The Heart Series Box Set-Mary Whitney 2014-05-21 The three book box set of The Heart Series by Mary Whitney includes Beside your Heart, Disclosure of the Heart, and Forever Your Heart. Beside Your Heart: Late one night, Nicki Johnson plays with emotional fire and Googles her high school love, only to find his name splashed across the British gossip columns. Back in his native England, Adam Kincaid is successful and dating a woman from an aristocratic family like his own. With a career in politics, Nicki's no slouch, but she knows Adam is living a world away from her life. Yet there was a time he was no farther than the next locker. Nicki will never forget their year together in high school--the year of her sister's death, the year her mother checked out. Adam helped Nicki through suffocating grief, and she led him through coming of age. But when is a high school crush something more? Disclosure of the Heart: Sixteen years is a long time to wait for your true love to reappear, and, anyway, Nicki Johnson couldn't wait for the impossible to happen. Hard life lessons have taught her that fairy tales are children's stories, and fate is cruel. Burying her hopes, she's spent the last sixteen years focused and driven toward her career, and it's landed her with a job at the White House with a gem of a boyfriend. But when her high school love, Adam Kincaid, walks into the White House as a BBC reporter, Nicki's world is thrown into turmoil as she relives their past. Adam has come back for her, but has he arrived too late? Forever Your Heart: I'm a journalist--Adam Kincaid, BBC reporter, to be exact, so I'm not going to bury the lead. I'm about to see the woman I never got over. I know that because I've been back in America for years now, and I still don't date American girls. My dad would say I've come to my senses, sticking to my own British patrician kind, but that's crap. Mum, the psychologist, would more wisely say itâ€”s my unresolved issues around Nicki. My teenage years are long behind me, yet my guilt over her remains. So I've avoided all things Nicki, though the irony is she's the one avoiding me. Maybe if we see each other, we can both move on. Could she ever forgive me? Can you forgive yourself when you hurt someone you love? But please, don't answer yet. I've jumped ahead of the story, and as a reporter, I should give you more background to get to the root of it all. So let me tell you my story. Then you can be the judge.

New York Magazine- 1987-02-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. The Devil's Three-Way-Louisa Neil 2012-11-01 [Menage and More: Erotic Consensual BDSM Menage a Trois Romance, M/M/F, whipping, pegging, self-fellatio, wax play, sex toys, HEA for M/F] Rhiannon Carr and Donovan Mackenzie look forward to their special vacations on small ships that cruise the East Coast. On board, they study their invited choices, choosing one man to join their private world of sexual play. Their strict rules dictate that when the cruise ends, so does their threesome. Donovan is the dominant male, the devilish side of his personality shining through. Rhiannon often lets her own devilish side filter through. Seen as angelic compared to Donovan, her kinky side for bondage needs to be satisfied occasionally. Jack Montgomery would be their perfect toy for the week. Jack's acceptance of their attention brings out a side of his personality he's never acknowledged. After discussing the situation, they agree to offer Jack the opportunity to train with them as their submissive on a permanent basis. Will Jack break free of his staid ways and join the couple on a journey of self-discovery? * A Siren Erotic Romance

Threesomes-Lainie Speiser 2007-10-01 Exploring the Erotic World of Threesomes! Threesomes offers the reader the tools and knowledge to have a thrilling, safe, and unforgettable sexual adventure. You'll get engaging and energetic answers to questions such as: What kinds of people participate and why? What are the different types of threesomes? How do you initiate the talk of a threesome? and What are the advantages and disadvantages of having one? Along the way, titillating 4-color photographs of a threesome in action show various positions and techniques. The book also discusses the issue of ôWhere to Find a Third?,ô the possible benefit of being the outsider in a threesome, and the crucial rule of making sure that no one gets left out. At the end of each chapter, readers can experience a threesome through the stories of real people who have engaged in this incredibly erotic experience. There is no other book on the market that explores (and illustrates!) the subject of threesomes According to polls, 24 percent of Americans (16 percent of men and 8 percent of women) admit they have had a threesome -- and that doesn't even account for all the people that fantasize about them!

Warships of Salnave's War (Haiti, 1867-1869)-William Eugene Warner 2016-01-22 Two years after the American Civil War, another civil war waged among the jungles and beaches of one of the hemisphere's first's democracies, Haiti. This civil war is one of the few examples of a three-way internal conflict. It was waged by peasants in the hills as well as by state-of-the-art warships along its Caribbean shorelines. As in many conflicts in South and Central America, it lies forgotten in the few French texts and even fewer English books, covered over by the violent and often sad history of Haiti's past. The conflict is known as Salnave's War because it revolved around the fate of President Sylvain Salnave. Salnave rose to power on the promise of democracy, but that promise soon faded into authoritarian dictatorship.

The Artful Nuance-Rod L. Evans Ph.D. 2009-02-03 ?The difference between the almost right word and the right word is really a large matter.?(Mark Twain) What's the difference between: Nectar and ambrosia? Bough and branch? Astonished and surprised? Sensual and sensuous? Beside and besides? Many people use these words interchangeably but there are actually subtle and interesting differences in meaning and usage. Now from the author of Every Good Boy Deserves Fudge comes a fun and fascinating word reference book for word lovers, students, and trivia collectors alike. Readers will relish learning about these distinctions in this entertaining homage to a gift we use every day?words.

The British Museum Is Falling Down-David Lodge 2012-07-31 The British Museum is Falling Down is a brilliant comic satire of academia, religion and human entanglements. First published in 1965, it tells the story of hapless, scooter-riding young research student Adam Appleby, who is trying to write his thesis but is constantly distracted - not least by the fact that, as Catholics in the 1960s, he and his wife must rely on 'Vatican roulette' to avoid a fourth child.

Speak-Laurie Halse Anderson 2011-05-10 The first ten lies they tell you in high school. "Speak up for yourself--we want to know what you have to say." From the first moment of her freshman year at Merryweather High, Melinda knows this is a big fat lie, part of the nonsense of high school. She is friendless, outcast, because she busted an end-of-summer party by calling the cops, so now nobody will talk to her, let alone listen to her. As time passes, she becomes increasingly isolated and practically stops talking altogether. Only her art class offers any solace, and it is through her work on an art project that she is finally able to face what really happened at that terrible party: she was raped by an upperclassman, a guy who still attends Merryweather and is still a threat to her. Her healing process has just begun when she has another violent encounter with him. But this time Melinda fights back, refuses to be silent, and thereby achieves a measure of vindication. In Laurie Halse Anderson's powerful novel, an utterly believable heroine with a bitterly ironic voice delivers a blow to the hypocritical world of high school. She speaks for many a disenfranchised teenager while demonstrating the importance of speaking up for oneself. Speak was a 1999 National Book Award Finalist for Young People's Literature.

Wyclif-John Wyclif 2012-11-15 John Wyclif is known for translating the Vulgate Bible into English, and for arguing for the royal divestment of the church, the reduction of papal power and the elimination of the friars and against the doctrine of transubstantiation. His thought catalyzed the Lollard movement in England and provided an ideology for the Hussite revolution in Bohemia. Wyclif's Trialogus discusses divine power and knowledge, creation, virtues and vices, the Incarnation, redemption and the sacraments. It consists of a three-way conversation, which Wyclif wrote to familiarize priests and layfolk with the complex issues underlying Christian doctrine, and begins with formal philosophical theology, which moves into moral theology, concluding with a searing critique of the fourteenth-century ecclesiastical status quo. Stephen Lahey provides a complete English translation of all four books, and the 'Supplement to the Trialogue', which will be a valuable resource for scholars and students currently relying on selective translated extracts.

Peanut Butter & Cupcake-Terry Border 2014-07-29 For fans of The Day the Crayons Quit, Little Pea, or How Are You Peeling? What's a little piece of bread to do when he's feeling lonely? Find a friend, of course! And that's

exactly what Peanut Butter tries to do. But sometimes friends are hard to come by, especially when Hamburger has to walk his (hot) dogs, Cupcake is too busy building castles in her sprinkle box, and Egg laughs so hard he starts to crack up! Does Peanut Butter have a soulmate? Young readers will know the answer long before Peanut Butter does and laugh along with each mismatched pairing. In a story that pairs silliness with poignancy, and friendship with anthropomorphic food, Terry Border, the photography mastermind behind the Bent Objects project, makes a triumphant entrance into the children's book world. Complete with a rhyming refrain, this is sure to be a favorite family read-aloud--and laugh-aloud. Praise for PEANUT BUTTER & CUPCAKE "Border's witty food comedy will lure children who are hungry for clever visual entertainment."--Publishers Weekly "[T]he creatively zany photographs...will make this a read-aloud hit."--School Library Journal "This book would be a great read-aloud on friendship and food."--Library Media Connection

Sweet Treats & Secret Crushes-Lisa Greenwald 2011-01-26 When a blizzard threatens to ruin Valentine's Day, three seventh-grade friends make and distribute fortune cookies to their lonely neighbors--and confront the secrets they've been keeping from one another. Confident Kate doesn't notice much but the latest gossip, and shy Georgia can't say out loud what's always on her mind. They're joined by observant, careful Olivia, whose epic, single-minded crush on PBJ (real name: Phillip Becker-Jacobs) is starting to frustrate the other two. Using fortune cookies that mysteriously always seem to speak directly to the person who opens them, the three girls try to work together to bring some love to their building, while reminding each other why they're such good friends to begin with. With all the right ingredients to appeal to tween girls, this is an irresistible confection from an emerging talent. "The trio's romantic ups and downs tie the story together... an affectionate, insightful ode to friendship. An enjoyable, sure-to-be popular read." -Booklist

Zona-Geoff Dyer 2012-02-02 In this spellbinding book, the man described by the Daily Telegraph as 'possibly the best living writer in Britain' takes on his biggest challenge yet: unlocking the film that has obsessed him all his adult life. Black & Decker Advanced Home Wiring, 5th Edition-Editors of Cool Springs Press 2018-01-02 The new, 5th edition of BLACK+DECKER Advanced Home Wiring does more than simply make incremental changes to match new national electrical codes. It includes several never-before-seen projects that will challenge even the most experienced home DIYer. Some of these include: a step-by-step demonstration of the right way to wire a three-way switch in any situation; a closer look at new "available neutral" requirements and how they impact traditional wiring configurations; new information on weatherproof boxes and conduit; a primer on three-phase power; and a guide to 240-volt circuitry that eliminates all the confusion. These are higher-level projects, but ones that offer high rewards when they are done right. The latest home wiring products and techniques are also featured in this new edition. If you already have a good understanding of the basics of home wiring and electrical systems, this is the book you need to take your game to the next level.

Cognitive English Grammar-Günter Radden 2007-07-05 Cognitive English Grammar is designed to be used as a textbook in courses of English and general linguistics. It introduces the reader to cognitive linguistic theory and shows that Cognitive Grammar helps us to gain a better understanding of the grammar of English. The notions of motivation and meaningfulness are central to the approach adopted in the book. In four major parts comprising 12 chapters, Cognitive English Grammar integrates recent cognitive approaches into one coherent model, allowing the analysis of the most central constructions of English. Part I presents the cognitive framework: conceptual and linguistic categories, their combination in situations, the cognitive operations applied to them, and the organisation of conceptual structures into linguistic constructions. Part II deals with the category of 'things' and their linguistic structuring as nouns and noun phrases. It shows how things are grounded in reality by means of reference, quantified by set and scalar quantifiers, and qualified by modifiers. Part III describes situations as temporal units of various layers: internally, as types of situations; and externally, as located relative to the time of speech and grounded in reality or potentiality. Part IV looks at situations as relational units and their structuring as sentences. Its two chapters are devoted to event schemas and space and metaphorical extensions of space.Cognitive English Grammar offers a wealth of linguistic data and explanations. The didactic quality is guaranteed by the frequent use of definitions and examples, a glossary of the terms used, overviews and chapter summaries, suggestions for further reading, and study questions. The Last Summer (of You and Me)-Ann Brashares 2008-05-06 From the New York Times-bestselling author of The Sisterhood of the Traveling Pants Ann Brashares comes her first adult novel In the town of Waterby on Fire Island, the rhythms and rituals of summer are sacrosanct: the ceremonial arrivals and departures by ferry; yacht club dinners with terrible food and breathtaking views; the virtual decree against shoes; and the generational parade of sandy, sun-bleached kids, running, swimming, squealing, and coming of age on the beach. Set against this vivid backdrop, The Last Summer (of You and Me) is the enchanting, heartrending story of a beach-community friendship triangle and summertime romance among three young adults for whom summer and this place have meant everything. Sisters Riley and Alice, now in their twenties, have been returning to their parents' modest beach house every summer for their entire lives. Petite, tenacious Riley is a tomboy and a lifeguard, always ready for a midnight swim, a gale-force sail, or a barefoot sprint down the beach. Beautiful Alice is lithe, gentle, a reader and a thinker, and worshipful of her older sister. And every summer growing up, in the big house that overshadowed their humble one, there was Paul, a friend as important to both girls as the place itself, who has now finally returned to the island after three years away. But his return marks a season of tremendous change, and when a simmering attraction, a serious illness, and a deep secret all collide, the three friends are launched into an unfamiliar adult world, a world from which their summer haven can no longer protect them. Ann Brashares has won millions of fans with her blockbuster series, The Sisterhood of the Traveling Pants, in which she so powerfully captured the emotional complexities of female friendship and young love. With The Last Summer (of You and Me), she moves on to introduce a new set of characters and adult relationships just as true, endearing, and unforgettable. With warmth, humor, and wisdom, Brashares makes us feel the excruciating joys and pangs of love--both platonic and romantic. She reminds us of the strength and sting of friendship, the great ache of loss, and the complicated weight of family loyalty. Thoughtful, lyrical, and tremendously moving, The Last Summer (of You and Me) is a deeply felt celebration of summer and nostalgia for youth.

Infinite Jest-David Foster Wallace 2009-04-13 A gargantuan, mind-altering comedy about the Pursuit of Happiness in America set in an addicts' halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, Infinite Jest explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do.

Corrupt-Penelope Douglas 2015-11-13 Erika. I was told that dreams were our heart’s desires. My nightmares, however, became my obsession. My boyfriend’s older brother is like that scary movie that you peek through your hand to watch. He’s handsome, strong, and completely terrifying. The star of his college’s basketball team and now gone pro, he’s more concerned with the dirt on his shoe than on me. I saw him. I heard him. The things that he did, and the deeds that he hid. For years, I bit my nails, unable to look away. Now, I’ve graduated high school and moved on to college, but I haven’t stopped watching Michael. He’s back, and the dirt I’ve seen isn’t content to stay in my head anymore...Michael. Her name is Erika Fane, but everyone calls her Rika. My brother’s girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I haven’t had her body, I know that I have her mind. That’s all I really want anyway. Until my brother leaves for the military, and I find Rika alone at college. In my city. The opportunity is too good to be true as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now they’re out.

Underground-Suelette Dreyfus 2012-01-05 Suelette Dreyfus and her co-author, WikiLeaks founder Julian Assange, tell the extraordinary true story of the computer underground, and the bizarre lives and crimes of an elite ring of international hackers who took on the establishment. Spanning three continents and a decade of high level infiltration, they created chaos amongst some of the world’s biggest and most powerful organisations, including NASA and the US military. Brilliant and obsessed, many of them found themselves addicted to hacking and phreaking. Some descended into drugs and madness, others ended up in jail. As riveting as the finest detective novel and meticulously researched, Underground follows the hackers through their crimes, their betrayals, the hunt, raids and investigations. It is a gripping tale of the digital underground.

English Prepositions Explained-Seth Lindstromberg 1998 English Prepositions Explained has been written both for non-native and native speakers of English and is intended for: teachers of English; translators; materials writers; advanced students of English; frequent users of English generally. English Prepositions Explained furnishes information about English prepositions that is available in no other book currently in print. EPE both complements and is complemented by The BBI Dictionary of English Word Combinations, which lists common collocations (including prepositional collocations) in a fashion that makes them readily locatable. Like a grammar handbook, EPE describes how prepositions and directional adverbs are used. Its main work, however, consists in providing answers to the following questions: What meanings does each preposition have?; How are a preposition’s different meanings related?; Which meaning(s) underlie this or that usage?; Which usages are true idioms and which express systematic meaning?; What are the major semantic families of prepositions?; Where are the boundaries in meaning between the prepositions within each family?; When various prepositions are usable in the same context, what different meaning or nuance does each contribute and why?; What is the role of metaphor in the English system of prepositions?; What is a phrasal verb and to what extent do they reflect systematic meanings? Explanations are liberally supported with iconic/pictorial illustration and examples of usage. It is this explanatory, rather than merely descriptive, approach which makes EPE a unique resource for creative writing. Covering more than seventy, mostly spatial and temporal, prepositions, it presents a picture of remarkable systematicity. Among EPE’s twenty-three chapters are: an overview of the grammar and semantics of prepositions (of place, path and time) and of directional adverbs; Nineteen chapters on families of prepositions; a chapter on phrasal verbs; a summary of key abstract notions expressed by prepositions. EPE is fully indexed and includes a glossary of terms and an annotated bibliography.

Thai for Beginners-Benjawan Poomsan Becker 1995 A very popular book for learning basic Thai. Designed for either self-study or classroom use. It teaches all four language skills speaking, listening (when used in conjunction with the CDs), reading and writing. Offers clear, easy, step-by-step instruction, building on what has been previously learned. Used by many language schools in Thailand and Thai temples in America. Two CDs follow along with lessons in the book.
