The Best Political Cartoons of the Year-Daryl Cagle 2007

Cartoons that Fit the Bill-Rose, J.R. Bill Clinton. Bob Dole. Hillary Rodham Clinton. Newt Gingrich. For John R. Rose, it's politics as usual. His editorial cartoons illuminate, enlighten, and tickle the funny bone. His is a special brand of political cartooning: hilarious, yet oftentimes poignant and moving. In Cartoons That Fit the Bill: An Editorial Cartoon Collection about Washington and Beyond, he lampoons the antics of Pres. Bill Clinton and Speaker of the House Newt Gingrich with equal fervor. No Republican, Democrat, or Independent is safe from the wit and pen of Rose. National issues are not the only ones he tackles. He also offers his commentary on local issues that create a national interest such as Disney's proposed American history theme park in his native Virginia. Cartoons That Fit the Bill is just the ticket (no pun intended) to take a light-hearted look at the cast of characters in the political arena.

Sex Scandals, Gender, and Power in Contemporary American Politics-Hinda Mandell 2017-04-17 The increasing tabloidization of politics and focus on politicians involved in sex scandals is both problematic and important. This book examines how gender impacts political sex scandals in the United States, in the past and today; explains how political sex scandals contribute to the mistrust of government; and identifies why these titillating events do have serious consequences for our political system. • Explains how sex scandals regarding political figures significantly impact people's opinions of politicians and government as well as how sex scandals harm the U.S. political process • Demonstrates how political sex scandals are a representation of society's broader gender dynamics, conveying subtle messages about power and morality • Offers data and statistics about political sex scandal occurrences, including breakdowns of political scandals by party lines and the most common type of political sex scandals • Supplies extensive analysis of how voters respond to different "types" of political wives (such as the supportive political wife versus the absent political wife)
