Practicalities-Marguerite Duras 1993-10 "It's the women who upset the applectart. Between themselves they talk only about the practicalities of life", declares Duras in this collection of her transcribed conversations with friend Jerome Beaujour. Some of her free-ranging meditations are short and deceptively simple, while many are autobiographical and reveal her most intimate thoughts about motherhood, her struggle with alcohol, her love for a young man, and more.

The Patriots-Sana Krasikov 2017-01-24 A sweeping multigenerational novel about idealism, betrayal, and family secrets set in the U.S. and Russia, from one of Granta's Best of Young American Novelists When the Great Depression hits, Florence Fein leaves Brooklyn College for a job in Moscow—and the promise of love and independence. But once in Russia, she quickly becomes entangled in a country she can't escape. Many years later, Florence's son, Julian, immigrates back to the United States, though his work in the oil industry takes him on frequent visits to Moscow. When he learns that Florence's KGB file has been opened, he arranges a business trip to uncover the truth about his mother, and to convince his son, Lenny—trying to make his fortune in Putin's cutthroat Russia—to return home. What Julian discovers is both chilling and heartbreaking: an untold story of a generation of Americans abandoned by their country, and the secret history of two rival nations colluding under the cover of enmity. The Patriots is a riveting evocation of the Cold War

years, told with brilliant insight and extraordinary skill. Alternating between Florence's and Julian's perspectives, it is at once a mother-son story and a tale of two countries bound in a dialectic dance; a love story and a spy story; both a grand, old-fashioned epic and a contemporary novel of ideas. Through the history of one family moving back and forth between continents over three generations, *The Patriots* is a poignant tale of the power of love, the rewards and risks of friendship, and the secrets parents and children keep from one another. Praise for *The Patriots* "The Patriots is a historical romance in the old style: multigenerational, multi-narrative, intercontinental, laden with back stories and historical research, moving between scrupulous detail and sweeping panoramas, the first-person voice and a kaleidoscopic third, melodrama and satire, Cleveland in 1933 and Moscow in 2008."—Nathaniel Rich, *The New York Times Book Review* "Dazzling and addictive . . . an outstanding family saga."—*The Spectator* (U.K.) "Extraordinary . . . *The Patriots* has the weight of a classic."—*Commentary Magazine* "I found on every page an observation so acute, a sentence of such truth and shining detail, that it demanded re-reading for the sheer pleasure of it. *The Patriots* has convinced me that Krasikov belongs among the totemic young writers of her era."—Khaled Hosseini, author of *And the Mountains Echoed* and *The Kite Runner*

Sex Power Money-Sara Pascoe 2019-08-27 ** THE SUNDAY TIMES TOP 5 BESTSELLER ** ** FEATURED ON BBC ARTS' BETWEEN THE COVERS ** Award-winning comedian Sara Pascoe turns her attention to the things that really matter to humans - sex, power and money. 'A genuinely hilarious explanation of the science of sex' FRANKIE BOYLE 'I've never read a book so fast and laughed so loudly while learning so much. Pascoe is a sage for our times.' DEBORAH FRANCES-WHITE, *The Guilty Feminist* Following her hit book *Animal*, Sara Pascoe decides to confront her fear of the male libido, and turns her attention to the things that really matter to humans, delving into such questions as: Why don't people care about the welfare of the people they masturbate to? and Why is there such stigma around those who work in the sex industry? when Some women still want men to buy them dinner? In this comedic and educational hopscotch over anatomy, the history of sexual representation and the sticky way all human interactions are underwritten by wealth, Pascoe explores whether we'll ever be able to escape the Conundrum of Heterosexuality.

Drawing on anecdotal experience, unqualified opinion, interviews and original research, *Sex Power Money* is thought-provoking and riotously funny: a fresh take on the oldest discussion. 'Important, timely, poignant, mind-blowing and VERY FUNNY. Written with kindness, bravery and ridiculous attention to detail, it will make you feel cleverer without all the usual effort.' Stalin's Children-Owen Matthews 2010-07-23 On a mid-summer day in 1937, a car pulled up to the house of the Bibikov family in Chernigov in the heart of the Ukraine. Boris, the father, kissed his two daughters and wife goodbye and disappeared inside the car. His family never saw him again. His wife would later vanish, leaving the young Lyudmila and Lenina alone to drift across the vast Russian landscape as the Wehrmacht advanced in WWII. In the early 1960s Owen Matthews' father, Mervyn, moved to Moscow to work for the British embassy after a childhood in Wales dreaming of Russia. He fell in with the KGB, and in love with Lyudmila, and before he could disentangle himself from the former he was ordered to leave the country. For the next six years, Mervyn tried desperately to get Lyudmila out of Russia, and when he finally succeeded they married. Decades on from these events, their son, now *Newsweek's* bureau chief in Moscow, pieces together the tangled threads of his family's past and present-the extraordinary files that record the life and death of his grandfather at the hands of Stalin's secret police; his mother's and aunt's perilous journey to adulthood; his parents' Cold War love affair and the magnet that has drawn him back to the Russia-to present an indelible portrait of the country over the past seven decades and an unforgettable memoir about how we struggle to define ourselves in opposition to our ancestry only to find ourselves aligning with it.

Moscow Babylon-Owen Matthews 2002-05-05 Owen Matthews, a bilingual twentysomething journalist in Moscow, is the third generation of his family to become enmeshed in the body of Russia. This work presents Owen's tale of decadence in contemporary Moscow, set against the story of his parents' cold war love-affair.

God's Mountain-Erri De Luca 2002-12-03 This is a story told by a boy in his thirteenth year, recorded in his secret diary. His life is about to change; his world, about to open. He lives in Montedidio—God's Mountain—a cluster of alleys in the heart of Naples. He brings a paycheck home every Saturday from Mast'Errico's carpentry workshop where he sweeps the floor. He is on his way to becoming a man—his boy's voice is abandoning him. His wooden boomerang is neither toy nor tool, but something in between. Then there is Maria, the thirteen-year-old girl who lives above him and, like so many girls, is wiser than he. She carries the burden of a secret life herself. She'll speak to him for the first time this summer. There is also his friendship with a cobbler named Rafaniello, a Jewish refugee who has escaped the horrors of the Holocaust, who has no idea how long he's been on this earth, and who is said to sprout wings for a blessed few. It is 1963, a young man's summer of discovery. A time for a boy with innocent hands and a pure heart to look beyond the ordinary in everyday things to see the far-reaching landscape, and all of its possibilities, from a rooftop terrace on God's Mountain.

Betty-Tiffany McDaniel 2020-08-18 A stunning, lyrical novel set in the rolling foothills of the Appalachians about a young girl and the family truths that will haunt her for the rest of her life "A girl comes of age against the knife." So begins the story of Betty Carpenter. Born in a bathtub in 1954 to a white mother and a Cherokee father, Betty is the sixth of eight siblings. The world they inhabit in the rural town of Breathed, Ohio, is one of poverty and violence--both from outside the family and, devastatingly, from within. The lush landscape, rich with birdsong, wild fruit, and blazing stars, becomes a kind of refuge for Betty, but when her family's darkest secrets are brought to light, she has no choice but to reckon with the brutal history hiding in the hills, as well as the heart-wrenching cruelties and incredible characters she encounters. Despite the hardships she faces, Betty is resilient. Her curiosity about the natural world, her fierce love for her sisters, and her father's brilliant stories are kindling for the fire of her own imagination, and in the face of all to which she bears witness, Betty discovers an

escape: she begins to write. She recounts the horrors of her family's past and present with pen and paper and buries them deep in the dirt--moments that have stung her so deeply she could not tell them, until now. Inspired by generations of her family, Tiffany McDaniel sets out to free the past by delivering this heartbreaking yet magical story--a remarkable novel that establishes her as one of the most important voices in American fiction.

Transcendent Kingdom-Yaa Gyasi 2020-09-01 A TODAY SHOW #ReadWithJenna BOOK CLUB PICK! INSTANT NEW YORK TIMES BEST SELLER Yaa Gyasi's stunning follow-up to her acclaimed national best seller Homegoing is a powerful, raw, intimate, deeply layered novel about a Ghanaian family in Alabama. Gifty is a sixth-year PhD candidate in neuroscience at the Stanford University School of Medicine studying reward-seeking behavior in mice and the neural circuits of depression and addiction. Her brother, Nana, was a gifted high school athlete who died of a heroin overdose after an ankle injury left him hooked on OxyContin. Her suicidal mother is living in her bed. Gifty is determined to discover the scientific basis for the suffering she sees all around her. But even as she turns to the hard sciences to unlock the mystery of her family's loss, she finds herself hungering for her childhood faith and grappling with the evangelical church in which she was raised, whose promise of salvation remains as tantalizing as it is elusive. Transcendent Kingdom is a deeply moving portrait of a family of Ghanaian immigrants ravaged by depression and addiction and grief--a novel about faith, science, religion, love. Exquisitely written, emotionally searing, this is an exceptionally powerful follow-up to Gyasi's phenomenal debut.

Inge's War-Svenja O'Donnell 2020-04-28

"Growing up in Paris, the daughter of a German mother and an Irish father, Svenja O'Donnell knew little of her family's German past. All she knew was that her grandmother and her mother had fled their home city of Königsberg in the far east of Germany near the end of World War II, never to return. But everything changed when O'Donnell traveled to Königsberg -- now known as Kaliningrad, and part of Russia -- and called her grandmother, who uncharacteristically burst into tears. "I have so much to tell you," Inge said. In this [...] book, the [...] journalist vividly reconstructs the story of Inge's life from the rise of the Nazis through the brutal postwar years, from falling in love with a man who was sent to

the Eastern Front just after she became pregnant with his child, to spearheading her family's flight as the Red Army closed in, her young daughter in tow. Ultimately, O'Donnell uncovers the act of violence that finally parted Inge from the man she loved; a terrible secret she had been keeping for more than six decades. In retracing her grandmother's footsteps, Svenja O'Donnell offers a rare window into a side of World War II we rarely see: a story not of heroes or villains, but of ordinary people, caught in the gears of history." -

Apeirogon: A Novel-Colum McCann 2020-02-25
NEW YORK TIMES BESTSELLER • "A quite extraordinary novel. Colum McCann has found the form and voice to tell the most complex of stories, with an unexpected friendship between two men at its powerfully beating heart."—Kamila Shamsie, author of Home Fire
LONGLISTED FOR THE BOOKER PRIZE • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Independent • The New York Public Library • Library Journal From the National Book Award-winning and bestselling author of Let the Great World Spin comes an epic novel rooted in the unlikely real-life friendship between two fathers. Bassam Aramin is Palestinian. Rami Elhanan is Israeli. They inhabit a world of conflict that colors every aspect of their lives, from the roads they are allowed to drive on to the schools their children attend to the checkpoints, both physical and emotional, they must negotiate. But their lives, however circumscribed, are upended one after the other: first, Rami's thirteen-year-old daughter, Smadar, becomes the victim of suicide bombers; a decade later, Bassam's ten-year-old daughter, Abir, is killed by a rubber bullet. Rami and Bassam had been raised to hate one another. And yet, when they learn of each other's stories, they recognize the loss that connects them. Together they attempt to use their grief as a weapon for peace—and with their one small act, start to permeate what has for generations seemed an impermeable conflict. This extraordinary novel is the fruit of a seed planted when the novelist Colum McCann met the real Bassam and Rami on a trip with the non-profit organization Narrative 4. McCann was moved by their willingness to share their stories with the world, by their hope that if they could see themselves in one another, perhaps others could too. With their blessing, and unprecedented access to their families, lives, and personal recollections, McCann began to craft Apeirogon, which uses their real-life stories to begin another—one that crosses centuries and

continents, stitching together time, art, history, nature, and politics in a tale both heartbreaking and hopeful. The result is an ambitious novel, crafted out of a universe of fictional and nonfictional material, with these fathers' moving story at its heart.

Glorious Misadventures-Owen Matthews 2013-08-01 The Russian Empire once extended deep into America: in 1818 Russia's furthest outposts were in California and Hawaii. The dreamer behind this great Imperial vision was Nikolai Rezanov ? diplomat, adventurer, courtier, millionaire and gambler. His quest to plant Russian colonies from Siberia to California led him to San Francisco, where he was captivated by Conchita, the fifteen-year-old daughter of the Spanish Governor, who embodied his dreams of both love and empire. From the glittering court of Catherine the Great to the wilds of the New World, Matthews conjures a brilliantly original portrait of one of Russia's most eccentric Empire-builders.

The Line That Held Us-David Joy 2019-07-09 When Darl Moody went hunting after a monster buck he's chased for years, he never expected he'd accidentally shoot a man digging ginseng. Worse yet, he's killed a Brewer, a family notorious for vengeance and violence. With nowhere to turn, Darl calls on the help of the only man he knows will answer, his best friend, Calvin Hooper. But when Dwayne Brewer comes looking for his missing brother and stumbles onto a blood trail leading straight back to Darl and Calvin, a nightmare of revenge rips apart their world.

The American Granddaughter-Inaam Kachachi 2011-02-28 At the beginning of America's occupation of Iraq, 15 years after leaving Baghdad, Zeina returns to her war-torn homeland as an interpreter for the US Army where she finds herself torn by conflicting allegiances. Her traditional grandmother, the only family member that Zeina believes she has in Iraq, disapproves of her granddaughter's involvement with the occupying forces. Whilst in Baghdad, Zeina meets two 'brothers' she knows nothing of. When she falls deeply in love with Muhaymin, a militant in the Al Mehdi Army, she begins to question all her values
Compass-Mathias Enard 2018-03-27 Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world On the shortlist for the 2017 Man Booker International Prize As night falls over Vienna, Franz Ritter, an insomniac musicologist, takes to his sickbed with an unspecified illness and spends a restless night

drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians, academics, orientalists, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Énard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalists, Balzac and Agatha Christie—and binds them together in a most magical way.

The Mercies-Kirin Millwood Hargrave 2020-02-11 After the men in an Arctic Norwegian town are wiped out, the women must survive a sinister threat in this "perfectly told" 1600s parable of "a world gone mad" (Adriana Trigiani). Finnmark, Norway, 1617. Twenty-year-old Maren Magnasdatter stands on the craggy coast, watching the sea break into a sudden and reckless storm. Forty fishermen, including her brother and father, are drowned and left broken on the rocks below. With the menfolk wiped out, the women of the tiny Arctic town of Vardø must fend for themselves. Three years later, a stranger arrives on their shore. Absalom Cornet comes from Scotland, where he burned witches in the northern isles. He brings with him his young Norwegian wife, Ursa, who is both heady with her husband's authority and terrified by it. In Vardø, and in Maren, Ursa sees something she has never seen before: independent women. But Absalom sees only a place untouched by God, and flooded with a mighty evil. As Maren and Ursa are drawn to one another in ways that surprise them both, the island begins to close in on them, with Absalom's iron rule threatening

Vardø's very existence. Inspired by the real events of the Vardø storm and the 1621 witch trials, *The Mercies* is a story of love, evil, and obsession, set at the edge of civilization. One of the Best Books of the Year USA Today Good Housekeeping

Africaville-Jeffrey Colvin 2019-12-10 A ferociously talented writer makes his stunning debut with this richly woven tapestry, set in a small Nova Scotia town settled by former slaves, that depicts several generations of one family bound together and torn apart by blood, faith, time, and fate. *Vogue* : Best Books to Read This Winter Structured as a triptych, *Africaville* chronicles the lives of three generations of the Sebolt family—Kath Ella, her son Omar/Etienne, and her grandson Warner—whose lives unfold against the tumultuous events of the twentieth century from the Great Depression of the 1930s, through the social protests of the 1960s to the economic upheavals in the 1980s. A century earlier, Kath Ella's ancestors established a new home in Nova Scotia. Like her ancestors, Kath Ella's life is shaped by hardship—she struggles to conceive and to provide for her family during the long, bitter Canadian winters. She must also contend with the locals' lingering suspicions about the dark-skinned "outsiders" who live in their midst. Kath Ella's fierce love for her son, Omar, cannot help her overcome the racial prejudices that linger in this remote, tight-knit place. As he grows up, the rebellious Omar refutes the past and decides to break from the family, threatening to upend all that Kath Ella and her people have tried to build. Over the decades, each successive generation drifts further from Africaville, yet they take a piece of this indelible place with them as they make their way to Montreal, Vermont, and beyond, to the deep South of America. As it explores notions of identity, passing, cross-racial relationships, the importance of place, and the meaning of home, *Africaville* tells the larger story of the black experience in parts of Canada and the United States. Vibrant and lyrical, filled with colorful details, and told in a powerful, haunting voice, this extraordinary novel—as atmospheric and steeped in history as *The Known World*, *Barracoon*, *The Underground Railroad*, and *The Twelve Tribes of Hattie*—is a landmark work from a sure-to-be major literary talent.
Octavio's Journey-Miguel Bonnefoy 2017-03-13 A chance meeting in the local pharmacy transforms the life of lonely, illiterate Octavio. He begins reading lessons and finds love and happiness for the very first time. But Octavio's destiny lies

elsewhere, as he will discover on a journey into the Venezuelan rainforest. Shortlisted for the Goncourt first novel award, this short but epic fable is both a hymn to Venezuela and the magical story of an extraordinary hero.

Black Sugar-Miguel Bonnefoy 2018-03-15 'A beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times A prize-winning author's magical realist fable about greed and corruption in Venezuela, Black Sugar gives a fascinating view of the country's social and economic development throughout the twentieth century through the story of a family of sugarcane growers. It tells of buried treasure and the legendary privateer Henry Morgan. On the edge of the Latin American rainforest, the Oteros family farm sugar cane in their remote corner of the earth. Cut off entirely from the modern world, life is peaceful, uneventful. Until, that is, a succession of ships arrive in search of Henry Morgan's legendary lost treasure, said to be buried deep beneath the forest floor. Soon, the isolated villagers are exposed to all the trappings of modernity, while the travellers' search for booty unearths more than anybody could have anticipated... And so it was that the treasure lay buried amid scraps of sail and a pirate's corpse, preserved within the belly of the Caribbean...

Reviews 'Gallic Books have a lovely knack for publishing quirky and engaging novels, often compact and always accessible. Miguel Bonnefoy continues that tradition with his intriguing second novel, Black Sugar. With a pitch-perfect translation by Emily Boyce, this is a beautifully crafted tale of how small loves can grow into the big ones, often quite unexpectedly.' The Irish Times 'Its lyricism and vivid descriptions of a tropical landscape make it worth stopping by for.' The Big Issue 'An astonishing novel about the rise and fall of a family over time... Black Sugar is not to be missed.' Portland Review of Books 'Simply written, Miguel Bonnefoy's story almost reads like a fable, weaving themes of greed and corruption into a pirate drama.' World Literature Today 'Bonnefoy's French and South American heritage infuse the novel, it combines the best of the European tradition and magical realism. It's a mix of folklore and exotic storytelling. Rich in description, lyrical, elegant and fantastical.' Nudge Magazine 'Entirely satisfying (...) Black Sugar holds its own in the Latin American magical-realism tradition.'

Foreword Reviews 'Black Sugar comes out at a time when Venezuela is in the news for violence and turmoil. But Bonnefoy's prose bursts with

pride for the region and its people, particularly the farms and farmers. At the same time, he acknowledges the colonizing forces that fomented unrest, whose influence is felt today as the country destabilizes. It's an important book to read right now, for even though it's fantastical fiction, it gives the reader context for the next headline.' Necessary Fiction 'Black Sugar is a beautiful generational saga akin to One Hundred Years of Solitude or The House of the Spirits ... Bonnefoy never loses his own voice and continues to write with strokes of brilliant colours and sounds.' The Book Bag 'Rich in sensuous imagery and wonderful descriptions.' Trip Fiction 'Black Sugar stands out as one of the beautiful surprises of this autumn ... Here, everything is lived to the full, love passion and desire for power, fidelity and ambition.'

Mortals-Norman Rush 2011-03-23 The greatly anticipated new novel by Norman Rush—whose first novel, Mating, won the National Book Award and was everywhere acclaimed—is his richest work yet. It is at once a political adventure, a social comedy, and a passionate triangle. It is set in the 1990s in Botswana—the African country Rush has indelibly made his own fictional territory. Mortals chronicles the misadventures of three ex-pat Americans: Ray Finch, a contract CIA agent, operating undercover as an English instructor in a private school, who is setting out on perhaps his most difficult assignment; his beautiful but slightly foolish and disaffected wife, Iris, with whom he is obsessively in love; and Davis Morel, an iconoclastic black holistic physician, who is on a personal mission to “lift the yoke of Christian belief from Africa.” The passions of these three entangle them with a local populist leader, Samuel Kerekang, whose purposes are grotesquely misconstrued by the CIA, fixated as the agency is on the astonishing collapse of world socialism and the simultaneous, paradoxical triumph of radical black nationalism in South Africa, Botswana's neighbor. And when a small but violent insurrection erupts in the wild northern part of the country, inspired by Kerekang but stoked by the erotic and political intrigues of the American trio—the outcome is explosive and often explosively funny. Along the way, there are many pleasures. Letters from Ray's brilliantly hostile brother and Iris's woebegone sister provide a running commentary on contemporary life in America. Africa and Africans are powerfully evoked, and the expatriate scene is cheerfully skewered. Through lives lived ardently in an unforgiving land,

Mortals examines with wit and insight the dilemmas of power, religion, rebellion, and contending versions of liberation and love. It is a study of a marriage over time, and a man's struggle to find his way when his private and public worlds are shifting. It is Norman Rush's most commanding work.

All the Living-C.E. Morgan 2010-03-02 An astonishing novel that seizes the heart, and sets age-old conflicts against modern life. All the Living has the timeless quality of a parable, evoking a time and place with such beauty and power that it is unforgettable. It's a hot, dry summer and a young woman travels to Kentucky with her lover, Orren, to the isolated tobacco farm he has inherited after his family dies in a terrible accident. As he works through the drought, Aloma struggles to find her way in a combative, erotically charged relationship with this taciturn man. Her growing friendship with a local charismatic preacher further complicates her sense of lonely dissatisfaction as she grapples with the eternal question of whether it is better to fight for freedom or submit to desire. Excerpt: At first she could see his figure only as a dark shape and the sun firing on the watch on his right arm as he turned the wheel. Then when he was finally before her, braking and leaning in slightly under the shade of the visor to pull the keys from the ignition, she found the broad contours of his face and the color of his skin, much browner than the last time she had seen him, the day after the funeral three weeks ago when he came down to the school and sat beside her and set a question to her. He said, You'll come up? And she said, Yes, yes. And it don't matter if it's all out of order like it is? And she shook her head and took his blanched face in her hands and kissed him, and that had struck her later as an odd reversal, he usually being the one to reach out and pull her to him. From the Hardcover edition.

Dead Man's Blues: A Novel-Ray Celestin 2017-12-05 Set in Chicago in 1928 and featuring Pinkerton detectives, a murdered heiress, shadowy gangsters—and even Louis Armstrong—this is the bluesy, atmospheric sequel to the award-winning *The Axeman*. Chicago, 1928. In the stifling summer heat three disturbing events take place. A clique of city leaders is poisoned in a fancy hotel. A white gangster is found mutilated in an alleyway in the Blackbelt. And a famous heiress vanishes without a trace. Pinkerton detectives Michael Talbot and Ida Davis are hired to find the missing heiress by

the girl's troubled mother. But it proves harder than expected to find a face that is known across the city, and Ida must elicit the help of her friend Louis Armstrong. While the police take little interest in the Blackbelt murder, Jacob Russo—crime scene photographer—can't get the dead man's image out of his head, and so he embarks on his own investigation. And Dante Sanfelippo—rum-runner and fixer—is back in Chicago on the orders of Al Capone, who suspects there's a traitor in the ranks and wants Dante to investigate. But Dante is struggling with his own problems, as he is forced to return to the city he thought he'd never see again . . . As the three parties edge closer to the truth, their paths cross and their lives are threatened. But will any of them find the answers they need in the capital of jazz, fast liquor, and corruption?

Consent-Vanessa Springora 2021-02-16 Already an international literary sensation, an intimate and powerful memoir of a young French teenage girl's relationship with a famous, much older male writer—a universal #MeToo story of power, manipulation, trauma, recovery, and resiliency that exposes the hypocrisy of a culture that has allowed the sexual abuse of minors to occur unchecked. Sometimes, all it takes is a single voice to shatter the silence of complicity. Thirty years ago, Vanessa Springora was the teenage muse of one of the country's most celebrated writers, a footnote in the narrative of a very influential man in the French literary world. At the end of 2019, as women around the world began to speak out, Vanessa, now in her forties and the director of one of France's leading publishing houses, decided to reclaim her own story, offering her perspective of those events sharply known. Consent is the story of one precocious young girl's stolen adolescence. Devastating in its honesty, Vanessa's painstakingly memoir lays bare the cultural attitudes and circumstances that made it possible for a thirteen-year-old girl to become involved with a fifty-year-old man who happened to be a notable writer. As she recalls the events of her childhood and her seduction by one of her country's most notable writers, Vanessa reflects on the ways in which this disturbing relationship changed and affected her as she grew older. Drawing parallels between children's fairy tales and French history and her personal life, Vanessa offers an intimate and absorbing look at the meaning of love and consent and the toll of trauma and the power of healing in women's lives. Ultimately, she offers a forceful indictment of a chauvinistic literary world that has for too

long accepted and helped perpetuate gender inequality and the exploitation and sexual abuse of children.

Incest-Christine Angot 2017 A daring novel that made Christine Angot one of the most controversial figures in contemporary France recounts the narrator's incestuous relationship with her father. Tess Lewis's forceful translation brings into English this audacious novel of taboo. The narrator is falling out from a torrential relationship with another woman. Delirious with love and yearning, her thoughts grow increasingly cyclical and wild, until exposing the trauma lying behind her pain. With the intimacy offered by a confession, the narrator embarks on a psychoanalysis of herself, giving the reader entry into her tangled experiences with homosexuality, paranoia, and, at the core of it all, incest. In a masterful translation from the French by Tess Lewis, Christine Angot's *Incest* audaciously confronts its readers with one of our greatest taboos.

And Their Children After Them-Nicolas Mathieu 2020 Winner of the 2018 Prix Goncourt, this poignant coming-of-age tale captures the distinct feeling of summer in a region left behind by global progress. August 1992. One afternoon during a heatwave in a desolate valley somewhere in eastern France, with its dormant blast furnaces and its lake, fourteen-year-old Anthony and his cousin decide to steal a canoe to explore the famous nude beach across the water. The trip ultimately takes Anthony to his first love and a summer that will determine everything that happens afterward. Nicolas Mathieu conjures up a valley, an era, and the political journey of a young generation that has to forge its own path in a dying world. Four summers and four defining moments, from "Smells Like Teen Spirit" to the 1998 World Cup, encapsulate the hectic lives of the inhabitants of a France far removed from the centers of globalization, torn between decency and rage.

The Friend-Sigrid Nunez 2019-02-05 WINNER OF THE 2018 NATIONAL BOOK AWARD NEW YORK TIMES NOTABLE BOOK OF 2018 "A beautiful book ... a world of insight into death, grief, art, and love." --Wall Street Journal "A penetrating, moving meditation on loss, comfort, memory...Nunez has a wry, withering wit." --NPR "Dry, allusive and charming...the comedy here writes itself." The New York Times A moving story of love, friendship, grief, healing, and the magical bond between a woman and her dog. When a woman unexpectedly loses her lifelong best friend and mentor, she finds herself

burdened with the unwanted dog he has left behind. Her own battle against grief is intensified by the mute suffering of the dog, a huge Great Dane traumatized by the inexplicable disappearance of its master, and by the threat of eviction: dogs are prohibited in her apartment building. While others worry that grief has made her a victim of magical thinking, the woman refuses to be separated from the dog except for brief periods of time. Isolated from the rest of the world, increasingly obsessed with the dog's care, determined to read its mind and fathom its heart, she comes dangerously close to unraveling. But while troubles abound, rich and surprising rewards lie in store for both of them. Elegiac and searching, *The Friend* is both a meditation on loss and a celebration of human-canine devotion. *Daddy Love*-Joyce Carol Oates 2013-01-08 From the author of *Bellefleur*: A "psychologically incisive" glimpse into the mind of a deranged predator and the boy he abducts to be his son (Booklist). Robbie Whitcomb is five years old when he's taken from his mother in a mall parking lot. In her attempt to chase the kidnapper, she's left badly injured and permanently disfigured. Such are the methods of the man who calls himself Daddy Love—a man known to the rest of the world as charismatic preacher Chester Cash. For the next six years, Robbie is to be Daddy's son. That means doing whatever Daddy says—and giving him whatever he wants. Soon Robbie learns to accept his new name, Gideon. He also learns that he is not the first of Daddy Love's sons. And that each of the others, after reaching a certain age, was never seen again. As Robbie's mother recovers from her wounds, her life and marriage are a daily struggle. But as years go by, she maintains a flicker of hope that her son is still alive. Meanwhile, Robbie approaches the "bittersweet age" with no illusions about his fate. But somewhere within this tortured child lies a spark of rebellion. And he knows all too well what survival requires. "After all these years, Joyce Carol Oates can still give me the creeps." —Marilyn Stasio, *The New York Times Book Review* "A lean and disturbing tale that reverberates after its ending." —*The Columbus Dispatch* "Oates makes us squirm as she forces us to see some of the action through Love's twisted and warped perspective." —*Kirkus Reviews* "This unsettling tale showcases Oates's masterful storytelling." —*Publishers Weekly* *Le marketing du livre*-Suna Desai 2006 *Le marketing de l'édition* reste aujourd'hui mal connu et ses spécificités sont telles qu'elles ne

trouvent pas leur place dans les ouvrages généraux. Les auteurs de cet ouvrage proposent ici une approche pratique du marketing éditorial dans son versant " Etudes et stratégies ". Les méthodes, les techniques et les ressources que le marketing de l'édition peut mobiliser sont présentées ici en prenant appui sur un ensemble de cas concrets empruntés à divers types de productions, et avec le double souci de montrer ce que l'on peut en attendre et d'en poser les

limites. Quelle que soit la nature de la production éditoriale, et loin d'être réservée aux spécialistes et aux grandes maisons d'édition, la réflexion proposée ici pourra accompagner chaque éditeur dans ses choix ; il y trouvera des outils d'analyse applicables aux situations auxquelles il est confronté, matière à affiner ses pratiques, et peut être aussi le moyen d'éviter certaines erreurs.
