Unfortunately, Homer's sideline as an amateur sleuth means that they rarely get to relax during their time off. And so, when Homer begs Mary to let them visit Venice to attend a conference in the famed rare book library of Cardinal Bessarion, Mary agrees on condition that Homer avoid any dead bodies. When they arrive in Venice, it is Mary, not Homer, who stumbles upon a murder. An intent sightseer, she combs the city with her camera, snapping pictures of anything that catches her eye. In Faulkner's Shadow-Lawrence Wells
2020-09-15 What happens when you marry into a

family that includes a Nobel Prize winner who is arguably the finest American writer of the twentieth century? Lawrence Wells, author of In Faulkner's Shadow: A Memoir, fills this lively tale with stories that answer just that. In 1972, Wells married Dean Faulkner, the only niece of William Faulkner, and slowly found himself lost in the Faulkner mystique. While attempting to rebel against the overwhelming influence of his in-laws, Wells had a front-row seat to the various rivalries that sprouted between his wife and the members of her family, each of whom dealt in different ways with the challenges and expectations of carrying on a literary tradition. Beyond the family stories, Wells recounts the blossoming of a literary renaissance in Oxford, Mississippi, after William Faulkner's death. Both the town of Oxford and the larger literary world were at a loss as to who would be Faulkner's successor. During these uncertain times, Wells and his wife established Yoknapatawpha Press and the quarterly literary journal the Faulkner Newsletter and Yoknapatawpha Review. In his dual role as publisher and author, Wells

encountered and befriended Larry Brown, Barry Hannah, Willie Morris, and many other writers. He became both participant and observer to the deeds and misdeeds of a rowdy collection of talented authors living in Faulkner's shadow. Full of personal insights, this memoir features unforgettable characters and exciting behind-the-scene moments that reveal much about modern American letters and the southern literary tradition. It is also a love story about a courtship and marriage, and an ode to Dean Faulkner Wells and her family.

Dead as a Dodo-Jane Langton 2014-06-01 While lecturing in England, Homer confronts the criminal dons of Oxford. William Dubchick is too keen a student of the writings of Charles Darwin to not see that the world of biology has evolved past him. Decades ago, he was the foremost mind in Oxford University's department of natural sciences, but as the field's focus narrowed to the

microscopic level he became nothing more than a gray-haired, cantankerous relic. He has a small fiefdom, manned by Helen Farfrae, a committed disciple who, Dubchick is annoyed to learn, someone is trying to kill. It is into this world that Homer Kelly, Emersonian scholar and part-time sleuth, comes to spend a semester lecturing. Though expecting a vacation, he finds Oxford to be a swamp of theft, fraud, and murder. Besides the attempts on Farfrae's life, he must reckon with a murdered priest, the theft of a dodo's portrait, and suspicious claims that long-lost Darwinian artifacts have been found. With an academic climate like this, it's amazing that any of the Oxford dons live to see tenure.

The Lies of Locke Lamora-Scott Lynch 2008-09-18 They say that the Thorn of Camorr can beat anyone in a fight. They say he steals from the rich and gives to the poor. They say he's part man, part myth, and mostly street-corner rumor. And they are wrong on every count. Only averagely tall, slender, and god-awful with a sword, Locke Lamora is the fabled Thorn, and the greatest weapons at his disposal are his wit and cunning. He steals from the rich - they're the only ones worth stealing from - but the poor can go steal for themselves. What Locke cons, wheedles and tricks into his possession is strictly for him and his band of fellow con-artists and thieves: the Gentleman Bastards. Together their domain is the city of Camorr. Built of Elderglass by a race no-one remembers, it's a city of shifting revels, filthy canals, baroque palaces and crowded cemeteries. Home to Dons, merchants, soldiers, beggars, cripples, and feral children. And to Capa Barsavi, the criminal mastermind who runs the city. But there are whispers of a challenge to the Capa's power. A challenge from a man no one has ever seen, a man no blade can

The Face on the Wall-Jane Langton 2012-03-06 Scholar/sleuth Homer Kelly comes to the aid of his artist niece, who's implicated in a death, in this "taut, suspenseful, and absorbing" whodunit (Kirkus Reviews). Life has not always been fair to Annie Swann. A bad marriage sullied her youth, but since her divorce she has made enough money illustrating children's books to add a wing to her house. The new addition's focal point will be a thirty-five-foot blank wall, where Annie plans an elaborate mural of the fairy tale characters who pay her bills. But as she paints, mysterious markings appear on the mural: first splotches, then a woman's face, ringed with blond hair and covered in blood. It seems to point to the disappearance of Pearl Small, a Harvard student who took classes from Annie's aunt Mary. As Mary and her husband, professor and ex-cop Homer Kelly, look for Pearl, Annie

continues painting, unaware that with each brushstroke, she marks her wall with another layer of evil.

Macbeth in Venice-William Logan 2003-05-27
One of the most technically gifted poets of his generation, William Logan here presents four sequences, each of which is haunted by the battered history of the enchanted city of Venice: two refugees from Nazi Germany replay a version of the Aeneid that shadows their lives in and out of Venice; the comedy of Tiepolo's Punchinello drawings are given mocking narrative; a modern traveler finds in Venice's insects, birds, and fish a nature that endures within an unnatural city; and, in a formal sequence reminiscent of W. H. Auden's "The Sea and the Mirror," King James commissions a revision of Macbeth in order to impress the chief magistrate. These new poems showcase Logan's trademark refinement and erudition.

Beau Geste-Percival Christopher Wren
2020-09-28 In the first place, there was the old standing trouble about the Shuwa Patrol; in the second, the truculent Chiboks were waxing insolent again, and their young men were regarding not the words of their elders concerning Sir Garnet Wolseley, and what happened, long, long ago, after the battle of

Chibok Hill. Thirdly, the price of grain had risen to six shillings a saa, and famine threatened; fourthly, the Shehu and Shuwa sheiks were quarrelling again; and, fifthly, there was a very bad smallpox ju-ju abroad in the land (a secret society whose "secret" was to offer His Majesty's liege subjects the choice between being infected with smallpox, or paying heavy blackmail to the society). Lastly, there was acrimonious correspondence with the All-Wise Ones (of the Secretariat in "Aiki Square" at Zungeru), who, as usual, knew better than the man on the spot, and bade him do either the impossible or the disastrous. And across all the Harmattan was blowing hard, that terrible wind that carries the Saharan dust a hundred miles to sea, not so much as a sand-storm, but as a mist or fog of dust as fine as flour, filling the eyes, the lungs, the pores of the skin, the nose and throat; getting into the locks of rifles, the works of watches and cameras, defiling water, food and everything else; rendering life a burden and a curse. The fact, moreover, that thirty days' weary travel over burning desert, across oceans of loose wind-

blown sand and prairies of burnt grass, through breast-high swamps, and across unbridged boatless rivers, lay between him and Kano, added nothing to his satisfaction. For, in spite of all, satisfaction there was, inasmuch as Kano was rail-head, and the beginning of the first stage of the journey Home. That but another month lay between him and "leave out of Africa," kept George Lawrence on his feet. From that wonderful and romantic Red City, Kano, sister of Timbuktu, the train would take him, after a three days' dusty journey, to the rubbish-heap called Lagos, on the Bight of Benin of the wicked West African Coast. There he would embark on the good ship Appam, greet her commander, Captain Harrison, and sink into a deck chair with that glorious sigh of relief, known in its perfection only to those weary ones who turn their backs upon the Outposts and set their faces towards Home. Meantime, for George Lawrence--disappointment, worry, frustration, anxiety, heat, sand-flies, mosquitoes, dust, fatigue, fever, dysentery, malarial ulcers, and that great depression which comes of monotony

indescribable, weariness unutterable, and loneliness unspeakable.

The Merchant of Venice-William Shakespeare
2003-05-01 The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play’s first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play’s sexual politics and recent scholarship devoted to the position of Jews in Shakespeare’s time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

Some memorable places. Commerce. Venetian holidays. Christmas holidays. Love-making and marrying, baptisms and burials. Venetian traits and characters. Society. Our last year in Venice-William Dean Howells 1893

The Merchant of Venice-William Shakespeare
2000-08-01 This is one of Shakespeare’s darkest comedies, for the romantic story of a young man, Bassanio, who has squandered his fortune and must borrow money to woo the wealthy lady he loves is set against the more disturbing story of the Jewish moneylender Shylock and his demand for the “pound of flesh” owed him by the Venetian merchant, Antonio. Here pathos and farce combine with moral complexity and romantic entanglement to display the extraordinary power and range of Shakespeare at his best. Each Edition Includes: • Comprehensive explanatory notes • Vivid introductions and the most up-to-date scholarship • Clear, modernized spelling and punctuation, enabling contemporary readers to understand the Elizabethan English • Completely updated, detailed bibliographies and

performance histories • An interpretive essay on film adaptations of the play, along with an extensive filmography
