The Case for Loving-Selina Alko 2015-01-27 A tribute to the brave example of the Loving family describes how they were arrested in mid-20th-century Virginia for violating laws against interracial marriage and argued their case all the way to the Supreme Court, prompting a landmark civil rights triumph.

Love after Betrayal: An Interracial, Billionaire Romance-Yuwanda Black 2019-09-11 PREVIEW A devastating affair. An unexpected pregnancy. A new love waiting to be explored. An old flame

longing to be rekindled. Could there possibly be Love after Betrayal? \*\*\* How do you flush twelve years of marriage down the drain? Can you flush twelve years of marriage down the drain? When Gunner, Bria's husband of a dozen years, tells her that he's fathered a child outside of their marriage, her whole life plan is turned upside down. While she freely admits that she's been married to her career, she thought they were on the same page: she'd make partner at her corporate law firm, his construction firm would thrive, and then they'd start a family. They'd be financially secure - creating a life without the money worries they both grew up with. That's why Bria couldn't process what Gunner was telling her. \*\*\* "I'm sorry, but I had to tell you. I'm sorry, Bria. You have to believe me," Gunner pleaded. "I want to work through this. I'm hoping that in time you can forgive me. I love you. You're the only woman I've ever loved. You know this." He looked sincere. He sounded sincere. She knew this man. She loved this man. But ... "Work through this?" Bria laughed humorlessly, drowning out the voices in her head and the love in her heart. "Let me get this straight. You're telling me that you've been cheating on me; that you have a one-month old baby with whoever the slut is, and you want me," she said, putting her index finger to her chest, "to somehow find it in me to work things out with you? Have you lost your ever-loving mind?!" she exploded. \*\*\* It couldn't be true. It just couldn't. But it was. And she had to accept it. But when Bria suddenly finds herself pregnant, will she and her ex-husband find their way back to each other? Or, will she find lasting love with a new flame?

Heartbreak Hotel-Kenya Wright 2017-12-03

Yasmine's world breaks apart when she finds her fiancé in bed with another. Shattered, she flees LA and escapes to her second home-her sister's Key West bed and breakfast-where she bumps into her childhood friend, Hawk, who went from the chubby boy-next-door to a certified millionaire hottie. Her instincts tell her to run. Even Hawk warns her. All grown up, they're now opposites-light and darkness, fire and ice, sunshine and cold shadows. She's on a voyage to heal her heart with yoga and Google spells, while Hawk battles his demons with art and meaningless sex. Years ago, he discovered that his marriage was a lie, wasting his vows on a woman who turned out to be nothing but a cold-blooded killer. For Hawk, there's no hope for a normal life. His mind is too broken, his faith in humanity as dead as his ex-wife's

victims. Heartbreak is like death. Both strip away the soul and leave the body as an empty shell. But the universe has its surprises, and as breezy days go by, Hawk and Yasmine's kinship in pain shifts from friendship to hungry lust. And although they battle against it, there's an intense passion bridging between them that they can't ignore.

Loving Day-Mat Johnson 2016-09 "In the ghetto there is a mansion, and it is my father's house." Warren Duffy has returned to America for all the worst reasons- his marriage to a beautiful Welsh woman has come apart; his comic shop in Cardiff has failed; and his Irish-American father has died, bequeathing to Warren his last possession, a roofless, half-renovated mansion in the heart of black Philadelphia. On his first night in his new home, Warren spies two figures in the grass outside; when he screws up the nerve to confront them, they disappear. The next day he encounters ghosts of a different kind- in the face of the teenage girl he meets at a comics convention he sees the mingled features of his white father and his black mother, both now dead. The girl is his daughter and she thinks she's white. Warren sets off to remake his life with a reluctant daughter he never knew and a haunted house and history he knows too well. In their search for a new life they struggle with an unwanted house and its ghosts, fall in with a utopian mixed-race cult, and inspire a riot on Loving Day, the unsung holiday that celebrates interracial love.

Coping with Interracial Dating-Renea D. Nash 1997 Discusses race relations and how prejudice is learned, describes the possible conflicts interracial dating can cause with parents, friends, and society, and shares the stories of couples who have had to handle negative reactions to their dating

Loving-Sheryll Cashin 2017 How interracial love and marriage changed history, and may soon alter the landscape of American politics. Loving beyond boundaries is a radical act that is changing America. When Mildred and Richard Loving wed in 1958, they were ripped from their shared bed and taken to court. Their crime: miscegenation, punished by exile from their home state of Virginia. The resulting landmark decision of Loving v. Virginia ended bans on interracial marriage and remains a signature case--the first to use the words "white supremacy" to describe such racism. Drawing from the earliest chapters in US history, legal scholar Sheryll Cashin reveals the enduring

legacy of America's original sin, tracing how we transformed from a country without an entrenched construction of race to a nation where one drop of nonwhite blood merited exclusion from full citizenship. In vivid detail, she illustrates how the idea of whiteness was created by the planter class of yesterday and is reinforced by today's power-hungry dog-whistlers to divide struggling whites and people of color, ensuring plutocracy and undermining the common good. Cashin argues that over the course of the last four centuries there have been "ardent integrators" and that those people are today contributing to the emergence of a class of "culturally dexterous" Americans. In the fifty years since the Lovings won their case, approval for interracial marriage rose from 4 percent to 87 percent. Cashin speculates that rising rates of interracial intimacy—including cross-racial adoption, romance, and friendship—combined with immigration, demographic, and generational change, will create an ascendant coalition of culturally dexterous whites and people of color. Loving is both a history of white supremacy and a hopeful treatise on the future of race relations in America, challenging the notion that trickle-down progressive politics is our only hope for a more inclusive society. Accessible and sharp, Cashin reanimates the possibility of a future where interracial understanding serves as a catalyst of a social revolution ending not in artificial color blindness but in a culture where acceptance and difference are celebrated.

Early Interracial Oneness Pentecostalism- Talmadge L. French 2014-07-02 Early Interracial Oneness Pentecostalism is a look at what is perhaps the least-known chapter in the history of American Pentecostalism. The study of the first thirty years of Oneness Pentecostalism (1901-31) is especially relevant due to its unparalleled interracial commitment to an all-flesh, all-people, counter-cultural Pentecost. This in-depth study details the lives of its earliest primary architects, including G. T. Haywood, R. C. Lawson, J. J. Frazee, and E. W. Doak, and the emergence of Oneness Pentecostalism and its flagship organization, Pentecostal Assemblies of the World. This is a one-of-a-kind history of Pentecostalism, through the lens of the Jesus' Name movement and the interracial struggles of the period, interlinking the significance of Charles Parham, William Seymour and the Azusa Street revival, COGIC, the newly formed Assemblies of God, and dozens of the earliest Oneness organizational bodies. Exploration of the significance of the role of African American

Indianapolis leader G. T. Haywood is central, as are the development of the movement's key centers in the United States and the ultimate loss of interracial unity after more than thirty years. These crucial events marked, indelibly, the U.S., the global missionary, and the autochthonous expansion of Oneness Pentecostalism worldwide. Primer on Interracial Justice-Robert Senser 1962 Whatever Happened to Interracial Love?- Kathleen Collins 2016-12-06 Now available in Ecco's Art of the Story series: a never-before-published collection of stories from a brilliant yet little known African American artist and filmmaker—a contemporary of revered writers including Toni Cade Bambara, Laurie Colwin, Ann Beattie, Amy Hempel, and Grace Paley—whose prescient work has recently resurfaced to wide acclaim Humorous, poignant, perceptive, and full of grace, Kathleen Collins's stories masterfully blend the quotidian and the profound in a personal, intimate way, exploring deep, far-reaching issues—race, gender, family, and sexuality—that shape the ordinary moments in our lives. In "The Uncle," a young girl who idolizes her handsome uncle and his beautiful wife makes a haunting discovery about their lives. In "Only Once," a woman reminisces about her charming daredevil of a lover and his ultimate—and final—act of foolishness. Collins's work seamlessly integrates the African-American experience in her characters' lives, creating rich, devastatingly familiar, full-bodied men, women, and children who transcend the symbolic, penetrating both the reader's head and heart. Both contemporary and timeless, Whatever Happened to Interracial Love? is a major addition to the literary canon, and is sure to earn Kathleen Collins the widespread recognition she is long overdue.

Loving vs. Virginia-Patricia Hruby Powell 2017-01-31 From acclaimed author Patricia Hruby Powell comes the story of a landmark civil rights case, told in spare and gorgeous verse. In 1955, in Caroline County, Virginia, amidst segregation and prejudice, injustice and cruelty, two teenagers fell in love. Their life together broke the law, but their determination would change it. Toward Interracial Cooperation- 1926 Love of Freedom-Catherine Adams 2010-02-01 They baked New England's Thanksgiving pies, preached their faith to crowds of worshippers, spied for the patriots during the Revolution, wrote that human bondage was a sin, and demanded reparations for slavery. Black women in colonial and revolutionary New England sought not only legal emancipation from slavery but defined freedom more broadly to include spiritual, familial, and economic dimensions. Hidden behind the banner of achieving freedom was the assumption that freedom meant affirming black manhood The struggle for freedom in New England was different for men than for women. Black men in colonial and revolutionary New England were struggling for freedom from slavery and for the right to patriarchal control of their own families. Women had more complicated desires, seeking protection and support in a male headed household while also wanting personal liberty. Eventually women who were former slaves began to fight for dignity and respect for womanhood and access to schooling for black children. Ambivalent Desire-Brett A. Berliner 2002 "Through an analysis of popular imagery, exotic fiction, travel writing, and other cultural texts, Berliner shows how the representation and reception of blacks in post-World War I France embodied competing, at times contradictory, perceptions. On the one hand, African and Caribbean blacks were depicted as a source of cultural renewal and a means for celebrating life

and sexuality. On the other hand, interracial relationships were seen as a threat to French civilization, a notion reinforced by grotesque advertisements, ethnographic exhibitions, and other aesthetically repulsive images of "primitive" blacks."--BOOK JACKET.

Cinema Civil Rights-Ellen C. Scott 2015-01-14  
From Al Jolson in blackface to Song of the South, there is a long history of racism in Hollywood film. Yet as early as the 1930s, movie studios carefully vetted their releases, removing racially offensive language like the "N-word." This censorship did not stem from purely humanitarian concerns, but rather from worries about boycotts from civil rights groups and loss of revenue from African American filmgoers. Cinema Civil Rights presents the untold history of how Black audiences, activists, and lobbyists influenced the representation of race in Hollywood in the decades before the 1960s civil rights era. Employing a nuanced analysis of power, Ellen C. Scott reveals how these representations were shaped by a complex set of negotiations between various individuals and organizations. Rather than simply recounting the perspective of film studios, she calls our attention to a variety of other influential institutions, from protest groups to state censorship boards. Scott demonstrates not only how civil rights debates helped shaped the movies, but also how the movies themselves provided a vital public forum for addressing taboo subjects like interracial sexuality, segregation, and lynching. Emotionally gripping, theoretically sophisticated, and meticulously researched, Cinema Civil Rights presents us with an in-depth look at the film industry's role in both articulating and censoring the national conversation on race.
