A Grammar of the Film - An Analysis of Film Technique-Raymond Spottiswoode 2013-04-16 The reader will not need more than a glance at this book to discover that it arose out of the ashes of long-forgotten controversies, and was written at a tender age when the splitting of hairs seemed to its author more important than making new discoveries. We may imagine him, as he sat in his panelled Oxford study, the work for his degree pushed to one side, floor and table laden with early writings on the film—the work of such practical masters as Pudovkin, Eisenstein and Grierson, and the scourgings of critics and others whose names have not survived the years. What had they to say, these early analysts? Had they established the

theory of the film as a veritable art? Had they sufficiently distinguished it from the art forms out of which it grew? Above all, had they fully appreciated the grounds of this distinction? The young author did not think so. With all the heady enthusiasm of his twenty years, and unembarrassed by any actual contact with film, he felt that he had the answer. The Eye of the Prophet-Kahlil Gibran 2008 Poet, philosopher and artist, Khalil Gibran was a man whose fame and influence spread far beyond his native Lebanon. Drawn from Gibran's prose, poetry and letters previously available only in Arabic, The Eye of the Prophet is a source of enlightenment and reflection to guide readers through daily life.
