Gonzo Republic-William Stephenson 2011-11-17
Gonzo Republic looks at Hunter S. Thompson's complex relationship with America. Thompson was a patriot but also a stubborn individualist. Stephenson examines the whole range of
Thompson's work, from his early reporting from the South American client states of the USA in the 1960s to his twenty-first-century internet columns on sport, politics and 9/11. Stephenson argues that Thompson inhabited, but was to some extent reacting against, the tradition of American individualism begun by the Founding Fathers and continued by Emerson and Thoreau. Thompson sought out the edge—the threshold of chaos and insanity—in order to define himself. His characters enact the same quest, travelling through the surreal landscape of his literary America: the Gonzo Republic.

Gonzo Republic—William Stephenson 2011-11-17
The first academic book on Thompson in twenty years, designed for both students and scholars.

Ancient Gonzo Wisdom (Large Print 16pt)—Anita Thompson 2010-06-01
Provides intimate details about and insights into the life of the eccentric writer and subject of The Gonzo Way through a collection of stories and interviews telling of Thompson's many unique experiences, including receiving a beating from the Hells Angels and running for the position of sheriff of Aspen.

Generation of Swine—Hunter S. Thompson 2011-09-06
From the bestselling author of Fear and Loathing in Las Vegas, the legendary Hunter S. Thompson's second volume of the "Gonzo Papers" is back. Generation of Swine collects hundreds of columns from the infamous journalist's 1980s tenure at the San Francisco Examiner. Here, against a backdrop of late-night tattoo sessions and soldier-of-fortune trade shows, Dr. Thompson is at his apocalyptic best—covering emblematic events such as the 1987-88 presidential campaign, with Vice President George Bush, Sr., fighting for his life against Republican competitors like Alexander Haig, Pat Buchanan, and Pat Robertson; detailing the GOP's obsession with drugs and drug abuse; while at the same time capturing momentous social phenomena as they occurred, like the rise of cable, satellite TV, and CNN—24 hours of mainline news. Showcasing his inimitable talent for social and political analysis, Generation of Swine is vintage Thompson—eerily prescient, incisive, and enduring.

Stories I Tell Myself—Juan F. Thompson 2016
"An
intimate, close-up portrait of Hunter S. Thompson, fearless outlaw journalist, "avenging proxy for the American polity," whose manic first-person articles and exposés so interwoven with the getting of the story, gave rise to gonzo journalism (gonzagas-"fooled you"; bizarre). A portrait of the man: writer, brother, husband, manic searching soul who grew up with the times he inhabited, and in part created; a portrait most of all of the father: the alcoholic, drug fueled, charismatic, irresponsible, idealistic, sensitive man, by the son who lived through it all and thrived to tell the dangerous, complex, loving tale"--
Kingdom of Fear-Hunter S. Thompson
2011-09-20 The Gonzo memoir from one of the most influential voices in American literature, Kingdom of Fear traces the course of Hunter S. Thompson’s life as a rebel—from a smart-mouthed Kentucky kid flaunting all authority to a convention-defying journalist who came to personify a wild fusion of fact, fiction, and mind-altering substances. Brilliant, provocative, outrageous, and brazen, Hunter S. Thompson's infamous rule breaking—in his journalism, in his life, and under the law—changed the shape of American letters, and the face of American icons. Call it the evolution of an outlaw. Here are the formative experiences that comprise Thompson’s legendary trajectory alongside the weird and the ugly. Whether detailing his exploits as a foreign correspondent in Rio, his job as night manager of the notorious O’Farrell Theatre in San Francisco, his epic run for sheriff of Aspen on the Freak Power ticket, or the sensational legal maneuvering that led to his full acquittal in the famous 99 Days trial, Thompson is at the peak of his narrative powers in Kingdom of Fear. And this boisterous, blistering ride illuminates as never before the professional and ideological risk taking of a literary genius and transgressive icon. Fear and Loathing at Rolling Stone-Hunter S. Thompson 2012-10-16 An anthology of top-selected Rolling Stone articles offers insight into both the late Thompson's early career and the magazine's fledgling years, in a volume that includes the stories of his infamous Freak Party sheriff campaign and his observations about the
Bush-versus-Kerry presidential rivalry. By the best-selling author of The Rum Diary. 100,000 first printing.
Fear and Loathing-Hunter S. Thompson
2006-10-20 The "gonzo" political journalist presents his frankly subjective observations on the personalities and political machinations of the 1972 presidential campaign, in a new edition of the classic account of the dark side of American politics. Reprint.
Hunter S. Thompson-Kevin T. McEneaney
2016-06-09 A decade after Hunter S. Thompson’s death, his books—including Hell’s Angels, The Curse of Lono, The Great Shark Hunt, and Rum Diary—continue to sell thousands of copies each year, and previously unpublished manuscripts of his still surface for publication. While Thompson never claimed to be a great writer, he did invent a new literary style—“gonzo”—that has been widely influential on both literature and journalism. Though Thompson and his work engendered a significant—even rabid—following, relatively little analysis has been published about his writing. In Hunter S. Thompson: Fear, Loathing, and the Birth of Gonzo, Kevin T. McEneaney examines the intellectual background of this American original, providing biographical details and placing Thompson within a larger social and historical context. A significant portion of this book is devoted to the creation, reception, and legacy of his most important works, particularly Fear and Loathing in Las Vegas. In addition to discussing influences on Thompson's work—including Homer, Nietzsche, Spengler, Melville, Twain, Hemingway, Fitzgerald, Kerouac, and others—as well as the writers Thompson influenced, McEneaney also explains the literary origins of gonzo. With new biographical information about Thompson and an examination of his writing techniques, this book provides readers with a better understanding of the journalist and novelist. A look beyond the larger-than-life public persona, Hunter S. Thompson: Fear, Loathing, and the Birth of Gonzo will be of great interest to fans of Thompson’s work as well as to those wanting to know more about gonzo journalism and literature.
Hell's Angels: A Strange and Terrible Saga
Hunter S. Thompson 2012-08-01
Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. “California, Labor Day weekend... early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur... The Menace is loose again.” Thus begins Hunter S. Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as The New Yorker pointed out, “For all its uninhibited and sardonic humor, Thompson’s book is a thoughtful piece of work.”

As illuminating now as when originally published in 1967, Hell's Angels is a gripping portrait, and the best account we have of the truth behind an American legend. From the Hardcover edition.

Better Than Sex-Hunter S. Thompson 2012-08-15
"Hunter S. Thompson is to drug-addled, stream-of-consciousness, psycho-political black humor what Forrest Gump is to idiot savants." --The Philadelphia Inquirer

Since his 1972 trailblazing opus, Fear and Loathing on the Campaign Trail, Hunter S. Thompson has reported the election story in his truly inimitable, just-short-of-libel style. In Better than Sex, Thompson hits the dusty trail again--without leaving home--yet manages to deliver a mind-bending view of the 1992 presidential campaign--in all of its horror, sacrifice, lust, and dubious glory. Complete with faxes sent to and received by candidate Clinton's top aides, and 100 percent pure gonzo screeds.
on Richard Nixon, George Bush, and Oliver North, here is the most true-blue campaign tell-all ever penned by man or beast. "[Thompson] delivers yet another of his trademark cocktail mixes of unbelievable tales and dark observations about the sausage grind that is the U.S. presidential sweepstakes. Packed with egocentric anecdotes, musings and reprints of memos, faxes and scrawled handwritten notes (Memorable." --Los Angeles Daily News "What endears Hunter Thompson to anyone who reads him is that he will say what others are afraid to (.He is a master at the unlikely but invariably telling line that sums up a political figure (.In a year when all politics is--to much of the public--a tendentious and pompous bore, it is time to read Hunter Thompson." --Richmond Times-Dispatch

"While Tom Wolfe mastered the technique of being a fly on the wall, Thompson mastered the art of being a fly in the ointment. He made himself a part of every story, made no apologies for it and thus produced far more honest reporting than any crusading member of the Fourth Estate (. Thompson isn't afraid to take the hard medicine, nor is he bashful about dishing it out (.He is still king of beasts, and his apocalyptic prophecies seldom miss their target." --Tulsa World "This is a very, very funny book. No one can ever match Thompson in the vitriol department, and virtually nobody escapes his wrath." --The Flint Journal

Fear and Loathing in America-Hunter S. Thompson 2011-09-27 From the king of “Gonzo” journalism and bestselling author who brought you Fear and Loathing in Las Vegas comes another astonishing volume of letters by Hunter S. Thompson. Brazen, incisive, and outrageous as ever, this second volume of Thompson’s private correspondence is the highly anticipated follow-up to The Proud Highway. When that first book of letters appeared in 1997, Time pronounced it "deliriously entertaining"; Rolling Stone called it "brilliant beyond description"; and The New York Times celebrated its "wicked humor and bracing political conviction." Spanning the years between 1968 and 1976, these never-before-published letters show Thompson building his legend: running for sheriff in Aspen, Colorado; creating
the seminal road book Fear and Loathing in Las Vegas; twisting political reporting to new heights for Rolling Stone; and making sense of it all in the landmark Fear and Loathing on the Campaign Trail '72. To read Thompson's dispatches from these years—addressed to the author's friends, enemies, editors, and creditors, and such notables as Jimmy Carter, Tom Wolfe, and Kurt Vonnegut—is to read a raw, revolutionary eyewitness account of one of the most exciting and pivotal eras in American history.

Fear and Loathing in Las Vegas (Harper Perennial Modern Classics)-Hunter S. Thompson 2014-10-16 'We were somewhere around Barstow on the edge of the desert when the drugs began to take hold. I remember saying something like, “I feel a bit lightheaded; maybe you should drive ...”'

Feast of Excess-George Cotkin 2015-11-13 In 1952, John Cage shocked audiences with 4’33", his compositional ode to the ironic power of silence. From Cage's minimalism to Chris Burden's radical performance art two decades later (in one piece he had himself shot), the post-war American avant-garde shattered the divide between low and high art, between artist and audience. They changed the cultural landscape. Feast of Excess is an engaging and accessible portrait of "The New Sensibility," as it was named by Susan Sontag in 1965. The New Sensibility sought to push culture in extreme directions: either towards stark minimalism or gaudy maximalism. Through vignette profiles of prominent figures-John Cage, Patricia Highsmith, Allen Ginsberg, Andy Warhol, Anne Sexton, John Coltrane, Bob Dylan, Erica Jong, and Thomas Pynchon, to name a few-George Cotkin presents their bold, headline-grabbing performances and places them within the historical moment. This inventive and jaunty narrative captures the excitement of liberation in American culture. The roots of this release, as Cotkin demonstrates, began in the 1950s, boomed in the 1960s, and became the cultural norm by the 1970s. More than a detailed immersion in the history of cultural extremism, Feast of Excess raises provocative questions for our present-day
Bob Honey Who Just Do Stuff—Sean Penn
2019-04-09 “An incredibly interesting work.”
—Jane Smiley
“An incredibly interesting work.”
—Sarah Silverman
“Blisteringly funny.”
—Corey Seymour
“A transcendent apocalyptic satire.”
—Michael Silverblatt
“Crackling with life.”
—Paul Theroux
“Great fun.”
—Salman Rushdie
“A provocative debut.”
—Kirkus Reviews
From legendary actor and activist Sean Penn comes a scorching, “charmingly weird” (Booklist, starred review) novel about Bob Honey—a modern American man, entrepreneur, and part-time assassin. Bob Honey has a hard time connecting with other people, especially since his divorce. He’s tired of being marketed to every moment, sick of a world where even an orgasm isn’t real until it is turned into a tweet. A paragon of old-fashioned American entrepreneurship, Bob sells septic tanks to Jehovah’s Witnesses and arranges pyrotechnic displays for foreign dictators. He’s also a contract killer for an off-the-books program run by a branch of United States intelligence that targets the elderly, the infirm, and others who drain society of its resources. When a nosy journalist starts asking questions, Bob can’t decide if it’s a chance to form some sort of new friendship or the beginning of the end for him. With treason on everyone’s lips, terrorism in everyone’s sights, and American political life sinking to ever-lower standards, Bob decides it’s time to make a change—if he doesn’t get killed by his mysterious controllers or exposed in the rapacious media first. A thunderbolt of startling images and painted “with a broadly satirical, Vonnegut-ian brush” (Kirkus Reviews), Bob Honey Who Just Do Stuff is one of the year’s most controversial and talked about literary works.

Proud Highway—Hunter S. Thompson
2012-08-01
Here, for the first time, is the private and most intimate correspondence of one of America’s most influential and incisive journalists—Hunter S. Thompson. In letters to a Who’s Who of luminaries from Norman Mailer to Charles Kuralt, Tom Wolfe to Lyndon Johnson, William Styron to Joan Baez—not to mention his mother, the NRA, and a chain of newspaper editors—
Thompson vividly catches the tenor of the times in 1960s America and channels it all through his own razor-sharp perspective. Passionate in their admiration, merciless in their scorn, and never anything less than fascinating, the dispatches of The Proud Highway offer an unprecedented and penetrating gaze into the evolution of the most outrageous raconteur/provocateur ever to assault a typewriter.

Outlaw Journalist: The Life and Times of Hunter S. Thompson-William McKeen 2009-07-13 "Gets it all in: the boozing and drugging…but also the intelligence, the loyalty, the inherent decency."
—Jonathan Yardley, Washington Post

Hunter S. Thompson detonated a two-ton bomb under the staid field of journalism with his magazine pieces and revelatory Fear and Loathing in Las Vegas. In Outlaw Journalist, the famous inventor of Gonzo journalism is portrayed as never before. Through in-depth interviews with Thompson’s associates, William McKeen gets behind the drinking and the drugs to show the man and the writer—one who was happy to be considered an outlaw and for whom the calling of journalism was life.

Songs of the Doomed-Hunter S. Thompson 2011-09-06 First published in 1990, Songs of the Doomed is back in print -- by popular demand! In this third and most extraordinary volume of the Gonzo Papers, Dr. Hunter S. Thompson recalls high and hideous moments in his thirty years in the Passing Lane -- and no one is safe from his hilarious, remarkably astute social commentary. With Thompson's trademark insight and passion about the state of American politics and culture, Songs of the Doomed charts the long, strange trip from Kennedy to Quayle in Thompson's freewheeling, inimitable style. Spanning four decades -- 1950 to 1990 -- Thompson is at the top of his form while fleeing New York for Puerto Rico, riding with the Hell's Angels, investigating...
Las Vegas sleaze, grappling with the "Dukakis problem," and finally, detailing his infamous lifestyle bust, trial documents, and Fourth Amendment battle with the Law. These tales -- often sleazy, brutal, and crude -- are only the tip of what Jack Nicholson called "the most baffling human iceberg of our time." Songs of the Doomed is vintage Thompson -- a brilliant, brazen, bawdy compilation of the greatest sound bites of Gonzo journalism from the past thirty years.

The Great Shark Hunt-Hunter S. Thompson
2011-09-06 The first volume in Hunter S. Thompson’s bestselling Gonzo Papers offers brilliant commentary and outrageous humor, in his signature style. Originally published in 1979, the first volume of the bestselling “Gonzo Papers” is now back in print. The Great Shark Hunt is Dr. Hunter S. Thompson’s largest and, arguably, most important work, covering Nixon to napalm, Las Vegas to Watergate, Carter to cocaine. These essays offer brilliant commentary and outrageous humor, in signature Thompson style. Ranging in date from the National Observer days to the era of Rolling Stone, The Great Shark Hunt offers myriad, highly charged entries, including the first Hunter S. Thompson piece to be dubbed “gonzo”—“The Kentucky Derby Is Decadent and Depraved,” which appeared in Scanlan's Monthly in 1970. From this essay a new journalistic movement sprang which would change the shape of American letters. Thompson's razor-sharp insight and crystal clarity capture the crazy, hypocritical, degenerate, and redeeming aspects of the explosive and colorful '60s and '70s.

Mile Marker Zero-William McKeen 2011-10-04 True tales of writers and pirates, painters and potheads, guitar pickers and drug merchants in America’s southernmost city For Hemingway and Fitzgerald, there was Paris in the twenties. For others, later, there was Greenwich Village, Big Sur, and Woodstock. But for an even later generation—one defined by the likes of Jimmy Buffett, Tom McGuane, and Hunter S. Thompson—there was another moveable feast: KeyWest, Florida. The small town on the two-by-four-mile island has long been an artistic haven,
a wild refuge for people of all persuasions, and the inspirational home for a league of great American writers. Some of the artists went there to be literary he-men. Some went to re-create themselves. Others just went to disappear—and succeeded. No matter what inspired the trip, Key West in the seventies was the right place at the right time, where and when an astonishing collection of artists wove a web of creative inspiration. Mile Marker Zero tells the story of how these writers and artists found their identities in Key West and maintained their friendships over the decades, despite oceans of booze and boatloads of pot, through serial marriages and sexual escapades, in that dangerous paradise. Unlike the “Lost Generation” of Paris in the twenties, we have a generation that invented, reinvented, and found itself at the unending cocktail party at the end—and the beginning—of America’s highway. From the Hardcover edition.

Who Killed Hunter Thompson?-Warren Hinckle 2006 A look at the life of Hunter S. Thompson through essays and personal recollections from the Gonzo journalist's peers, closest friends and co-conspirators - including transcripts of his rants and idiosyncratic phone messages. Thompson's compatriots, who observe and comment on the journalistic legend's life and death, include, among many others: Susie Bright, editor of On Our Backs and Best American Erotica; Jerry Brown, former Governor of California; Rick MacArthur, the publisher of Harper's; and Ben Fong-Torres, the iconic Rolling Stone editor;

The Footloose American-Brian Kevin 2014 "An adventure-filled and thought-provoking travelogue along Hunter S. Thompson's forgotten journey through South America. In 1963, twenty-five-year-old Hunter S. Thompson, who would become America's bestselling "gonzo journalist," completed a year-long journey across South America, filing a series of dispatches for a now-defunct paper called the National Observer. With the gritty humor and keen political observations for which he later became known, correspondent Thompson reflected on topics that continue to make headlines today: the rise of leftist populism,
struggles over resource extraction, the 
marginalization of indigenous peoples. In The 
Footloose American, Brian Kevin traverses the 
continent with Thompson’s ghost as his guide, 
offering a ground-level exploration of twenty-
first-century South American culture, politics, 
and ecology. By contrasting the author’s own 
thrilling, transformative experiences along the 
Hunter S. Thompson Trail with those that 
Thompson describes in his letters and lost 
Observer stories, The Footloose American is at 
once a gripping personal journey and a thought-
provoking study of culture and place”--
Action Figure!-G. B. Trudeau 2001-02-20
Chronicles the adventures and misadventures of 
the "Doonesbury" character, Uncle Duke, in 
trouble spots throughout the world.
Freak Power-Daniel Joseph Watkins 2015-08-15
Hunter S. Thompson came home from the 1968 
Democratic Convention in Chicago disgusted yet 
motivated by what he’d seen: protests violently 
suppressed, riots, corrupt politicians and abusive 
cops. Back in Aspen, he found more of the same. 
The local police and sheriff’s departments were 

targeting hippies, charging them with absurd 
crimes, harassing them on the streets and trying 
to push them out of town. He knew something 
had to be done and he realized it had to be done 
by people like himself. The hippies, intellectuals, 
and freaks had remained silent long enough. The 
time had come to organize and seize political 
power.Freak Power tells the story of Hunter’s 
plan to become Sheriff, take control of Aspen and 
transform it from a conservative mining town 
into a mecca for artists, rebels and activists. 
Through original print material from the 
campaign, photographs and political art, Freak 
Power chronicles a little known period in Hunter 
S. Thompson’s life, a period when he wrote 
prolifically about politics, the environment, drugs 
and American values. As the conservatives and 
freaks battled it out, the campaign became 
fraught with violence, accusations and moments 
of absurdity that bordered on fiction. As weird a 
tale as Thompson ever wrote, his own forays into 
politics may have been his wittiest and most 
thought-provoking escapade of all.
Gonzo-Corey Seymour 2007-10-31 Few American
lives are stranger, more action-packed, or wilder than that of Hunter S. Thompson. Born a rebel in Louisville, Kentucky, Thompson spent a lifetime channeling his energy and insight into such landmark works as Fear and Loathing in Las Vegas - and his singular and provocative style challenged and revolutionized writing. Now, for the first time ever, Jann Wenner and Corey Seymour have interviewed the Good Doctor's friends, family, acquaintances and colleagues and woven their memories into a brilliant oral biography. From Hell's Angels leader Sonny Barger to Ralph Steadman to Jack Nicholson to Jimmy Buffett to Pat Buchanan to Marilyn Manson and Thompson's two wives, son, and longtime personal assistant, more than 100 members of Thompson's inner circle bring into vivid focus the life of a man who was even more complicated, tormented, and talented than any previous portrait has shown. It's all here in its uncensored glory: the creative frenzies, the love affairs, the drugs and booze and guns and explosives and, ultimately, the tragic suicide. As Thompson was fond of saying, "Buy the ticket, take the ride."

Hey Rube-Hunter S. Thompson 2004 Presents a collection of writings from the author's column "Hey Rube" on ESPN.com, covering such topics as retaliation for September 11th, his suggestions for "fixing" baseball, and other thoughts on politics, sports, and gossip.

Smells Like Dead Elephants-Matt Taibbi 2014-07-08 From “the only political writer in America that matters” comes a collection of his best reportage about the worst of times (Harford Advocate). Matt Taibbi is notorious as a journalistic agitator, a stone thrower, a “natural provocateur” (Salon.com). Now, bringing together his most incisive, intense, and hilarious pieces from his “Road Work” column in Rolling Stone, the “political reporter with the gonzo spirit that made Hunter S. Thompson and P. J. O’Rourke so much fun” shines a scathing spotlight on the corruption, dishonesty, and sheer laziness of our leaders (The Washington Post). With no shortage of outrages to compel Taibbi’s pen, these pieces paint a shocking portrait of our government at work—or, as Taibbi
points out in “The Worst Congress Ever,” rarely working. Taibbi has plenty to say about George W. Bush, Jack Abramoff, Tom DeLay, and all the rest, but he doesn’t just hit inside the Beltway. Taibbi gets involved in the action. He infiltrates Senator Conrad Burns’s birthday party under disguise as a lobbyist for a fictional oil firm that wants to drill in the Grand Canyon. He floats into apocalyptic post-Katrina New Orleans in a dinghy with Sean Penn. He goes to Iraq as an embedded reporter, where he witnesses the mind-boggling dysfunction of our occupation and spends three nights in Abu Ghraib prison. And he reports from two of the most bizarre and telling trials in recent memory: California v. Michael Jackson and the evolution-vs.-intelligent-design trial in Harrisburg, Pennsylvania. A brilliant collection from one of the most entertaining political writers of today, Smells Like Dead Elephants is "the funniest angry book and the angriest funny book since Hunter S. Thompson roared into town" (James Wolcott).

The Joke's Over-Ralph Steadman 2006 Traces the author's friendship and working relationship with Hunter S. Thompson, discussing their collaborative efforts through Gonzo Journalism while covering such subjects as the civil rights movement and Watergate, in a personal account that also evaluates Thompson's 2005 suicide. 50,000 first printing.

Novaja žurnalistika i antologija novoj žurnalistiki-Tom Wolfe 1975 'The hell with it . . . let chaos reign . . . louder music, more wine . . . All the old traditions are exhausted and no new one is yet established. All bets are off! The odds are cancelled! It's anybody's ballgame . . . ' Tom Wolfe introduces and exults in his generation's journalistic talent: Truman Capote inside the mind of a psychotic killer Hunter S. Thompson skunk drunk at the Kentucky Derby Michael Herr dispatching reality from the Vietnam killing fields Rex Reed giving the star treatment to the ageing Ava Gardner As well as Norman Mailer Joe Eszterhas Terry Southern Nicholas Tomalin George Plimpton James Mills Gay Talese Joan Didion and many other legends of tape and typewriter telling it like it is from Warhol's Factory to the White House lawn, from the
saddle of a Harley to the toughest football team in the US.
The Taqwacores-Michael Muhammad Knight 2008-12-23 A Muslim punk house in Buffalo, New York, inhabited by burqa-wearing riot girls, mohawked Sufis, straightedge Sunnis, Shi’a skinheads, Indonesian skaters, Sudanese rude boys, gay Muslims, drunk Muslims, and feminists. Their living room hosts parties and prayers, with a hole smashed in the wall to indicate the direction of Mecca. Their life together mixes sex, dope, and religion in roughly equal amounts, expressed in devotion to an Islamo-punk subculture, “taqwacore,” named for taqwa, an Arabic term for consciousness of the divine. Originally self-published on photocopiers and spiralbound by hand, The Taqwacores has now come to be read as a manifesto for Muslim punk rockers and a “Catcher in the Rye for young Muslims.” There are three different cover colors; red, white, and blue.
The Gonzo Way-Anita Thompson 2007 The writer Tom Wolfe once described Hunter S. Thompson as the finest comic writer of the 20th century. Thompson was this and more, an apt observer of the American scene for almost four decades, the founding father of Gonzo journalism, and an inspiration to many. Through his writings, Thompson examined the loss of American innocence in the latter part of the 20th century, all the while holding up those deserving of contempt for closer examination and espousing (and exemplifying) what it meant to be a citizen at the end of the American Century. With his death, a vacuum was created that remains to be filled. Anita Thompson explores the legacy of her late husband as a writer and as a citizen, through her own words and through interviews with those who knew him best including Johnny Depp, Ed Bradley, Doug Brinkley, Jack Nicholson, Bill Murray, Senator George McGovern, and others.
The Rum Diary-Hunter S. Thompson 2011-10-04 The irreverent writer's long lost novel, written before his nonfiction became popular, chronicles a journalist's enthusiastic, drunken foray through 1950s San Juan.
Beatdom - Issue Four-David Wills 2009-07-24 The fourth issue of the hugely popular Beatdom
magazine includes poetry by hiphop star Scroobius Pip, essays by Kerouac expert Dave Moore, interviews with Gary Snyder and Carolyn Cassady, and the memoirs and unpublished photographs of Allen Ginsberg's assistant. Critical Critters-Ralph Steadman 2017-07-27 Following on from Extinct Boids and Nextinction, Critical Critters is the third in this epic trilogy of books dedicated to extinct and critically endangered animals from cartoonist Ralph Steadman and film-maker Ceri Levy - the GONZOVATIONISTS. Expect plenty more of what made the first two books so successful - unpredictable nonsense beasts, irreverent jokes, a diary-style record of the creative mayhem, and around 100 spectacular illustrations by Ralph of critically endangered mammals, insects, fish, lizards and trees - a stunning collection, with a serious conservation message. Ceri's humorous but meaningful message accompanied by Ralph's sensational paintings will satisfy art-lovers and conservationists alike.

American Culture in the 1970s-Will Kaufman 2009-02-19 The 1970s was one of the most culturally vibrant periods in American history. This book discusses the dominant cultural forms of the 1970s - fiction and poetry; television and drama; film and visual culture; popular music and style; public space and spectacle - and the decade's most influential practitioners and texts: from Toni Morrison to All in the Family, from Diane Arbus to Bruce Springsteen, from M.A.S.H. to Taxi Driver and from disco divas to Vietnam protesters. In response to those who consider the seventies the time of disco, polyester and narcissism, this book rewrites the critical engagement with one of America's most misunderstood decades.Key Features*Focused case studies featuring key texts and influential writers, artists, directors and musicians*Chronology of 1970s American Culture*Bibliographies for each chapter and a general bibliography on 1970s Culture*14 black-and-white illustrations

The Gonzo Papers Anthology-Hunter S. Thompson 2009 Collected together for the first time, The Gonzo Papers Anthology is an indispensable compendium of decadence,
depravity and a remarkably skewed common sense. Screwjack-Hunter S. Thompson 2000-12-13 An almost unnaturally poignant love story from the father of “Gonzo” journalism and Fear and Loathing in Las Vegas Hunter S. Thompson. What makes the romantic short story Screwjack so touching, for all its queerness, is the aching melancholy in its depiction of the modern man’s burden: that "we are doomed. Mama has gone off to Real Estate School...and after that maybe even to Law School. We will never see her again." Hunter S. Thompson’s most searing and unnaturally poignant love story, Screwjack is simultaneously eerie and feverish, debauched and affecting. Never before—and perhaps never since—has modern man’s melancholia been so vividly revealed in one powerful story.

Cactus Land-Robert Bonomo 2009-07-21 Cactus Land is a vision of our near future, in a world filled with strife and rumors of war, and how people decipher what is real from what is imagined.

The Boys on the Bus-Timothy Crouse 2013-06-26 Cheap booze. Flying fleshpots. Lack of sleep. Endless spin. Lying pols. Just a few of the snares lying in wait for the reporters who covered the 1972 presidential election. Traveling with the press pack from the June primaries to the big night in November, Rolling Stone reporter Timothy Crouse hopscotched the country with both the Nixon and McGovern campaigns and witnessed the birth of modern campaign journalism. The Boys on the Bus is the raucous story of how American news got to be what it is today. With its verve, wit, and psychological acumen, it is a classic of American reporting.
