happen soon enough. He's tired of being treated badly, yet he doesn't really want to make his earthly exit yet. Because he's longed for another man—another vampire—for years. Forbidden love—is anything more compelling, or more heart-breaking? There's a twisted past, a hidden story linking Abbie, Zebulon and the coven leader, Claude. Claude lives with a fear of turning to dust at any moment. It isn't reasonable, but he can't shake it. He's let his own fears impede his potential happiness, and instead he puts the needs of his coven first, ignoring his own. But if he's deliberately blind to one particular human's needs because that human is a mate to another vampire, then is Claude truly leading to the best of his ability? It's a tough question for him to answer and soon, he'll have to make a choice that will affect him and Abbie, forever.

Medicine Buddha/Medicine Mind-MS Charlene Jones M Ed 2015-12-03 Neurons that Fire Together, Wire Together. This famous saying describes how we create our habits, thoughts, behaviours even our actions. In this book the seam between Neuroscience, originator of the maxim "neurons that fire together, wire together" and Visualization reveals a pattern. All those moments of meditation, visualization, repetition all have an effect upon you, and the life you are creating. Using Medicine Buddha as the primary Visualization and quoting extensively from luminaries like Norman Doidge, Marco Iacoboni, and many others, the book reveals how Neuroscience describes Visualization Meditation. Further the exploration extends into the realm of pain and pain management, healing from depression and PTSD and much more.
