The Taste for Things that are True-Henri Tracol 1994-01 Covering a period of half a century, this collection of articles, essays, talks and interviews challenges us to return to the abandoned field of our own lives. It traces what the author describes as the move from dreams and revolts to another state, that of studies, questions on culture, and then to the rediscovery of traditional perspectives. The book includes several essays and talks on the teaching of G.I. Gurdjieff, whose work Tracol first encountered in 1938.

A Taste of Things to Come-Debra Barsha 2019-04-29 Smack-dab in the middle of America in Winnetka, Illinois, four women enter a Betty Crocker cooking contest in hopes of changing their lives. What they get is much more than they bargained for. Little did they know that it would take a zoologist from Indiana University, Alfred C. Kinsey, to really get them "cooking"! In an age when people believed the way to a man's heart was through his stomach, the four women discover that the way to a woman's heart is through her best friends.

Golden Taste of Things to Come-

The Taste of Ethnographic Things-Paul Stoller 2010-11-24 Anthropologists who have lost their senses write ethnographies that are often disconnected from the worlds they seek to portray. For most anthropologists, Stoller contends, tasteless theories are more important than the savory sauces of ethnographic life. That they have lost the smells, sounds, and tastes of the places they study is unfortunate for them, for their subjects, and for the discipline itself. The Taste of Ethnographic Things describes how, through long-term participation in the lives of the Songhay of Niger, Stoller eventually came to his senses. Taken together, the separate chapters speak to two important and integrated issues. The first is methodological—all the chapters demonstrate the rewards of long-term study of a culture. The second issue is how he became truer to the Songhay through increased sensual awareness.

A Taste of Sage-Yaffa S. Santos 2020-05-19 From talented new writer, Yaffa S. Santos, comes this unforgettable, heartwarming, and hilarious rom-com about chefs, cooking, love, and self-discovery that is a cross between The Hating Game and Sweetbitter. Lumi Santana is a chef with the gift of synesthesia—she can perceive a person's emotions just by tasting their cooking. Despite being raised by a single mother who taught her that dreams and true love were silly fairy tales, she decides to take a chance and puts her heart and savings into opening a fusion restaurant in Inwood, Manhattan. The restaurant offers a mix of the Dominican cuisine she grew up with and other world cuisines that have been a source of culinary inspiration to her. When Lumi's eclectic venture fails, she is forced to take a position as a sous chef at a staid, traditional French restaurant in midtown owned by Julien Dax, a celebrated chef known for his acid tongue as well as his brilliant smile. Lumi and Julien don't get along in the kitchen—to say Lumi is irritated by Julien's smug attitude is an understatement, and she secretly vows never to taste his cooking. Little does she know that her resolve doesn't stand a chance against Julien's culinary prowess. As Julien produces one delectable dish after another, each one tempting Lumi with its overwhelming aromas and gorgeous presentations, she can no longer resist and samples one of his creations. She isn't prepared for the feelings that follow as she's overcome with intense emotions. She begins to crave his cooking throughout the day, which throws a curveball in her plan to save up enough money and move on as soon as possible. Plus, there's also the matter of Esme, Julien's receptionist who seems to always be near and watching. As the attraction between Lumi and Julien simmers, Lumi experiences a tragedy that not only complicates her professional plans, but her love life as well... Clever, witty, and romantic, A Taste of Sage is sure to delight and entertain readers until the very last page.

A Taste for Red-Lewis Harris 2010-09-06 A sixth-grade Goth girl who thinks she's a vampire encounters her greatest nemesis when she enrolls at Sunny Hill Middle School in this hilarious and entirely original take on the vampire genre for middle graders. Svetlana Grimm has recently discovered she's a vampire. The clues are all there: she can eat only red foods, has to sleep under the bed because of her heightened sensitivity to light and noise, and can read others' thoughts. But this new discovery is making her transition from home-schooling to attending sixth grade at Sunny Hill Middle School that much more difficult. After all, what can she possibly have in common with those jellybean-eaters in her class? She prefers to watch them from afar in her hidden lair atop the Oak of Doom in her backyard. But things get more interesting when Svetlana's cruel yet beautiful science teacher, Ms. Larch, reads her thoughts. Svetlana is excited to have found another of her kind—until her new neighbor, The Bone Lady, fills her in on Ms. Larch's true identity and her own. What happens when your sixth-grade science teacher might also be your immortal enemy?

Treat with Caution-Serenity Woods 2014-09-18 Treats to Tempt You, Book 1 An enemies-to-lovers romance with heat and heart. Tasha Wilde has spotted the perfect site for the Treats to Tempt You confectionery shop she's planning to run with her best friend, Maisey. It's the ideal size and location, right on the waterfront in Doubtless Bay, New Zealand. The only fly in the melted chocolate is Maisey's brother, Kole. He wants the shop for his photography business, and he's about to sign the lease. Tasha and Kole Graham have trod the wafer-thin line between friends and enemies since they were teenagers. Privately, she acknowledges Kole has grown up into a fine figure of a man. Okay, to be honest, he's so sexy he often dismantles the speech center of her brain. But he's still the most irritating guy on Earth. Kole tries to think of Tasha as just his sister's best friend, but it's getting harder and harder. Literally. And he's having trouble hiding it. So when their friends suggest a bet with the shop as the prize, and it means he can get his hands on Tasha, he's quick to agree. The Shakespearean-style scheme? To get the other person to fall in love with them. In eight days. Both are confident their attraction is only physical. Both are going to get into trouble. But who will win the bet on Midsummer night? Warning: Sultry and steamy, with rising temperatures. And the sub-tropical weather's pretty hot too. Adults only.

The Smell of Battle, the Taste of Siege-Mark M. Smith 2014-09-30 Historical accounts of major events have almost always relied upon what those who were there witnessed. Nowhere is this truer than in the nerve-shattering chaos of warfare, where sight seems to confer objective truth and acts as the basis of reconstruction. In The Smell of Battle, the Taste of Siege, historian Mark M. Smith considers how all five senses, including sight, shaped the experience of the Civil War and thus its memory, exploring its full sensory impact on everyone from the soldiers on the field to the civilians waiting at home. From the eardrum-shattering barrage of shells announcing the

outbreak of war at Fort Sumter; to the stench produced by the corpses lying in the mid-summer sun at Gettysburg; to the siege of Vicksburg, once a center of Southern culinary aesthetics and starved into submission, Smith recreates how Civil War was felt and lived. Relying on first-hand accounts, Smith focuses on specific senses, one for each event, offering a wholly new perspective. At Bull Run, the similarities between the colors of the Union and Confederate uniforms created concern over what later would be called "friendly fire" and helped decide the outcome of the first major battle, simply because no one was quite sure they could believe their eyes. He evokes what it might have felt like to be in the HL Hunley submarine, in which eight men worked cheek by jowl in near-total darkness in a space 48 inches high, 42 inches wide. Often argued to be the first "total war," the Civil War overwhelmed the senses because of its unprecedented nature and scope, rendering sight less reliable and, Smith shows, forcefully engaging the nonvisual senses. Sherman's March was little less than a full-blown assault on Southern sense and sensibility, leaving nothing untouched and no one unaffected. Unique, compelling, and fascinating, The Smell of Battle, The Taste of Siege, offers readers way to experience the Civil War with fresh eyes.

Bride by Mistake-Serenity Woods 2018-08-26 A sexy contemporary romance by the USA Today bestselling author of the Three Wise Men box set. One photographer, one wedding dress, one bride by mistake Taste-Stephen Bayley 2018-09 How do we define taste? The only certainty is that it shifts and changes - sometimes abruptly. With the explosion of vulgar consumerism in the mid-nineteenth century, the Victorians seized upon the notion of good taste as a way of codifying middle-class mores. A century later, to talk about taste had become almost taboo, since judgments made about dress, manners, food and art can often be painfully revealing. And today? When this classic text was first published in 1991, Stephen Bayley illuminated the nuances and niceties of our mercurial understanding of taste. In this new edition, he ranges far and wide to bring us exquisitely up to date. 'I don't know anybody with more interesting observations about style, taste and contemporary design' Tom Wolfe on Stephen Bayley AUTHOR: Stephen Bayley is an author, critic, columnist, consultant, broadcaster, curator and founding director of the influential Design Museum in London. Over the past thirty years his writing has changed the way the world thinks about design. He is the author of Death Drive, one the most talked about books of 2016. SELLING POINTS: \* Design-guru Stephen Bayley approaches the thorny and sometimes elitist topic of 'taste' with typical wit, drawing on his expertise in a number of fields from fashion to food \* A new edition of a classic book, brought into the new millennium by Bayley's concise critique of modern design 90 colour images

Soothing Psalms, A Devotional Workbook-Mary Cullinane 2006-02-01 Description: This devotional workbook on the Psalms for Bible studies is written to heighten awareness of the wonderful relationship that is offered with God. Some of the chapter titles are Glory of God's Name, As For Me, When is Enough, Enough, Protection From Sin, Understanding Truth, He Redeems My Life From the Pit, Fullness of Joy, I Will Not Return to Folly, Know the Joyful Sound, A Different Taste in Our Mouths...At the end of each chapter, a series of questions are asked and the final line is a discussion point from the text. The author delves into the Hebrew meanings of the words so that a richer understanding of the love of God and devotion to Him may be obtained. Hopefully, after meditating on the Psalms, your faith will be increased.

A Taste Back in Time-Denise Martin 2014-10-13 A Taste Back in Time, Recipes and true stories of Family, Friends, Faith and Food; is a compilation of humorous family stories often centered on food. Gathering recipes from numerous relatives, there are recipes that date back many, many generations. The Italian Culture is steeped in culinary tradition and the book sheds some light on the traditions and the important role that foods and celebrations play throughout life. The book brings to light the belief that taking a taste of food that was enjoyed so long ago, instantly brings back fond memories of happier times. A time of Family, Friends, Faith and Flavor. Many of the traditional foods and recipes seemed to have gotten lost amidst fast foods and chicken nuggets. Many of the long-held traditions that had sustained her in the past were almost non-existent in the fast paced 21st Century. In recapturing the memories that tie into the traditional foods, she rediscovered how these recipes could be adapted in today's kitchen Hopefully when reading the book and trying the recipes you will feel and know that you are "famiglia too!" TEASER The Author was close to death and had several out of body experiences that changed her spiritually forever. Many come through this type of experience and write about it; oddly enough Denise chose to write a cookbook replete with kitschy humor and family skeletons. Interesting! Spoiler Alert: About that tunnel ... Will be discussed in an upcoming book, so stay tuned.

A Taste of Heaven on Earth-Carol Stone White 2020-04-16 A Taste of Heaven on Earth explores the spiritual foundation of the nineteenth-century utopian Oneida Community founded by John Humphrey Noyes, whose members sought purity of heart in all thoughts, words, and activities. Following graduation from college with honors, Noyes studied at two theological seminaries, opening his heart to receive God. He discovered the Holy Spirit as our ever-present teacher, revealing the wisdom and experiences of Christ, and that the purpose of human life is preparing the heart to hear this Internal Teacher and implementing its teachings. Spend pleasant hours with many of the nearly three hundred members of Noyes's communities, people of all personalities and proclivities—how they loved and learned, worked and played, prayed and made music, and lived together with openness and harmony. All were married to all in this unique community, showing that a happy marriage may exist between two hundred and fifty as well as two. They practiced enlightened sexuality, learned emotional intelligence and spiritual self-examination, thrived with variety in work, enjoyed lifelong learning, and nurtured all children as their own. Most of all, they practiced openness to God, the only source of lasting joy and contentment. A Taste of Chocolate for the Soul-Dr. Carol Kennedy 2012-01-27 Do you like chocolate? Do you find it sweet, delicious and satisfying? Gods Word can be the same. Once it becomes part of your daily diet, you will hunger for it. Like chocolate, Gods Word is sweet, satisfying and delicious. Dr. Carol claims chocolate as her modern parable, and shows the reader how the Word sweetens relationships and calms situations. Find God at work in over 100 stories. Smile and cry at Thanks for the Soldiers. Feel your heart strings tugged while reading The Grannum Bag. A Taste of Honey-Jabari Asim 2010 The author of What Obama Means presents a series of tales set in a small Midwestern community ravaged by the events of 1968, where the second-generation offspring of the Great Migrants struggle with personal challenges, police brutality and the civil rights movement. Original.

A Taste of Honey-Shelagh Delaney 2014-10-13 It's chaotic - a bit of love, a bit of lust and there you are. We don't ask for life, we have it thrust upon us. Written by Shelagh Delaney when she was nineteen, A Taste of Honey is one of the great defining and taboo-breaking plays of the 1950s. When her mother, Helen, runs off with a car salesman, feisty teenager Jo takes up with a black sailor who promises to marry her before he heads for the seas, leaving her pregnant and alone. Art student Geoff moves in and assumes the role of surrogate parent until misguidedly, he sends for Helen and their unconventional setup unravels. A Taste of Honey offers an explosive celebration of the vulnerabilities and strengths of the female spirit in a deprived and restless world. Bursting with energy and daring, this exhilarating and angry depiction of harsh, working-class life in post-war Salford is shot through with love and humour, and infused with jazz. The play was first presented by Theatre Workshop at the Theatre Royal Stratford, London, on 27 May 1958.

The Optimal Health Revolution-Duke Johnson 2009-05-01 A plan for preventing the persistent inflammation that may lead to heart disease, cancer, diabetes, and other health problems. Science has begun to discover that many of our most lethal diseases have a common underlying cause: persistent inflammation, an over-active reaction of our natural immune system function resulting in cell and tissue destruction. This persistent inflammation is triggered by our industrial lifestyles, including exposure to chemicals, synthetic food ingredients, pollution, and processed foods. As Newsweek reports: "Researchers are linking inflammation to an ever-wider array of chronic illnesses. Suddenly medical puzzles seem to be fitting together, such as why hypertension puts patients at increased risk of Alzheimer's, or why rheumatoid-arthritis sufferers have higher rates of sudden cardiac death. They're all connected on some fundamental level." But inflammation, and the risks of chronic diseases it brings, can be managed. Lifestyle and nutritional change is part of the answer. But the other part of the answer lies with ground-breaking information from a new field—nutrigenomics, the science of how your genes interact with nutrients. It is the study of how DNA and the genetic code affect a person's need for certain nutrients and help maintain optimal health throughout life. The Optimal Health Revolution combines leading-edge science—including six hundred scientific references—with an easy to read style that make this critical information accessible to every reader. Relevant to both the researcher and medical doctor interested in the latest science and the casual reader looking to improve his or her health, this book makes a critical contribution to our understanding of health.

You May Also Like-Tom Vanderbilt 2016-05-10 Why do we get so embarrassed when a colleague wears the same shirt? Why do we eat the same thing for breakfast every day, but seek out novelty at lunch and dinner? How has streaming changed the way Netflix makes recommendations? Why do people think the music of their youth is the best? How can you spot a fake review on Yelp? Our preferences and opinions are constantly being shaped by countless forces - especially in the digital age with its nonstop procession of "thumbs up" and "likes" and "stars." Tom Vanderbilt, bestselling author of Traffic, explains why we like the things we like, why we hate the things we hate, and what all this tell us about ourselves. With a voracious curiosity, Vanderbilt stalks the elusive beast of taste, probing research in psychology, marketing, and neuroscience to answer myriad complex and fascinating questions. If you've ever wondered how Netflix recommends movies or why books often see a sudden decline in Amazon ratings after they win a major prize, Tom Vanderbilt has answers to these questions and many more that you've probably never thought to ask. From the Hardcover edition.

A Taste for Rabbit-LINDA ZUCKERMAN 2013-06-25 In the tradition of WATERSHIP DOWN comes a brilliant novel about foxes, rabbits, and the cold calculation that leads to war. Imagine a world in which there are no people, but foxes are civilized. They wear clothes, they fight, they elect corrupt officials. They eat all kinds of things, but only lower orders with limited brainpower. Like mice. Or rabbits. Now imagine that one day the rabbits disappear, and slowly develop their OWN society away from the foxes. What happens when the two societies once again collide? A TASTE FOR RABBIT is a brilliant, piercing look at Harry the Fox, Quentin the Rabbit, the price of honor, and the "animal" parts of human nature.

Synaptic Self-Joseph LeDoux 2003-01-28 In 1996 Joseph LeDoux's The Emotional Brain presented a revelatory examination of the biological bases of our emotions and memories. Now, the world-renowned expert on the brain has produced with a groundbreaking work that tells a more profound story: how the little spaces between the neurons—the brain's synapses—are the channels through which we think, act, imagine, feel, and remember. Synapses encode the essence of personality, enabling each of us to function as a distinctive, integrated individual from moment to moment. Exploring the functioning of memory, the synaptic basis of mental illness and drug addiction, and the mechanism of self-awareness, Synaptic Self is a provocative and mind-expanding work that is destined to become a classic.

Taste of War-Lizzie Collingham 2012-03-29 A New York Times Notable Book of 2012 Food, and in particular the lack of it, was central to the experience of World War II. In this richly detailed and engaging history, Lizzie Collingham establishes how control of food and its production is crucial to total war. How were the imperial ambitions of Germany and Japan - ambitions which sowed the seeds of war - informed by a desire for self-sufficiency in food production? How was the outcome of the war affected by the decisions that the Allies and the Axis took over how to feed their troops? And how did the distinctive ideologies of the different combatant countries determine their attitudes towards those they had to feed? Tracing the interaction between food and strategy, on both the military and home fronts, this gripping, original account demonstrates how the issue of access to food was a driving force within Nazi policy and contributed to the decision to murder hundreds of thousands of 'useless eaters' in Europe. Focusing on both the winners and losers in the battle for food, The Taste of War brings to light the striking fact that war-related hunger and famine was not only caused by Nazi Germany and Imperial Japan, but was also the result of Allied mismanagement and neglect, particularly in India, Africa and China. American dominance both during and after the war was not only a result of the United States' immense industrial production but also of its abundance of food. This book traces the establishment of a global pattern of food production and distribution and shows how the war subsequently promoted the pervasive influence of American food habits and tastes in the post-war world. A work of great scope, The Taste of War connects the broad sweep of history to its intimate impact upon the lives of individuals.

A Taste of Her Own Medicine-Tasha L. Harrison 2020-01-28 "He looks like he could plow my north field without a horse." Sonja Watts needs to re-enter the workforce after divorcing her husband of thirteen years. Taking the advice of her sister Birdie and her best friend Estelle, she signs up for a six-week course for entrepreneurs; hoping that she will learn everything she needs to know to build a business to support herself and her kids. On the first night of class, Sonja is able to ignore the fact that most of the students were younger than her by ten years or more. It was what she expected. But when the instructor walks in, she debates packing up her new twelve hundred dollar laptop and walking out. Sonja couldn't remember the last time she looked at a man with little more interest than she give a sturdy dining room table. She was just disinterested. But wow, did Atlas James grab her interest. Atlas hasn't been interested in dating since he moved back home from California. Adjusting to new found success in the town where everyone sees him as that big, geeky guy who cut grass for pocket change when they were in high school has been awkward. Aside from a couple of one night stands, he hasn't really wanted to pursue a relationship with anyone until sweet, shy Sonja signs up for his class. Compact, curvy, and juicy in all the right places, being in the same room Sonja Watts ignites all of those giddy feelings he felt when he had his first crush. He wants to know her and he's pretty sure she wants to know him - despite the age difference that she seems to be so fixated on. With her future riding on the success of her new business, Sonja has no time for distraction. Will she be able to keep her eyes on her own paper or will they remain glued to Atlas's biceps and thick thighs?
