La robe rouge-Anne Rossi 2013-09-20 La vie de Marianne bascule en quelques minutes : de jeune fille de bonne famille voguant en direction des Caraïbes, elle devient la captive d'Olivier Enkoutan, un terrible pirate dont la réputation sanguinaire n'est plus à faire. Désormais prisonnière de ce bateau plein de bandits, elle ne peut compter que sur elle-même pour s'en sortir. Pourtant, lorsqu'un des flibustiers lui propose de la mener à terre si elle cède à ses avances, elle se met à douter. D'une part parce que ce marché est particulièrement immoral, mais aussi parce qu'au fond, peut-être n'a-t-elle tout bonnement pas réellement envie de quitter ce navire et son vigoureux capitaine...

Indomptables passions-Anne Rossi 2014-07-01 Série Les Enkoutan, épisodes 1 à 5 Elles sont cinq. Cinq héroïnes, toutes d'origines différentes, héritières rebelles ou sages, pures comme l'eau claire ou cachant farouchement leur secret. Chacune avec sa personnalité, son histoire et ses rêves. Mais toutes réunies par une chose : au printemps de leur vie de femme, une rencontre inattendue va bouleverser leur avenir apparemment tracé d'avance. Une rencontre au goût d'interdit, de celles qui vous entraînent dans une passion indomptable. Précipitées par le destin dans les bras d'hommes auxquels tout les oppose, poussées par un tempérament ardent, insoumise dans l'âme, chacune devra choisir entre l'appel du cœur et celui du devoir, et traverser les exquis et dangereux tourments du désir. Zulie, Marianne, Isabelle, Hortense et Victoire... Tour à tour et chacune après l'autre, elles vont vibrer au rythme de leur nouvelle destinée : l'ivresse de la passion... A propos de l'auteur Des histoires d'amour, des héroïnes fortes et des mauvais garçons : voilà la recette fétiche d'Anne Rossi. Un auteur qui, à l'image de ses héros, ne tient pas en place : de l'Australie à New York en passant par la Suède, elle est allée chercher très loin son inspiration !

His Royal Love-Child-Lucy Monroe 2006-05-01 Danette Michaels knew that when she became Principe Marcello Scorsolini's secret mistress there would be no marriage, no future and no public acknowledgment. At the time it was enough. But Danette can't be Marcello's secret any longer. She wants him, all or nothing — even if it means their affair is over. Until a pregnancy test changes the rules forever....

American Odyssey-Michel Laguerre 2018-08-06 Caribbean immigrants have now become part of the social landscape of many American cities. Few studies, however, have treated in detail the process of their integration in American society. American Odyssey assesses the development and adaptation, in both human and socio-economic terms, of the Haitian immigrant community in three boroughs of New York City. An informed and well-rounded portrayal of a Caribbean community in New York, this book offers a fresh theoretical view of the structuring of urban ethnicity and provides the ethnographic background essential to understanding the problems of the Haitian population in the United States.

Dézafi-Frankétienne 2018-10-30 Dézafi is no ordinary zombie novel. In the hands of the great Haitian author known simply as Frankétienne, zombification takes on a symbolic dimension that stands as a potent commentary on a country haunted by a history of slavery. Now this dynamic new translation brings this touchstone in Haitian literature to English-language readers for the first time. Written in a provocative experimental style, with a myriad of voices and combining myth, poetry, allegory, magical realism, and social realism, Dézafi tells the tale of a plantation that is run and worked by zombies for the financial benefit of the living owner. The owner's daughter falls in love with a zombie and facilitates his transformation back into fully human form, leading to a rebellion that challenges the oppressive imbalance that had robbed the workers of their spirit. With the walking dead and bloody cockfights (the "dézafe" of the title) as cultural metaphors for Haitian existence, Frankétienne's novel is ultimately a powerful allegory of political and social liberation.

16 Ways to Break a Heart-Lauren Strasnick 2017-07-25 Unfolding through letters, texts, and chats, Lauren Strasnick's smart, sexy, page-turning new novel is the ultimate he said/she said breakdown of a relationship gone wrong. Natalie and Dan were electric from the moment they met. Witty banter and sizzling chemistry made falling in love easy—even inevitable. He was in awe of her subversive art and contagious zest for life; she was drawn to his good-guy charm and drive to succeed as a documentary filmmaker. But that was before. Before hot tempers turned to blowout fights. Before a few little lies turned to broken trust. Before a hundred tiny slights broke them open and exposed the ugly truth of their relationship. And now Natalie wants Dan to know just how much he broke her. Over the course of one fateful day, Dan reads sixteen letters that Natalie has secretly, brilliantly hidden in places only he will find. And as he pieces together her version of their love story, he realizes that she has one final message for him. One that might just send his carefully constructed life tumbling down.

MARRIAGE MADE OF SECRETS-Maya Blake 2018-04-10 Ava grew up in a poor family in London before marrying Cesare, an Italian millionaire. Despite their totally different upbringings, the two fell in love at first sight. When Ava got pregnant, they decided it was time to get married, and Ava put her career on hold. The two of them should be living in conjugal bliss, but their marriage has been rocky from the start?Cesare spends too little time with his family and buries himself at work, treating Ava coldly when she tries to talk to him about it. Ava, convinced that he doesn't love her anymore, knows they need some time apart. And yet, when they meet again after some time has passed, a sad-looking Cesare gazes at her with hungry eyes and tries to kiss her. Is it really love...or only lust?

Protecting His Forever-LeAnn Ashers

Passage of Darkness-Wade Davis 2000-11-09 In 1982, Harvard-trained ethnobotanist Wade Davis traveled into the Haitian countryside to research reports of zombies--the infamous living dead of Haitian folklore. A report by a team of physicians of a verifiable case of zombification led him to try to obtain the poison associated with the process and examine it for potential medical use. Interdisciplinary in nature, this study reveals a network of power relations reaching all levels of Haitian political life. It sheds light on recent Haitian political history, including the meteoric rise under Duvalier of the Tonton Macoute. By explaining zombification as a rational process within the context of traditional Vodoun society, Davis demystifies one of the most exploited of folk beliefs, one that has been used to denigrate an entire people and their religion.

Afterburn / Aftershock-Sylvia Day 2014-03-11 Never mix business with pleasure. Never bring politics into the bedroom. In a way I did both when I took Jackson Rutledge as a lover. I can't say I wasn't warned. Two years later, he was back. Walking into a deal I'd worked hard to close. Under the tutelage of Lei Yeung, one of the sharpest businesswomen in New York, I had picked up a thing or two since Jax walked away. I wasn't the girl he once knew, but he hadn't changed. Unlike the last time we'd drifted into each other's lives, I knew exactly what I was dealing with... and how addictive his touch could be. The inner circle of glamour, sex, and privilege was Jax's playground--but this time, I knew the rules of the game. In the cutthroat business world, one adage rules all: keep your enemies close and your ex-lovers closer...

THE BEDROOM ASSIGNMENT-Sophie Weston 2020-08-26 Zoe's new boss, Jay, was the definition of a haughty playboy. He banned office relationships simply to avoid trouble with female employees. She had never thought about him that way, so she never thought twice about his dismissive attitude toward her. He'd probably assumed she had no integrity, anyway, based on the rumors that abounded about her. There was no reason for Zoe to feel anything for Jay. Yet one day he discovers her secret, and she can't help but fall for him...

The Firekeeper's Son-Linda Sue Park 2009-04-20 In Korea in the early 1800s, news from the countryside reached the king by means of signal fires. On one mountaintop after another, a fire was lit when all was well. If the king did not see a fire, that meant trouble, and he would send out his army. Linda Sue Park's first picture book for Clarion is about Sang-hee, son of the village firekeeper. When his father is unable to light the fire one night, young Sang-hee must take his place. Sang-hee knows how important it is for the fire to be lit-but he wishes that he could see soldiers . . . just once. Mountains, firelight and shadow, and Sunhee's struggle with a hard choice are rendered in radiant paintings, which tell their own story of a turning point in a child's life.

The Billionaire's Bride of Innocence-Miranda Lee 2009-11-01 James Logan knew it was time to take a wife and produce an heir. Megan was perfect for his plans: shy, unworldly and quickly seduced by the Sydney advertising tycoon's devilish charm. She was pregnant on their wedding day. The honeymoon was barely over when Megan had a miscarriage and the scales fell from her eyes: she was trapped in a convenient marriage, and James expected her to conceive again soon. She should have demanded a divorce, but Megan was facing the uncomfortable truth: she'd fallen in love with her ruthless husband....

A Day for the Hunter, a Day for the Prey-Gage Averill 2008-04-15 The history of Haiti throughout the twentieth century has been marked by

oppression at the hands of colonial and dictatorial overlords. But set against this "day for the hunter" has been a "day for the prey," a history of resistance, and sometimes of triumph. With keen cultural and historical awareness, Gage Averill shows that Haiti's vibrant and expressive music has been one of the most highly charged instruments in this struggle—one in which power, politics, and resistance are inextricably fused. Averill explores such diverse genres as Haitian jazz, troubadour traditions, Vodou-jazz, konpa, mini-djaz, new generation, and roots music. He examines the complex interaction of music with power in contexts such as honorific rituals, sponsored street celebrations, Carnival, and social movements that span the political spectrum. With firsthand accounts by musicians, photos, song texts, and ethnographic descriptions, this book explores the profound manifestations of power and song in the day-to-day efforts of ordinary Haitians to rise above political repression.

Last Day of My Life-Lani Vale 2014-07-17 Her She's the definition of lost. Doesn't know her name? Check. Cruelly beaten within an inch of her life? Check. No memory of anything that's happened since she woke up from that beating? Check. Losing a child she doesn't remember conceiving? Check. She hasn't felt anything but lost in a very long time. Then an old biker tells her danger is on the horizon. He sends her to a man that she instantly feels a connection with. A bone deep connection. Him He's the definition of despair. After the death of his young wife while on a tour of duty in Afghanistan, he hasn't seen the appeal of participating in the world around him. He's lost the only thing he ever loved. He's been a shell of the man he once was. His only escape from reality is feeling the wind in his hair, going as fast as he can get his old Harley to take him. That's the only time he can push his demons back far enough to feel peace. That is until she screams his name.
