Satan's Silence-Debbie Nathan 2001 Communities throughout the United States were convulsed in the 1980s and early 1990s by accusations, often without a shred of serious evidence, that respectable men and women in their midst—many of them trusted preschool teachers—secretly gathered in far reaching conspiracies to rape and terrorize children. In this powerful book, Debbie Nathan and Mike Snedeker examine the forces fueling this blind panic.
Boy, 9, Missing-Nic Joseph 2016-09-20 In the tradition of Defending Jacob or Drowning Ruth, this is a suspenseful debut that explores the ramifications of revenge, justice, and the aftermath of a terrible night in the lives of two families. It should have been just a quiet evening with friends. But Francis lost his brother that night in what was ruled a tragic accident. He's tried to move on in the last twenty-three years, even though his father certainly hasn't. Indeed, his father still blames the lone witness, Sam, the nine-year-old son of friends. Perhaps if Sam would have just said something, anything, about what happened that night, but Sam still seems unable-or unwilling-to utter a word about the accident. And now, twenty-

three years later, Sam's own nine-year-old son has disappeared.

Beyond the Burning Times-Philip Johnson 2009-04-01 A fascinating dialogue between a Pagan and a Christian. Gus DiZerega, an American pagan and and an academic engages in debate with Philip Johnson, an Australian Christian theologian. The two debate questions such as the nature of spirituality, who or what is deity, how humans relate to the divine, the sacred feminine, gender and sexuality, and the teachings and claims of Jesus. At the end of the book another Pagan writer comments on what Philip Johnson has argued, and another Christian comments on what Gus DiZerega has argued. Paganism is acknowledged as the fastest growing 'religion' in western Europe and this book helps readers to engage with it and with orthodox Christian belief.
