Au Pays Du Grand Mensonge.
The Russian Enigma. (English Version by Fernand G. Renier and Anne Cliff.).-Ante Ciliga 1940
Au pays du grand mensonge-
Philippe Grangereau 2001
Avril 2000, pour la première fois depuis 1953, la dernière dictature stalinienne du globe, s'entrouvre à un groupe de touristes occidentaux... Parmi eux un journaliste, voyageant incognito, visitera le pays le plus fermé du monde, et rapportera un témoignage et des photographies saisissantes, du pays du "Grand Leader" Kim Il-sung.

Pays paranoïaque et schizophrène, véritable forteresse du communisme, et camp de concentration de tout un peuple, Au Pays du Grand Mensonge est un témoignage pris sur le vif d'une dictature qui n'en finit pas de mourir.
A History of Modern Political Thought in East Central Europe-Balázs Trencsényi 2018-08-30 A History of Modern Political Thought in East Central Europe is a synthetic work, authored by an international team of researchers, covering twenty national cultures and 250 years. It goes beyond the conventional nation-centered narratives and presents a
novel vision especially sensitive to the cross-cultural entanglement of political ideas and discourses. Its principal aim is to make these cultures available for the global 'market of ideas' and revisit some of the basic assumptions about the history of modern political thought, and modernity as such. The present volume is a sequel to Volume I: Negotiating Modernity in the 'Long Nineteenth Century'. It begins with the end of the Great War, depicting the colorful intellectual landscape of the interwar period and the increasing political and ideological radicalization culminating in the Second World War. Taking the war experience both as a breaking point but in many ways also a transmitter of previous intellectual traditions, it maps the intellectual paradigms and debates of the immediate postwar years, marked by a negotiation between the democratic and communist agendas, as well as the subsequent processes of political and cultural Stalinization. Subsequently, the post-Stalinist period is analyzed with a special focus on the various attempts of de-Stalinization and the rise of revisionist Marxism and other critical projects culminating in the carnivalesque but also extremely dramatic year of 1968. This volume is followed by Volume II: Negotiating Modernity in the 'Short Twentieth Century' and Beyond, Part II: 1968-2018.

A History of Modern Political Thought in East Central Europe-Balázs Trencsenyi 2018-10-25

A History of Modern Political Thought in East Central Europe, Volume II Part II examines the defeat of the vision of 'socialism with a human face' in 1968 and the political discourses produced by the various 'consolidation' or 'normalization' regimes. It closes with pertinent questions about the fragility of the democratic order globally.
